(" Allah ordered to apply islamic rules upon christians and jews , and must make them not equal to muslims ") (500 of prophet Mohammed sayings)

__ About the author : Dr. Amer Al-Husiny is the first one who was able to collect all prophet Mohammed sayings in one book . It's called (الكامل في السنن) . It contains (60,000) sixty thousands of prophet Mohammed sayings .

He also has , till the time of translating this book , (150) a hundred and fifty other books about prophet Mohammed sayings in many topics .

But all these books in arabic language , so I started to translate some of these books to be available and easy to read for english language readers .

This is the book number (51) , in the author's series books in arabic .

(الكامل في أحاديث شروط أهل الذمة وإيجاب عدم مساواتهم
بالمسلمين وما تبعها من أقاويل ونفاق وحروب)

_ Notes by the translator :

_ About this form : Imam ... tell in his book ... about (Name) . This (name) is one of prophet Mohammed companions , or one of their students . Those are the very best source to know the real right Islam .

_ When it's mentioned that Imam ... tell in his book ... about comapnion (Name) . It's does not mean that this is the only Imam who tell this saying about this companion , but the author mentions at least one source for the saying .

_ In some sayings you will find (as the previous one) . In the original book of the author , if many companions say the same thing , he repeated the saying every time . But in the translation , I mention the saying one time , then instead of repeating it again and again , I say (as the previous one) .

__ Saying's number may be slightly different between the different editions of the books .

The book's translation

Beginning in name of God and blessing on all his prophets .

In my first book I collected all prophet Mohammed sayings . It contains sixty thousand (60,000) of prophet Mohammed sayings . Then I started to collect his sayings in specific topics to be more easy to reach and read .

When you ask someone about some wars that were in age of prophet Mohammed and his companions after him , you will find some answers say because those people did not abide by the covenant between them and prophet mohammed .

It means that those people did not go upon the terms between them and prophet Mohammed . So , you ask what were these terms ? what was the covenant between them and prophet Mohammed ? But you hardly hear any muslim today tell you these terms .

So , I collected all prophet mohammed terms that he made upon non-muslims from christians and jews . The book contains (500) sayings .

But in the first , I will say these terms in summary as a list , then I will mention some sayings of islamic Imams , then will mention sayings of prophet Mohammed .

___ List of terms that prophet Mohammed made upon christians and jews :

1_ If a muslim intentionally kill a peaceful non-muslim , the muslim must not be killed but pay some amount of money called (Deiiyah) . (In Islam , if muslim intentionally kill another muslim , the killer must be killed)

2_ The non-muslim not inherit any thing from his muslim relatives .

3_ If muslim accidently (not intended) killed peaceful non-muslim , he must pay the half of Deiiyah . (In Islam , if muslim accidently kill other muslim , he must pay amount of money called Deiiyah . But if the killed is non-muslim , he must pay only the half of the Deiiyah)

4_ Christians and jews must pay amount of money calld Geziah to not be killed like polytheists . Also they must pay another amount of money called Kharag . (Kharag is like Zakah on muslim but is the amount is double . So , non-muslim pay 3 times money as muslim)

5_ Muslims must put the humiliation and debasement on non-muslims

6_ If a muslim get out of Islam and turn to christian or jew , he must be killed

7_ If any non-muslim say any thing bad about prophet Mohammed and his religion , he must be killed .

8_ If any non-muslim say that his religion is better than Islam , he must be killed .

9_ All non-muslims must not live in Arabic Gazira (Saudi Arabia now) . And those who were already liveing there , they must get out of there .

10_ If non-muslim use the usury (money + benefits) , he must be fought .

11_ Non-muslims must not practice their religious rites in public . New churchs must not be built or renewd . They must not teach their children the christianity or Judaism .

They also must be ruled by Islamic rules . If they do not obey to that , prophet Mohammed said that he will kill their men and take their money & women & children as spoils .

12_ Prophet Mohammed said the prophet Eisa (Jesus) will be back in the end of time and he will force all christians to be muslims .

13_ Testimony of non-muslims are not accepted on any muslim . But testimony of muslims are accepted on non-muslims .

14_ Prophet Mohammed sayings to muslims , Invade other countries to gain the beautiful women .

15_ Accusation of adultery of christian wife upon her husband is not accepted . But vice versa is accepted .

