## Enterprise of People Of This Country Is Praised by Burnham

**Chairman of Imperial Press Conference Speaks at Banquet in Calgary; R. B. Bennett Says Newspaper Men Can Strengthen Bonds of Empire.**

Calgary, Aug. 20.—Lord Burnham, the chairman of the Imperial Press Conference delegation, at a citizens' banquet tendered the visitors at the Palliser Hotel here last evening, dealt with the ideals of British freedom, which he said none but the anarchist or the madman wished to eliminate or destroy.

"The British Empire is good enough for us," he remarked. He could not believe that its freedom could be much greater, and although here and there were malcontents who probably wanted to gain some little notoriety by some singularly objectionable utterance, the British Empire stood, as it had always stood, for the freedom of the world, and they believed in their hearts that it would be a bad day when the British Empire ceased to be the predominant power in the world's affairs.

One of the outstanding features of the banquet was the fact that there were no platitudes on the part of those who spoke in welcoming the visitors. Rather was there some very straight talk, which the Imperial Press delegates doubtless much preferred hearing. Notably was this the case when R. B. Bennett, K.C., pointed to a number of instances where the pressmen might help further to consolidate the bonds of the Empire. His oration, together with that of Lord Burnham, was a masterpiece of rhetoric and was applauded to the echo.

**Reciprocity.**  
Lord Burnham, in continuing his address, remarked that Mr. Bennett had said that in some cases Great Britain was not doing as well as fairly as Canada was doing to Great Britain. "One of the advantages of this tour," said Lord Burnham, "is to convince us one and all that to maintain the strength and sympathy of our unity there must be complete reciprocity of benefit, and you can rely upon it that there will be none who will be more willing to stand for fair treatment of this great Dominion than the writers of the British press assembled in this hall."

**Visits.**  
It would be a good thing, he said, if British statesmen and those who had the shaping of the national fate in their hands were to visit the great Dominion beyond the seas. He might go further and say that all the permanent officials might do well to leave their workrooms at Downing Street and Whitehall and see a little of the great expanse of western Canada, and note the growth of its infant industries. "At least something should be done," said the speaker, "in order that a more intelligent opinion which comes from knowing men as well as things, should break through the clouds of official ignorance and official apathy, and that the men of his party would appreciate the better the greatness of this Dominion as the result of their visit."

Lord Burnham said they would carry back with them one clear idea. It was not the illimitable space of the prairies, or any other part of the continent, but the secret of Canada's greatness was the marvelous enterprise of its citizens. He said that it seemed strange to him that when he was last in these parts he had seen great piles of buffalo bones and skin-crack sections and that he had paid a great tribute to the Canadian Pacific Railway for its enterprise in linking up the Atlantic with

the Dominion beyond the seas. He might go further and say that all the permanent officials might do well to leave their workrooms at Downing Street and Whitehall and see a little of the great expanse of western Canada, and note the growth of its infant industries. "At least something should be done," said the speaker, "in order that a more intelligent opinion which comes from knowing men as well as things, should break through the clouds of official ignorance and official apathy, and that the men of his party would appreciate the better the greatness of this Dominion as the result of their visit."

## LABOR LEADERS TO SPEAK IN VICTORIA

**Two Members of Press Conference To Address Local Labor Body**

T. E. Naylor and George A. Isaacs, prominent British labor leaders and delegates to the Imperial Press Conference, will address a mass meeting of Victoria labor men during the visit of the Conference delegates to Victoria next week.

The executive of the Trades and Labor Council is arranging to hold a meeting to hear Mr. Naylor and Mr. Isaacs next Saturday or next Sunday evening. A telegram inviting the visitors to address local labor men was dispatched to the Press Conference this morning and the date of the meeting probably will be decided definitely to-day or tomorrow.

Officials and members of the Trades and Labor Council anticipate the visit of the British labor leaders with the keenest interest, on account of the visitors' prominence in labor matters in the Old Country. Mr. Naylor is the chairman of the London Labor Party, while Mr. Isaacs is the secretary of the National Society of Operative Printers and Assistants. During the tour of the Press Conference they have delivered a number of addresses at different points in Canada.

## KANSAS FARMERS BOAST BIG CROPS

Topeka, Kansas, Aug. 20.—Kansas raised the second largest wheat crop in history this year, and the corn crop promises to be the largest in the last five years, the State Board of Agriculture reported to-day. A total wheat yield of 147,000,000 bushels and a production of 127,000,000 bushels of corn were estimated.

## FRANCE READY TO RECOGNIZE MEXICAN GOVERNMENT SOON

Paris, Aug. 20.—(Associated Press.)—The French Government has made known to Felix F. Palavicini, the Mexican envoy to France, the conditions which must be fulfilled by the Mexican Government if it wishes to be recognized by France after the elections to be held in September.

## Same Pay for Canadian Railwaymen as American

Ottawa, Aug. 20.—(Canadian Press)—Because they believe that failure to do so would precipitate a general railway strike throughout Canada, the Canadian Railway Association has decided to recommend to the Canadian roads the adoption of the wage schedule passed by the Chicago Labor board of the United States.

This statement was made by Howard G. Kelley, president of Canadian Railway Association and of the Grand Trunk Railway, before the Dominion Railway Commission this morning. Announcement of the decision of the Railway Association was made by Mr. Kelley during the progress of argument for increased freight and passenger rates for Canadian railways.

Mr. Kelley read to the Board a statement covering the advance in railway wages since the year 1917. He stated that a railway wage commission had been appointed in the United States during the year 1918, which had gone exhaustively into the question of wages and made a report. It had recommended an award of \$2.00 per month, an award which also wanted increases, and finally through the action of the Dominion Government, which authorized the Canadian railway companies, the roads were enabled to make the McAdoo Award applicable to the lines in the Dominion.

Unrest.  
Further applications, said Mr. Kelley, had been pressed during the past year in the United States and serious unrest was apparent.

Finally, the labor board, which issued on July 29, 1920, an award granting to American employees further increases in wages. Applications were being received from the Canadian employees for similar increases which would mean a further charge to the Canadian roads of approximately \$55,000,000 a year.

**Same Wages Wanted.**  
Government returns, said Mr. Kelley, showed that a large proportion of the unions of which railway employees were members were international. Of these unions ninety-two per cent. of the members were Americans and the remaining eight per cent. Canadians. The Canadian members of the unions claimed that they were entitled to the same wage as their American brothers. A general tariff had prevailed for many years.

**Recommendation.**  
Taking all these things into consideration, said Mr. Kelley, the Canadian Railway Association had decided to recommend the adoption by the Canadian roads of the Chicago award. He went on to state that it would mean an enormous addition to the cost of the Canadian railways. They felt, however, that they must do it or take the consequences.

Chief Commissioner Carvell: "What are the consequences? We might as well have this thing out."

Mr. Kelley: "A general strike throughout the country."

Mr. Carvell: "You believe there would be a general strike if the award was not granted?"

Mr. Kelley: "I certainly do."

Mr. Carvell asked if the increases would date back to the first of May, and Mr. Kelley replied that they would.

In answer to Mr. Symington, Mr. Kelley declared that most careful consideration had been given before the Association had decided to recommend an acceptance of the full award.

**Big Increase.**  
J. B. Coyne remarked that the railway men would be paying wages which

## THUGS POSED AS CITY DETECTIVES

**Three Bandits Robbed Chinese Merchants' Club in Montreal of \$8,000**

Montreal, Aug. 20.—Posing as city detectives, three bandits at an early hour this morning entered the Chinese Merchants' Club on La Gauchetiere Street here and after pretending to search the premises for opium, robbed the place of \$8,000. In a fight that took place, two Chinamen, Ah Sing Wong and Ah Quong Ho, were badly injured. The bandits, after a general search of the premises, ordered the Chinese to open the safe, where the money was found. The bandits escaped in their car.

## PRINCE OF WALES LEAVES AUSTRALIA ON H.M.S. RENOWN

Melbourne, Aug. 20.—The Prince of Wales, having concluded his visit to Australia, sailed aboard the battleship Renown to-day for Samoa, en route to the United Kingdom by way of the Panama Canal.

## London and Paris Differ Only on Polish Question

London, Aug. 20.—The official entente between France and Great Britain has been more or less restored, says a Paris dispatch to The London Times. Following an extended interview with Premier Lloyd George, the dispatch adds, the Earl of Derby, British Ambassador to France, again visited the French Foreign Office and "the more immediate delicate moment in Anglo-French relations has passed." The Ambassador, The Times says, "now feels justified in resuming his vacation."

Although no new fact has developed the fact that the fundamental differences between France and Britain is on the Polish question into closer harmony. The Times and that the two countries are in points but the series of conversations complete agreement on all other which has been going on in Paris issues.

## SAYS BRITAIN WILL KEEP HER PLACE

Perley, Canadian High Commissioner, Says She Will Solve Problems

Official Returns to Ottawa Urges Increased Trade With Britain

Ottawa, Aug. 20.—(Canadian Press)—That Great Britain is having her troubles and lots of them, but she will pull out all right and maintain her smile upon civilization, is how Sir George Perley, Canadian High Commissioner in London, expressed himself to the Canadian Press to-day on his return from the Old Country, along with Lady Perley.

"The sound common sense of the British people in the Old Land is simply wonderful," he said. "They take their troubles philosophically, and have managed everything exceedingly well during these trying months since Armistice Day. Last year when a railway strike broke they just set to work and became their own railwaymen and soon the strike was ended."

