# WHOLESALE PRICE-LIST

OF

## THE E. GILL NURSERY CO.

WEST BERKELEY, CALIF.

Our terms are cash with order or satisfactory reference. These prices are for stock which we ship from West Berkeley or Edenvale, and do not include packing, which will be charged for at the cost of labor and material used.

These prices cancel all previous quotations and orders will be accepted if the varieties called for are still unsold.

Stock in this list will be furnished at the rate of five at the ten rate and fifty at the hundred rate.

We have many other varieties of trees, plants and shrubs not listed here and correspondence is solicited on general nursery stock.

Our surplus list of ROSES is published several times during the season and will be mailed to anyone interested.