16_ All non-muslims must not pilgrimage to The holy Mosque (Hajj) .

17_ If a slave want to be free , he must get into Islam first .

18_ Prophet Mohammed forced polytheists & atheists to be muslims .

Polytheists who refused to get into Islam were killed . That is in the polytheists & atheists , but it affected the christians and jews because a lot of their relatives and business was with those polytheists .

(The Author collected prophet Mohammed sayings and actions of forcing polytheists and atheists on Islam in a separate book , which is previously translated before this book)

19_ Prhphet Mohammed threatened those who do not obey to these terms that he will kill their men and take their women & money & children as spoils for muslims .

20_ Those who do not obey to these terms and prophet Mohammed fought them , he was uncover their pubic area . If they had some hair in this area , they will be killed . If they do not have hair in this area , they will be considered as children and will not be killed and will be slaves for muslims .

__ That what made some people say somethigs about these terms , like :

__ Some said that any one must satisfy for himself what he wish or like for others . So assume that some people or countries ruled that the killer must be killed as a punishment . Except if the killed one is a muslim , so the killer must not be killed .

Are muslims will say that is ok ? Are muslims will say we are satisfied with that ? They will never accept that and they will demand that the punishment to be the same regardless religion of the killed . So , why they do not accept that rule if it's made upon them , but totally accept it if they are doing it .

__ Some said , assume that some countries ruled or legalized that the muslims must not inherit anything of their non-muslim relatives . Are muslims will be ok and satisfied with that ? Of course not . So Why they satsiy with that if the non-muslims are prevented to inherit for their muslim relatives .

__ Some said assume that if a non-muslim accidently kill another non-muslim , he must pay 1000 dollars for his family . But if the killed is muslim , he must pay only 500 dollars because the killed was muslim .

Are muslims will be satisfied with that ? will they agree on that ? Or they will fight to be equal with non-muslims ? You know the answer . So, why when they apply that rule on non-muslims , it's ok ?

__ Some said assume that some people or countries ruled or legalized that muslims must pay some amount of money to not be killed . Are muslims will be ok and satisfied with that ? Of course not . So why when they make non-muslim pay that manoeey it's ok ?!

__ Some said assume that some countries ruled that muslims must pay triple the amount of money that non-muslim pay . Are muslims will be ok and satisfied with that ? Of course not and they will demand to pay the amount of amount that non-muslim pay . So why when muslims apply that rule on non-muslims , it's ok but not vice versa ?

__ Some said assume that some countries ruled that muslims must live in the humiliation and basement because they are muslims . And if they want to not be humiliated , they must quit Islam . Are muslims will be ok and satisief with that ? Of course not . So why muslims are satisfied when they apply that on non-muslims .

__ Some said assume that some countries ruled or legalized that if non-muslim leave his religion and get into Islam , he must be killed . Are muslims will be satisfied with that ? Of course not . So why it's ok and satisfied when they kill who get out of Islam and enter any other religion .

__ Some muslims said that getting out of Islam is like betrayal and the petrayer must be killed . But others said that this is very wrong because state has (secrets) and covering these secrets will weaken the state .

But the right example is changing citizenship or having many citizenships . Like egyptian is also american , or american is also has the canadian citizenship . And this is very accepted and has no problem .

Also if they assume that getting out of Islam is like betrayal , so all other religions will say and act by the same . And any one get out of their religion and get into Islam , they will kill him because he is like betrayer . It's the same !

__ Some said assume that some countries legalized that any muslim invite people to get into Islam or say that Islam is better than all other religions , he must be killed . Are muslims will be satisfied and agreed with that ? Of course not . So why muslims do not accept it if it's made upon them , but they very accept it if they appy it on other people ?

__ Some said assume that some countries ruled or legalized that some areas must be banned from muslims and muslims must not live in these areas or countries . Are muslims will be satisfied and ok with that ? Of course not . But when muslims ban non-muslims from some areas & countries it's ok !

__ Some said assume that some countries ruled that muslims are not allowed to build any mosque or renew the existing ones . Are muslims will be agreed and satisfied with that ? Of course not . But when muslim ban and prevent non-muslims to practice their religions it's ok !

