

# YEAR'S REPORT FOR CHURCH RECEIVED

### St. Mark's Episcopal Units Review Successful 12 Months

Annual reports from organizations of St. Mark's Episcopal church were heard at the annual parish meeting held last night at the church, with supper served at 6:30 o'clock by members of St. Mark's Guild. Seven vestrymen elected to serve for one year follow: John Trotter, R. E. Downing, Albert Sullivan, George Monting, W. J. Faber, Archie Parker and Ralph Lynd. Delegates elected to attend the convocation to be held next spring and fall were: Mrs. B. O. Holbrook, Mrs. W. J. Farber, Carol F. Montgomery and Albert Read.

The first meeting of the newly-elected vestry will be held at the church tonight at 7:30 o'clock. John Trotter, treasurer of the church, reported that of the \$2500 which had been borrowed for building alterations all had been paid with the exception of \$750. During the recent "every member" canvass Mr. Trotter reported that pledges for parish support during the year amounted to \$4850, and that \$921 had been pledged for missionary appointments, which more than covers the parish budget.

**Guild Raises \$1000**  
Reports from Mrs. W. J. Farber, president of St. Mark's Guild, and Mrs. B. O. Holbrook, treasurer, of the work of that organization during the past year, were given. More than \$1000 was raised by the Guild during the year, and the sum of \$250 was presented last night to the vestry for work of the parish. The Guild donated \$50 to the Laguna Beach church to buy pews and \$25 to help start an Episcopal church at Walnut Grove. R. E. Downing, superintendent of the Sunday school, reported for that organization, stating that the present enrollment was 258, the largest in the history of the church. Ralph Lynd is secretary of the school, and V. I. Coppard is assistant secretary.

Miss Grace Crampton, president of the Girls' Friendly society, reported activities of that organization, stating that \$162 had been raised during the past year for social service work, this amount of money being for work outside of the local parish. Harold Phelin, president of the Young People's Fellowship, the youngest organization in the church, which was organized three months ago, reported that the membership was now fifty. Mrs. John Cato reported on the Little Helpers, which is the cradle-roll department, stating that thirty babies are enrolled. Mite boxes are given the babies and their mothers teach them verses on the boxes and social affairs are held by the mothers.

Rev. Philip K. Kemp, rector of St. Mark's Episcopal church, gave a brief report of plans for parish work and announced the meeting of the Friday night Bible study class, which would be held for the first time in January at the church.

### Chicago Youth Will Make Home In City

The new year promises to be a most happy one in the J. H. Ball home, 1208 Green street, for Mrs. Ball and her 13-year-old son, Edwin, returned recently from Chicago, Ill., bringing with them 11-year-old Harry Barker, who is to be legally adopted by the Balls. Harry lived with the Balls for five years in Chicago, but when the family came to Glendale he was left in Chicago with a relative. He longed to see his friends in Glendale and started for California, but was picked up by authorities and sent back to Chicago. But now he is to make his home in Glendale and is already a pupil at Acacia school.

Mrs. Bell states that when she and her son left Glendale December 16, they encountered heavy snow from the California state line to Chicago. On December 26 in Chicago the thermometer registered twenty-seven degrees below zero.

### Glendale Poultryman Wins Honor at Show

Glendale has won more honors in Pasadena, the Light Brahma pullets entered in the Pasadena Poultry show, now in progress, by Capt. K. F. Neltzke of 1339 Valley View road, being awarded prize ribbons. The Light Brahma cock, a substitute for John Braithler's Light Brahma cock, was also awarded the prize ribbon. This bird also won a special prize offered by the Western Milling Co.

### Ex-Legion Officer To Marry Indiana Girl

MUNCIE, Ind., Jan. 7.—Announcement has been made here of the engagement of Miss Lucy Ball to Lieutenant-Colonel Alvin Owsley of Dallas, Texas, former national commander of the American Legion. Miss Ball is the daughter of Frank Ball, Muncie fruit jar manufacturer. The marriage is to take place late next spring, it was said.

### Wage Drop In Textile Mills Feared Spreading

BOSTON, Jan. 7.—It is almost certain, according to men close to textile circles, that the 10 per cent wage reduction in the Fall River mills which becomes effective January 12 will involve the New Bedford mills also. These two cities, one the major producer of coarse goods and the other the leading center for manufacture of fine mill cottons, have previously resisted the general trend toward textile mill wage reductions. The curtailment of operations at Fall River in the last year was the most severe on record. Cost of manufacture there has been so high that even the 10 per cent drop in raw cotton in the last six months did not allow manufacturers to break even. Southern

### Hotel Guest Suicide Thought Seattle Man

MINNEAPOLIS, Jan. 7.—Police here sought to identify a suicide victim believed to have been a resident of Seattle. A piece of torn paper from the Seattle Union-Record, dated April 17, 1923, was found in the room where the stranger shot himself in a local hotel. His spectacle case bore the name of the Binyon Optical Co. of Seattle. A note left by the man read: "I've been through twenty-five years of hell. I'm going to say good-bye to this world."