## PREMIER TO TOUR NORTHERN B. C.

"I Want to Meet People of North," Says Hon. John Oliver

Premier Oliver will leave on Monday on a tour of Northern British Columbia. On this tour he will be accompanied by the Hon. T. D. Pattullo, Minister of Lands. The tour will take more than two weeks. "We are going to meet the people of the North and find out their requirements," said the Premier to-day. "I want to familiarize myself with that great part of this Province."

It will be the first time I have ever been North of Port Simpson. I want to see for myself this part of the country where there is so much development work going on."

## COUGAR CHASES HONEYMOONERS

Daring Animal Holds Them All Night In Shack In Wilds Of Sooke

Sooke Harbor, Aug. 20.—Gerald Sedger and his bride, recently out from Scotland, chased by a daring cougar fled through the woods until they found shelter in a cabin, over which the cougar kept guard all night while the young honeymooners were huddled together inside praying for daylight to come.

After the Sedgers got in and boited the door, the cougar went around the cabin looking for a way to get in. Finding no aperture on the ground, he leaped to the roof, where he clawed at the long cedar shingles. The Sedgers, who were sitting on the floor, were terrified when they heard him working with the chimney, which they feared he would be able to push over. Towards morning he became quieter, although he was still on guard, ready to spring on them from the roof should they try to make an escape.

Mr. Sedger, who is a member of the law firm of Walls, Walls & Sedger, Victoria, was married a short time ago in Scotland. Early this week he decided to give his bride a new honeymoon experience and they came down to Sooke for a few days in the woods. They landed at Whiffen Spit and took one of the trails into one of the woods.

## YOUTH DROWNS WHILE BATHING

Gerald J. T. Butler Loses Life In Elk Lake, Yesterday While Swimming

Gerald Joseph Thomas Butler, 17-year-old son of Mr. and Mrs. W. S. Butler, Keating, was drowned last evening at Elk Lake.

Accompanied by three young Anderson, Tubman and Hafer, youth, Butler went to Elk Lake in the evening, and his three companions dived from a raft near the old Victoria & Sidney Railway tracks. They noticed that Butler could not swim, had followed them, and knowing this, Anderson endeavored to secure Butler. He did gain hold of his bathing suit, but the body slipped from his grasp, and disappeared.

Aid was summoned, and Chief Brown headed a search of police and residents of the district, who worked until midnight endeavoring to locate the missing youth.

This morning the effort was renewed, and at 6.30 o'clock the body was recovered by Fred Handy and Herbert Young within twenty-five feet of shore. Butler was last seen by Dr. Hart for to-morrow morning. The body has been placed in a B. C. Funeral Company's premises, to await the inquest, which has been set for to-morrow morning.

Young Butler was one of a family of nine, who had been left in charge of the store operated by his father at Keating. The family are away on holiday at Duncan, but the accident will bring them back at once, it was stated this morning.

## DR. COLEMAN COMES TO UNIVERSITY

Comes From Queen's To Staff Of University of British Columbia

Kingston, Ont., Aug. 20.—Dean H. J. T. Coleman, formerly head of the Faculty of Education of Queen's University, which has been discontinued by the Government, and who recently was elected to the deanship of the Faculty of Arts and Science of the University of British Columbia, has accepted the position and will leave Monday on his way West.

Before coming here seven years ago Dean Coleman was on the staff of the Toronto University, and prior to that was Dean of the Faculty of Education in that university.

Dean Coleman was prominent in various educational circles and also Methodist Church work here.

## GERMANS PREFER VERSAILLES TREATY TO BOLSHEVISM

Berns, Aug. 20.—Asked by Swiss newspapermen for his opinion on Germany's attitude toward the peace treaty, while passing through Basel on his way to Lucerne, Premier Lloyd George replied: "Well, when the Germans have to choose between Bolshevism and the Treaty of Versailles, they certainly will choose the latter as the lesser evil."

## Hon. W. L. M. King To Speak in City On September 24

Wm. Ivel, President of the Victoria Liberal Association, has received a telegram from Hon. W. L. Mackenzie King, stating that he will be here September 24 and 25. Mr. Ivel has invited the Liberal leader to speak here on September 24.

A meeting of the executive of the Victoria Liberal Association will be held Monday night to discuss the details. It is expected the demonstration will be held in the Arena.

## ALBANIANS AND SERBS FIGHTING

Fierce Contest North Of Scutari; Revolution Started At Kostovo

Rome, Aug. 20.—A wireless message from Scutari, Albania, says: "The Temps states that fierce fighting is proceeding north of that place between Serbs and Albanians, and that Serbian regiments in their defence of Tarabona yesterday lost 220 dead and 250 prisoners."

It adds that a revolution has broken out at Kostovo, and the Albanian Government has called 50,000 to the colors.

Addressed Convicts and Was Given Ovation; Carried Away Souvenir

Osgesing, N. Y., Aug. 20.—Sir Thomas Lipton yesterday visited Sing Sing prison and was given a long ovation by the inmates, whom he addressed in the prison yard. "I am very much gratified," said Sir Thomas, when the cheers subsided. "There never was a man born who did not make a mistake. The thing is, when we grow older, not to make the same mistakes again. I've made them and I guess most of you have."

The Irish baronet was presented with a hand-painted souvenir, made by the inmates.

## Housing Problem Grows More Acute in Canada

Toronto, Aug. 20.—(Canadian Press)—With the return to the cities and towns within a short time of thousands of city people who have been spending the Summer months in the open, the housing problem in all the big centres of population in Canada—as indeed in many other parts of the world—will become more and more acute. Reports from many Canadian cities indicate that but very little house building has been done during the Summer months owing to the high cost of labor and materials. There are not nearly enough new houses or, if they are, they are of a lower standard than the old ones.

Provincial Governments and municipal councils have so far been unable to solve the problem though many of them have "taken a whack at it." It has been suggested that the Dominion Government should take the matter up, but it is obvious that no new broadcast cottages like Victoria, B.C., are possible, especially in the cities.

## Polish Troops Move Ahead While Peace Discussion Goes On

Marching on Brest-Litovsk, They Occupy Point Twenty-Five Miles West of City; Pultusk Recaptured; Summary of Soviet's terms Communicated to Poles Yesterday.

Paris, Aug. 20.—The Temps announced to-day that the French Government had received advices that Polish troops had occupied Biela, twenty-five miles west of Brest-Litovsk.

Warsaw, Aug. 20.—(Associated Press)—The extreme right wing of the Polish army is marching on Brest-Litovsk, 120 miles east of Warsaw, according to an official statement issued shortly before last midnight. The right wing has recaptured Siedlce and Bielsk.

The Polish left wing has taken Pultusk, about thirty-five miles north of Warsaw, and is continuing its progress in the direction of Mlava.

## FRENCH OFFICERS ARE AIDING POLES

Weygand and Over 600 Others Assist in Directing Troops

Paris, Aug. 20.—(Associated Press)—The military successes of the Poles continued yesterday, according to a report to the Foreign Office to-day from the Military Mission in Warsaw, under plans elaborated by the French general, Weygand, and his staff of more than 600 French officers.

These officers now are either actively in command of the forces that are freeing Warsaw from the Soviet menace or are aiding the Polish commanders.

It is considered that French and Polish co-operation in the command of the various forces now has reached a satisfactory stage. J. J. Jusserand and Lord d'Abernon, respectively heads of the French and British Missions to Poland, have returned to Warsaw from Jozon for a conference with General Weygand and the Polish staff.

### OPINIONS GIVEN ON MONEY OUTLOOK

#### Toronto Banker Says Ottawa Will Require Funds; Other Views

Toronto, Aug. 20.—The Evening Telegram's financial page carries the following: "Opinion is very divided in local financial circles regarding the money outlook. Sir John Aird, general manager of the Canadian Bank of Commerce, foresees a continuation of restricted credits for some months, possibly until the turn of the year. Brokers, on the other hand, who are conversant with stock market conditions both here and in the United States, look for a slight let-up in call money restrictions, at all events, within a few weeks, followed by a generally easier period.

"Hitherto the cause of the money tightness has been attributed to the necessity for funds for the crop movement, but a new factor was mentioned by an authoritative banker this morning when he pointed out that once the crop is moved the banks rather anticipate heavy calls will be made upon them by the Government at Ottawa, which will continue to tie up funds which otherwise would come into the market.

"News that the Government might have to make heavy demands upon the banks came as a surprise to a broker closely connected with the Victory Loan situation. He said that if the budget were working at all along the lines anticipated, he could not see why Ottawa should have to fall back on the bankers to any large extent. He pointed out, however, that much would depend on the result of the railroad rate investigation. If the requested increases were granted, it would remove still further the need of Government financing.

"On the other hand, if the increases were not allowed, some temporary provision doubtless would have to be made to care for the heavy Canadian National deficit."

### QUEENSLAND TO HAVE ANOTHER ELECTION

London, Aug. 20.—Queensland is intensely excited over a speech by Governor Lennox at the opening of Parliament, attacking wealthy Queenslanders, who, he stated, had caused the failure of Premier Theodore's recent loan-raising mission to London.

The Governor said the Government was postponing all legislation, and would test the issue with the electors after Mr. Theodore's return. The Government scored the conduct of certain unpatriotic Queenslanders who had amassed fortunes in the war and now sought to compel the repeal of certain legislation by their action regarding the loan.

