NEWS BRIEFS

APPOINTMENTS AND PROMOTIONS ANNOUNCED -- Dr. James B. Campbell, vice president for Student Personnel Service, has a new assistant to replace the retired William Toporcer. He's Gerald R. Binns, formerly an RIT assistant registrar. Binns will also hold the title of director of Selective Services and Veterans Affairs. He joined RIT in 1967.

Taking over Toporcer's post as tennis coach will be Paul Peterson, coordinator of Cocurricular Activities at NTID.

Replacing Binns in the registrar's office will be Robert S. Dunne, an admissions counselor at RIT since 1968.

Admissions Director George Hedden announced the appointment of Paul Buntich and David Jones. Buntich recently completed his M.S. in Student Personnel at SUNY in Albany, while Jones, a 1967 RIT College of Business graduate, has been with Bausch & Lomb.

Dr. Jerry D. Young, dean of the College of Business, has announced two appointments. Dr. Eugene H. Fram, who worked with Dr. Young to originate the Center for Management Study at RIT, has been named director of the center. He also is a professor of marketing.

The College of Business' new assistant dean for Student Affairs is professor Raymond F. Von Deben, a member of the retailing department since 1949.

Joining the staff of Controller William Welch as an internal auditor is Jon L. Prime, who has eight years of accounting and auditing experience, including five years at the University of Rochester.

The new assistant director of Publications in RIT's Office of Public Relations is Mrs. Carolyn P. Rankin. Mrs. Rankin has been RIT publications editor since April, 1969.

Rejoining the RIT staff is Mrs. Pamela L. Morrill. Mrs. Morrill, who served for over two years as personnel assistant, returns after a short stay with a New York City bank. She returns to fill the new position of compensation analyst.

Dr. Egon Star, associate professor of microbiology at RIT has been named section editor of microbial biochemistry for the journal Chemical Abstracts.

PERSONNEL NOTES OF INTEREST TO FACULTY AND STAFF -- As of January 1 or July 1, after three months of service, all full-time RIT employes are issued excellent life insurance protection that varies with age to a maximum coverage of \$40,000. This is cost-free to the individual while employed and may even be carried on an individually paid basis beyond RIT employment. Although amounts of insurance vary widely, it should be noted that payment of all premiums by the employer is the policy in only about 41% of local industry and only 20% of United States colleges and universities.

In addition, a fourth photography scholarship has been donated to RIT by National Color Laboratories, Inc. of Roselle, N.J. The scholarship, worth \$1,200, will be initiated in September of this year. Preference will be given to graduates of New Jersey secondary schools.

ART STUDENT COMPLETES GRAPHIC ARTS ORIENTATION PROGRAM --

Irene Rabinowitz, a senior in the School of Art and Design, is one of 13 outstanding art students who recently completed a two-week orientation program at the Graphic Arts Technical Foundation in Pittsburgh. The program was designed to provide the students with a better understanding of Printing techniques, equipment and terminology.

Miss Rabinowitz, whose hometown is Philadelphia, earned the orientation trip by winning an Imagination scholarship which was established two years ago by Champion Papers. The criterion for the awarding of the scholarship was the student's imaginative use of paper.
