## PREFACE

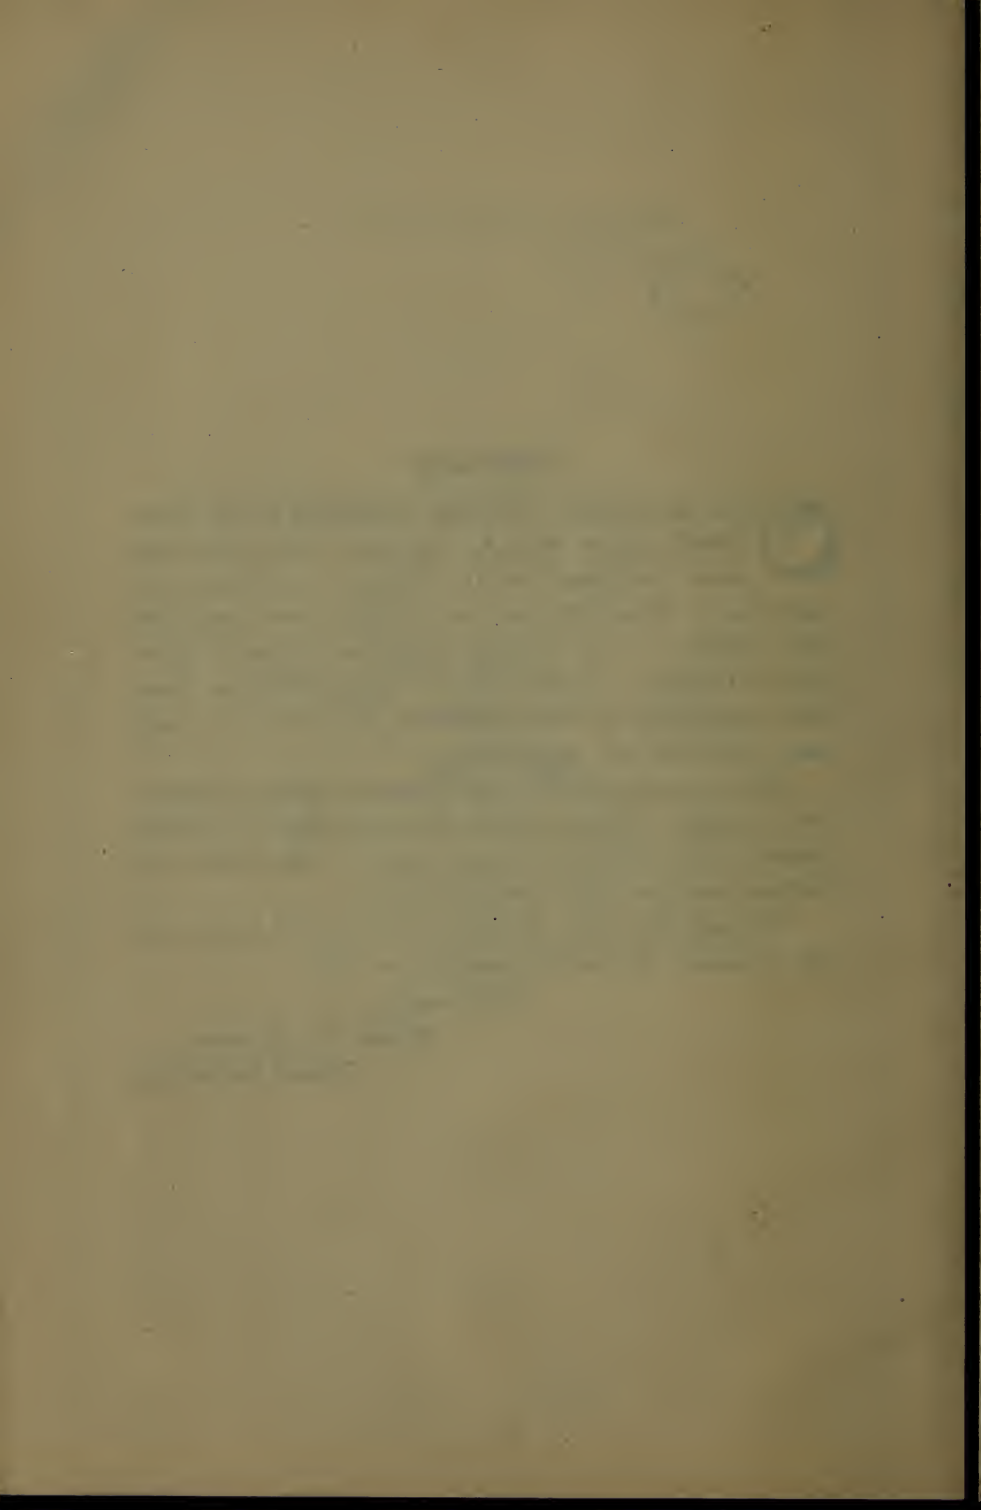

THIS is the first directory published by the Fraternity apart from the JOURNAL. The data have been furnished by the chapter secretaries, in most cases. The data for Tav Chapter were procured from Brother A. R. Tiffany, Registrar of the University of Oregon. In the case of Aleph-Beth we have been compelled to rely upon our files and in many cases the data are unreliable.

We have put forth every effort to make the directory accurate. There will be mistakes and we will be pleased to be advised of any errors in order that corrections may be made for the future.

Hoping that the directory may be of service to the members of the Fraternity, we are,

Fraternally,

HARRY E. KILMER,  
*Grand Secretary.*