### FRESH OUTBREAKS IN MESOPOTAMIA

London, Aug. 20.—The War Office yesterday afternoon announced fresh outbreaks in Mesopotamia on a considerable scale. The railways and telegraphs from Bagdad to Kirkuk and Kirfiri were cut and several railway bridges burned.

The statement said that the revolutionary movement, instead of being political, had now become anarchistic.

The movement of reinforcements from India was proceeding, it was stated.

### SIR T. STAFFORD AND THE IRISH PROBLEM

London, Aug. 20.—The Sinn Fein Bulletin in Dublin yesterday published the text of a personal letter addressed to Viscount French, Lord-Lieutenant of Ireland, by Sir Thomas Stafford when Sir Thomas asked permission to publish his letter resigning from the Viceroy's advisory council on August 10.

The letter said:

"I believe your Excellency's policy is on precisely the same lines I advocated, but your loyalty to the Cabinet led you to accept the view of your colleagues rather than your own. If I may humbly say so, I think this is a mistaken sense of loyalty, and that for your own sake and the sake of the country you would be better advised to insist upon your own views or resign."

A dispatch from Dublin, August 19, said Sir Thomas Stafford had resigned because he declared the Prime Minister had "refused to take the only step giving a chance of peace, namely, the firm and immediate offer of a form of Dominion government" for Ireland.

### RAIDERS IN IRELAND CONTINUE VIOLENCE

London, Aug. 20.—A dispatch from Macroom, Ireland, said Lieut. Shannon, commanding a military patrol, was killed and four of his men were badly wounded near Ballyvourney, in a pitched battle with armed citizens, who delivered a surprise attack. The attacking party had dug trenches and felled a tree across the road where the patrolling military passed. No casualties were reported among the civilians.

Fifteen fully armed soldiers returning to Tralee in a military lorry were ambushed and forced to surrender. Four of the soldiers were wounded and were rushed to a nearby hospital. The remainder of them were taken to a farmer's house and treated to tea by their captors. Later they were driven a short distance outside the town and released.

**Mail Seized.**

The holding up and robbing of mail trains and mail motors has been resumed, and armed and masked gangs are continuing apace, according to a Dublin dispatch. A party boarded a Dublin Southern train at Ferris, holding up the officials and taking all the official mails.

Twenty raiders held up a mail train at Kiltbritain and seized six bags of mail.

Postal officials with mails from Buncrana, an important naval and military centre, were waylaid and mails taken, while a number of official letters were removed from another train which had been held up near Buncrana.

### LLOYD GEORGE MAY VISIT CANADA AND STATES NEXT YEAR

London, Aug. 20.—A dispatch from Lucerne, Switzerland, last evening said:

"Mr. David Lloyd George, the British Prime Minister, arrived in Lucerne this afternoon.

"The private secretary of Mr. Lloyd George asserted to-day that there was no truth in the report that the Prime Minister intended to visit Canada and the United States in October. He said, however, that the Prime Minister hoped to make a visit there next year, if the European political situation is improved."

### LEADER KING WILL SPEAK IN VICTORIA

Ottawa, Aug. 20.—Arrangements for a tour of Western Canada to be made this Fall by Hon. W. L. Mackenzie King have almost been completed. While the definite date for opening the campaign has not yet definitely been settled, it is understood that the Liberal Leader is likely to commence his tour at Victoria, B.C., about September 25, and that during the next six or seven weeks he will address meetings in every city of importance in British Columbia, Alberta, Saskatchewan and Manitoba.

No announcement has yet been made as to who will accompany the Liberal Leader on his trip West.

### MANITOBA'S WHEAT WORTH \$117,500,000

Winnipeg, Aug. 20.—Manitoba's wheat crop this year is worth approximately \$117,500,000 to the producers.

That is the estimated value reached by computation based on report of the Manitoba Department of Agriculture on crop conditions throughout the province issued yesterday.

According to the report, the average yield of wheat throughout the province will be 17.5 bushels an acre. The estimated acreage in the province is 2,677,000 acres, giving a total estimated crop of 47,022,500 bushels.

Grain men report that the farmers probably will realize a net profit of \$2.50 a bushel for wheat this season, which shows the value of the crop at far more than \$100,000,000.

### WHISKY SEIZURE MADE IN SEATTLE

Seattle, Aug. 20.—Twenty cases of whisky, valued at nearly \$5,000, and a five-passenger automobile bearing a British Columbia license plate, were seized at Twenty-Second Avenue, North, and East Sixty-Second Street yesterday by Patrolmen C. J. Swanson and E. J. Wilson, when the occupants of the car had left the machine in search of gasoline.

The liquor and the machine were taken to police headquarters, while members of the dry squad are checking up to locate the owners of the abandoned machine, who are believed to have smuggled the liquor into Seattle from Canada.

### MINISTERS ELECTED OFFICERS AT VANCOUVER

Vancouver, Aug. 20.—Officers were elected as follows by the Pacific Coast Theological Conference, which closed last night:

Honorary presidents, Principal W. H. Vance, of Westminster Hall, and Rev. S. B. L. Penrose, of Walla Walla; president, Rev. Frank Dyer, D.D.; vice-president, Rev. O. M. Sanford, D.D., principal of Columbia College, New Westminster; secretary-treasurer, Rev. J. R. Robertson; assistant secretary, Rev. W. H. Myer, of Tacoma, and executive—Rev. G. A. Landon, of Seattle; Bishop F. W. Keator, Tacoma; Rev. S. W. Forbes, S.D., of Seattle; Rev. R. C. S. Quantin, D. D., Victoria; Rev. N. A. Harkness, and Rev. A. F. Munro, of Duncan.

In delivering the concluding paper of the conference, Rev. Prof. O. W. Howard, D.D., of Montreal, said the crying need of the hour was for the simple statement of Christian truths which could be easily grasped by the old formulae. The latter would have to be done away with, as they had ceased to mean anything to the man of to-day.

### FINANCIAL STATE OF NEW ZEALAND GOOD

London, Aug. 20.—New Zealand advices show that the Dominion is in a comfortable financial position.

The revenue for last year exceeded the expenditure, which will be the case this year. The Government purchased 210,000 acres of land for the settlement of discharged soldiers, at a cost of \$2,350,000.

New Zealand's total war expenditure to March was \$77,000,000 and \$3,500,000 has yet to be expended. Nearly \$4,000,000 was raised in the Dominion. A compulsory levy is fore-shadowed for further necessary borrowing.

### URGES MORE FARMS IN THIS PROVINCE

Ottawa, Aug. 20.—A further plea for more experimental farming in Canada, particularly in Central British Columbia, is made by E. C. Nunnick, agricultural specialist to the Commission of Conservation, who is just back

Hamilton, Ont., Aug. 20.—That no mercy will be shown defaulters under the income tax was further demonstrated here yesterday when, following the recent fine of \$2,100 imposed on a well-known citizen, Dr. William A. Danderburgh was assessed \$1,500 for making incorrect returns.

## MONTREAL LABORITES PRAISE BOLSHIEVIK SYSTEM OF SCHOOLS

Montreal, Aug. 20.—Sweeping and determined attacks against the Roman Catholic school boards for failing to re-engage a number of male teachers for the approaching school year, praise for the Bolsheviki school system in Russia and praise for the

Bolsheviki generally, together with an announcement by the delegates that they would not send their children to school until the teachers were better paid, all served to form the subject of an impassioned debate at a meeting of the Montreal Trades and Labor Council last night.

# Thin People Need Phosphate Most in Hot Weather

Apt to Take on Good Healthy Flesh Even on Sweating Days if Pure Phosphate is Taken with Meals.

Druggists Dispense **Biro-Phosphate** Because It is Real Organic Phosphate.

Thin men and women, nervous and constantly out of sorts, who want nerve force, energy, ambition and power of endurance are just the people who will find a helpful friend in Biro-Phosphate which is undeniably just what your nerve, blood and bone cells are begging for.

Phosphorus is a very important element of every living cell in your body. Without the necessary supply, keen minds grow dull and often stupid; old-time ambition vanishes and a wretched feeling of exhausted power supplants that one-indomitable spirit so necessary to success in these strenuous times.

that two patients gained in weight, one 22 pounds and the other 27, while organic phosphate was administered, and both patients claim they have not felt as well and strong in the past twelve years.

Such tests as these lead Frederick Rolfe, M. D., Editor-in-Chief of Physicians' "Who's Who," an author of medical text books and member of Authors' Committee of America, Health League, Physicians' Legislative League, N. Y., to remark, "If I had my way Biro-Phosphate should be prescribed by every doctor and used in every hospital."

And Joseph D. Harrison, former Visiting Specialist in North Eastern Dispensary, says: "Let those who are weak, thin, nervous, anemic or run-down, take a natural, undiluted substance such as Biro-Phosphate and you will soon see some astonishing results in the increase of nerve energy, strength of body and mind and power of endurance."

Biro-Phosphate (the inexpensive organic phosphate) for those who are anxious to improve their health, is dispensed by all leading druggists in the original package.

## THIRTY RANCHERS LOSE BY FIRES

Many Persons Had Narrow Escapes During Forest Fires North of Kamloops

Kamloops, Aug. 20.—Passengers on the Canadian National Railway are still being transferred across two streams where bridges were burned in the great forest fires which occurred over a large territory north of Kamloops on Monday night and Tuesday.

Latest reports received from the district show that thirty ranchers or homesteaders were absolutely burned out and many people had very narrow escapes with their lives. At one time sixty fire-fighters were in an exceedingly precarious position. They were trapped by flames and successfully sought refuge in the Thompson River. Frank Smith's was the only death, and there is no doubt that if he had remained with the other homesteaders his life would have been saved. His body, lying face downward, was found in his garden.