__ Some said assume that some countries legalized that muslims' testimonies are not accepted in any case , because they are muslims . Are muslims will be pleased and satisfied with that ? Of course not . So why muslims are satisfied and agreed on that when they not accept testimonies of non muslims .

__ Some said assume that some religions believe that another prophet will come and make muslims get out of Islam and get into his religion . Are muslims will be pleased and agreed with that ? Of course not .

But on the other hand , muslims believe that Jesus will be back again in the end of time and make all christians leave their religion and force them to believe in Islam .

__ Some said assume that you are still in the ages of slavery and if you want to be free , you must get out of Islam . Are muslims will be satisfied and agreed with that ? Of course not . But on the other hand , if non-muslim slave wanted to have the ability of being free , he must get into Islam first !

__ Some said that some of these terms were present in some people or countries in some ages . But others answered on that and said that there is a huge difference between people and God or religion .

When some people say or do something by themselves , you can not obey them and you can fight them . But on the other hand , when they tell you that some sayings and actions are ordered by God and if you not obey you will be in Hell forever , you must think thousands of times before you say no and it's not easy to say no in this case .

__ Some said assume that some countries made these terms on muslims and ruled that any muslims not obey to these terms , their men will be killed and their money & women & children will be taken as slaves .

Are muslims will be satisfied and pleased with that ?! Of course not . But on the other hand , they are very agreed and pleased when they apply this on non-muslims .

__ Some said assume that in the wars , the difference between the adult and the child is the hair of pubic area . If child has some hair in this area , he will be considered as an adult . And if he does not have hair in this area , he will still be considered as child .

If this rule is made upon muslims' kids , are they will be agreed and pleased with this ? Of Course not . But on the other hand , they are very agreed and pleased to make this rule on non-muslims' kids .

__ Finally , there might be more details or research in these situations to find the peace and peaceful relations between people because God is peace .

__ From Imams sayings about these terms :

__ Not killing a muslim if he intentionally kill a non-muslim :

_ Note : Sahfe'i & Maliki & Hanbali & Hanafi schools are the most famous and accepted and followed schools in Islam and between muslims , for more than (1000) thousand years now .

_ In Kuwaiti encyclopedia of Islamic rules (37 / 182) (In Sahfe'i and Hanbli schools the killer muslim who kill non-muslim must not be killed . The Shafi'i school say that he must be in prison for a year . Hanbali school say that he must not go into prison but be only pay the money (Deiah) .

Maliki school say that he intentionally him , the killer muslim must not be killed . But they said if he took him into far area and killed him , the killer may be killed in this situation , but in other situation he must not be killed)

_ In Kuwaiti encyclopedia of Islamic rules (37 / 182) (Shafi'i and Maliki and Hanbali schools say that if muslim intentionally kill non-muslim , the muslim must not be killed)

_ So , most Islamic Imams say that if muslim intentionally kill non-muslim , the muslim must not be killed . But a few Imams said that in some situations he may be killed but not as a general rule in all situations .

_ Hanafi school say that if the non-muslim permanently live in the country and a muslim intentionally kill him , the muslim should be killed . But if the non-muslim not permanently live in the country (like tourists and traders) and a muslim intentionally kill him , the muslim must not be killed .

_ But why hanafi school said that the killer muslim should be killed if the non-muslim permanently live in the country ? because one saying of prophet Mohammed say that .

But All other Imams said that this sayings was told by a man called Abd-Al-Ruhman Al-Bailamani and he has a very weak memory . Also it's was told by a man called Ammar Ibn Matar and he has a weak memory .

So that saying is not steady or powerly proved to prophet Mohammed . But other sayings that order to not kill the muslim are reported by highly memorizing people and extremely proven to prophet Mohammed .

_ Note : prophet Muhammed sayings are reported by his companions , then companions reported them to their students , etc.

So , when these students are extremely memorize and save these sayings , it's called strong sayings . It means that it's perfectly proven that prophet Mohammed said it .

But , some times one or more of these students are not strongly memorize these sayings , so it's called (weak) saying . It means that it's not perfectly or strongly proven that prophet Mohammed said it . The Islamic rules are made upon the strong and extremely proven sayings of prophet Mohammed .

_ Some muslims said that there are sayings to prophet Mohammed order not to kill peaceful non-muslims . But others answered on that by saying that these sayings of prophet Mphammed said to not kill non-muslims if they obey to the previous rules and to kill them if they not obey them .

