

AN OPPORTUNITY FOR EVERYBODY— A WASHINGTON SOCIAL AND SUPPER AT THE PUBLIC SCHOOLS

Friday Evening, Saturday Afternoon and Saturday Evening, February 19-20—Refreshments Served by the Domestic Science Department—Entertainment by the Children—Social Opportunities Unsurpassed—Object Twofold: To Bring Everybody to School for a Good Time and to Make Money for the Domestic Science and Manual Training Departments.

The "Real Thing" awaits Narberthites. Arrangements will be made for an informal social and supper at the Public School Building, Friday, 5.00 P. M. to 10.00 P. M.; Saturday, 2.00 P. M. to 10.00 P. M. Two dates, including three periods, have been decided upon in order to give everybody an opportunity to attend. So many people cannot attend school functions because they come on one particular date. Now here is a chance—three socials with different informal programs each time—refreshments on sale all the time.

Supper will be served both days from 5.00 to 8.00 P. M., by the Domestic Science Department. Informal entertainment by pupils will follow. On Saturday afternoon will be "Little Tots' Day." The youngsters will sing and tell you stories from 3.00 to 3.30 P. M. Mr. Melchior will show them pictures of Washington's home and tell them stories. This afternoon social gives an opportunity for the little ones and their mothers who may not be able to be out in the evening. Saturday afternoon will afford an excellent opportunity to tour the building.

Don't forget the main feature of this is an informal "get together" affair for everybody.

Keep open one, two or all three dates.

CITIZEN STATES IMPORTANT FACTS

Essex Avenue Should Be Cut Through Under The Tunnel

How much longer must Narberth citizens be inconvenienced by this long delayed improvement? One of the most serious annoyances due to Essex avenue not being cut through under the railroad, is that suffered both in summer and winter by the mothers of our borough, who have occasion to go from one side of the railroad to the other. It is very frequently necessary to have the baby along, either in a coach or on a sled, as conditions require. When the steps to the present tunnel are reached the difficulty begins. It is a man's job to haul a husky baby, with coach or sled, down a dozen stone steps, through the tunnel, and up another dozen at the other end, but the women must do it. Likewise, it is a man's duty to see that Narberth is reasonably up to date in this matter of a great public necessity. Have we not the men in Narberth who will make it their business to have this improvement made? Those on the south side are perhaps more seriously affected than the north side citizens, on account of all of the business houses being on the latter side of the railroad.

NARBERTH AND MONTGOMERY HONORED AT STATE EDUCATIONAL ASSOCIATION, DEPARTMENT OF SCHOOL DIRECTORS.

Narberth has been honored by the election of C. Howard McCarter as first vice-president of the Directors' Association of Department of Education of the Commonwealth of Pennsylvania.

The position is the more honored because the persons elected to the offices are chosen from a list of directors who have a good record for annual attendance at the State Conventions and who are known to be active workers for public schools in their local community, county and State.

Mr. McCarter was elected by the Montgomery County Directors' Association as one of the five delegates to represent the interests of the county at the State meeting. Not only to Narberth then but to the county comes the honor of being represented on the State Educational staff.

CHILDREN'S PARTY.

Miss Janice Carmin, of Woodside avenue, entertained her many little friends on Saturday afternoon at her home. A most enjoyable afternoon was spent in the usual manner and the festivities closed with a most inviting array of all the good things to eat.

The festive board was decorated in pink, and singular enough most all the children wore pink.

After having partaken of the good things to eat all left very happy. Those present were: Helen Holmes, Faith Macauliffe, Ella Dothard, Mabel Kirkpatrick, Catherine Caldwell, Louise Jones, Elizabeth Jones, Marion Bottoms, Dorothy Bottoms, Alexander Leighton, and the Misses Ruth, Esther and Lois Bryan, of Overbrook.

NARBERTH SUFFRAGE PARTY HOLDS FIRST MEETING.

The first regular monthly meeting of the Woman Suffrage Party of Narberth was held last Friday afternoon at the home of Mrs. E. A. Muschamp. Plans were made for work to be done during the coming months and these committees were appointed: Literature, Miss Grace Haight; Publicity, Mrs. C. P. Fowler and Mrs. Cockrill.

Four new names were added to the membership list.

The next meeting will be held on March 3, at the home of Mrs. William B. Goodall.

A LETTER TO MRS. CHAMBLEY.

Mrs. A. Chambley,
Narberth, Pa.

