SUBJECT: Distribution of American Clothing as Incentive Goods for Fishermen

TO: Commanding General, Eighth Army, APO 343

1. Reference memorandum for the Japanese Government from General Headquarters, Supreme Commander for the Allied Powers, AG 420(26 May 48)ESS/PD, SCAPIN 5652-A, dated 26 May 48, subject: Distribution of American Clothing as Incentive Goods for Fishermen.

2. The items listed below have been authorized for release as incentive goods to fishermen to encourage the collection of fish by official channels:

80,000 shirts
60,000 jackets
80,000 trousers
60,000 coats and overcoats

3. Each article of clothing will be clearly and distinctively marked as shown in inclosure 2 to indicate that these articles have been officially released, and to distinguish them from articles of clothing used by the Occupation Forces.

4. Prices of these articles have been determined by the Price Board in line with the level of official prices of similar articles of clothing. A list of the prices is given in inclosure 3. No import duty or commodity tax will be levied on them.

5. The Japanese Government is required to see that accurate records are kept by all handlers of these goods. The Government is also required to submit monthly reports on the distribution of these goods on the 10th of each month for the preceding month.

6. These goods will be distributed to fishermen on the basis of the amount of fish turned into official channels at Class A ports, beginning in the month of December 1947. Fishermen will receive 10 points for each 100 kan of fish turned in. Articles will have point values as follows:

shirts	12 points
trousers	20 "
jackets	30 "
overcoats	50 "

MEMORANDUM FOR: JAPANESE GOVERNMENT

SUBJECT: Distribution of American Clothing as Incentive Goods for Fishermen

1. The Japanese Government is authorized to distribute the following articles of American clothing, now in its custody, as incentive goods to fishermen in order to encourage the collection of fish through official channels:

80,000 shirts
60,000 jackets
80,000 trousers
60,000 coats and overcoats

2. Each article of clothing will be clearly and distinctively marked according to instructions by Price and Distribution Division, Economic and Scientific Section, General Headquarters, Supreme Commander for the Allied Powers to indicate that these articles have been officially released, and to distinguish them from articles of clothing used by the Occupation Forces.

3. These articles will be distributed according to the plans submitted monthly by the Ministry of Agriculture and Forestry at prices established by the Price Board, and no import duty or commodity tax will be levied on them.

4. The Japanese Government will take all necessary action to assure that these articles of clothing are distributed through official channels and do not appear in illegal or unofficial channels.

5. The Japanese Government will require all handlers of these goods to keep accurate records of the goods received and distributed by them.

6. The Japanese Government will submit monthly reports on shipments, arrivals and distribution to fishermen of these goods. These reports will be submitted on the 10th of each month for the preceding month.

SUBJECT: Distribution of United States Army Surplus Clothing to Workers Engaged in the Marking of United States Clothing

TO: Economic Stabilization Board, Kasumigaseki, Chiyoda-ku, Tokyo

1. The Economic Stabilization Board is authorised to release 600 pieces of United States Army surplus clothing, now in the custody of Boeki Cho, to workers engaged in the marking of United States Army surplus clothing. This clothing will be taken from those articles that have been classified as being unsatisfactory for distribution as incentive goods.

2. Each article will be clearly and distinctively marked according to instructions by the Economic and Scientific Section, General Headquarters, Supreme Commander for the Allied Powers, to indicate that these articles have been officially released, and to distinguish them from articles used by the Occupation Forces.

3. Sales of these items will be at the official prices determined by the Price Board, and no import duty or commodity tax will be levied.

4. All necessary precautions will be taken to assure that these articles do not appear in illegal transactions.

5. A report on the distribution of these items will be made as soon as feasible.
