Learning & Knowledge Sharing

# Connection with Emerging WMF Strategy

## *Communities*

**Approach 2** Create and support programs to increase volunteer participation such as recognition, facilitated mentorship, and personalized re-engagement.

**Approach 5** Improve automation tools to reduce manual work for managing content and projects.

## *Knowledge*

**Approach 2** Expand content faster through enabling community-led content partnership programs such as GLAM (Galleries, Libraries, Archives, and Museums).

**Approach 3** Increase communication and transparency with and between our communities and across Wikimedia affiliates.

## *Reach*

- **Approach 2** Improve our understanding of how and why our users come to and stay on our projects so we can better serve their needs.