My Dear Mrs. Chambley:

Last evening at the regular meeting of the Narberth School Board, I was asked to convey to you the grateful acknowledgment of the kindness shown by the Ladies' Community Club, in lending to us the silverware and dishes belonging to the club.

Our luncheon to the Montgomery High School teachers was very well received and a great deal of the success was due to the appearance of the tables, due to your kindness.

Please convey the thanks of the School Board to the Community Club.

Gratefully yours,

Mary S. Melchior, Secretary.

PROGRESS OF THE COMMUNITY CLUB

Encouragement And Enthusiasm Features at Last Meeting

The Board of Managers of the Women's Community Club is very much gratified to note the increased interest and enthusiasm displayed on Tuesday afternoons.

The introduction of the sewing for the sufferers in the war zone has undoubtedly not only been instrumental in increasing the weekly attendance very materially, but also has created such a delightful air of sociability that many of us consider it a personal loss if we miss a meeting.

In this connection, too much credit cannot be given Mrs. Carroll Downes for the capable manner in which she has handled this important work. Mrs. Downes not only devotes every Tuesday afternoon to it, but spends hours each week in going to headquarters for instructions or planning and cutting materials ahead so that not a moment is wasted on Tuesdays waiting for work, but the needles begin to fairly fly promptly at three. Besides this, her charming personality seems to bring out the best that is in each one of us, and the work goes on so steadily and conscientiously that by the time five o'clock rolls around, there is always a table full of finished articles ready for the front, and we all go home entirely satisfied with the result of our efforts.

As I have watched the eager happy faces, and very busy fingers of Mrs. Moore, Mrs. John P. Smith, Mrs. Hartley, Mrs. Haws, Mrs. Livingston, Mrs. James Cole, Mrs. Roberts, Mrs. French, Mrs. Hepley, Mrs. Gifford, Mrs. du Marias, and perhaps a dozen others, who come regularly and work so hard, I could not help thinking that they have surely caught the spirit of service.

Those of us who at some time have sat more or less terror stricken, as we listened to a doctor in as kindly a tone as possible condemning us to a hospital, know only too well that, even in a private room, with two nurses anticipating every wish, and probably a dozen boxes of flowers and as many letters arriving daily from loved ones, and last, but not best of all, the dearest and nearest one allowed to be with us at least once a day, with all these luxuries for our comfort, still three or four weeks' suffering in a hospital is neither a joke nor a happy vacation, and when we think of the thousands of poor fellows far removed from all who are near and dear to them, and without probably the barest necessities for their comfort, our fingers fairly tingle to get busy sewing socks, folding sponges or rolling bandages, and I am sure my readers will agree that we have been busy when I say that since November we have sent about fifteen hundred articles, i. e., bandages, slings, packs, sponges, knitted scarfs, etc., all very carefully counted and packed according to instructions from the front, and ready for use the instant they arrive at destination.

For those who are not informed on the subject, let me add that not one penny of community dues is spent in the work. Every yard of material and every spool of cotton have been purchased and paid for with money donated by members and friends interested in the cause, and naturally when the donations cease, we must stop sewing, but we are living on faith.

Last Tuesday six unexpected dollars were carried in to us, which brought forth the glad smile, and we hope next week to be able to laugh again.

Of course, as has been said many times before, the sewing is entirely optional, and if you do not care to handle a needle, come out anyway, enjoy a cup of tea with us, and encourage us in what we consider a most commendable work.

I am not a King's Daughter, but I am very much in sympathy with their

NARBERTH BASEBALL TEAM ORGANIZED FOR 1916

A meeting of the base ball team was held last week and the following officers were elected to serve for the ensuing year:

President, Raymond C. Jones.
Treasurer, Dr. Romaine E. Hoffman.
Secretary, Irwin T. Ward.
Manager, Fred. H. Walzer.
Official Scorer, Earl F. Smith.
Plans were discussed for the coming year, and shortly Manager Wal-

zer will call out his candidates in preparation for the southern (?) training trip, which worked wonders last year. (Cape May, O'Shaughnessy). The constable has about thirty names on the roster, and will soon start to weed them out.

The battery candidates will be called out first, so as to allow the trainer to "look them over," and see which ones will have to be farmed out for more minor league training.

NARBERTH CHAMPIONS LOSE FIRST GAME OF THE SEASON

Prince of Peace Quintet Defeats Champions, 33-17

In one of the fastest games of the season, the Main Line Champions lost their first game of the season to the Prince of Peace team, through failure to be able to locate the basket on easy shots, and failure to shoot foul goals.

