

EDUCATION

Annual Plan 2024

Total Budget : 119'000 CHF

TRAIN THE TRAINERS

Training materials and tools

Training material will first be evaluated, adapted and/or translated. Then, in a second step, published and tested. The user interface of OpenEdu will be evaluated.

Creation of a Scientific Committee

The scientific committee will enable quality assurance of the uploaded content (pedagogical and andragogical aspects) and best practices in the field of education.

Budget: 35'000 CHF

LIFELONG LEARNING AND CERTIFICATIONS

Trainers

The education programme needs trainers having a professional background, able to motivate and to mentor. Lifelong training will become a strategic area and a resource for other projects.

OpenBadge certification

WMCH will propose a system of training to release certifications. Trainers enrolled in 2023 will be able to obtain their openbadge certifications and start with their work.

Budget: 25'000 CHF

OUTREACH AND PARTNERSHIPS

Partnerships

Partnerships are crucial. The creation and maintenance of strong and reliable partnerships will subsequently lead to rolling out projects in other Swiss languages (e.g. Dico des Ados, Wikimini)

Outreach

Pilot lessons, case studies and informational booklets will bring the strategy closer to our partners and community enabling high impact

Budget: 35'000 CHF

GRANTS AND PROJECT DEVELOPEMENT

Grants and project development

WMCH will engage with its educational community and respond to grant requests that meet its strateg. Already existng partnerships will be continued, new projects evaluated, ultimately enhancing the community

Budget: 24'000 CHF