Henry and John Anderson, brothers, escaped only by a miracle. More than forty employees of the Fennell mill, which was burned, had to cover four miles of burning territory, threatened every moment by flames.

The most seriously injured in Kamloops hospital are Dave Curry and Fred Soderdahl. Others still under treatment, but not dangerously burned are Edward Green, Patrick Noonan, Arthur Barker, E. Hardy and Thomas Long.

## SAYS PEOPLE MUST BUILD OWN HOUSES

Winnipeg Owner Says Capital Not Being Put Into Houses For Rent

Winnipeg, Aug. 20.—Winnipeg has entered on a new era so far as house-building is concerned, according to an opinion expressed by N. T. MacMillan, president of the Building Owners' Association here. He said that private capital would not, under present conditions, invest in houses for revenue purposes for the simple reason that there were too many more attractive investments.

"As far as I can see," said Mr. MacMillan, "people in the future will have to build their own houses if they want them. They will have to look upon a house as a personal necessity, just as they consider a suit of clothes and a pair of shoes as indispensable, and they will recognize the fact that they must provide the house just as they do the wearing apparel."

## DRUGGISTS ELECTED OFFICERS AT TORONTO

Montreal, Aug. 20.—At a late hour last night the Canadian Pharmaceutical Association, with the election of officers for the coming year, practically brought its eighth annual convention to a close. ## INTERESTING MOUNTED POLICE DOCUMENT

Regina, Aug. 20.—What appears to be the original declaration of a corporal of the Royal North West Mounted Police establishing the fact that the first shot fired in the hostilities between the police and Riel rebels in the Duck Lake country in 1885 was fired by the rebels has been brought here by W. H. White, of Winnipeg.

It is a single sheet of foolscap, signed by Hugh J. A. Davidson, Corporal, Royal North West Mounted Police, who was a member of the party that accompanied Major Crozier to Duck Lake in March, 1885, stating that he distinctly heard a shot fired from the rebel ranks before Major Crozier gave his men the order to fire. The declaration was made at Prince Albert on May 30, 1885, and attested by Stephen Brewster, a notary public.

## YOUNG WORKERS TO BE GIVEN AID

New Plan In Manitoba To Enable Proper Start In Life For Young People

Winnipeg, Aug. 20.—Officials of the city of Winnipeg and the Province of Manitoba have inaugurated for the first time in Canada a survey to determine the best plan for handling the employment of young workers systematically. Letters have been mailed to more than 1,000 employers asking for information concerning the employment of the juvenile workers. In each letter was a questionnaire for the employer to fill out, and a number of blanks for the young workers themselves to fill out.

## EIGHTEEN NEW PIERS FOR NEW YORK

Thirty-two Antiquated Docks To Be Removed; a Great Undertaking

New York, Aug. 20.—The greatest waterfront improvement here in fifty years involving the removal of thirty-two antiquated piers along the Hudson River, and the erection in their stead of eighteen new and vastly larger piers of latest design, has been planned by Murray Hulbert, Commissioner of Docks, and approved by the Sinking Fund Commission. The improvement will cost \$50,000,000 and will require ten years to complete. Work is expected to be started next Spring.

## To Solve Problem.

This with the proposed vehicular tunnel of New Jersey is expected to solve New York's west side dock problem. The new waterfront system is to consist of wide piers, wharves and marginal streets, with warehouses and tracks where available in the rear.

## Room Lacking.

"The present lower North River waterfront is just what it was in 1871. Its slips are so narrow there is not room in them at once for two steamships. To afford relief the War Department has three times permitted the pier headlines to extend further offshore. The more these narrow piers were brought out, the worse the slips became, because boats have been continually growing bigger."

The new plan, said President F. H. La Guardia, of the Board of Aldermen, means that New York is going to have eighteen piers from 550 to 1,025 feet in length in place of the thirty-two dilapidated structures which are a disgrace to the city. Between each two piers there will be a maximum dockage space of 200 feet and a minimum of 175 feet. Two of the new piers will be 108 feet wide, seven 150 feet and nine 125 feet.

Along New York's 578 miles of waterfront the Dock Commission already has under way other projects under contracts amounting to \$29,000,000.

WATER FOR GORDON HEAD.

Victoria is largely interested in the fate of the two by-laws to be voted upon to-morrow by the property owners of Saanich municipality.

This, we think, is especially true of the project to furnish an adequate water supply to Gordon Head.

The cost of extending the water supply to the district, as provided in the by-law to be voted upon to-morrow, will be \$200,000, to be paid by those who will be directly affected by the proposal.

CARELESSNESS.

To what extent the forest wealth of this country is at the mercy of the careless itinerant wanderer has been demonstrated during the last few days in an expensive fashion quite close to this city.

THE SEWER BY-LAW.

We assume property owners in Saanich have studied the sewer by-law upon which they will vote to-morrow, as it is advertised in the press, and therefore are familiar with its details.

The balance of the loan will be kept for extensions, and may not be borrowed for some years. The far-seeing property owners will require little convincing that a full scheme should be laid out, and that its execution should be

embarked upon as the demands of public health warrant. The scheme has been endorsed by the consulting engineer of the Provincial Health Department with some changes that the Council readily accepted.

WILL HELP CANADA.

The coming of the Imperial Press Conference delegates should result in untold benefit to Canada and Canadian industry. In his speech at Winnipeg, Dr. Ellis Powell, managing director of The Financial News, of London, dwelt upon the subject of foreign capital invested in Canadian enterprises.

OUR BIG MEAL TICKET.

The wheat crop will be the chief factor in determining Canada's economic condition during the next winter, and it is gratifying to note that all reports from authentic sources agree that the production this year will be very much greater than that of last year.

PASSPORTS.

One of the disagreeable legacies of the war is the restriction on travel insofar as it applies to the use of the passports. It is gratifying to observe, however, that the Supreme Economic Council already has made strong representations to the various Governments in favor of lifting the passport blockade to a very considerable degree.

NOTE AND COMMENT

One of the Soviet representatives at Minsk announces that Russia is "eager" for peace with Poland, recognizing Poland's independence and disclaiming any desire to interfere in Polish affairs.

indicating that the Soviet forces are dangerously near a great catastrophe. They are evacuating their positions on the Bug River which means they are retreating into Russian territory.

In a dispatch from Windsor, Ont., it is disclosed that there are sixty-seven prisoners now held in the county jail at Sandwich—approximately one hundred per cent. more than capacity—most of whom are violators of the Temperance Act.

Mr. John Clynnes, Great Britain's former Food Controller and a Labor Member of the House of Commons, has been criticized by the Prime Minister for his association with the Labor Party in connection with the Russo-Polish question.

The city golf championship to be played under the auspices of the Colwood Golf and Country Club at its links at Colwood in the early part of next month should prove a unique event in local sporting circles.

OTHER PAPERS' VIEWS

ARMING THE PROLETARIAT

All the great Socialist organizations of Europe and America held aloof from this Third International, but that does not cause the flicker of an eyelid in Lenin.

THE ALL-BRITISH PRESS

Great Britain, as a charming French critic once pointed out, ought to possess the best of journalists and the best of novelists, because they alone are born into a world-wide connection and come into daily touch with facts and experiences that preclude narrowness.

Yet when all is said, the greatest gain of all may be a knowledge of Canada itself. Canada, a land where hospitality of the finest savour flourishes, is almost a half-way house for us to the Antipodes; and from both sides we shall find there ideas and inspirations most fruitful for strengthening Imperial and human ties when we return to our home countries after some 10,000 miles of most informative traveling.

Liberty League Hold Meeting  
and Issues Its Own  
Bulletin

The members of the Liberty League held a general meeting last night in the Board room of the Belmont Block, when plans for the furthering of the cause were discussed. The policy of the Government control and sale of liquor, in opposition to the present working of the Prohibition Act is the main plank in the platform of the new association.

C. T. Cross officiated in the chair, and a number of new members were enrolled.

"Liberty" the official publication of the Liberty League made its initial appearance yesterday in the form of a neat little four page folder, setting forth the doctrines of the League. The booklet was well received by the supporters of the cause, who were much taken with a foreword by J. H. Gillespie, President of the League, in which he stated the objects of the organization as follows:

"The object of the Liberty League is to secure a free, full and enlightened expression of public opinion upon every measure by which the liberty of the subject is attacked. The Liberty League is desirous that such expression of public opinion should be given only after a campaign of honest education has been conducted, so that every man and woman shall, in casting his or her vote, be influenced, not by hysterical or fanatical improvisation, but by the solid facts, co-ordinated in their relation to the public welfare and to the public liberty. With this object in view, the Liberty League will issue under its auspices from now until the day of election "Liberty." In it equal justice will be paid to the arguments used by the advocates of Prohibition and their opponents. On its pages will be found no malicious comment, but as fire must be fought with fire, where ruthlessness is necessary the criticism will be in keeping therewith."

**SIDNEY NOTES.**

Sidney, Aug. 20.—The SS. Fred Baxter of The Baxter Line, of San Francisco, with Captain Hansen in charge, put into Sidney Wednesday morning with a cargo of 850 barrels of asphalt for the Sidney Roofing and Paper Company. After unloading her Sidney consignment she cleared for Port Townsend. Later in the month she returns to Vancouver where she is to load a cargo for South American ports.

