PLACE Chu Lai, RVN	DATE 24 Nov 69	TIME 1600 Hrs	FILE NUMBER 69-CID011-00014
LAST NAME, FIRST NAME, MIDDLE NAME FEHER, Andre Carl Richard	SOCIAL SECURITY ACCOUNT NO.		GRADE CW4
ORGANIZATION OR ADDRESS Det A, 8th MP Gp (CI), APO San Francisco 96243			

**SWORN STATEMENT**

I, Andre C R Feher, WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

On 16 November 1969, in the company of CONTI, Do CHUC, Do HOIA, 1LT WOOD, PFC Lazlo KONDOR, 23d Admin Co, Combat Photographer Information Office, Americal Division, C Troop, 1st Sqn, 1st Cav and B Company, 5th Bn, 46th Inf, 198th Brigade. I proceeded to Tu Cung (My Lai (4)) to obtain photographs at the hamlet. COL TYNAN, CO, 8th MP Gp (CI), and LTC CORNELL, PM, Americal Division, also accompanied the party.

Photographs were taken on the ground and after the operation, aerial photographs were obtained from a helicopter which flew counter clock wise around Tu Cung. The Photographs were taken by KONDOR under my direction. 1LT WOOD acted as the interpreter during this mission. The mission lasted from 0800 hrs till 1130 hrs, 16 Nov 69.

The following photographs were taken:

1. Departure from Son My Village for Tu Cung, shot to front of convoy.
2. Departure from Son My Village for Tu Cung, shot to the rear of convoy.
3. Approach to Tu Cung. Tu Cung located to the north east. (Clump of trees).
4. Trail from road entering Tu Cung from the south. Note that there are no hootches on trail. During the time of the incident there were hootches there.
5. Mounds are unmarked gravesites at the southern edge of the hamlet taken from "trail" in the direction west to east, approximately 25 meters from main road leading east to west.
6. Mounds of unmarked graves. In general location of slide # 5, taken east to west.
7. Burned hootches taken from "trail" mentioned in slide # 5 taken from east to west.
8. Photograph taken north to south on the "trail" entering Tu Cung, where 40 to 50 civilians were shot. CONTI, Do Hoia, and Do CHUC, pointing to general area. Reference is made to slide # 30. The location on this slide where the civilians were shot is on the right center section, approximately half way between clump of trees on utmost right and southern outskirts of hamlet. Tracks marks run perpendicular across trail in east to west direction. On the slide the more exact location is where the track marks are not as obvious due to more grass and less water.
9. Taken east to west representing approximate location of 40 to 50 civilians that were shot on "trail". Civilians are represented by persons left of the APC. CALLEY and MEADLO are represented by persons to the right of the APC. (Reference slide # 30)
10. Same as # 8 taken from south to north on "trail". (Reference slide # 30)

11. Ruins of Do CHUC, <sup>house 4</sup> next to trail on southern outskirts of hamlet.
12. Depicts the side of color photograph # 15 where group was shot in hamlet, 15 meters west of trail entering hamlet from the south. Reference is made to slide # 30. The approximate location of slide # 12 on slide #30 is nearly in the center, slightly to the right. A well is visible close to the location that depicts the scene on slide #12.
13. Photograph of the "ditch" on the eastern outskirts of Tu Cung, taken north to south Do CHUC in front and Do HOIA in back pointing at ditch. Reference is made to slide # 30. Ditch is located at top center of slide, slightly to the right. Exact location of ditch is sparse woodline, between two sets of tracks.
14. Same as # 13.
15. Same as # 13 and # 14. CONTI pointing to "ditch".
16. Gathering of approximately 130 women and children ( according to Do HOIA) in south east outskirts of hamlet, approximately 250 meters from the "ditch". The "ditch" is north east of this spot. CHUC and HOIA pointing. Women and children were later led to "ditch". Reference is made to slide # 30. The location of slide # 16 is depicted on slide # 30 where the tracks bend and where the south eastern tip of the hamlet blends with the tracks.
17. Position close to the gathering of people at the location depicted on slide # 16. HOIA was hiding here. Reference is made to slide # 30. Location of HOIA was about 10 to 15 meters away from where the villagers were gathering. At the time of the incident the ~~undergrowth~~ undergrowth was more dense.
18. Reference is made to slide # 16. Taken from this position towardsthe ditch in the north east.
19. At the location of 16, 17, and 18, looking north west back into <sup>g</sup> the hamlet. Area in the foreground of the slide are unmarked graves. <sup>s</sup>
20. At location of 16, 17, 18, and 19, with Hill 85 in background. Mounds are unmarked graves.
21. Taken from position represented by slide # 16. At south east edge of ~~hamlet~~ <sup>g</sup> hamlet looking east to west. The clump of trees near APC is the approximate location where CALLEY and MEADLO shot 40 to 50 women and children on "trail". <sup>4</sup>
