Catherine Wiza Perceval —

Philadelphia —

March 8th 1826 —

A. Gymnopus ramieatus
Omph. epiphylla

Amanita livida.

Tremella undulata.

A. Continaria cinamomea.

Gym. argillaceus

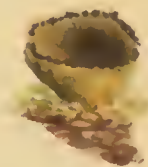

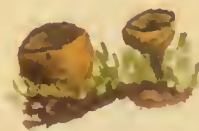

A. Pratella campestris

Peziza poeata crenata

Peziza leucotoma.

Periza leporina.

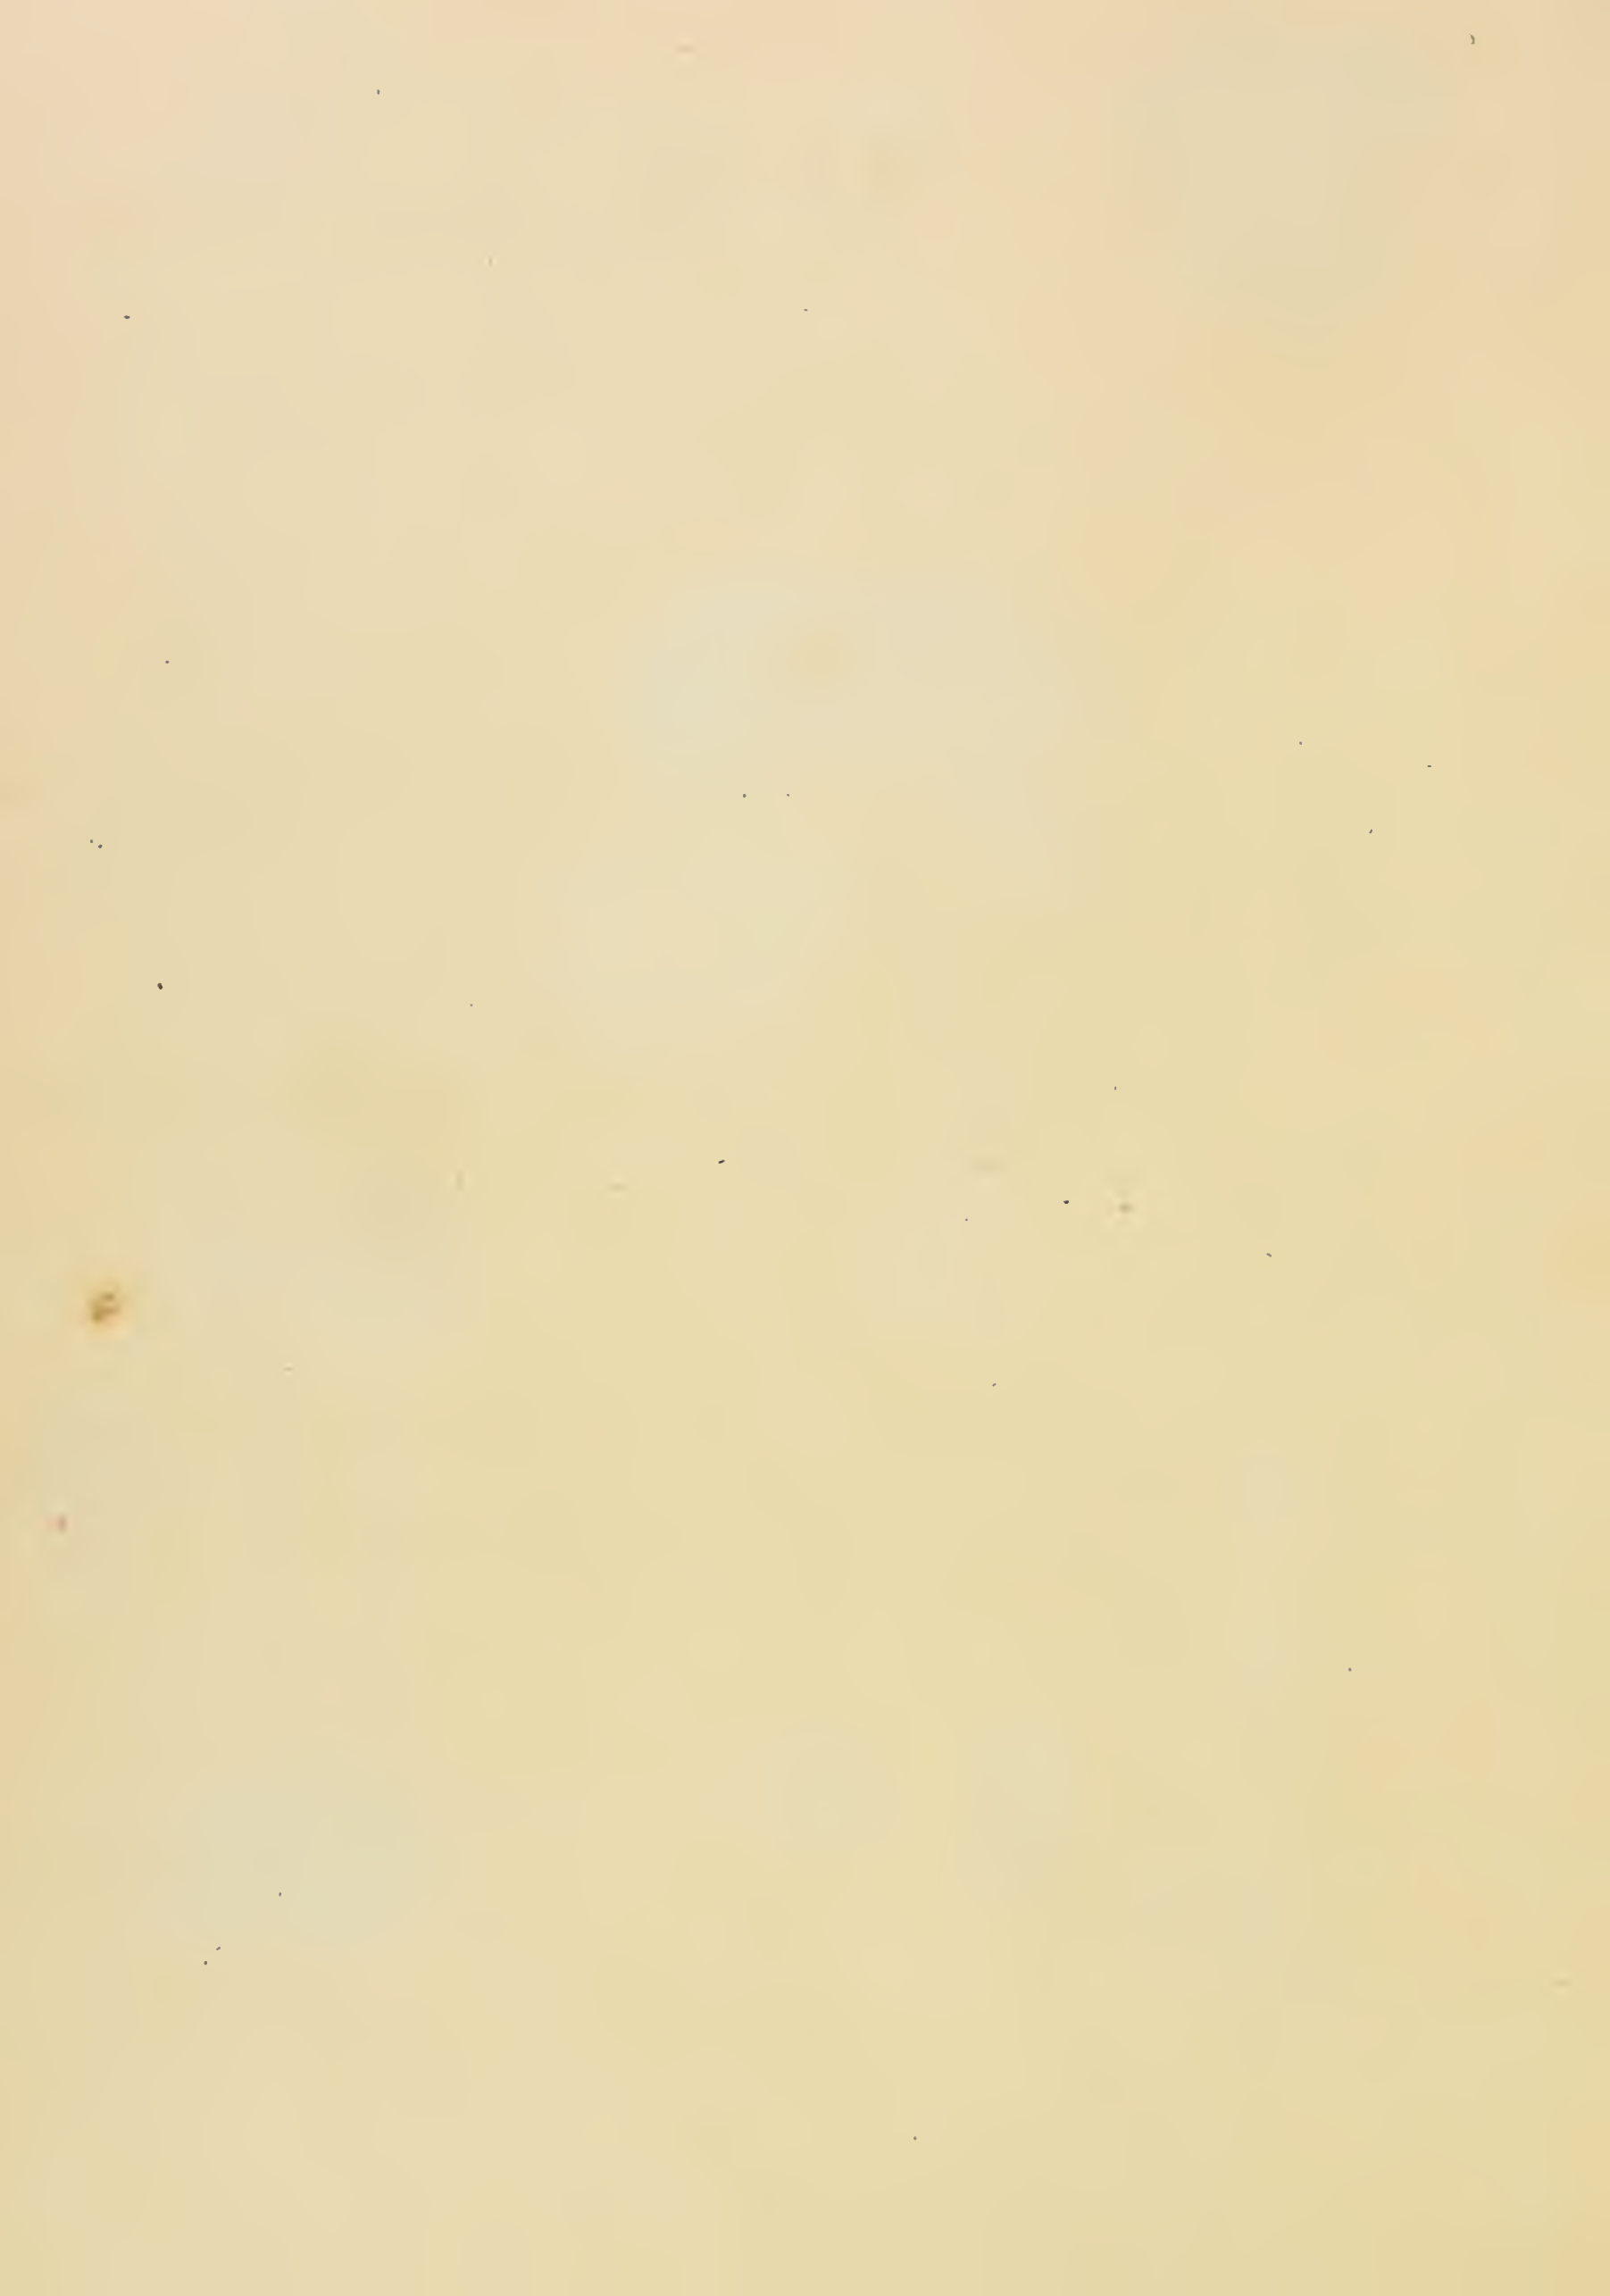

A. Bras. pasca.

A. Mycena flavipes.

Sphæria hypoxylon.

