COMPANY ORDER 4750.1

From: Commanding Officer
 To: Distribution List

Subj: Daily Policing Routine of Company Area; promulgation of

1. Purpose. To establish a daily routine for policing the Company Area.

2. Cancellation. Company Order 4750 is hereby superceded and cancelled.

3. Action:

a. Police call will be held twice daily at 0730 and 1230 except for Sundays and holidays. On Sundays and holidays the Chief of the Day will ensure that the Company Area is in a good state of police prior to assuming the watch.

b. After police call the person who accomplished the cleanup will report to the POIC/NCOIC of the area. The POIC/NCOIC will inspect the area to ensure that it is in a satisfactory state of cleanliness and notify the CMAA.

c. Under normal circumstances, personnel assigned to the various areas will accomplish the daily policing in that area.

d. Assistance for unusually heavy jobs, i.e., minor construction, re-locating gear, etc., may be obtained from the outside detail by contacting the CMAA.

e. The NCOIC of the galley and mess halls shall ensure that the dining areas are swept down and the tables cleaned after each meal.

4. Areas of responsibility.

a. Galley and mess halls

(1) NCO in charge - SGT SMITH

b. Recreation Hall and Company Club

(1) PO in charge - RM2 WAGNER

c. Administration and Medical Library

(1) PO in charge - RM1 FAUSETT

COMPANY ORDER 6010.1

From: Commanding Officer
To: Distribution List

Subj: Patient's Personal Effects; receipt and custody of

Encl: (1) Patient's Personal Effects Receipt

1. Purpose. To establish procedures for the receipt and custody of personal effects received from patients arriving at A Company.

2. Action.

a. When patients arrive at A Company who are unable to retain custody of their valuables i.e., watches, rings, wallets, etc., it is the responsibility of the Senior Petty Officer in charge of Admission and Sorting to inventory and take custody of the valuables.

b. A receipt will be prepared, in duplicate, by the person taking custody of the valuables. The original receipt will be delivered to the patient immediately and the copy attached to the individual's clinical chart. In the event the receipt cannot be delivered (patient is unconscious, in surgery, etc.), both copies will be attached to the clinical chart until such time as the original receipt can be delivered to the patient.

c. Valuables received from patients will be delivered immediately to the Administration Office for safekeeping and appropriate disposition. Only those persons in the Administration Office authorized in writing by the Commanding Officer will receive valuables for safekeeping.

d. Personal effects will not be taken from patients who are capable of retaining them.

e. Items of clothing will not be delivered to the Administration Office, but will be tagged and kept with the patient at all times.

f. 782 gear and weapons will be delivered to the Supply Sergeant who will make appropriate disposition.

None

2. Administration: The daily report of the sick has been altered to indicate whether patients are admitted as battle casualties or non-battle casualties. Information relative to the ultimate destination of evacuated patients is no longer available for inclusion on the daily report of the sick. When this information becomes available, it will again be published.

3. Training: Revision of the professional training program for Hospital Corpsmen has continued and will be completed soon. All personnel were given lectures pertaining to Federal and State income-tax responsibility by the Administrative Officer.

a. Unreless Int: USAFI Courses - 9
Navy Correspondence Courses - 5
NCI Courses - 10

4. Command and Control: The Commanding Officer continues to meet with the professional staff on an informal basis to discuss patient problems. The Commanding Officer and Administrative Officer meet daily. The Commanding Officer or his representative meets bi-weekly with the Commanding Officer, FLSU #1. The Commanding Officer conducts a weekly inspection of personnel and weapons, billeting and working spaces. The Administrative Officer meets with senior P.O.'s and NCO's weekly to discuss problem areas and for dissemination of information.

5. Logistics: Medical Supply personnel required to establish a medical supply unit within FLSU #1 were received. The medical supply functions now performed by this company for other units within the enclave will be transferred to FLSU #1 as soon as the new unit is operative. An additional 10 day medical resupply block and 30 day medical resupply block were repacked during this period. Work continues on the remaining blocks held by this company.

6. General Medicine Services:
