This is to certify that in the nomination and election of the highest responsible officers of the related companies, the Nomura & Co., have made suggestions and recommendations up to the time of the surrender.

However, the policy of the Nomura & Co., after the surrender was changed to comply with the objective of removing all zaibatsu control in which it was decided that there shall be no involvement in the affairs of the related companies.

As evidence of this act, the Articles of Incorporation was amended on December 5, 1945 which abolished the clause dealing with the Regulation for Direction and Control of the Related Companies.

Since then, the Nomura & Co., has not had any connections with the election of officers of the related companies.

The above is a true and correct statmnt of facts.

To: The Hon. Tetsu Katayama, Prime Minister,

From: Tanzo Uchiyama, Auditor of Sanki Koku Kogyo Kabushiki Kaisha(Sanki Aeronautic Industry Co.,Ltd.) located at 1534 Hararacho, Kagoshima City, Kagoshima Pref.
Auditor of Tokyo Kokan Kabushiki Kaisha (Tokyo Steel Pipe Co.,Ltd.) located at 95 Asadacho 4-chome, Kawasaki City, Kanagawa Pref.

Address: 1461 Araijiku 2-chome, Ohta-ku, Tokyo.

SUBJECT: Application for approval of my remaining in the office of official of the companies which are in course of liquidation.

I. The gist of application

I, having been in the post, for a period from Dec. 20, 1943 to May 13, 1947, of auditor of Sanki Kogyo Kabushiki Kaisha (a direct Zaibatsu affiliate designated in accordance with the Law for Termination of Zaibatsu Family Control) and named as an official having relationship with Zaibatsu, desire that for the reasons stated below I may be allowed to remain for another year in the post of auditor of both Sanki Koku Kogyo Kabushiki Kaisha and Tokyo Kokan Kabushiki Kaisha which are subsidiaries of Sanki Kogyo Kabushiki Kaisha and are in the course of liquidation.

II. Reasons for submitting application

a. Sanki Koku Kogyo Kabushiki Kaisha was established on April 10, 1944 as a subsidiary of Sanki Kogyo Kabushiki Kaisha with a capital of ¥4,000,000 (fully paid) under the joint investment of equal percentage by Sanki Kogyo Kabushiki Kaisha and Katakura Kogyo Kabushiki Kaisha, and I assumed the office of auditor upon establishment of the company.
On June 17, 1945 the entire manufacturing equipment and a greater part of the properties of the company were destroyed or burnt, with the result that the operation of the business of the company became absolutely impossible.
When the war ended in August 1945 the internal condition was so bad and unsettled that the company was compelled to abandon its reconstruction and rehabilitation plan entirely.

At the general meeting of shareholders held on Nov. 22, 1945 it was resolved that the company be liquidated, and I remained in the post of auditor as an only official to take care of the work concerning the liquidation of the company.
At the extraordinary general meeting of shareholders held on April 10, 1947 the completion of the liquidation of the company was reported and it is now ready to register the liquidation soon after the Government's approval is obtained of the plan submitted in accordance with the Enterprise Reconstruction and readjustment Law.
I am perfectly aware that in the face of the enforcement of the Law for Termination of Zaibatsu Family Control I should resign the post of official of the company, but in view of the fact that the registration of the liquidation of the company is expected to be completed very shortly and that it is very difficult to find a suitable successor and also that I am an only auditor and am receiving no remunerations during the liquidation period, I am desirous of remaining in the post for one more year, and I would ask you to approve of same.

b. Tokyo Kokan Kabushiki Kaisha was established in July 1938 as a subsidiary of Sanki Kogyo Kabushiki Kaisha with a capital of ¥400,000(¥100,000 paid in), of which 90% was invested by Sanki Kogyo Kabushiki Kaisha, and I assumed the post of auditor upon establishment of the company.
On April 15, 1945 the company's factory equipments and all other properties with the exception of the company's dormitory were destroyed or burnt by bombing, thus making the operation of the business of the company entirely impossible, and when the war ended in August, 1945 the company decided to give up the reconstruction plan of the enterprise entirely.
At the extraordinary general meeting of shareholders held on November 5, 1945 it was resolved that the company be liquidated and I be elected as an only official and auditor to take care of the liquidation work. Since then, the liquidation work made a great progress, and upon receipt of the Government's permit on November 30, 1947 to cut away the old accounts it became possible for the company to complete the liquidation by settling the debt of only small amount. However, being a restricted concern Sanki Kogyo is unable to get the transfer of immovable properties without a permit from G.H.Q., and therefore, it is not possible for the company to settle the debt with Sanki Kogyo, the only creditor, till Sanki obtains the said permit with the natural consequence that the registration of the liquidation will not be completed before then.

In consideration of the fact that the registration of the liquidation of the company is expected to be completed in the very near future and that it is very difficult to find a suitable successor and also that I am an only auditor and am receiving no remunerations during the liquidation period, I am desirous of remaining in the post for one more year, and I would ask you to approve of same.