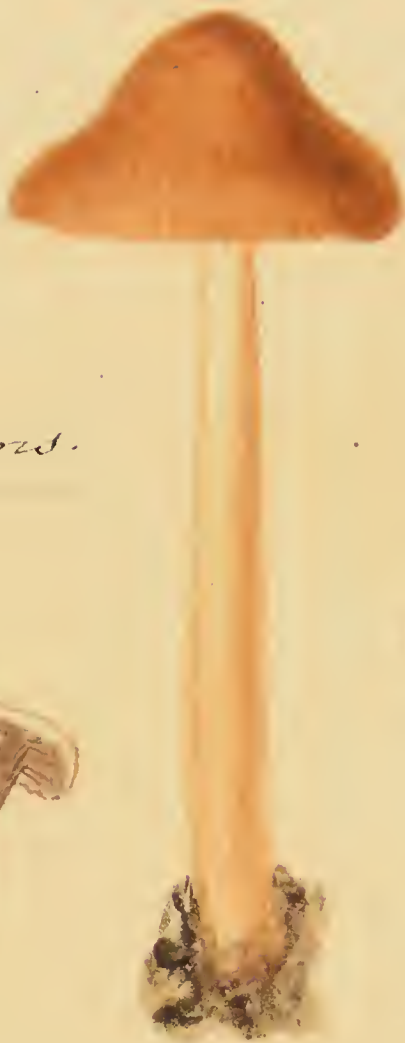

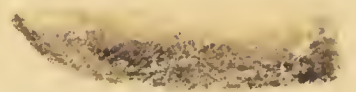

A. Gymnopus lycoperdoides

Tubulina fragiformis

Ammanita ferrata Nobis
spadicea

Leotia circinans.

Arayria pumica

Sphaeria subulata.

A. Omphalia campanella

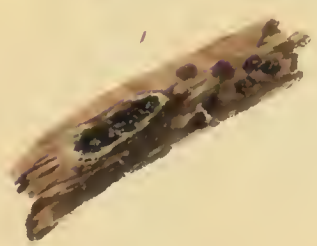

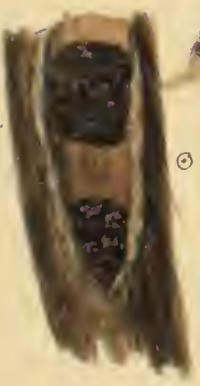

Peziza nivea.

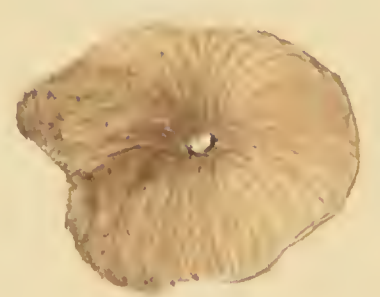

Sphaeria stigma

A. Cortinaria aurantia fulgens

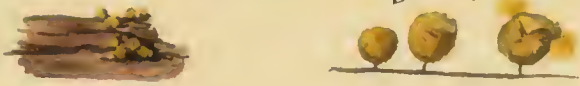

A. Mycena alliata.

A. Mycena rosea.

Trichia nigripes.

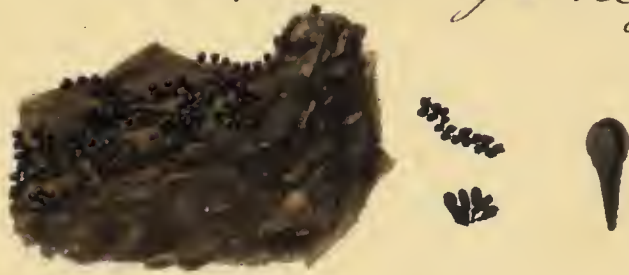

Sphaeria ovina.

Peziza

Trichia rubiformis. statu jun.

Peziza scutellata stercorearia

Sphaeria quaternata.

Stemonitis typhina

Peziza Solenia incana.

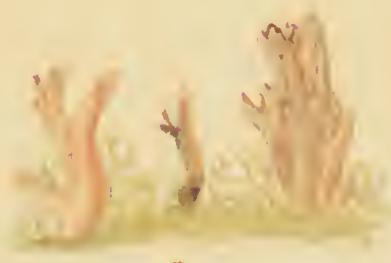

A. Gymnopus chrysocephalus.

A. Gymnopus purpureus.

Naemafflora crocea.

Clavaria.

Tuber album.

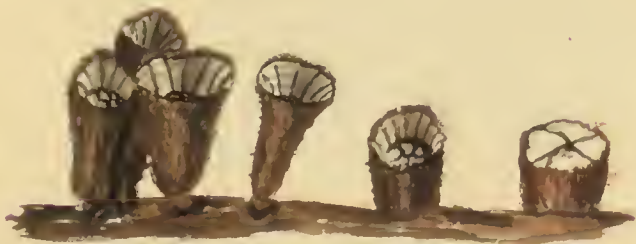

A. Continaria alboviolacea

Helotium galeatum.

