By: Shadae Andrews

what is Exclamation Mark?

An exclamation mark is a punctuation mark usually used after an interjection or exclamation to indicate strong feelings or to show emphasis.

Good examples

1. Excitement- I can't wait to go to Disney world!
2. Suprised- Oh wow, my mom brought me a new car!
3. Happy - That's fantastic!

Bad example

1. “There's a spider on my arm!”

example because if the
exclamation point goes with the
sentence then it should be at the
end.
