MEMORANDUM THRU: Kanto Liaison and Coordination Office

FOR: The Governor
Tokyo-To

SUBJECT: Disposal of Nightsoil in Tokyo Bay

1. In a plan proposed by the Sanitation Department of Tokyo-To for disposing of nightsoil in Tokyo Bay, the following matters was discussed by Public Health and Welfare, SCAP, in conjunction with the proper Welfare Ministry officials resulted in the following conclusions:

a. The plan is not considered in the best interest of the community because of possible danger which are extremely difficult to measure or anticipate.

b. A complete investigation of the sewage disposal problem with the hope of arriving at the most economical and satisfactory plan. This study to include:

(1) A complete engineering study to cover 20 to 25 years.

(2) A forecast of the amount of nightsoil and sewage to be disposed of for the entire period.

(3) Consider present and several possible plans for proper disposal. This should include costs, interest and amortization.

(4) From one of several programs which are to be considered use as a basic for action, even to include the seeking of special authority for bonded indebtedness, if necessary.