### Hydro-Electric Power To Boom Region South

ATLANTA, Jan. 7.—Diversification in agriculture will be more general in this section this year than ever before and there is a substantial industrial development assured by the installation of cheap hydro-electric power. Tobacco, peanuts, apples and peaches will be cultivated on an extensive scale as money crops. Cotton is not likely to show any decrease in acreage, or let up in intensive cultivation. There will be more labor available for farms and farm land prices are advancing. The textile industry here is showing marked improvement and new plants are being projected in the cheap power belt. Local merchants have profited largely by

### 'Hijacker' Confesses To Killing 'Rum King'

SANTA BARBARA, Jan. 7.—Irving Denton, branded by officers as a "hijacker," has confessed he murdered George Turner, "king of California bootleggers," according to deputy sheriffs. Denton re-enacted the crime, according to the authorities, and told how he shot and killed Turner as he sat in his automobile in a lonely grove near Summerland, Cal. William Keefe, the officers said was Turner's true name. His brother, Joseph Keefe, resides at 1416 East Sixteenth street, Oakland.

### Initial Cash Payment Made Under Bonus Bill

WASHINGTON, Jan. 7.—The initial cash payment under the soldier bonus act, was made today when Director Frank T. Hines of the United States Veterans' bureau handed to Mrs. Irene Crisp of Washington, a check for \$1,553. Mrs. Crisp was the beneficiary of Lieutenant Fred W. Crisp of the 64th Coast artillery, who was accidentally killed August 29, 1924, when hit by an automobile at Brown camp, Hawaiian Islands.

### Santa Barbara Lights To Be 'Best' In World

SANTA BARBARA, Jan. 7.—Santa Barbara may claim title to being the best lighted city in the world if plans approved in outline by the park commission and city council are carried out in full. The proposed municipal hydro-electric plant will be the taper which will touch off the whole program of city electrical development. It will be financed by a \$140,000 bond issue to be submitted to the voters on February 24.

### Rotary Club To Motor To Fresno Convention

SAN BERNARDINO, Jan. 7.—Twenty-six members of the San Bernardino Rotary club will attend the district convention in Fresno on March 19. The contingent will make the trip in a caravan of automobiles.

### Southern Demand Big For High Grade Hogs

NEW ORLEANS, Jan. 7.—Receipts of cattle, sheep and hogs here are running very light with few carried over from day to day. Demand is active for all high grade hogs. Cattle prices are low, however.

CHAPTER XIV
"There will be no scare," Itash declared. "Our extra battalions are hidden. No one knows that each one has a sister-ship."

though Cornelius Blunn was grateful as itself and the hilarity of the little party was chiefly due to his efforts, he evinced a partiality for Mademoiselle Yvonne which was somewhat disconcerting for her escort, and most disconcerting for Mademoiselle Mathilde.

The supper party that night at the Folies Bergeres was expected to be gay, although, in one respect, the arrangements made by Itash miscarried. Mademoiselle Yvonne had found a friend, a Belgian young lady, who had attained some celebrity in the music halls as Mathilde Leroy, and some notoriety in the Press, owing to the number of her admirers and the eccentricity of her toilettes.

"I have never been there," Blunn acknowledged. "But I know most things that go on in New York."

Uncle Wiggly

By HOWARD R. GARIS

Once upon a time, as Uncle Wiggly was hopping through the woods, twinkling his pink nose, and wondering what Nurse Jane would give him to eat when he reached his hollow stump bungalow, the bunny gentleman came to a sudden stop under a bramble bush. For he heard a voice crying there in the woods.

"How does it look, Uncle Wiggly?" she asked. "Oh, very chic and stylish," he answered. "But a feather would make it more exclusive like and smart."

Uncle Wiggly looked around. The bird crying sounded louder than ever, but there was no sign of a Bob Cat, big or little. And then, all of a quickness, the crying stopped and a voice said: "Oh, I do want a new hat so much! Oh, how I wish I had a new hat!"

"That doesn't sound like a Bob Cat," thought Uncle Wiggly. And a moment later he knew it wasn't one of the bad chaps, for Susie Littletail, the rabbit girl, walked slowly along the path. It was Susie who had been crying.

"What's the matter?" asked Uncle Wiggly kindly. "Oh, I want a new hat so much," sighed Susie. "All the other animal girls have new hats for the new year, but my mother won't get me one."

"Why not?" asked Uncle Wiggly, rather surprised, for he knew Mrs. Littletail to be good and kind. "Why won't your mother get you a new hat, Susie?"

"Please don't ask me anything about hats!" begged the bunny uncle, twinkling his pink nose. "Nurse Jane always wants me to look at the new bonnets she buys, but I can't see any difference in them. But if you want a new hat, Susie—wait—I have an idea—the very thing—look!"

Uncle Wiggly pointed up into a leafless tree where, on a branch, was fastened an old bird's nest. In the spring the nest had been new, carefully woven by the robins. In it Mrs. Robin had laid her blue eggs and from the eggs little birds had hatched.
