(5) *Regulations—Redemption prior to maturity.*—The terms and conditions prescribed by the Board, with respect to any series of debentures and set forth in the text thereof, may include provisions for the redemption on any interest day or days, at any time prior to maturity, of any or all debentures of that series at such price not less than par as the Board may determine, and accrued interest. Two months' notice of redemption shall be given by publication in the Federal Register, or in a newspaper printed in the English language, published and of general circulation in the District of Columbia. In case of partial redemption the debentures to be redeemed will be determined by such method as may be prescribed by the Board.