Tremella Deebia.

Cyathus striatus

Boletus annulatus

Amanita citrina.

Cortinar. flava.

Lepiota caudicina β .

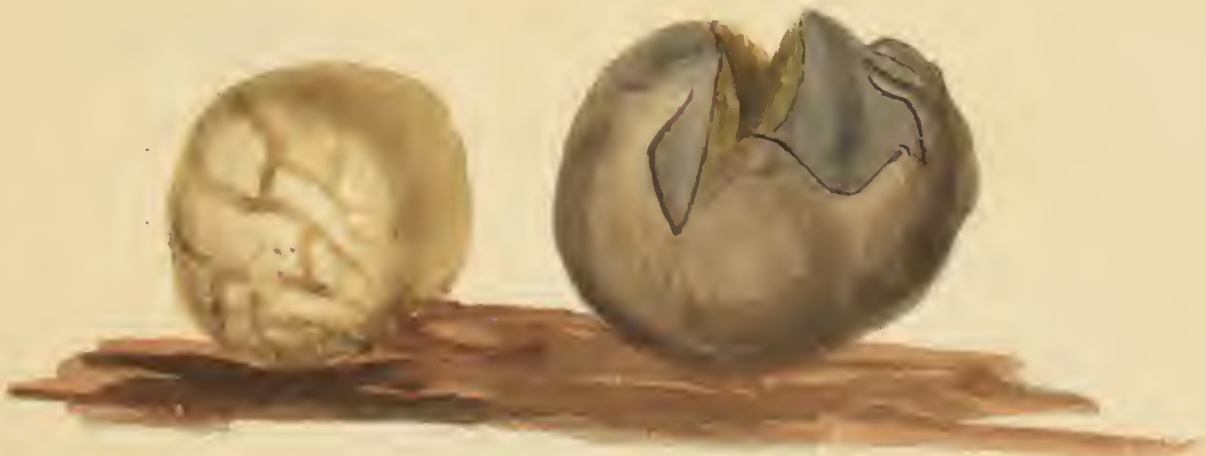

A. Russula.

A. Cortinaria crocea.

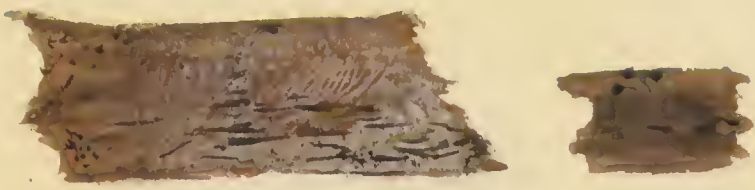

Bovista nigrescens.

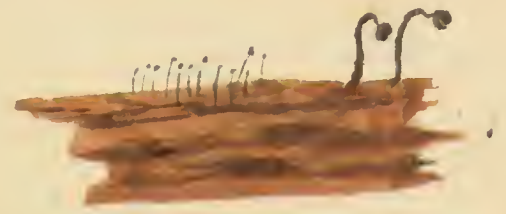

Mucor mucedo.

Phyfarum farinaceum.

A. Cortinaria nuda.

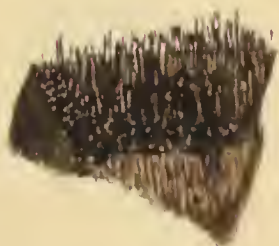

Mesenteriacca grisea. Kob.

Frichia olivacea

Sphaeria lageraria.

Veriza alutacea.

Trabacca edulis β

A. Pleurotus ostreatus.

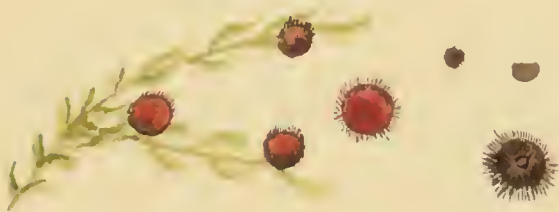

A. Coprinus ferrugineus

Boletus citrinus obsoletus.

Peziza scutellata

A. Gymnopus pileatus

Peziza cyathoides 3.

Boletus fuliginosus.

A. Peuropus epigaeus.

A. Mycena epiterygia.

Leotia lubrica.