The Canadian Explorer, Captain Bradley, of the Canadian Merchant Marine, was cleared for New Zealand on Tuesday from Genoa Bay, where she has been loading a cargo of 1,500,000 feet of lumber for delivery at a New Zealand port. The Federal owned ships are seemingly doing a first-class business on this coast as they find no difficulty in getting cargoes here.

Mr. and Mrs. B. W. Greer, and R. J. Fleming, of Vancouver, paid a flying trip to Sidney on Monday. Mr. Greer who was at one time a partner in the Sidney Island Brick and Tile Company, is now in the shipping business in Vancouver.

Mr. Hayden, who is now in charge as superintendent of the Cuchean Cove Lumber Company's plant at Cuchean Cove, passed through Sidney on Wednesday en route to his new home. Mr. Hayden who is well known in the lumbering industries in B.C., expects to have things running in good shape before long.

W. P. Cotton, of Sidney, who left early in the Spring for Taber, Alta., where he has been engaged in the newspaper business, is home on a two weeks' vacation, arriving on Monday.

The many friends in Sidney are congratulating Mr. and Mrs. Norman N. Semiaten, on the birth of their first born, a daughter, which event took place in the Victoria Private Hospital on Sunday last.

Major P. J. Campbell, Road Superintendent, has returned after an inspection of the roads on the Gulf Islands. The Provincial Government having completed the oiling of the roads in North Saanich, the oiler was removed to South Saanich, where the Provincial Government is oiling the road to the observatory on Little Saanich Mountain. The Government has a gang of men on extending the Queens Avenue Road as far as Bowcott's Ranch, and then the Birch and Downey Roads at Deep Cove are to be graded and widened.

The sympathy of the people of this district go to Joseph Crooks of Cell Bay and his family in the loss of his house and furniture by fire on Wednesday, at about 5 p.m. Mr. Crooks who is caretaker of Resthaven where he resides, and is only a short distance from his house. The house was vacant and the fire was no fire it seems likely that the fire which was first noticed in the roof must have started from defective electric wiring. Although many volunteers turned out to help put it out, the fire had got too great a start, and as everything is now so dry, only a few minutes elapsed between the time it was first seen till the building was burnt to the ground.

**"TIZ" FIXES ACHING,  
SWOLLEN, SORE FEET**

How "Tiz" Does Comfort Tired,  
Burning, Calloused Feet  
and Corns.

Good-bye, sore feet, burning feet, swollen feet, tender feet, tired feet. Good-bye, corns, callouses, bunions and raw spots. No more shoe tightness, no more limping with pain or drawing up your face in agony. "Tiz" is magical, acts right off. "Tiz" draws out all the poisonous exudations which puff up the feet. Use "Tiz" and wear smaller shoes. Use "Tiz" and forget your foot misery. Ah! how comfortable your feet feel. Get a box of "Tiz" now at any drugstore or department store. Don't suffer. Have good feet, glad feet, feet that never swell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded.

Blacklead if mixed with vinegar and soda gives a brighter polish.

### OBITUARY RECORD

The death occurred at an early hour this morning after a long illness, of Mr. Annis-Hartley at the family residence, 1284 Summit Avenue. The late Mrs. Hartley was a native of Manchester, England, and is survived by two sons, Albert and Thomas Spencer, and one daughter, Mrs. W. Berry, all of Victoria. The remains are reposing at the Thomson Funeral Home, from where the funeral will take place, Saturday, August 21, at 2 o'clock. Rev. William Stevenson will officiate.

Martin McGuire, of Kerr Avenue, Saanich, died this morning in St. Joseph Hospital. He was sixty-nine years of age, unmarried and a native of Kentucky, U. S. A. A ship-fitter by trade, he was well known in Esquimalt, where he had lived and worked for many years. He had lived in this district for over fifteen

years. The remains are now lying at the B. C. Funeral Parlor, and arrangements as to the funeral will be announced later.

Marie Caroline Ennever, wife of Augustus Joseph Ennever, of 251 Government Street, died at her home yesterday. She was born in London, England, and was thirty-five years of age. She came to Victoria a year ago. The late Mrs. Ennever is survived by her husband, three children and her mother and brother. The funeral will take place on Tuesday morning, leaving the residence at 8:45 o'clock and St. Andrew's Cathedral at 9 o'clock.

The funeral of Caroline Viola, the three-year-old daughter of Mr. and Mrs. William C. Roark, of 1048 North Park Street, will take place on Saturday afternoon, leaving the B. C. Funeral Chapel at 2:30 o'clock, service being held at St. Andrew's Catholic Cathedral at 2:30 o'clock. The remains will be laid to rest in Rose Bay Cemetery.

### ST. ANDREW'S TENNIS

In view of the virtual close of the camping season as far as the St. Andrew's Tennis Club is concerned, a more vigorous programme has been planned for the remainder of the season. Members and their friends are promised a very interesting period of play and social recreation to-morrow afternoon from 2:30 to 7 o'clock, when the following matches will be played:

Men's Singles—Gordon Stacey vs. Ross Oatman (semi-final); R. Mel-drum vs. Hugh Jackson (prelim.); J. Simpson vs. B. Trivitt (prelim.).  
Ladies' Doubles—Miss P. Knapman and Miss A. Moffat vs. Misses D. Hay and J. Burridge.  
Ladies' Singles—Miss Phyllis Knapman vs. Miss Jean Burridge (prelim.); Miss Dorothy Hay vs. Mrs. J. Simpson (prelim.); Miss M. Wood vs. Miss Ada Moffat (prelim.).  
Tea and refreshments will be served at 5:30 o'clock.

## ALDERMEN BELIEVE CURFEW PLAN DEAD

Alderman Sargent Proposes Use of German Gun For Curfew Warning

While backers of the curfew project refuse to divulge any information on the subject, it is generally believed by members of the City Council that the plan to enforce the Curfew By-law has finally been dropped.

Several weeks have passed since the City Council has heard of the curfew question officially and the Council has not worried over the matter since it was referred to the Legislative Committee. The last official action of the Council was to instruct the Committee to ascertain the cost of installing an electric curfew whistle at the City Electric Light Plant, but so far the Committee has brought in no report on this phase of the question. Most of the aldermen who are not on the Committee believe that no report ever will be made, though Mayor Porter said to-day he understood that the matter would not be allowed to drop entirely.

Members of the Council understand that the cost of installing the proposed electric whistle has been found to be so great that the Committee was forced to abandon the whole project in despair. It was rumored about the City Hall to-day that the cost would amount to something like \$800, a sum which, it is thought, the Council would not be prepared to pay. Members of the Committee, however, refuse to confirm or deny this report.

It has been proposed by Alderman Sargent, a member of the Committee, that one of the big German guns presented to the city as a war memorial might be used as a curfew warning. Alderman Sargent suggested this plan to Alderman Patrick during a conference this morning and the matter is under consideration. It would be necessary, in Alderman Sargent's opinion, to secure blank shells for the gun to be used as a curfew warning and fire them off each night at the curfew hour.

### FOSTERS GRAZING

T. P. Mackenzie, Government Commissioner, Returns From Tour of Interior

T. P. Mackenzie, Commissioner of Grazing in the Provincial Government, under the Hon. T. D. Pattullo, has returned from a tour of inspection of the Government's grazing work in the interior of the Province.

During the last six weeks he has covered the grazing areas around Merritt, Kamloops, Vernon, Ashcroft, Clinton, Dog Lake and along the Cariboo Road. In these areas the Government is pushing its grazing policy of extending to settlers the grazing privileges of Crown lands for a small fee. Settlers say the policy and the manner in which it is being carried out by the commissioner is a great stimulant to the development of these interior districts.

## HALT ACTION ON SMOKE NUISANCE

Aldermen Would See What Solution Vancouver Experts Evolve

If a move backed by a number of prominent aldermen proves effective, the City Council will take no action on the "smoke nuisance" problem until a committee of experts, which is investigating the same question in Vancouver, reports to the Vancouver City Council. It was learned at the City Hall to-day.

Either at the Council's special meeting this afternoon or at the regular meeting Monday a big petition urging that the Smoke Nuisance By-law be made inoperative in the sawmill district will come up for consideration. This petition, it will be recalled, was laid before the Council at a recent meeting, but no action was taken on the question at that time. Since then the opinion of a majority of aldermen, it has become clear, has gradually crystallized into a conviction that something must be done to relieve the residents of the mill district from the alleged "smoke nuisance."

On the other hand, however, the aldermen who favored the amendment of the Smoke Nuisance By-law in order that the mills might not be forced to operate under unnecessarily stringent regulations, have come to the conclusion that the wisest course will be to lay the matter over until the report of the Vancouver experts is filed. They feel that if the experts are able to recommend a way out of the difficulty the system they recommend could be inaugurated here. In any case the aldermen hope that the plan of the sawmill operators to sell mill refuse for fuel instead of consuming in the mill burners may prove a success. They consider that laying the matter over for a short time may result in the solution of the problem to the satisfaction both of the mill operators and the residents of the mill district.

## Don't Risk Losing A Week's Pay

TO-DAY the struggle to meet constantly increasing expenses, requires the full earning power of nearly every working man and woman.

A week's pay can easily be lost through heavy colds, a touch of Bronchitis, or La Grippe; usually the evil after-effects of wet feet, exposure to rain or sleet, a long cold drive, or auto ride, etc.

Take no chances whenever you come home chilled, but take at once, and again at bed time, a teaspoonful of PERRY DAVIS PAINKILLER in a glass of hot sweetened water or milk, and thus ward off the discomfort and expense of such attacks.

