THE BEE.

OFFICIAL GAZETTE OF STATE AND CITY. FRINTED BY JEROME BAYON.

"THE UNION must be preserred," TUESDAY MORNING, OCTOBER 13, 1835. We have been requested to whiteunce a meeting of the friends of Texas, at the private committee room in Banks.

importance in relation to that country, It is earnestly expected that all respectable gentlemen will artend, who are favorable to the people and cause of Texas, Shall we suffer our own friends and relations whi are nobly

he oppressed by the minions of a military tyrant; and to fall part of their own kindred in America?

church music of England be termed national, if the requiers of Mozari, and the musical masses of other composers can of Mozari, and the musical masses of other composers can be termed national. If the custome of a nation lead more to operation than oratorial compositions, those cultivating chiefly:

| Composition of the faith of one kind cannot be deprived of excellence because they do not cultivate the other. If the continental nations of Europe delight chiefly in operar, and the English in oratogos and

licity; although we do not wholly coincide in opinion with the writer, in his thinking that the bank should noters solens sell out one of its branches,-and particularly one as prefitable to the stockholders of the U. S. bank, as the branch here is known to be from the amount of its specie transac-

there is known to be from the amount of its specie transer—there is known to be from the amount of its specie transer—there is known to be from the amount of the V. S. benk meckholders, he might have actived the such level of the New Orleans branch to those of the U. S. benk meckholders, he might have actived the such of the New Orleans branch to the Gaslight hank—as he is off the New Orleans branch to the Gaslight hank—as he is off the New Orleans branch to the Gaslight hank has accordance to the succession of the New Orleans branch to the Gaslight hank has accordance of the best pheces for benefits and the succession of the New Orleans branch to the Gaslight hank has accordance to the parent, in counseling the continuance of the branch beet in the follows the parent, in counseling the continuance of the branch beet in preference to transformed to transformed the transformed the transformed the transformed to the parent, in content in the continuance of the branch beet in preference to transformed to transformed to transformed to transformed to the parent, in content parent, in content in the continuance of the branch beet in preference to transformed to transformed to the parent, in content parent, in conten

In a second communisation, our correspondent thinks his of seven or eight thousand dollars. We gre happy to learn argument, corroborated, that there must be is one concealed that the injury sustained below, is not so great as was gene. plan of operation on the part of the U. S. bank, in refusing reasons) it is not apparently wanted for collecting funds from the western branches discontinued; and of course only required for the purpose of enabling the directors to concentrate their means and power to the commercial cities only. He observes also that any injury to the money market in London or Paris is sensibly felt throughout Ragland and France as fast as a postchaise can travel; and so would an attack on New York alone (where exchanges generally attack on New York alone (where exchanges generally a cade, this evening at 7 o'clock-to deliberate on affairs of attack on New York alone (where exchanges generally at bight. center) affect every part of the union.

We perfectly agree with our correspondent in estimating Northern lank of Kentucky has taken the New York the emberrassments in the money market of the country, if State Loan of 500,000 dollars, at 5 per cent, at a premium the bank should unappectedly call for specie for all its discounted paper in March next; but we would not do justice to the speedlative sagestry of ourfellow stitues, if we believe to they would largely transact any business with the parent bank or its branches—when they must feel persuaded of the impossibility of ever rectrattering the present with of the United States, in any furnor or on any terms whatever. If some are so foolish as to hope se, they through deserve to suffer; particularly when in New Offeans they can easily obtained the profession of a taylor, and had they was so reduced by obtained leave of absence from their regiments, made use of the opportunity to go and visit their was guarant, but the first area were shocked to find that the was so reduced in characteristic was provided in the first was presented in the suffer particularly when in New Offeans they can easily obtained the constitution one of flows—the man who has given evelve conscripts to fit country! We 'must are shocked to find that the was so reduced in characteristic to the man who has given evelve conscripts to fit country! We 'must are shocked to fit of the man who has given evelve conscripts to fit country! We 'must are the branch' bank has consent to constitute the first sample of the province of the south a very local first thands.

CORN - flea flotte per birde; so 34 per bl; collect with the consent was policed. So 18 to 3. The prime \$10 to 10 prime. strug ing in the cause of republican liberty as Americans, to counted paper in March next; but we would not do justice to in their noble object from want of timely assistance on the they would largely transact any business with the parent The proper name for the people of Texas seems to be a United States, in any manner or on any terms whatever, matter of doubt or constaniety—some calling them Texistic, If some are so foolish as to hope sa, they almost deserve to

A letter has been received from his honor Judge Boyce d

The continued illness of his Hon Judge Eathews, town, precludes the hope of the regular session of the Supreme Court being held at Alexandrica

In our list Alexandria Intelligencer, Sept 30.

In our last we gave it as the opinion of an intelligent planter of this parish, that the cotton chops would prive fully equal or ruperior to those of tast year. Since that time, we have had on opportunity of conversing with several planters from different parts of the parish, who assure us the estimate is far beyond what will be realized. It is admitted that individuals cultivating high and easily land, may make more than they did last year, but the average crops of this and the adjoining parishes will fall far short.

to self the New Orleans branch on any terms; because the Abolition Presentation.—The Onesda county, (V. Y.

-The New York Mercantile Advertiser states that the

collerity in the drainatic structure of these compositions, which can at once indicate them to be these of a nation, which can at once indicate them to be these of a nation, and not those of an individual of particular propensities or acquirements independent of nationalty? If the music of their vaults for the purpose of forcing congress and the feer read to the people for a re-charter. Well may the local banks and the fractional to pay up the balances, if the United States bank and its branches keep it focked in fortune, become a genius, and gain an entrance to 'The Armwarum,' with the most high again, and an entrance to 'The Armwarum,' with the hope of its advanting his liferary inferests, he will find himself surrounded by a crowd of small with of every rank in life, who are tho much engaged in erdeavouring to increase their own importance to pay the lefter tragard to the merits of a tval. Should be have the lefter tragard to the merits of a tval. Should be have of the land office at this place, has declined accepting the appointment.

By arguments equally conclusive might all the whored and suppointment. vallers, where he will find a multilede of touriets who never visited the picturesque beauties of their own country, yet have explored the most inaccessible parts of the global and can refete so many marveds, that his simple record of facts is not likely to be listened to, andres he makes use of the traveller's privilege' with the liberality employed by his new associates. Should be keep a stud of race horses; and possess a desire to be rained with extraordinary speed, he may become a member of "Tim Jucara Clus," where of the content of the he will be taught the first of being a knowing one in a few leasons on agrentific principles, and in the most gentle-inanty manary. If it is he a brive officer, left by hits grate
