Louisburg College

FOUNDED 1787

Louisburg, North Carolina 27549

Office of the President

Most of us today are accustomed to take our greatest blessings for granted. So many good things come our way that at the time we fail to realize their full significance.

College is one blessing that we can easily take for granted. College days fly by so swiftly, and we are caught up in so many activities, that we cannot begin to appreciate the intrinsic value of this rare and eventful experience.

During the years ahead the impact of college will be felt more keenly. We shall appreciate more fully how meaningful these days at Louisburg College were. The petty irritations, the nagging inconveniences, the strong dislikes will be forgotten and we shall remember most vividly the good and creative and pleasant.

As we reminisce about 1969-70 at Louisburg College, THE OAK will be a source of constant inspiration – depicting for us faces of fellow-students and teachers and scenes that will make these nine months more real and meaningful.

First Dance Of Year

The first dance of the school year was held September 6 in the Louisburg College cafeteria with "The Emphatics" providing the music. Everyone really seemed to enjoy the music of the Soul and Pop band. "The Emphatics" started in Greensboro four years ago playing for high school dances. Gradually they increased the group and George Williams became manager. Their popularity increased

South Carolina including Myrtle Beach. Along with a number of large universities, colleges such as Duke, Carolina, U.N.C.G., Old Dominion and University of Virginia. Backing up such artists as James, Jerry Butler, Barb Lewis, The Drifter, and Arc Bell & the Drells, has made "The Emphatics" widely

Project Attainment Announced By College

Dr. Hoover Taft, Jr., President of the Louisburg College Board of Trustees, announced Project Attainment September 1969. The amount of \$1,950,000 was set as the goal of the project. Project Attainment is the most ambitious development project in Louisburg College's history. The \$1,950,000 will be used to complete the long-range development program originally announced in the early 1960's. The total expansion program involved approximately four million dollars in expenditures. More than 52 percent of the total long-term project has

bought and refurbished. Also in 1961 Patten Hall, a residence dormitory for men, was constructed. In 1963 Merritt Hall, a dormitory for women, was built. The Cecil W. Robbins Library was completed in 1965. Kenan Hall was opened in 1968. It provides additional residence facilities for female students and a 24-bed infirmary. The construction of another male dormitory, a new maintenance facility, an academic-science building, a new student center, and funds for faculty salary adjustment are items on the agenda to complete Project

Project Attainment. Mr. Taft's decision to fund-raising at this time was made after long and careful study. The trustees voted to finance the expansion program originally envisioned, with a decade that will end in 1978. "We are all aware it is a real challenge and a tremendous opportunity also, it is a project undertaken and done in a successful manner."

How does the golf team look up for this year? Even Jim Lanier is uncertain of our team will perform. Steve Stamper and Rich are the only returnees from last year's team.