While the champions were minus the services of three regulars, yet they should have won the game with apparent ease, had they been able to locate the basket for two-pointers.

The visitors held Narberth to one lone field goal in the first half, which was caged by Vernon Fleck, while the visitors caged six from the floor. The first half ended with the score 16 to 6.

In the second half, the Narberth boys took a decided brace and held their rivals for the first few minutes. But then their rivals started scoring from the field and soon had the game tucked away.

Next week the Narberth Seniors play the Norristown quintet, the champions of the Schuylkill Valley, and from all reports this ought to be the banner game, from one standpoint alone, namely: Champions of the Main Line, and champions of the Schuylkill Valley. Narberth hopes to have all their regulars back in the game, and with a good bunch to encourage the boys out of their present slump, the local five should come out on top. Line-up:

Narberth. Prince of Peace.
E. Davis forward E. McPhilliney
(Colwyn Humphries)
Fleck forward Emberger
(J. Jeffries)
A. Kirk center Rowley
(E. Davis)
Sheldon guard McClaren
(Fleck)
Emsinger guard J. McPhilliney
(Kirk)

Field goals: Fleck 2, Humphries 2, E. McPhilliney 3, Emberger 2, Rowley 6, McClaren 2. Foul goals: Jeffries 5, E. Davis 4, Rowley 7. Time of halves: 20 minutes. Referee: Dr. Hoffman. Scorer and time-keeper: Earl F. Smith.

ANNOUNCEMENT.

We are in receipt of a very interesting little folio from the La France Beauty Shop, 242 Haverford avenue, Narberth, Pa., A. M. Case, proprietor, announcing their opening on Thursday, February 3. We regret that this announcement reached us too late for publication in our last week's issue. Their specialties are as follows:

Manicuring
French Marcel Waving
Scientific Facial Treatments
Shampooing
Hair Dressing
Scalp Treatments
Electrical and Vibratory Massage
Clipping and Singeing
A complete assortment of Marie de Medicis French Toilet Preparations.

Say! Did you know the Junior King's Daughters are going to give a rattling, snappy, something-doin'-every-minute minstrel show? Well, they are! "Watch your step" and see that it leads you there! Date will be announced later.

work, and I cannot think of any organization or society's motto that is more applicable to this particular service than their "In His Name," and in closing I would suggest that we keep this ever before us as we resolve to willingly devote at least two hours each week to the glorious work of preparing some relief for the great mass of suffering humanity across the water, a resolution which is peculiarly significant at this time, considering the early approach of the Lenten season, which always suggests service and sacrifice.

(Signed) Mary M. Stiekney,
Membership Manager.

The Community Club is very glad to welcome the following new members: Mrs. J. S. Roberts, Mrs. Carl Mattison, Mrs. J. Donnelly, Mrs. M. I. French, Mrs. H. H. Hartley and Mrs. Clement Booth, all of whom have already become very enthusiastic and skillful bandage makers.

Mrs. David D. Stiekney has been kept pretty busy signing receipts for community fees for 1916. Those who have not already settled may do so in the club room on Tuesday afternoons, or mail (box 525), however, we would much prefer that you come and enjoy a cup of tea with us, and see just what we are accomplishing.

At least a half a dozen times lately I have heard different ones say, "I never knew you had such good times," and that happened simply because they had never come before to find out. We certainly will be glad to welcome you. Will you come?

The many friends of Mrs. John Bell, of Wayne avenue, will be very glad to know that she has been so well all winter. Although Mrs. Bell has passed her eighty-first birthday and her fingers are much stiffened with past attacks of rheumatism, still the writer found her wielding a huge pair of clumsy knitting needles, preparing a scarf two and one-quarter yards long for some poor fellow in the war zone.

This was an inspiration to me and another illustration of the spirit of service. We all "take off our hats" to Mrs. Bell, and extend her the heartiest thanks of every community sewer and our best wishes for an indefinite continuance of the good health she is now enjoying.

Meet me at the Community Club Room next Tuesday afternoon from three until five o'clock, second floor of the Y. M. C. A. Building.

THE NARBERTH JUNIORS (N. A. C.)