PAINKILLER acts promptly, warms and overcomes the depressed feeling which comes with a chill to the blood. It is equally valuable for acute attacks of cramps and colic in the stomach and bowels, generally accompanied with great pain, diarrhoea, and a feeling of collapse. A chill to the stomach from sleeping uncovered, or unwise eating brings on such attacks. The quick relief afforded by PAINKILLER justifies its name.

Frequently wet feet bring on with children sore throat and tight croupy colds. For these, wrap out a piece of flannel in a cup of hot water to which has been added a teaspoonful of PAINKILLER, wrap around the child's throat at bed time, and cover with another flannel cloth. The warmth and drawing power of PAINKILLER soothes, induces sleep, and counteracts the inflammation. Many a mother has been spared a sleepless night for herself and her child by this simple and effective home treatment.

PAINKILLER is also valuable as a liniment for Sprains, Bruises, Insect Bites, Stings, etc.

PERRY DAVIS PAINKILLER has been on the market for over seventy-five (75) years. It is used in nearly every country on the globe by thousands of families of every race for the purposes described above.

Every family and every traveller will do well to have always on hand a bottle of this reliable household medicinal preparation.

The L. R. Steel Service Corporation, Ltd., has been registered as an extra-provincial company. Its head office is Toronto and B. C. head office, Vancouver.

Ring is Recovered.—Miss Mildred Page, leading lady of the Princess Theatre Company, this morning recovered possession of the diamond ring which was recently missed from her dressing table. A small box in the box office, which was only yesterday emptied of its contents, was found this morning to contain a small paper-wrapped package, and on examination the missing ring was found enclosed. The management attributes the speedy return of the ring to the press publicity given to the disappearance of the ring.

### CARL MAYS SUFFERS NERVOUS BREAKDOWN

New York, Aug. 20.—While Ray Chapman, fatally injured here last Monday by a ball pitched by Carl Mays of the New York club, was being buried to-day in Cleveland, Mays was lying in his home here, suffering from a nervous breakdown. This became known when an official of the Yankees appeared in court and pleaded guilty for Mays to a charge of speeding last month and paid a \$25 fine. Mays has not played since resumption of the New York-Cleveland series.

Letters addressed to the Editor and intended for publication must be short and legibly written. The longer an article the shorter the chance of insertion. ### SAANICH WATER BY-LAW.

To the Editor—With reference to the above by-law, which is to be voted on to-morrow, the following facts may help to a better understanding of the present position.

The former water loans of 1914 and 1916, amounting in all to \$155,000, have all been spent, while the extensive developments in Saanich are such that further water service is imperative. In order to provide this further service it is necessary to have money, and the only way this can be provided is through a by-law authorizing the Council to borrow.

The situation is that the municipality is now in the position of having to refuse any further water services, no matter how urgent, because no funds are available for this purpose. It should be clearly understood, however, that if the present by-law is passed the money will ultimately be repaid by the property holders benefiting from the extensions. I would impress upon those who have already water service that by supporting this by-law they will undoubtedly benefit themselves, since a greater sale of water will tend to reduce the rate. This is shown by the figures of the Water Board, based on a comparative statement that in 1922 the entire waterworks system will be self-supporting, and no further call need be made on any property holders for any part of the amount asked for in the by-law, viz. \$200,000. It is proposed to the Mayor's Board, based on the entire Saanich District, as well as to provide other necessary extensions throughout the municipality.

Trusting that you can find space in your valuable paper for this letter, and thanking you in anticipation.

ROBERT CLARK,  
Councillor, Ward Three, Saanich,

### RE "CHARLIE'S AUNT" AND THE VICTORIA DRAMATIC AND OPERATIC SOCIETY.

To the Editor—The committee of the above-named Society is of the opinion that the general public might be interested in some of the activities of this organization, and if such interest is aroused and maintained the Society will be enabled to carry out its program for the coming season. Therefore the assistance and courtesy of your valuable paper is sought.

The Victoria Dramatic & Operatic Society comprises about one hundred members, many of whom were prominently associated with the productions of the Princess Dramatic Society, for Red Cross and other charitable purposes during the war. Mr. R. N. Hincks, the moving spirit and popular leader of the Princess Dramatic Society, left this city early in the year for Eastern Canada, and recently when it became known that his return was improbable the Victoria

Dramatic & Operatic Society was formed on a permanent basis and is to be registered under the Societies' Act. The President, Mr. James Hunter, and a strong executive conduct the business affairs of the Society, and combined business and entertainment meetings have been held every fortnight since inception, which meetings have been most enthusiastically attended. It is our intention to continue such evenings in addition to the production of plays which we hope to undertake shortly.

At present rehearsals are in progress for that perennial joy, "Charlie's Aunt," which it is hoped will be staged in about a month's time. Mr. Legge-Willis has the stage management of this production in hand and has selected a very strong cast. The profits which it is hoped will accrue from this play (which has not been produced here by any company for at least eight years) are to be set aside to form the nucleus of a fund so that the Society will be able to venture upon the production of more ambitious plays (particularly those of a musical nature which are always popular but much more costly to produce) in the future.

The Dramatic Society is desirous that the Victoria public should be fully acquainted with its status and proposed activities and to this end the following particulars have been given. Further information desired by those interested may be obtained from myself, as secretary, at 425-427-429 Hastings, phone 6910.

### "LEST WE FORGET"

To the Editor—Under the caption "Lonely Veterans," there appeared recently in the local papers a letter written by an inmate of one of the Government institutions for the care of the casualties resulting from the world war. The letter says in part: "I do not quite verbatim, but give the gist of it, that they (the inmates) are all hungry for victrolas, for a little show of interest from the outside world, and loneliness and melancholy do not in any way assist in the recovery of a wounded man." Some of these men have been in these institu-

tions since April, 1915, when they helped to save the situation at the Second Battle of Ypres, and others have been there two or three years. Some of them will never leave there alive. It is heartrending to think of these men, and surely we are not going to forget or neglect these men. This letter calls attention to a state of affairs much to be deplored, and which may be quite easily avoided by a little kindly thought on the part of the public for these men in their sadly restricted lives.

It behooves us to remember that the people of Canada to-day dwell in peace and safety because these men, in the heyday of their youth and health and strength, went forth to war.

### WAR PRISONERS.

O you who walk in health and strength, To whom the world is free!  
We ask that in your busy lives We might remember be!  
For we are they who dwell apart, Wounded in War's grim strife, And we must face as best we may A maimed and broken life.

If you but knew—could realize— The length of weary days, The sleepless nights, when memory grim Oblivion's mercy prays!  
If you but knew how much we crave That we remember be!  
A hat, a book, a cigarette, A bunch of flowers sweet— If you but knew how much they mean To us in our retreat.

We've done our part—and laid aside We ask with faltering breath Sternly to fight our last hard fight And not to pray for death!

That Christ who walked in Flanders' Fields we would send, And grant us through His gracious Strength to the very end!

### ROYAL VICTORIA

Proof that William Farnum, whom William Fox will present in "Heart Strings," again to-night at the Royal Victoria Theatre, is as popular abroad as in the United States, is furnished by the flood of correspondence which followed the publication in a London motion picture magazine of a short paragraph to the effect that Mr. Farnum was expected to appear in getting new material for the screen and would be pleased to consider original stories for photodramas.

From the voluminous mail daily received by Mr. Farnum it would appear the men and women in every part of the British Isles have settled down to write stories for their favorite star.

Situations involving heroic sacrifices and perilous situations abound in these manuscripts. In fact, the star's life would be in peril daily if he attempted to film all the stories offered.

In one story the action called for Farnum to pursue the villain in a swift airplane, overtake him in mid-air, jump to his machine and overcome him in a fierce battle, finally subduing him just as they reach the earth.

A Scotch lassie submitted a scenario in which the action took place in the heart of the African jungle. Mr. Farnum, according to the story, would "battle with a fierce lion, grasping the jaws of the great beast and, with his mighty strength, ripping the jaws apart."

### DOMINION

"Let's Be Fashionable," a delightful comedy drama, is the offering at the Dominion this week, starring Douglas McLean and Doris May. The two actors, who gained such an enviable reputation in their late successes, "23½ Hours' Leave," and "Mary's Ankle." As Mrs. and Mr. Langdon, a young married couple, who make their first formal invasion into society, McLean and May are provided with a double role that gives them ample scope and opportunity again to score another big hit in the realm of screen comedy. The picture is full of laughable complications and misadventures, and all who like a joyous entertainment should not miss seeing "Let's Be Fashionable."

### VARIETY

There is such a thing as too much love. The idea is driven home with compelling force by Vitaphone's new superfilm, "The Vengeance of Durand." The picture, with Alice Joyce in the stellar role, is the feature attraction at the Variety Theatre to-day. Henri Durand, a stately French gentleman of the old school, represents in this film the character of the man who possesses too much love. Durand's excessive love for his dazzling wife leads him to insane jealousy. He cannot bear to have her look at any other man. It happened that they moved in a circle of a clever society, in which Marion constructively meets dashing or otherwise attractive men. Three or four of these courtiers are frequent companions of the young woman, in a thoroughly innocent fashion. However, there is another, named La Farge, who is unscrupulous, a foe to the virtues of wives and the honor of husbands. Durand's insane jealousy leads to a continuous, unending conflict. The happenings are packed full of dramatic effect. In the end, the jealous husband contrives a hideous revenge for the innocent object of his suspicions.