Also we are not taking here about the killing itself , but we talk about the punishment of the killer and the difference in values of lifes of muslims and non-muslims .

When muslim intentionally kill another muslim , the muslim must not be killed . But If the muslim intentionally kill a peaceful non-muslim , the killer muslim must not be killed . We talk here about this difference .

__ Inheriting from muslim :

_ In Kuwaiti encyclopedia of Islamic rules (2 / 308) (All Islamic Imams rule that non-muslims must not inherit anything from their muslim relatives)

__ Deiih of accidently killing non-muslim :

_ In Kuwaiti encyclopedia of Islamic rules (7 / 143) (Maliki and Hanbali shoos say that Deiih (money paid to killed one's family) is the half of muslim's Deiih . They also the Deiih of non-muslim women is half of the half (25 %) .

Sahfei'l school say that non-muslim's Deiih is one third of muslim's Deiih (33 %) . Hanifi school say that his Deiih is the same as muslim's Deiih)

By simple example , if muslim accidently kill another muslim , let's say he will pay 1000 dollars . But is the muslim accidently kill a non-muslim man , he must pay 500 dollars only . And if the muslim accidently kill a non-muslim woman , he must pay 250 dollars only .

Why Hanifi school said that his Deiah is the same as muslim ? because of a weak not proven saying that they assume that prophet Mohammed said . Look at the previous rule for more details .

__ Rule of making humiliation and debasement on non-muslims :

_ Giziah is amount of money that non-muslims pay to not be killed like other polytheists and atheists . In the previous book of the author , ho collected (250) of prophet Mohammed sayings and (50) of Imams sayings that polytheists & atheists must be killed if they do not get into Islam .

_ Giziah is upon all christians and jews even if they are poor as long as they can work . Giziah is not made on the disabled people only . And this point is agreed by all Islamic Imams .

_ Some muslims said that Giziah on non-muslim is like Zakah on muslims . But this is wrong because this is not found in any of sayings of prophet Mohammed or his companions or any Imam . But all say that it's made on them to not be killed like the polytheists & atheists .

_ But the money that may be like Zakah is the (Kharag) . Muslims pay Zakah and non-muslims pay Geziah and Kharag .

_ Also the Kharag is double as the Zakah . Muslims pay 2.5 % of their money as Zakah every year . But non-muslim pay 5 % as Kharag every year . So non-muslim pay triple as the muslim (Geziah + Kharag double the Zakah) .

_ In prophet Mohammed sayings and actions that muslim pay one Dinar from every 40 dinars . And that is equal to 2.5 % (1 of every 40 dinar) . But non-muslim pay 1 dinar of every 20 dinars . And this is equal to 5 % (1 of every 20 dinars) .

_ In Kuwaiti encyclopedia of Islamic rules (7 / 177) (In Surat Al-Tawbah Allah said (Fight those who do not believe in our verses and prophet Mohammed from christians and jews until they pay the Geziah to you and make the humiliation and debasement on them) . God order to fight all non-muslims , but ordered to take Geziah only from christians and jews .)

_ In Kuwaiti encyclopedia of Islamic rules (15 / 150) (Gharag is taken from christians and jews . It's proven by Quran and prophet Mohammed sayings . Gizia is also taken from them to put them in humiliation and debasement)

_ In Kuwaiti encyclopedia of Islamic rules (15 / 152) (Geziah and Gharag are both on christians and jews)

_ In Kuwaiti encyclopedia of Islamic rules (15 / 178) (All Islamic Imams say that if the christian and jew is poor , he still must pay the Geziah)

_ In Islamic encyclopedia of Islamic rules (15 / 201) (If a christian or jew dies before paying the Geziah , it's should be taken from his inheritance . This is the rule in the Sahfei'l and Hanbali schools)

__ Putting them in the humiliation and debasement :

_ In Kuwaiti encyclopedia of Islamic rules (15 / 157) (Geziah is one of many things made to make non-muslims obey the Islaimc rules)

_ In Kuwaiti encyclopedia (7 / 99) (Geziah must be taken from christians and jews with humiliating them because Allah said in Quran (make humiliation and debasement upon them))

_ In Kuwaiti encyclopedia of Islamic rules (15 / 162) (Geziah is taken from non-muslim with humiliating and debasement upon them as a punishment because they did not choose Islam)

_ All Imams' books are fullfilled with a lot of rules to make humiliation and debasement upon christians and jews . But this book is for prophet Mohammed sayings . So , if you want to read more of Imams sayings , you can go to books of every Imam .