We lost out in the three game series with Drexel Hill. In an exciting game last Saturday night, we were forced to take the short end of the score, which was 27 to 16. We don't want to give any excuses for losing, but we must say that two of our star players were played on the first team, namely, Jack Jefferies and Colwyn Humphreys. Jack, however, played for us in the second half and he certainly played. The line-up was as follows:

Narberth Juniors. Drexel Hill.
Smith forward Dickson
Winne forward Parker
Odell center T. Yochum
McCarter guard C. Yochum
Redifer guard Hock

Subs—Jefferies for Redifer. Field goals—Smith, 1; Redifer, 1; Winne, 1; McCarter, 1; Dickson, 3; Parker, 2; Hock, 3. Foul goals—Winne, 4; Jefferies, 4; Dickson, 2; Parker, 3; Hock, 5. Referee—Dr. Hoffman.

Don't forget next Saturday's game. We play the Northeast Boys Club, of West Philadelphia, and a good game is promised. We have played Northeast before and we are sorry to say that we lost, but this is the time that the game will be won and won squarely.

To the Editor of Our Town.

For the information of EXL whose article appeared on Page 2 of last week's Our Town I might state:

The Narberth avenue bridge over the railroad was built about 1870, at which time the village was known as Elm Station, and had but a few scattering homes. The residents at that time probably little dreamed of such growth as the town of Narberth has since enjoyed.

This bridge is the only means of vehicle communication between the two built up portions of the town, the "North Side" and the "South Side."

Some may be tempted to believe that our borough would be better if no such distinctions as the "North" and the "South" sides existed, but since we find ourselves so divided by the railroad, as is the case with a number of other Main Line towns, we will have to meet the conditions as they exist.

We believe, however, that in the other Main Line towns referred to, no such conditions exist as at the Narberth avenue bridge, as at any point where conditions even approach ours a foot walk is provided. The present bridge, with its narrow roadway, would to-day be considered hardly suitable for the altogether rural districts, since conditions have so changed in these days of the automobile, when it is common to see two cars passing each other on the bridge. The conditions existing are positively dangerous to pedestrians and particularly so to school children because of the following reasons:

1st—The steep approach on each side makes it difficult to know of the approach of an automobile.

2nd—When two automobiles are passing each other on the bridge there is barely enough room for the cars, to say nothing of the lone pedestrian.

3rd—With a steam train passing under bridge and smoke and steam encircling bridge and with the accompanying noise, the condition seems intolerable.

What has our council done so far in connection with this matter? It would seem that since the P. R. R. Company has recently posted notices requesting advice as to evils that might be corrected, and since the railroad company owns and maintains the bridge, and since the probable cost of a sidewalk bracketed on one side would be trifling, perhaps that if councils were to approach the railroad company properly, something would be done.

The borough officials have required the Baptist Church and Mr. Cook to lay sidewalks up to the bridge and why should not every effort be made to have the railroad company do the same?

Finally, we would not tolerate such a condition elsewhere in the town, namely: have the sidewalk entirely blocked off on both sides of street and make pedestrians walk in road-

way, although the roadway of most of our streets is wider and far less dangerous than that on the Narberth avenue bridge.

ENHANCE THE BEAUTY OF YOUR TOWN.

(From "The National Nurseryman.") A women's civic association in Richmond, Va., has adopted a day on which to plant dogwood trees, their aim being to have the locality become famous for its dogwoods in order to enhance the beauty of the city.

One need not draw on the imagination very much to be convinced that a suburb or residential section of any city could soon become famous with flowering dogwoods in every yard.

Why should not a New England village, become famous for its lilacs, or a Southern city for its Crepe Myrtles or Magnolias?

Charlestown, S. C., is already known as the place where you can see azaleas in perfection, due to the efforts of one man.

The main thing is to decide on one plant that is adapted to the locality, and then encourage the planting of this particular plant in large quantities.

The above applies with full force to Narberth, which is well on the way to become famous for its Japanese double and single, pink, red or white flowering cherries, over one hundred of these trees having been planted. This is of course far from being a sufficient quantity for a display, as not less than one to each fifty foot front would be required to produce the right effect.

The variety planted last year in Narberth was the double pink form used so extensively in Tokio, Japan. It is the variety planted exclusively on the famous Cherry Drive of that city. In the opinion of the writer it would be best if we confined our efforts to the Japanese cherries. But why not encourage and urge our people to go to the woods and collect wild dogwood trees? They can be had free for the effort, or be purchased in almost every nursery for a very nominal price. Dogwood trees would harmonize perfectly with the cherries. It is a strikingly beautiful tree any time of the year, the flowers, the red berries, the purple, green and red foliage in autumn.

