6 November 1948

Dear Mr. Prime Minister:

I have before me your note of November 6th renewing your request for my approval to the appointment of Mr. Nagata as Director of the Economic Stabilization Board and recommending the appointment of Mr. Ueda as the Attorney General and Mr. Kudo as Minister of State. There is no objection to the last two appointments indicated.

I note your assurances concerning Mr. Nagata's personal integrity and do not entertain the slightest doubt thereof. His appointment to the position of Director of the Economic Stabilization Board however, while a company of which he has been and is the President is under indictment for violations of the Economic Control Law, with which he would be charged with the administration, would be received by both the Allied World and the Japanese public with extreme suspicion and doubt. It could not fail to bring into question the integrity of purpose underlying the administration of your government and would therefore be inadmissible. I regret this greatly.

Sincerely yours,

DOUGLAS MacARTHUR.

The Prime Minister,
Tokyo, Japan.

AG 091.1 (4 Jan 46) GS
(SCAPIN - 550)

MEMORANDUM FOR: IMPERIAL JAPANESE GOVERNMENT

THROUGH : Central Liaison Office, Tokyo.

SUBJECT : Removal and Exclusion of Undesirable Personnel
from Public Office.

1. The Potsdam Declaration states: "There must be eliminated for all time the authority and influence of those who have deceived and misled the people of Japan into embarking on world conquest, for we insist that a new order of peace, security, and justice will be impossible until irresponsible militarism is driven from the world".

2. In order to carry out this provision of the Potsdam Declaration, the Imperial Japanese Government is hereby ordered to remove from public office and exclude from government service all persons who have been:

a. Active exponents of militaristic nationalism and aggression.

b. Influential members of any Japanese ultra-nationalistic, terroristic, or secret patriotic society, its agencies or affiliates; or

c. Influential in the activities of the Imperial Rule Assistance Association, the Imperial Rule Assistance Political Society or the Political Association of Great Japan,

as those terms are defined in Appendix A to this directive.

3. The term "public office" as used in this directive shall mean and include:

a. Any position in the government service which is customarily filled by one with the civil service rank of Chokunin or above (or equivalent rank under any reorganization of the civil service system); or

b. Any other position in the government service not customarily filled by a member of the civil service which is equivalent or superior to the civil service rank of Chokunin (in the case of government corporations the term will include at least: Chairman of the Board of Directors, President, Vice-President, Director, Advisor and Auditor).

Public Office

AG 091.1 (4 Jan 46) GS, Memo to IJG.

4. The term "government service", as used in this directive, shall mean and include all positions in the central Japanese and Prefectural Governments and all of their agencies and local branches, bureaus (including Regional Administrative Bureaus) and offices and all positions in corporations, associations and other organizations in which said Governments or any of their agencies have a financial interest representing actual or working control.

5. The term "remove from public office" as used in this directive shall mean to discharge the person from the public office which he holds and to terminate his influence and participation therein, directly and indirectly. Persons removed from public office will not be entitled to any public or private pensions or other emoluments or benefits without the consent of this Headquarters. An official removed under this procedure will be dismissed summarily and will not be entitled to the hearing or other procedures precedent to removal to which he may have been entitled under Japanese law.

6. The term "exclude from government service" as used in this directive shall mean to bar the person in question from any position in the government service. Thus, persons removed from public office will be disqualified from holding any other positions in the government service. Also persons who may not be holding public offices from which they must be removed, may nevertheless be disqualified from taking a position in the government service. This disqualification from holding public office shall be continued until the provisions of the Potsdam Declaration quoted in paragraph 1 have been fulfilled in Japan.

7. The mere removal of officials from public office and the exclusion from government service of those persons described herein will not be sufficient to establish the new order of peace, security and justice envisaged by the Potsdam Declaration. If Japan is to achieve a peacefully inclined and responsible government, the greatest care must be taken to appoint new officials who will foster the revival and strengthening of democratic tendencies among the Japanese people and who will respect fundamental human rights and freedom of speech, religion and thought. If existing civil service qualification regulations provide obstacles to the appointment of such officials or unduly narrow the field from which appointments may be made, such regulations shall be amended or superseded.

8. The removals ordered by this directive shall be effected as expeditiously as possible, priority being given to the more important positions. Removal may be postponed in the case of individuals who are absolutely required to insure demobilization of the Japanese armed forces in the outlying theaters or to carry out the provisions of this directive. When their assistance is no longer absolutely required they will be dismissed. The names of such individuals, their positions, the reason for their disqualification, and the reasons for their temporary retention will promptly be reported to this Headquarters. The time of their final dismissal will also promptly be reported.

AG 091.1 (4 Jan 46) GS, Memo to IJG.