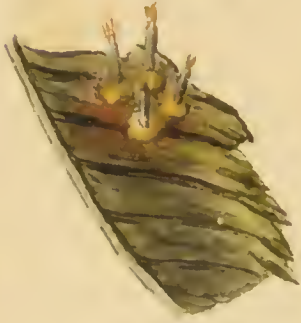

A. Compterialia nigrella.

A. Gymnopus vaccinus.

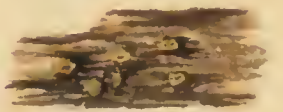

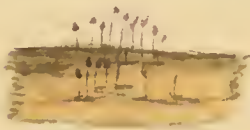

Accidium cornutum.

Peziza umbrina.

Stemonitis ovata incarnata. *Peziza aurantia.*

A. Pleuropus variabilis. Stat. jun.

Cop. semiglobat.

Peziza macrospora. 3.

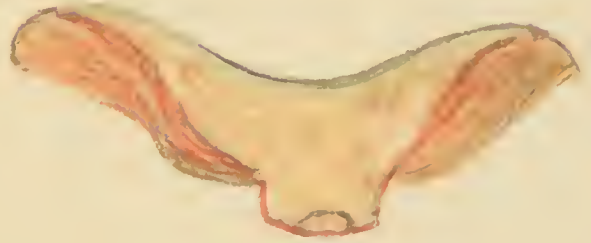

Physarium squamulosum.

A. Continaria hemitricha.

A. Lactifluus deliciosus.

Merisma foetidum.

Spec. parvo.

Uredo Rosae centifoliae cum

A. Omphalia epichysium.

Puccinia Rosae.

Thelophora C. hydroidea

Boletus circinans.

T

Fuligo vaporaria.

A. Lactifluus subdulcis.
var. minor.

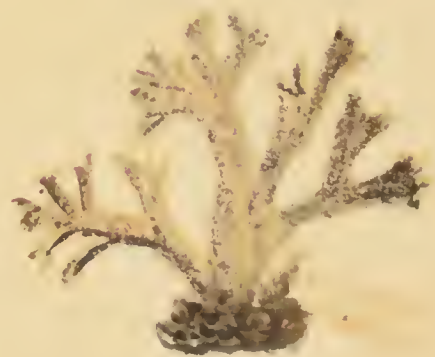

Gymnop. vealis.

A. Lepiota caudicina.

Sphaerobolus stellatus.

Clavaria cristata.

Peziza sulphurea.

Clavaria pistillaris

Clavaria monstrosa

A. Mycena tener

A. leptocephal ??

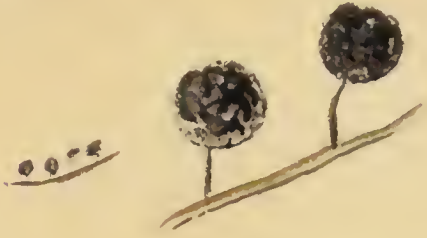

*A. Gymnopilus
vaccinus*

Peziza

Phyfarum farinaceum.

Periza cinerea.

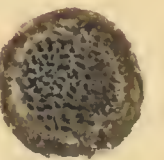

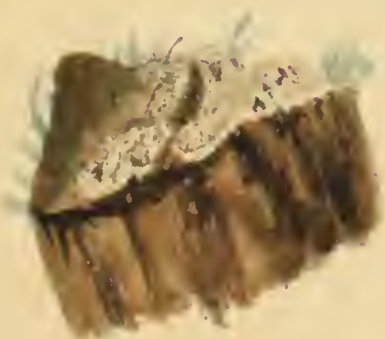

Boletus scaber.

Stemonitis ovata.

Coria cornuta Nolis.

A. Cortinaria glaucopus.

A. C. flavida.

Boletus leptocephalus.

Peziza aeruginosa?

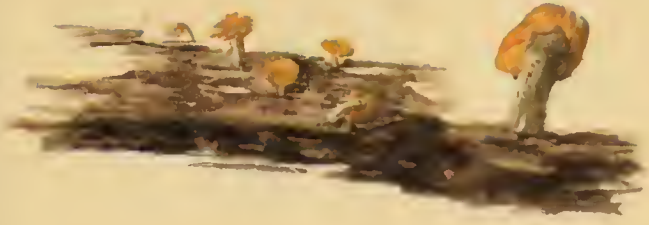

A. Gymnosus ^{platyphylla} ~~platensis~~. *d.*

A. Vrat. fuliginosa

Didyma verrucosum.

Peziza farcoidea.