### COLUMBIA

According to those who have seen Mary Maclaren in her latest Universal picture, "The Road to Divorce," showing at the Columbia Theatre, the picture is a tremendous "punch" because it is so true to life. The lesson taught is not forgotten a moment. Many young mothers have been so absorbed in the care of their children that they never dreamed of scheming to retain the love of their husbands. That is, not until they are dazed at the realization of an impending tragedy. Then, choking back the tears, they ask themselves as did the wife in "The Road to Divorce," "Why can't I be beautiful?" The part of the young mother who faces such a calamity is admirably taken in the current Universal picture by Miss Maclaren, and the subtle manner in which Philip Rosen, the director, developed the story on the screen has added much to the original plot of the play.

### WOMEN FANS INFLUENCE ON THE SILVER SCREEN

"There has been endless talk of the passing of stars," says Mildred Davis, pretty comedienne for Pathe, and thousands of dollars' worth of ink have been spent by both sides in advertising their arguments. But it seems to me the "ants" have fallen down woefully in their campaign by failing to make a direct appeal to the women fans.

### PRINCESS

"The Little Shepherd of Bargain Row," being presented by the Mildred Page Players at the Princess Theatre is meeting with decided success. The hearty approval of all present is very apparent by the applause in the final curtain, and is proof sufficient that the play has "over." The entire cast is splendid, all the players being seen to good advantage.

"The Little Shepherd of Bargain Row" is a play with a punch, a play full of thrills and heart throbs, sunshine and shadows; there is something doing every minute, and something to meet with entire approval. Miss Page has a splendid part, in fact it might almost be called the best balanced part for general light and shade which she has had since the season began, and she handles

## NOODLES FAGAN WILL ENTERTAIN TIMES NEWSBOYS

To-night at Pantages Theatre Noodles Fagan, the world's famous newsboy, with Manager Bob Jamieson, will entertain The Times newsboys at the second performance. A special section of the balcony has been set aside for the boys and "Noodles" has promised to give them the time of their lives, while all the other turns on the bill will co-operate in making to-night's performance what one of the newsboys described this morning as a "bumdinger." Forty acres of publicity have been written about Noodles Fagan, and he speaks every year to an average of over three million newsboys, giving them sound practical advice on the best way to grow up into strong men. Among his favorite maxims are: "Don't smoke, don't chew and don't drink if you want to grow up into a big strong fellow. The healthy plant is the one that is taken care of when it is young." To the newsboys he

in a manner which cannot help but win the deep appreciation of her many admirers.

Following this beautiful drama will be presented a delightful cowboy comedy, "The Renovated Ranch." This is the first offering of this nature to be staged by the Mildred Page Players, as the cowboy plays are as scarce as hen's teeth, but that they are still dear to the hearts of many was shown during the recent production of this comedy in Vancouver, B.C., where it met with great success.

### PANTAGES

One of the best variety bills presented here in months is holding the boards at Pantages this week. De Michele Brothers, harpist and violinist, appear in an offering that is full of genuine artistry as well as comedy. "Thirty Pink Toes" is the title of a mystery offering—that is, extremely amusing, and made a big hit with yesterday's audiences. Then there is "Noodles" Fagan and his company of imitable entertainers, Frank Stafford & Company offer a very pretty woodland act, and they are assisted by a couple of beautiful setter dogs. Songs and imitations par the act over with a punch. Jean Barrios, featuring finery and melody, and the Alaska Duo, coveting on real ice, conclude the programme.

### GAS IN THE STOMACH IS DANGEROUS

Recommends Daily Use of Magnesia to Overcome Troubles Caused by Fermenting Food and Acid Indigestion.

Gas and wind in the stomach accompanied by that bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion."

Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastritis accompanied by serious stomach ulcers. Food ferments and sours, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart.

It is the worst of folly to neglect such a serious condition or to treat with ordinary digestive aids which have no neutralizing effect on the stomach acids. Instead get from any druggist a few ounces of Epsom's Magnesia and take a teaspoonful in a quarter glass of water right after eating. This will drive the gas, wind and sour right out of the body, sweeten the stomach, neutralize the excess acid and prevent its formation and there is no course of pain. Epsom's Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach. It is responsive to take and the best form of medicine for stomach purposes. It is used by thousands of more fear of indigestion.

"For it is really the women of the country who are the dominating influence in the motion pictures. They compose two-thirds of the audiences in the States." And it is their natural inclination to hero-worship that is going to prove the greatest obstacle in the path of those who cry, "The play's the thing."

"During the war this fact was amply proved. Hero-worship extended only too often to the point of hysteria. Of course that was the result of conditions which only war can bring about. But it was an undeniable indication of a very strong tendency, which in times of peace must find an outlet. And the motion picture is the most natural thing to turn to."

"As it is in politics since the advent of woman suffrage, the feminine factor is the most uncertain and

## European Athletes Are Still Capturing Events

**Archie McDiarmid, of Vancouver, Is Fourth In Shot-Put; American Wins 200 Metres, But Rudd, South Africa, Takes Quarter Mile and Hodge, of England, Triumphs in Steeplechase Race.**

Antwerp, Aug. 20.—Both Canada and the Mother Country figured in the opening events of the sixth day of the seventh Olympiad this morning. P. Hodge, one of the star distance men of the British team, won first place in the final heat of the three thousand metre steeplechase, while Archie McDiarmid, of Vancouver, won fourth place for Canada in the 56-pound weight event.

The weather was again unfavorable to-day. There was a cold drizzling rain and only a few spectators turned out for the opening events of the morning. In addition to the three thousand metre steeplechase and the 56-pound final, the programme for the day included the 200 and 400-metre dashes, the 1,000-metre walk, the pole vault and the first contests in the decathlon. Canada has entrants in several of these events and is also represented in the Olympic boxing events which began to-day at the Hall of Pates at the Antwerp Zoological Gardens.

The list of boxers who are entered to represent the Dominion includes Harry Turner, Montreal, 112 pounds; Walter Newton, Toronto, 125 pounds; Billy Rankin, Edmonton, 125 pounds; Clarence Newton, Toronto, 135 pounds; Albert Schneider, Montreal, 147 pounds; Corporal A. Prudhomme, London, 160 and 175 pounds; and M. H. Hecocovitch, Montreal, 160 and 175 pounds.

**Hodge Runs Well.**  
England was first in the final heat of the 3,000-metre steeplechase race in the Olympic Games to-day when Hodge, one of her stars, led the field across the finish.

Three Americans were in the first six to finish, Patrick Flynn, Paulist A. C., was second; Michael Devanney, Millross A. A., fifth and Al. Hulse-

### Takes 200-Metres.

Allen Woodring, Meadowbrook Club, Philadelphia, won the 200-metre dash in 27 seconds. The record is 23.5 seconds made by A. Hahn, of the United States, at St. Louis, in 1904.

Charles W. Paddock, Los Angeles A. C., finished second; H. Edwards, England, third; Lovin Marchison, New York A. C., fourth; G. Davidson, New Zealand, fifth, and Oosterlaan, of South Africa, sixth.

### Rudd in Fine Form.

B. G. D. Rudd, South African crack, won the final heat of the 400-metre run. His time was 49.3-5 seconds, 1.2-5 seconds slower than the record.

G. E. Butler, England, was second; Engdahl, Sweden, third, and Frank J. Shea, United States Navy, fourth.

A. G. Hill, England, won the final heat of the 1,500-metre run yesterday in four minutes 14.5 seconds. P. J. Baker, another Englishman, was second. M. L. Shields, Meadowbrook Club, Philadelphia was third. Jole W. Ray, of the Illinois A. C., took the lead at the start. After the field had straightened out, he led Hill and Baker by three yards, but J. J. Connelly, of the Boston A. A., fourth and Shields well back. After the first lap Ray still ahead. On the back stretch in the third lap Ray tried to jump the field, but had no strength and Hill easily passed him.

### English Tuggers Won.

England beat Holland in the tug-of-war yesterday, winning first place. D. F. Ahearn, the American holder of the world's record, for the hop, step and jump, was only able to finish sixth in that event yesterday, just getting inside the qualifying line with his 12.75 metres. Sherman Landers, Chicago A. A., with fourteen metres, finished fourth.

The Finn, Funio, and three Swedes, make up the rest of the field for the final.

### Finnish Athlete Wins.

Antwerp, Aug. 20.—(Associated Press)—Nurmi, the Finnish long distance runner, won the final of the 10,000-metre run to-day. Guillemot, the French champion, was second, and J. Wilson, England, third. The winner's time was 31 minutes 45.2-5 seconds.

### HERMAN BEATS MOORE

Colorado Springs, Colo., Aug. 20.—Pete Herman, champion bantamweight of the world, last night out-fought Roy Moore, of Baltimore, in a ten-round bout, according to newspapermen.

## CAPS TAKE ANOTHER GAME FROM INDIANS

Forced to Go Ten Innings—Got Winning Run On An Error and Single

Victoria, 2; Spokane, 1.

Victoria won another close tussle from the Indians at Spokane yesterday afternoon. Russell James, the big right-hander, deserved to win, but he was forced to go an extra inning before the game was put in his mitt.

The Capitals lead the way for eight innings. In the ninth the Indians staged a rally and on two singles and a sacrifice the tying run was driven in. In the tenth Victoria banged in another tally. An error by Mitchell, the Indians' shortstop, and a single by the Capitals's necessary run to win the game.