The Japanese cherry is suited for street planting as it in time becomes sufficiently large. A tree large enough for lawn planting can be had for about \$1.50 to \$2. For street planting a tree sufficiently large would probably cost \$4 to \$5.

DOG TAX.

The law requires that a diligent inquiry be made from property owners or occupants of any property as to the number of dogs owned, harbored or kept by such persons, who shall pay a tax on such dogs, the fee being fixed by the County Commissioners as follows: Each male dog, 50 cents; each female dog, \$2. Every person keeping a dog about his house or allowing such dogs to stay about the same shall be deemed as the owner of such dog and be liable for the license of such dog. When the assessment is made the owner must pay the tax, and in return receive a tag which must be worn on the collar of the dog. Otherwise, when the authorities send around in the spring any dog not wearing the tag, shall be taken up. Tax on dogs must be paid at the time inquiry is made.

"Oh, slow to smite and swift to spare. Gentle and merciful and just; Who in the fear of God didst bear The sword of power, a Nation's trust." (Bryant's "Ode to Abraham Lincoln")

The Narberth High School Alumni Association entertained the senior class and faculty of the school at a reception in the Assembly hall on Tuesday evening. An attractive program for the evening's entertainment included a playlet containing a parody on portions of the opera "Lucia." The cast included Miss Mildred Justice, Miss Linda Jacoby, Miss Mildred Jacobs, Miss Maud Wipf, Miss Mary McCarter and Miss Ruth Prescott. In the chorus were Miss Lillian Compton, Miss Marguerite Mueller, Miss Marjorie Jefferies and Miss Florence Jacoby, with Miss Evelyn Harris as piano accompanist. Informal dancing followed.

The Narberth Assembly will have their Valentine dance on Friday evening of this week.

Mrs. William H. Carmint gave a children's party on Saturday afternoon for her daughter Janice.

Mrs. W. J. Kirkpatrick entertained at bridge on Friday evening. Her guests were Mr. and Mrs. Rezo Brooks, Mr. and Mrs. W. L. Henderson, Miss Helen Smith, Mr. Love, Mr. and Mrs. A. Thornton Grugan and Mr. and Mrs. W. R. D. Hall.

Miss Evelyn Harris entertained a number of Friends at her home on Friday afternoon. Her guests included Miss Isabelle Martin, Miss Helen Wingate, Miss Adah Durbin, Miss Linda Kirk, Miss Helen Wilson, Miss Vera Artman, Miss Mary Rowand, Miss Wade Howenstein, Miss Marjorie Jefferies, Miss Helen Jones and Miss Katherine McDowell.

Mrs. A. Thornton Grugan, of Hampden avenue, has as her house guest, Miss Helen Smith, of East Orange.

A number of the younger married people enjoyed a most delightful coasting party on the hill on Saturday afternoon.

Mrs. Frank H. Dallette, of Chestnut avenue, entertained at "Five Hundred" on Thursday afternoon.

Miss Eunice Williams, of Wynnewood avenue, entertained at luncheon and cards on Friday.

Mrs. Horace Oddyke, of Chestnut avenue, entertained Wednesday thirty of her friends with luncheon and bridge.

Mrs. H. W. Crawford, of Lancaster, has been spending several days with her sister, Miss Posey, of Essex avenue.

A. E. Wohlert has been compelled to plant trees across the driveways at his Windsor Avenue Nursery, in order to prevent the dumping of debris at that location, by our townspeople and Ardmoreites. It is said that he offers \$5.00 reward for information leading to the arrest of the guilty ones. Narberth is judged from just such dumps caused by people who have no regard for the appearance of our town.

Mrs. E. S. Taylor, of Chestnut avenue, went to Indianapolis, Ind., last Saturday to attend the funeral of her sister.

Mrs. S. P. Bowman, of Elmwood avenue, entertained at luncheon and cards last Tuesday in honor of Mrs. Marshall. Those present were: Mrs. George Marshall, Mrs. Fred Kortebain, Mrs. A. R. Durkee, Mrs. N. H. McCoy, Miss Lillie Myers and Miss Maude Bowman.

Well, I guess Narberth has some bowlers, among them George H. Gifford who rolled 236 in a matched game of the Main Line League between Narberth and Rosemont last Wednesday night at the latter's alleys. In the above match Narberth took three straight from the Rosemont team.