A. Russula taeta. fuscata

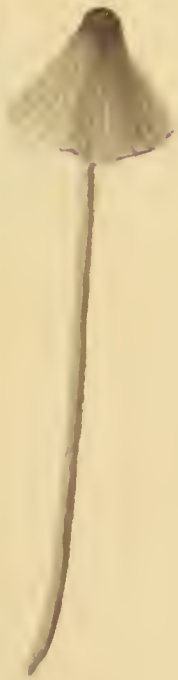

A. Omphalalia campanella.

A. Prussula ochroleuca.

A. Mycena galopus

A. Copu. semiglobat. var.

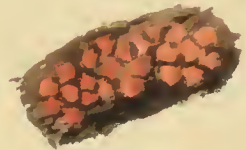

A. Mycena haematopus.

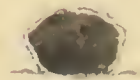

Amanita umbrina.

A. Continaria crocea.

Physarium confluens.

A. *Conophiala bella*.

. *Naemaspora crocea. monstros.*

A. *Coprinus semiovatus*.

Peziza rhizopthora Nobis.

Inexplicatas Turgies.

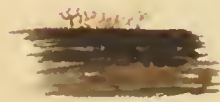

A. (Pratella) pascua.

Ussarium farinaceum

Trichia varia.

Didymia contortum

Aegerita candida.

A. Lepiota caudicina γ.

A. Tratella montana

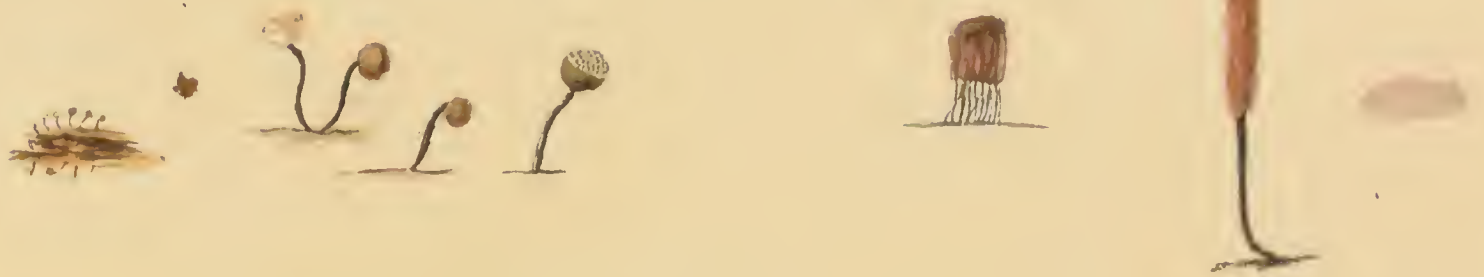

A. Mycena galericulata β

A. Omphalia epichyrium α.

Stermonitis fasciculata.

Pruberavia argillacea.

Clavaria monstrosa.

Arcyria flava.

Periza fructigena

Arcyria cinerea.

Myconia epiphylla

A. Omphalia prunella.

A. Gymnopus pratensis.

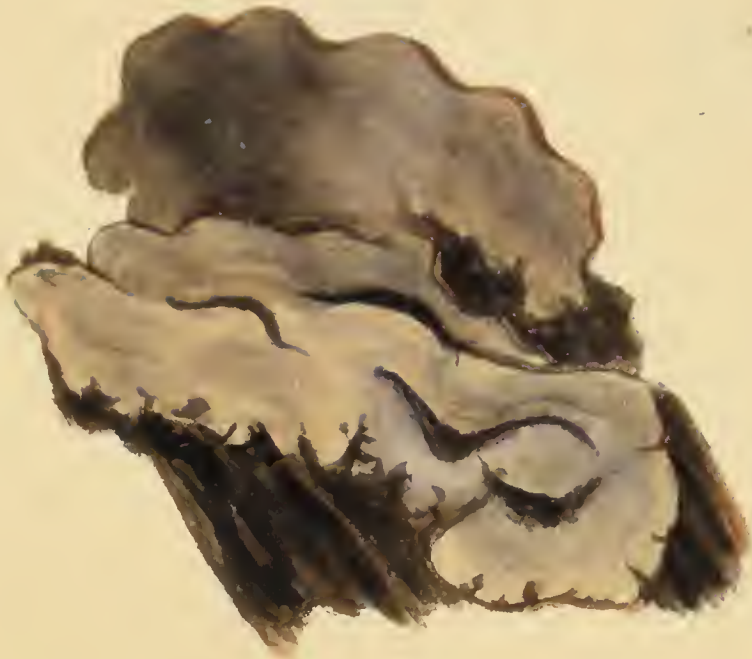

A. M. tenacella.

Trichoderma tuberculat.