__ Rule of killing any one quit Islam and get into any other religion :

_ In Kuwaiti encyclopedia of Islamic rules (22 / 190) (All Islamic Imams say that if any muslim man leave Islam , he must be killed)

_ In Kuwaiti encyclopedia of Islamic rules (22 / 195) (If a muslim woman leave Islam , most of Imams say that she must be killed . But Hanafi school say

that she should not be killed but she must be put in prison and hit her and force her to get back into Islam)

_ Recently , some muslims say that if muslim leave Islam , he must not be killed . This opinion is just an imaginary new version of Islam from some muslims . They do not like this rule and in the same time they still want to be called muslims , so they imagine a new religion in their own heads .

Do you think that you know Islam better than prophet Mohammed himself ?!
Do you think that you know Islam better than prophet Mohammed companions ?!
Do you think that you know Islam better than all islamic imams ?!
All of them say literally that if muslim leave Islam , he must be killed .

__ Rule that if any non-muslim say any thing bad about prophet Mohammed or say that his religion is better than Islam , he must be killed :

_ In Kuwaiti encyclopedia of Islamic rules (22 / 184) (Any one say any thing bad about prophet Mohammed , or describe him by any not good word , or disfavour or talk down of him , he must be killed)

_ Imam Al-Baihaqi tell in his book Al-Sunan Al-Kubra (9 / 202) , and Imam Ibn-Al-A'rabi tell in his book Al-Mu'gam (365) , and many other Imams , tell that Omar Ibn Al-Khattab (second greatest one of prophet Mohammed companions) and other prophet Mohammed companions made rules on christians and Jews , the terms were :

(They must not build any new church or any house of worship or renew the old ones . They must not prevent any muslim want to live in the churchs for some time . They must not cheat muslims .

They must not teach Quran to their children . They must not show or practice their religion in public . They must not invite anyone to get into christianity or jaudism . They must respect muslims .

They must not prevent anyone want to leave their religion and get into Islam . They must leave their public places if a muslim want to set on them . They must be different than muslims in their clothes and shape and names .

They must not sell wine and liquor (alcohols) . They must wear a piece of cloth called (Zonnar) for every one to know that they are not muslims . They must not show the Cross (†) in public places or on their churchs .

They must not show the sound of bells on churches . They must not show or celebrate their holidays in public .)

These are some of the rules that prophet Mohammed companions made upon christians and jews . Also All Imams followed them .

The prophet Mohammed companions are the most people who know Islamic religion very well . They are the most people following Islamic rules . They are the most ones who know sayings of prophet Mohammed .

So , when any one doubt one of these rules , ask them are you know Islam more than prophet Mohammed companions themselves ?!

__ Rule of getting non-muslims out of Arabic Gazira :

_ In Kuwaiti encyclopedia of Islamic rule (3 / 128) (Hanifi and Maliki schools say that non-muslims must be prevented to live in all arabic Gazira (Saudi arabia now) . But Shafi'i and Hanbali schools say that they must be prevented from Al-Higaz (part of Saudi arabia now))

So , All Imams say that non-muslims should be prevented from Al-Higaz . But some allowed for them to live in other places of Saudi arabia in some times .

__ Rules of Not showing their religion in public , Not teaching Quran to their children , Not building new churchs , and Obeying general Islamic rules :

_ In Kuwaiti encyclopedia of Islamic rules (7 / 130) (Christians and Jews are allowed to practice their religion inside their places but not in public . This rule are agreed by all Islamic Imams)

_ Imam Al-Khallal tell in his book Ahkam Al-Milal (723) (that Imam Ahmed Ibn Hanbal was asked about jew heard Islamic Azan and said that is a lie . Imam Ahmed Answered that he must be killed)

_ Imam Al-Baihaqi tell in his book Al-Sunan Al-Kubra (9 / 202) , and Imam Ibn-Al-A'rabi tell in his book Al-Mu'gam (365) , and many other Imams , tell that Omar Ibn Al-Khattab (second greatest one of prophet Mohammed companions) and other prophet Mohammed companions made rules on christians and Jews , the terms were :

(They must not build any new church or any house of worship or renew the old ones . They must not prevent any muslim want to live in the churchs for some time . They must not cheat muslims .