It is expected that several propositions for the erection of new quarters for the post office will be submitted to the post office inspector in charge of this district.

Proposals for the erection of new post office quarters are to be submitted on February 15.

PLEASE FEED THE BIRDS.

The deep snow covers their usual food—insects' eggs and larvae and the seeds of weeds—and they will starve unless we feed them.

Give Them "Hayseed," chaff from the barn door, crumbs, scraps of meat, bones and suet; anything eatable and they will repay you a thousand fold by their work in the garden and orchard all the spring.

Do It Now. Fasten the meat scraps and suet securely to the trees and see how eagerly the chickadees and woodpeckers go to it. Tread the snow down hard and scatter the hayseed and crumbs there, or put it on a board or box and watch the juncos and tree-sparrows fill up. Put out chaff and grain for the quail and meadow-larks in the pasture. They work for us all summer long, eating insects.

Keep It Up While the Snow Lasts. It is not only a fine philanthropy but a paying investment for each one of us. If you want to know more about feeding and protecting birds, write to Winthrop Packard, Agent, National Association of Audubon Societies, 66 Newbury street, Boston, Massachusetts.

THE LITTLE GIRL AND THE PUSSY-CAT.

Said a little girl to a pussy-cat:
"It's jolly to make you play!
How soft you purr when I stroke your fur.

And your claws are all tucked away!
I love you ever so much for that,"
Said a little girl to a pussy-cat.

"But, oh, there's a terrible thing I've heard,
That brings great sorrow to me;
You killed a poor little baby bird
That lived in our apple-tree.
You can't be dear to me after that,"
Said a little girl to a pussy-cat.

"O little maid," said the pussy-cat,
"You are gentle and kind, they say,
To bird and beast, but didn't you feast

On chicken for lunch to-day?
And aren't there feathers upon your hat,
O little maid?" said the pussy-cat.

"Oh, I'll be I, and you'll be you.
As long as the world shall be,
If you'll be as good as you can for you,

I'll try to be good for me.
So let's be friends, and agree to that,
O little maid!" said the pussy-cat.

Valentine Social.
 If you want to spend a pleasant evening bear in mind the Valentine Social Monday evening, February 14. The ladies extend a cordial invitation to all members of the congregation for an evening of wholesome fun and sociability.
Men's Bible Class.
 Mr. Frank H. Prescott will entertain the class at its next regular meeting, Tuesday, February 15. The class has assumed responsibility for the ushering at all services. The ushers will be distinguished each week by the wearing of white carnations. They handled the large congregation Sunday evening like veterans.
Dr. Munhall's Lecture.
 We will never forget it this side of heaven. It was a masterpiece. The evangelist held the closest attention of the congregation which filled the church for nearly two hours. It is doubtful whether there exists a more convincing, logical defense of the Bible anywhere. Dr. Munhall was never heard to better advantage.

THE PRESBYTERIAN CHURCH.

Rev. John Van Ness, Minister.

Meetings for next Sunday:
 10 A. M. Sunday School. All departments.
 11 A. M. Public Worship. The pastor will preach on the theme, "Working Out Your Own Salvation."

 The prospects are for a banner attendance at the annual dinner of the Men's Club next Monday evening. The young people are to be congratulated upon their most successful meeting of last Sunday night. Every one who participated in the program did well and the addresses es-

pecially were of unusual merit. The attendance was the largest in the history of the society.
 Addison C. Raws told a wonderful story at the evening worship last Sunday night. He was introduced by Mr. S. W. Foster and his subject was the Keswick Colony of Mercy, where as many as 6,000 men have found shelter from the world's stormy blasts. The large audience present was greatly interested.

THE BOARD OF HEALTH.