9. Appendix "A" contains a list of the categories of persons who must be removed from public office and excluded from government service by the Imperial Japanese Government in order to carry out the provisions of paragraph 2 of this directive. Persons included in the categories listed in Appendix "A" shall be removed from public office as provided in paragraphs 8 and 10 and shall thereafter be excluded from government service. However, if the Imperial Japanese Government represents that in order to carry on indispensable peaceful executive activities of such government, the temporary reinstatement of an individual so removed is essential and that it is impossible to obtain a suitable replacement, an application so stating, signed by a responsible official of the Imperial Japanese Government, may be filed with this Headquarters. Such applications shall contain a statement of the name, rank, position, duties, and responsibilities of the individual involved; shall state fully the reasons why such temporary reinstatement is regarded as essential, the requested period of temporary reinstatement and the efforts made to obtain a suitable replacement. Such application shall be accompanied by a copy of the questionnaire described in paragraph 10, below. No such temporary reinstatement will be effected by the Imperial Japanese Government until this Headquarters has registered its approval in writing.

10. In order to insure that the government service is cleansed of undesirable personnel the following action will be taken:

a. The Imperial Japanese Government will instruct each of its Ministries or other appropriate agencies to remove from the positions described in paragraph 3 which are within its competence, any persons whom the records show or who are known to have been within the categories listed in Appendix "A". A questionnaire (see below) will be obtained from each such individual before he is notified of his dismissal.

b. In addition, the Imperial Japanese Government will instruct each of its Ministries or other appropriate agencies to prepare and distribute to all incumbents of positions described in paragraph 3 and to future applicants for government positions which are within its competence, the Questionnaire contained in Appendix "B". Such Questionnaires will be reviewed and on the basis of them and any other knowledge in possession of the Government, individuals will be removed from office or denied employment in accordance with the provisions of this directive.

11. Each Ministry or other appropriate agency will prepare a Plan for handling the Questionnaires which will provide for:

- a. Distribution.
- b. Collection.
- c. Review.

AG 091.1 (4 Jan 46) GS, Memo to IJG.

d. Action on basis of information in Questionnaire.

e. Classification and filing -- this system should permit reference to the Questionnaire in terms of agency, rank of officials, and action taken (e.g. removal or retention.)

12. Each Plan will provide for screening of positions occupied by higher rank officials first. A duplicate set of completed Questionnaires will be provided at the Headquarters of each Ministry or other agency where it will be available for inspection or removal by this Headquarters.

13. In addition to the Questionnaires each Ministry or other agency will maintain at its headquarters an alphabetical file of Questionnaire Record Cards substantially in the form indicated in Appendix "C" available for inspection or removal by this Headquarters. The cards will be filled out in English (also in Japanese if desired). Identical numbers, with an identifying symbol for each Ministry or other agency, will be assigned to each Questionnaire and the Record Card relating thereto.

14. In order that the forthcoming elections may provide a full opportunity for democratic elements in Japan to obtain memberships in the Imperial Diet denied them during the years of Japan's militaristic nationalism and aggression and in order to eliminate from the new Diet the influence of those who have deceived and misled the people of Japan into embarking on world conquest, any person who comes within the categories described in Appendix "A" shall be disqualified as a candidate for any elective position in the Imperial Diet. Any such person shall be disqualified from standing at any time as a candidate for Prefectural Governor or Mayor of a city (Shi). Also, all such persons shall be removed from and henceforth excluded from appointment to the House of Peers. The Imperial Japanese Government shall adopt measures to enforce this disqualification of candidates for elective office, including the issuance of necessary regulations, the publication of disqualification categories prepared in conformity herewith and the certification by each candidate that he is not thereby disqualified from standing for election. A comprehensive report of the measures proposed to be adopted will be furnished to this Headquarters.

15. The Imperial Japanese Government will make the following reports to this Headquarters (in English; in triplicate):

a. Reports required by paragraphs 8 and 14 hereof.

b. An initial report of the Plan of each Ministry or other agency called for by paragraph 11. This Headquarters may direct revision of any of these Plans if they are not considered adequate.

c. A weekly report, divided into sections for the fields of

AG 091.1 (4 Jan 46) GS, Memo to IJG.

competence of each Ministry or other agency, showing:

- (1) Total number of positions whose incumbents are to be investigated.
- (2) Number and type of positions investigated previously and during the current week.
- (3) Number of persons removed or denied employment during the current week.
- (4) Names, ranks, positions, and Questionnaire numbers of persons removed or denied employment during the current week.

16. This Headquarters will provide for inspections and investigations necessary to check compliance with this directive, and the Imperial Japanese Government will render any assistance required for the making of such inspections and investigations. Action taken by the Japanese Government with respect to removal or denial of employment and with respect to disqualification of candidates for elective office will be reviewed and may be reversed by this Headquarters.

17. Wilful falsification of or failure to make full and complete disclosures in any Questionnaire, report or application provided for in this directive will be punishable by the Supreme Commander for the Allied Powers as a violation of the Surrender Terms. In addition, the Imperial Japanese Government will make any provisions necessary to provide adequate punishment in Japanese courts and under Japanese law for such wilful falsification or non-disclosure and will undertake such prosecutions as may be required.

18. In addition to the general provisions of this directive covering all public offices, this Headquarters has made and may make more restrictive requirements respecting employment of certain classes of individuals at all levels in special fields.

19. All officials and subordinates of the Imperial Japanese Government affected by the terms of this order will be held personally responsible and strictly accountable for compliance with and adherence to the spirit and letter of this directive.
