- 1- Diaz Lanza joined [AMRASP] bringing pilots: Abel Hera Corton, Frank Fiorini; Francisco Llano, Evangelista Mursuli, Ramon P. Fuentes, Nestor Alvarez, Fernando Garcia. Marcos Diaz Lanza also joined.

Discussed [PRIVATE] matters -

" To separate fact from fiction on an off the record basis"
 Discussed several areas:

Ricardo Lorie - PDL -

These men alleged CIA had given insufficient support to Lorie's boat ops, ^{& demanded details of ops} but each time CIA chosen course was followed their boat was interfered with by Castro gunboats -

Hunt explained reasons for CIA procedures - ^{avoid} eliminate duplication & compromise of effort; avoid hostile monitoring of communication; Coast Guard interference; provide rescue in emergencies.

Artime.

Lorie & Diaz denounced Artime as Castro penetration agent. - Bolstered by Newman's recollection that Juan ORTA was believed to have said Castro once claimed an agent high in counter-revol. circles

Hunt explained Lorie lost out in MRR power struggle; PDL felt personal resentment, political vindictiveness. Artime's father was a communist, but ^{suspected} Artime's more

Barrera & Trujillo Partisans.

Hunt explained above ~~to~~ TX decided
on by INS to insure safety

inclusion in military program.

Revol. Council complaints!

re: gen. theme that U.S. had not
lived up to its commitments to
provide air cover for landings
despite pre-invasion promise by Pres.
Kennedy to provide this umbrella.
Hunt explained RC looking for
scapegoat. Said Pres. had made

no such positive commitment to RC before the invasion... Pres. dispatched Messrs Bene & Schlesinger to MTRD in NY prior to invasion to say Pres. had said quite the contrary. Said. personal interviews betw. Pres & RC had taken place on 19 & 20 April, in fact.

As to lack lack of protective air cover, HH cited failure of RC's B-26s to eliminate Castro air forces during 15 Apr. Strike. HH "mute" as to fault for lack of second mop-up strike. Said bases in Guatemala becoming untenable - open for oppos. congress. inspection by 18 Apr. - Newman - declared - realization that it wasn't sabotage by Communist agents - "we sabotaged ourselves!" -

Newman expressed interest in HH identity. Conceded he had never heard "Eduardo":

- Dispatch 20 Jan 61

TO Chief WHD from Chief of Base JMWAVE
Re: Frank Fiorini - comments re: alleged
plans of KUBARK.

On 4 Jan 61 Mr. Joseph A. Forner,
Supervising Customs Agent in Miami, sent
attachment A to local Chief of [KUTUMP]
who in turn sent it to JMWAVE.

Inasmuch as the content of Attach
A appears to implicate PDL in an
unfavorable manner, [redacted]

investigated the case & submitted a
memo dated 9 Jan 61, Attach B.
Chief of Base agrees w/ conclusion
in Para 7 of Attach B.

- Attachment A -

writer ^{Edward D. Fickie, Customs Agent} and Cust. Agent Steve Pinos
interviewed Sturys on Dec 30, 1960 at
his residence 2080 SW 60th Court,
Miami, Fla.

Alan McDonald, close assoc of
Sturys, also present. Fiorini said B-25
seized by Customs, used for leaflet drop
on Havana, ^{was} returned to him after
payment of charges - \$2,800.00. Money
was furnished by KUBARK & ~~the~~

SECRET

he had turned over the airplane for use by PDL. PDL was at aircraft almost every day - preparing plan for "good will tour" of Central Amer. countries, to be sanctioned by KUBARK.

Writer told Fiorini he was prob. being duped - ~~being~~ open talk that U.S. supporting group - always w/out foundation.

^{On question of} Fiorini said he spoke to KUBARK agent ^{by} the name of "Barker" of 4420 N.W. 5th St.

Office contacted PDL for cooperation. PDL was advised Fiorini was interviewed earlier that day - PDL expressed concern that Fiorini might get involved in way that would impair plans of anti-Castro groups.

Office making report because "loose talk" by Fiorini might have adverse effects. FBI had earlier interviewed Fiorini, presumably re: "similar 'loose talk'"

Attachment B - 9 Jan 61.

- Alleged \$2,800 payment is presumed to be part of money given to PDL by Saralegui as personal loan

2. PDL, preparing his aircraft for the vuelo de verdad and instructions given by him to aircraft technicians including poss. use of nat'l flags on nose of aircraft would confirm Diaz intended to visit # of countries.

3. Bartles says he met Fiorini on only one occasion w/ a group of people & has never seen him before or since. Alleged address of Barker provided by Fiorini not correct.

4. Fiorini has lost confidence of PDL & has been treating w/ such people as Rasco in an attempt to involve himself in anti-Castro activity. NOTE PDL expressed concern Fiorini "might get involved"

5. PDL alleges he & his people hounded by federal agents whose interest in plans has been piqued by plane overhauling activities & that these federal officials asked leading & provocative questions.

6. entire Exec. Comte of FRD, as well as

propaganda commission, fully acquainted w/ preparatory plans for flight and it is, therefore, not strange plans have become known outside that immed. grp.

7. However, a review of Customs rept, together w/ above, would indicate that "the essential element of plausible denial still remains":
