### Crockery Manufactory.

THE Crockery factory at Madeleville has just been completed, and is now prepared to execute orders, and deliver at very moderate prices all commissions which the public may entrust to the proprietors.

In consequence of a city of superior quality, a collection of the most skilful workmen has been obtained, and the extreme care and attention bestowed on all that pertains to the establishment, the proprietors of the factory at Madeleville hope to merit a respect those of other establishments—as well in the finish of the ware, the solidity and strength of the paste, and the economy of the warrash.

They are particularly reasonable for the elegance and taste of the patterns—a merit hitherto too often overlooked in the manufacture of crockery.

The directors of the establishment are prepared to fill the most extensive and varied orders. To gardeners and horticulturists they offer every variety of flower pots, and some of a quality hitherto unknown, together with vases at moderate prices, ornamental and beautiful pattern, &c. To families they offer every species of culinary and household utensil, well meeting the action of fire. Finally, to architects they tender a large collection of articles necessary for building and ornament, such as slate, enamelled mantle, fantasia lamps for drawing rooms, centre tables, &c. &c. &c.

Apply to Messrs. de la Bretonne & Co., at Madeleville, La., or the warehouse, in New Orleans, at the old Bridge. oct19