### ELKS WILL NOW HAVE TENNIS TOURNAMENT

On Wednesday, August 25, the Elks' Swimming Club will hold a tennis tournament for its members on the newly-completed tennis court. This court is considered one of the best courts in Victoria and the members have only Ted Shewell to thank for its quick completion.

On Wednesday there will also be a basket picnic at the Elks' quarters at the Gorge and a good time is assured all who come to the picnic. After the members have finished disporting themselves at tennis everybody will sit down to tea. Immediately after the picnic there will be the Elks regular monthly dance. Perry's three-piece orchestra will be in attendance and a good time is assured. Gus Brown, chairman, and Jack Woods, secretary of the dance committee, are due thanks for the excellent manner in which they have carried off the dances in the past.

## MAINLAND LACROSSE IS WON BY ROYALS

New Westminster Amateurs Won Championship By Beating Vancouver

Vancouver, Aug. 20.—Batting through three periods without either team having scored a goal, New Westminster and Vancouver amateur lacrosse teams last night entered the fourth and final quarter with a spirit of "do or die." New Westminster "did"—three times, and the V. A. C. were unable to retaliate.

The victory clinches the Mann Cup, emblematic of the amateur championship of Canada, for the Royal City men.

The final count was New Westminster, 3; Vancouver, 0.

The Mainlanders are a long way out in their reckoning. The Mann Cup, emblematic of the world's championship, does not go to the Royal City as a result of last night's victory. They won the Mainland amateur championship. The world's championship is still held by the Victoria amateurs, and will remain here until the New Westminster team comes over and wins the trophy on the field.—Sporting Editor.

## TWO MORE TEAMS IN LEAGUE NEXT YEAR

Walla Walla and Bellingham Will Probably Get Franchises in P.I. League

Tacoma, Wash., Aug. 20.—Plans are under way to increase the Pacific International Baseball League to eight clubs next season, L. H. Burnett, Tacoma, president of the league, announced here recently.

Six clubs, Tacoma, Spokane, Yakima, Seattle, Vancouver and Victoria made up the league this year. President Burnett said it was probable Bellingham and Walla Walla would be added.

The 1920 season has been very successful, President Burnett said. The league was organized early this year to take over the territory held by the old Northwest League.

Burnett said Seattle will drop from the league next year, on account of lack of support, were denied by Burnett.

## BIG CROWD EXPECTED AT FOOTBALL SPORTS

The first field day ever held by the Victoria and District Football Association is on the cards for to-morrow. It will be held at the Royal Athletic Park commencing at 2 o'clock. It is expected that there will be a large attendance as the five-aside football competition is bound to prove of keen interest. A number of teams have entered in this competition, including two teams from Walla Walla, G. W. V. A., and Victoria Wests, and one from Nansimo, Lady-smith, Comrades of the Great War, Sons of England, Metropolis and Yarrow.

The prizes are on view in O'Connell's window, and show that the winners will be handsomely rewarded.

The Wests will be represented in the Five-aside competition by the following teams: "A" team—Copas, Sid Sherritt, Toots Plump, Johnnie Peden and Mulcahy; "B" team—Shandley, Cyril Baker, J. Sherritt, Charlie Thomas and A. N. Other.

## EAGLES HOLDING SPORTS TO-MORROW

The first annual field sports of the Eagles will be held at the Stadium to-morrow at 2.30 o'clock.

A jumping exhibition by the McCleave horses will be one of the features of the day. A cup has been donated by Mr. Lucas for the tug-of-war event. In addition to the programme already published, there will be the 16-pond shot throwing.

Handsome prizes have been donated by prominent citizens for these sports. The day will be closed by a free dance. Moffat's orchestra will be in attendance. Ten useful tom-bola prizes, including half a ton of coal and half a cord of wood, are being offered.

OPINION SHARPLY DIVIDED UPON SEWERAGE ISSUE

Ward Seven Gives Speakers Mixed Reception; Pros and Cons For Construction

High feeling was evident last night at the meeting of Ward Seven ratepayers held in the Tillicum school, called for consideration of the sewer and water bylaws to be voted on tomorrow...

Reeve Watson said that at practically every meeting of the Council complaints were received regarding the conditions caused by the large number of septic tanks in the area proposed to be sewered...

He stated that he was not attending the meeting to advocate the passing of the bylaw, but as Reeve was submitting a carefully considered scheme drawn up in response to much pressure, if the people wanted the sewers and was prepared to pay for them they would vote for the bylaw...

It was at this stage of the proceedings that the filibusters took temporary control of the meeting. Shouts of "you are trying to push these sewers down our necks" were mixed up with loud calls for information as to what would be the cost to corner lot owners...

Reeve Watson then answered the charges of rushing matters by pointing out that either the Provincial Health Department or the Council had the power, if necessary, to order the sewerage of any district they considered necessary...

VOTE YES VOTE YES

On Saturday, if your name is on the Municipality of Saanich voters' list, you will be asked by the councillors to endorse their action in passing a by-law to supply the Gordon Head district with water.

Intelligent and Honest Answers to Your Questions

- Why Is This Being Voted on? Because a big majority of Gordon Head residents petitioned for it. Why Did They Petition for It? Because it will double their crops and double the value of their property. Why Are the Non-Property-Owners of the District Affected—Asked to Vote? Because the Council is not empowered to pledge the credit of the Municipality without the consent of the electorate.

audience that an epidemic might at any time change conditions. For Public, Not Capitalists. Taking up Mr. Water's statement that the Council was undertaking the sewer scheme at the behest of capitalists with money to loan, Councillor Dooley said that he was sent to the school trustees candidates, he had constantly been on the job of urging the undertaking, so presumed that he was the capitalist in question...

Failed to Get Vote. Mr. Dooley then attempted to secure a vote of endorsement for the sewer scheme as a guide to the other wards, but opposition from all sides urged that the other side of the question should be heard before a vote was taken.

Support Water Scheme. Reeve Watson then briefly explained the proposed water extension bylaw, claiming that it would be revenue producing undertaking within three years time. He showed that the districts to be served were willing to pay for the extension, and for the first two years would pay a higher frontage tax than that being paid in the districts now served.

On Saturday it is up to you to register a strong vote for this sewer bylaw if you want it to pass, for I warn you I see considerable opposition in the other wards, which you will have to overcome, was his advice. Says Council Lukewarm. Councillor Clark said that while he didn't wish to knock the sewer proposal, he considered that before the work was done it would cost closer to \$1,500,000 than the estimate of \$870,000 figured in the bylaw.

bylaw because the city should be paid and work for the unemployed should be provided. He provoked criticism when he said he personally had voted against the bylaw in the committee stage of its consideration. Reeve Watson retorted that the decision was unanimous, and Councillors Henderson, Dooley, Terrell and Graham, all who were present, supported the Reeve, while Councillor Clark from the doorway said with feeling, "I take my oath as a man that I held up my hand when my vote was called for at the third reading of that bylaw."

Councillor Tanner gave figures which he claimed showed that the borrowings contemplated would bring the total municipal debt up to \$2,200,000, approximately the full percentage allowed the municipality. He doubted whether the taxpayers of the sewer area would be able to pay the charges involved and feared that the general revenue of Saanich would have to make up the same involved each year.

British Campaigners Protest Against Proposal To Move S.C.R. Institutions

Emphatic protest against the reported intention of the Government to close the Soldiers' Civil Re-establishment hospitals on Vancouver Island was expressed at a largely attended meeting of the British Campaigners held last night.

Members present viewed with indignation the suggestion that the S. C. R. hospitals be moved to the Mainland. It was pointed out that a very large proportion of the inmates of the hospitals on Vancouver Island were local men and near their friends and relatives here.

The meeting enthusiastically approved of the suggestion that the annual banquet be held in October in commemoration of the splendid achievements of the British regular army in the retreat to Mons.

The Campaigners decided to proceed with the selection of a shield for presentation to the Boys' Naval Brigade.

VETERANS WANT UNITED ASSOCIATIONS

G.W.V.A. Men Hear Provincial President Harnett Speak On Amalgamation

At a general meeting of the Great War Veterans' Association held last night, the amalgamation of all soldier bodies in the city was mooted, and after some discussion the meeting went on record as being unanimously in favor of the suggested cooperation.

Readiness to fall in with the idea was exhibited by Provincial President T. W. Harnett, who with Secretary Drinnan had come from Vancouver to obtain the feeling of the members of the Victoria body on that question.

The discussion that followed showed a very strong wave of opinion in favor of the uniting of forces.

The cessation of the vocational classes here and the projected shifting of the students to Vancouver was made the subject of some extended discussion. According to information given to the meeting last night, the services of instructors at the S. C. R. Vocational classes, are to be dispensed with after September 15, it was stated.

The moving of in-patients of the local military hospitals to Vancouver was also suggested to the meeting as about to come into effect, and strong exception was also taken by the meeting on this point.

TO ATTEND MEETING

Christian Sivertz, President of Amalgamated Postal Workers, Leaves For Edmonton.

Christian Sivertz, president of the Amalgamated Postal Workers of Canada, accompanied by A. Silsby and P. Dawson, representatives of the local Letter Carriers' Association, will leave to-day for the annual convention of that body at Edmonton.

There has not been a meeting for eighteen months, and question affecting the salaries and bonus will occupy considerable attention at the meeting. Efforts will be made to encourage co-operation with other branches of the Federal civil service and to secure better understanding with the Government departments for which the various employees scattered throughout Canada are engaged.
