WEDNESDAY MORNING: AUG'T 18 1869

OFFICE 78 CHARTRES STREET.

CITY INTELLIGENCE.

Board of Aldermen.—There was a regular meeting of this Board last evening at the usual hour, Frankent Wilts in the chair, and a quorum present.

A communication was received from the Mayor, requesting that he be empowered to take a suspensive appeal in the matter of the New Orleans. Republican vs. the city of New Orleans.

with would be lost unless he came to the reties would be lost unless he came to the reties. So the word, has gone forth that the
ections in Mississippi and Taxas must be
paried for the Radical party. We are included
think the effect of this descrition of Gen
trant from the cause will be very different
that anticinited & the results.

that \$40 per mouth be allowed to use creen dent of the Normal School for rent of building a Adopted.

A report from the Finance Committee was received.

A resolution, anthorizing the Controller to a warrant on the Treasurer for \$80,000, in favor 1 of Jas, Mohan, as soon as the notarial set could be drawn, transferring all right and title to the 1 city of the Phic Market. Adopted.

A resolution to empower the Board of Water of Areaching of \$10,000 for paying congount of the Works town of \$10,000 for paying congount of the Water Warks bonds. Adopted.

The Streets and Landings Committee reported a facilities on the Water Warks bonds. Adopted.

On the resolution anthorizing the Surveyor to wide a bridge on Tecongological street, at the land the second of the second

This reminds us of the fable of the wolf and the lamb. The Radicals first complained of us of the South that we refused to qualify our seleves for resuming the rights of citizenship and taking part in public atlairs. Them when they saw a disposition on our probable in the work of reconstruction, they make haste to throw every obtacle in the way and to hedge us around with all man ner of restrictions. Btill the work well and the property or state in the way and to hedge us around with all man ner of restrictions. Btill the work well and the property of the property of

thim in office. His vaciliating course misido very man of sense. The attacks benervative portion of the Republican to numerous, and so bitter, that the rans have been forced to speak out in ass. None of Gen. Grant's predeces concontented the same amount of ridit is daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him and are responsible for its daily cast upon him by the very voted for him cast upon him him and the cast of the daily and the cast of A communication was received from Sheriff Maxwell, asking for authority to suforce collec-ion of city taxes for the years 1861, '62, '63, '64, '65, '65 and '67.

Aldermen Pandely wished to know by what

LOUISIANA MUTTAL INSURANCE CO—This is one of our soundest sand best managed institutions. Fire, garine and river risks are taken by this congray hat the untail rates and loses are paid in New Fork. Liverpool, London, Havre or Bremein at the option of the inverted parties.