They must not teach Quran to their children . They must not show or practice their religion in public . They must not invite anyone to get into christianity or jaudism . They must respect muslims .

They must not prevent anyone want to leave their religion and get into Islam . They must leave their public places if a muslim want to set on them . They must be different than muslims in their clothes and shape and names .

They must not sell wine and liquor (alcohols) . They must wear a piece of cloth called (Zonnar) for every one to know that they are not muslims . They must not show the Cross (†) in public places or on their churchs .

They must not show the sound of bells on churchs . They must not show or celebrate their holidays in public .)

These are some of the rules that prophet Mohammed compaions made upon christians and jews . Also All Imams followed them .

_ In Kuwaiti encyclopedia of Islamic rules (7 / 129) (Islamic Imams divided churchs into 3 parts . Part one , churchs in countries that muslims built , non-muslims must not build any church in these countries . Even if some muslims allowed them to build new ones , these muslims' allowance is void and churchs must not be built .

Part two , countries that muslims invaded , churchs must not be built in these countries . Also churchs that are already exist in thes ecountries must be destroyed . But some Imams allowed these existing churchs to not be destroyed .

Part three , countries that muslims entered without war , most Imams say that churchs must not be built in these countries ans destroy churchs that already exist . But few Imams allowed to not destroy the already existed churchs)

__ Rules of not accepting testimony of non-muslims :

_ In Kuwaiti encyclopedia of Islamic rules (7 / 133) (All Islamic Imams say that testimony of non-muslims is not accepted on any muslim . But testimony of non-muslims are accepted only on non-muslims)

_ Note : This rule is based mainly on Quran , so will not find a lot of prophet Mohammed sayings in this rule because it's already proven by Quran .

_ In Kuwaiti encyclopedia of Islamic rules (6 / 202) (All Islamic Imams agree that the ruler or governor must be muslim)

__ Rule of the slave who his master agree to free him , the slave must get into Islam first :

_ In Kuwaiti encyclopedia of Islamic rules (35 / 104) (Most Islamic Imams say that the slave must be muslim to get into the ability of chance to be free . Hanifi school say that he may not be muslim only in some cases)

__ Rule of those who not obey to these rules , their men will be killed , their money & children & women are taken as spoils :

_ In Kuwaiti encyclopedia of Islamic rules (12 / 48) (Freeing slaves are a good thing in islamic rules because it changes the slave from like inanimate object to free man . All islamic imams say that freeing slaves are not a must , but just a good thing for those who want to do it)

_ In Kuwaiti encyclopedia of Islamic rules (29 / 266) (All Islamic Imams say that freeing slaves is not a must or obligation)

_ In Kuwaiti encyclopedia of islamic rules (24 / 154) (Allah allowed for muslims in Quran to take women and children as spoils , then to divide them on muslim men . Prophet Mohammed also did that like he did with a tribe called Hawazin and another tribe called Bani-Al-Mustaliq .

Also his companions did that after him , like Abu-Bakr did with a tribe called Bani-Hanifa And Ali-Ibn-Abi-Taleb did with a tribe called Bani-Nageiah)

_ In Kuwaiti encyclopedia of islamic rules (23 / 12) (The human is being a slave by one of 3 ways . The first way , if they are taken in a war on non-muslims . Their women are taken with the spoils then are divided on muslims men . Also prophet Mohammed did that . one of the examples is when he took wome of Bani-Quraiza tribe as spoils .

The second way , if the slave woman was pregnant before being in the spoils , her child will be a slave for her muslim owner . The third way , if a muslim buy a slave from his owner)

_ In Kuwaiti encyclopedia of islamic rules (24 / 164) (Slaved women are considered as spoils , Then they are divided on muslim men . Then every muslim is allowed to have intercourse with his slaved women if she is not pregnant)

__ Prophet Mohammed saying to not kill the muslim if he intentionally kill a peaceful non-muslim . (But the Islamic rule if a muslim intentionally kill another muslim , this muslim killer must be killed) :