Lower Merion Department Almost Self-supporting.
 Lower Merion Township's Board of Health can boast that it is practically self-supporting. It used only \$700 last year of an appropriation of \$5000 made to it by the Township Commissioners and only some extraordinary expenditures prevented the board from returning more than the entire appropriation to the township treasury. This record is unusual and hardly can be duplicated by the health board of any other municipality in the State.
 The expenditures of the Board were Salaries, \$1500; transportation, \$449.94; supplies and expenses, \$446.98; analyses of water, ice, etc., \$472; stationery and printing, \$151.47; legal expenses, \$200; insurance, 107; disinfectants, \$72.50; combating foot and mouth disease, \$60.84; examinations, of diphtheria cultures, \$23.74, and postage, \$20; a total for the year of \$3504.47.
 Out of the original appropriation the Board turned back, for use in other departments of the township, the sum of \$1050. The Board also paid into the township treasury the sum of \$2624, the total of permits for burials, plumbers' certificates and other charges and \$180 for fines. The board still has an unexpended balance off \$445.53. Thus it cost the board \$3504.47 to operate and its "revenue" was a total of \$2804.
 The members of the Board of Health are Dr. B. K. Wilbur, of Bryn Mawr; chairman, Andrew MacDonald, Wm. P. Landis, Dr. Alexander R. Evans and Edward B. Jarden, George C. Anderson is the secretary and Robley A. Warner is health officer.

SCHOOL EDITOR'S WEEKLY NEWS ITEMS

SCHOOL NOTES.

The first semester is now over. Mr. Melchior gave us some good resolutions for the second semester. The parents can expect the monthly reports on this Friday.

The concert last Saturday evening at the school was great. The people there enjoyed it immensely. It is a shame that there were not more people there to hear a real treat.

Principal Melchior and Directors McCarter and Downes attended the "School Directors' Convention," in Harrisburg last Thursday and Friday.

Opening school on Monday brought echoes from the State convention.

Don't fail to read in this issue the announcements of the big thing for Narberth, namely, the Washington Birthday Social. "Hurrah! for the social."

This Friday from 9 to 9.45 a short program will be rendered to celebrate Lincoln's Birthday.

Last Friday afternoon brought one of the greatest surprises of the year to the student body, it was the winning of the basket ball game against the strong Perkiomen Seminary second team. This we considered one of our hardest games, but we defeated them by the score of 31 to 18. The game was witnessed by one of the largest crowds ever seen at a basket ball game in the Y. M. C. A. The line-up was as follows:

Smith and Downes, forwards; Durbin, center; McCarter and Harsch, guards.
 Field goals—Durbin, 5; Smith, 4; McCarter, 2; Mather, 3; Benner, 1; Hillman, 1. Foul goals—Durbin, 9; Mather, 6; Bellen, 2. Subs—McCarter for Smith, Redifer for McCarter. Referee—Hoffman.

TOWNSHIP EXPENSES.

Appropriation Ordinances Will Be Passed Next Week.

It will cost \$325,000 at least to conduct the offices of Lower Merion Township this year, according to the budget presented in the form of ordinances last week at the meeting of the township commissioners at Ardmore. The ordinances were passed on first reading, and will come up for final action at a special meeting to be held February 9.

The ordinances provide for the following appropriations: Highway Committee, about \$85,000; Police and Fire Committee, \$32,000, almost entirely intended for the police department; Health and Drainage Department, \$22,215; Lighting Committee, \$16,000; Township Board of Health, \$5000; Township Fire Department (three volunteer companies, at Ardmore, Bryn Mawr and Cynwyd, \$1500 each), \$4500; fire hydrants, \$2600; salary of township treasurer, \$4000; interest and loan, \$40,500; Playground Committee, \$16,529.20; sinking fund and interest on township bonds, \$75,000; administration expense, \$6500, and legal expense, \$1500.

TO NO ONE IN PARTICULAR, BUT EVERYBODY IN GENERAL

As an ardent follower of athletics in Narberth for the past ten years, I believe that athletics have done a great deal to put Narberth on the map, and then, too, our boys have been kept in excellent physical condition all through the year, playing in first one sport and then another with practically no opportunity of getting out of condition.

The citizens of Narberth have always given their support to the various sports with an exception, and that is, that the boys at the Y. M. C. A. claim that their basket ball games on Saturday evenings are not well attended.

While it might be true that the games have not been properly advertised this year, and as there is no Main Line League at present, yet, this does not alter the fact that the boys are playing excellent teams.

Last year, the gallery at the Y. M. C. A. was always crowded. Yet this year there is room to burn. There should be twice the crowd as last year, because the boys give you two games for fifteen cents. Is it because the extra nickel which is charged, is keeping you away?

The team this year is handicapped thus far on account of injuries, but I understand from a good reliable source that all the "regulars" will be on hand in good physical condition ready to uphold the Main Line reputation next Saturday.

The Norristown five, which is going to play here next Saturday evening is, according to all reports, one which has to be shown what a defeat is. "Now it is up to you." Do you want the team to lose all interest in the games? I can answer that question with a big "NO." Now do your part—

Come out next Saturday evening and see two good games—

The Senior team plays Norristown. The Junior team plays the Northeast Boys' Club.

