PRICE LIST FOR SPRING 1922

The Barnes Bros. Nursery Co. Yalesville, Conn.

TERMS ON WHICH WE SELL NURSERY STOCK.

Read the following carefully before you order.

Bank draft or money order, payable to The Barnes Brothers Nursery Company, must accompany all orders amounting to \$25 or less, a cash discount of 5 per cent. being allowed on the total amount.

WE WILL SHIP LARGER ORDERS C. O. D., providing 25 per cent. of the total amount of your order is sent in cash. If the order is shipped by **EXPRESS** you pay the balance to your **EXPRESS AGENT** upon delivery of goods.

If the order goes by **FREIGHT**, you pay the balance at your **BANK**, where you will also find the bill of lading, which you present to your freight agent, who will deliver shipment to you.

NOTE—WE ALLOW A CASH DISCOUNT OF 5 PER CENT. ON ALL ORDERS, large or small, for which the total amount with order is remitted.

TRANSPORTATION RULES.

Our goods are sold **F.O.B. Cars** at the point of shipment and travel at the purchaser's risk and expense. We do not guarantee safe delivery. The ownership of all goods sold by us passes to the purchaser after delivery by us to the carrier, and the issuing of a receipt by the carrier ends our responsibility. Any claims for damage should be made promptly to the agent of the transportation company at the point of delivery.

CLAIMS, if any, must be made upon receipt of goods, when they will be carefully and cheerfully examined, and, if just, satisfactory adjustments will be made with purchaser. Claims made after five days from receipt of goods will not be entertained.

NON-WARRANTY. (1). If any nursery stock shall prove untrue to the label under which it is sold, provided notice and proper proof thereof are furnished by the purchaser, to the seller, the seller shall at the option of the purchaser, either refill that portion of the order which was mis-labeled, by another delivery of stock, or refund the purchase price; but in any case, we are not to be held responsible for a sum greater than the original selling price of such stock. (2). All sales or agreements of sale are made subject to shortage of nursery stock, fire, frost, floods, drought, or other causes beyond the control of the seller.

INSPECTION. Our Nurseries have been thoroughly inspected and found free from San Jose Scale and other injurious insects or diseases. Certificate accompanies.

WE CANNOT REPLACE STOCK GRATIS. These prices do not include any guarantee of growth. We will guarantee our stock to be in first-class condition when delivered to our railroad station, but as we have no control of the stock after it leaves our hands, we cannot be responsible for it. Remember a tree, shrub or plant is a living organism, as much as a cow, horse or man. It breathes, drinks and feeds, and is liable to attacks of diseases and insects.

PARCEL POST. We cannot ship by parcel post any trees larger than 3 to 4 ft. in height. We recommend that strawberries be ordered shipped by parcel post, large orders by express. Be sure to include postage in your remittance which can be estimated as follows in 1st and 2nd zones:

NO CHARGE LESS THAN .05

Asparagus, 2 yr.,	.20 per 100
Asparagus, 3 yr.,	.30 per 100

Roses, perennials, berry bushes, except strawberries: 1st plant, .05; each additional plant, .01.

Strawberries (Before May 1), .08 per 100 or fraction thereof. (After May 1), .10 per 100 or fraction thereof.

Shrubs and small trees not exceeding 3 to 4 ft. in height, .05 for first specimen; .01 for each additional specimen.

APPLICATION OF RATES. Customers may select six of any particular variety at dozen rates, fifty at hundred rates or five hundred at thousand rates, such as six Baldwin or fifty Baldwin.

SIZE OF ORDERS. Owing to high costs incident to the handling of orders, we cannot accept orders amounting to less than \$2.50.

GRADES. We grade primarily by caliper, height being only approximate, and this places many of our trees in the second grade, which might be sold as first grade by those who grade only by height. We consider that good stock, well graded by caliper, will give more general satisfaction year after year than when graded by height.

HARDY PERENNIALS

We have a splendid assortment of hardy Old-Fashioned plants, such as Peonies in 30 or more varieties, some of them quite rare, 50 or more varieties of Phlox and about the same number of varieties of Japan and German Iris. Can supply Canterbury Bells, Larkspur, Foxglove, Hardy Pinks, Hollyhocks, Poppies, etc. at reasonable prices. Send list of your wants in this line for prices.

We expect to have a descriptive list of this class of plants ready for distribution in August next.

ADVICE IN REGARD TO ORNAMENTAL PLANTING

If you don't know just how to improve your place by planting trees or shrubs, or what is best adapted to your requirements, we would be pleased to send someone to look the place over and advise with you any time, except during the planting season. At that time we are so busy with orders previously placed, that we can't promise prompt service. Therefore, please don't wait till planting season before you take up this matter.

ORNAMENTAL NURSERY STOCK

We are known as large growers of fruit trees and plants and a list of customers would be a list of the largest and most successful Fruit growers of the east, but we also grow ornamental trees and plants. We have a propagating plant equal to any, and the men, who know how to grow the most difficult subject. Many of the operations have to be performed under glass, where the growing conditions are absolutely under control of the operator.

We grow Evergreens by the hundred thousand, Roses by the acre, a large percentage of which we sell to the wholesale trade.

We haven't changed our name or place of business, and the management remains the same as in the past, but when you write us, please be careful how you address our letters, because there are other concerns of similar name and if you are not careful, you may not address the company you intend to.