Y. M. C. A. Gym, 8 o'clock. The admission is only 15c.

Now be on hand and make the old gym ring with cheers and help Narberth win Saturday's games.

OUR TOWN will gladly print any news item about any subject that is of interest to Narberth folks, but in order to meet the printing schedule, all "copy"—manuscripts—must reach the editor by 6 P. M. Monday each week.

EVANGEL CIRCLE OF KING'S DAUGHTERS

Hold Annual Election of Officers For Ensuing Year

The regular monthly meeting of the Evangel Circle of King's Daughters was held in the Community Room of the Y. M. C. A., Wednesday, February 2nd. The ladies were busy sewing for the Holiday House which opens in June.

Lunch was served by the hostesses, Mrs. George Sheldon, Miss Edna Super and Mrs. Kechline.

In the afternoon the business meeting was called to order by the president, Mrs. Fred. Derby. This was a very busy session, being the time for the annual reports and election of officers for the coming year. The following officers were re-elected: Mrs. Fred. Derby, president; Mrs. George Sheldon, vice president; Mrs. Arthur Meredith, secretary; Mrs. Charles Humphries, corresponding secretary; Mrs. Witherow, treasurer. The treasurer's report shows for the past year we have spent over one thousand dollars in this good work of helping the needy and suffering ones. This past month alone we have paid the expenses of the funerals of two little children whose father is unable to work on account of rheumatism, and when we hear read the letters of thanks and appreciation from these people we are encouraged and determined to go on and work the harder. I. H. N. (Our motto).

The Circle decided not to have the supper February 22, but each member promised to give a certain amount to replenish our treasury, looking forward to our summer work at the Holiday House.

Last summer there were two hundred children and mothers who spent twelve days each there.

The committee on entertainment will hold a musical at the home of Mrs. William H. Jones, Friday, March 3rd.

The Circle is making arrangements whereby they will be busy this spring and summer sewing and preparing for their bazaar which they hold every year in October.

GRACE NOT NEEDED.

A little girl gave a children's party the other day to certain of her young friends. She was very anxious that everything should be done properly, and just before the arrival of the guests was discussing matters with her mother.

"Mamma," she asked, "shall we say grace?"

"No," said mamma; "it will be a very informal dinner, and I think you need not do that."
 That meant one ceremony the less to be gone through, and was a relief. But the little lady was anxious to have all her guests understand it. So, as they gathered about the table, she explained:
 "Mamma says that this is such an informal dinner that we need not have grace to-day!"

NARBERTH BOWLERS CLEAN UP ROSEMONT

Only League Team to Take Three Games Last Week

Our Y. M. C. A. Bowling Quintet came back into their own last week and made a clean sweep of the match against the Rosemont Men's Club on their alleys. The home brigade were without the services of anchor man Savill, but the new member of the team in the personage of Gifford, who showed to some keen advantage by bowling 596 for the three games, establishing a new league record for the season on three game score, while his single game total of 236 was a nervous closeness to the high score of 242, held by Hotz of Wayne. The team also made the high single game score when they toppled the pins for a total of \$49 in the last game. Taking it all in all, the team showed great improvement and with 15 games remaining on the schedule should make a creditable showing for the town before the close of the season.

In close and exciting games at the Ardmore alleys, the Ardmore Y. M. C. A. took two out of three games from the Wayne leaders, thus moving up a notch nearer to the pacemaking quintet, diminishing the lead to five games. The visiting Wayne bowlers made a run away of the first game, but the home squad came back strong and in the last two games somewhat out-classed the work of the leaders. Trout, who is now bowling with the Wayne Club, made an average of 182 which was second high to Gifford's average of 199 for the week's matches.

How's Your Kick?

If the feet have a tendency to go on a strike and growl with pain, feeling hot and uncomfortable, you can take them before a board of arbitration that will restore them to sure and cheerful working power at once. Here's the way. First, a hot foot bath in which has been dissolved at least 4 tablespoonfuls of 20 Mule Team Powdered Boric. You cannot use too much of the Boric. The more the merrier. When dressing, shake a little 20 Mule Team Powdered Boric into the foot of the stocking and also sprinkle a little in the shoe, especially on the sole and in the toe. Then you are ready to walk, work, dance, or just merely kick!