Thelephora S. rugosa

Sphaeria pustulata

A. Omphalia gibba.

A. Pat. praecox.

A. Pleurotus ostreatus.

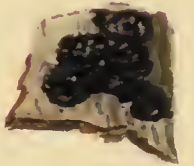

A. Gymnocopus velutipes

A. Coprinus ephemeroides radiatus

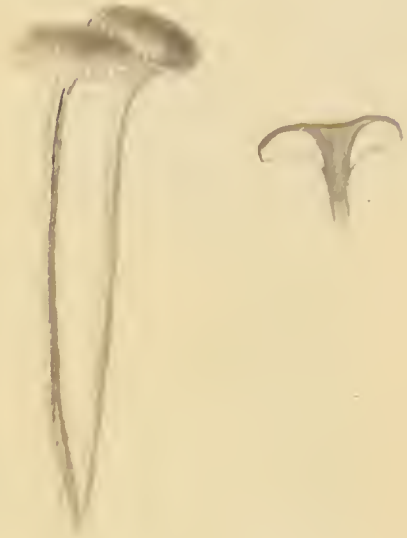

*Sylvaenae quaedam
indistinctae.*

A. Lactifluus theiogalus.

A. Mycena tenuicella?

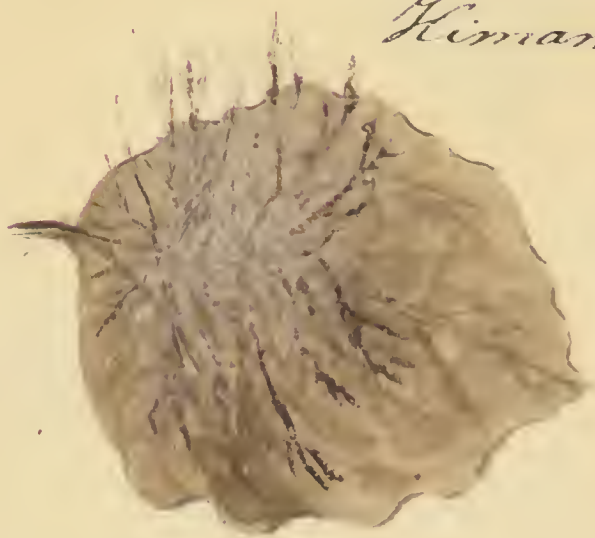

Leotia mitrula.

Peziza bolavici

Himantia candida

A. Cortin. pyriodora.

A. Om. obesa? gibba.

Clavaria abietina

*A. Omphalia farinacea
amethysteum*

Cribraria venusta.

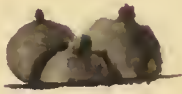

Trichia nitens

Sphaeria rubiformis.

Sphaeria fusca.

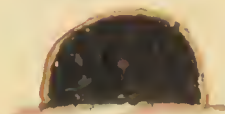

Sphaeria stigma.

Sphaeria ~~rubiformis~~ mopi.

Rudigo rufa.

A. Pratella praecox

A. Om. farinacea.

A. Gymnopus odoratus.

A. Mycena galericulata.

Licea variabilis

A. Lepiota squarrosa.

A. C. foenicul.

Stemonitis avata / 5

Trichoderma tuberculat.

A. G. Cortinaria Gomphus.

A. G. argillaceus.

Peziza.

Monilia candida glauca

Clavaria

Merulius aurantiacus.

Periza hemisphaerica.

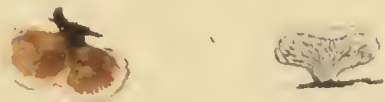

A. Mycena citrinella.

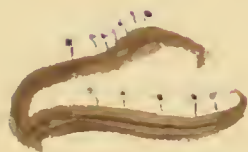

Periza

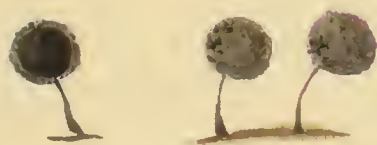

Merulius crispus.

Tremella encephala.

Physarum farinaceum

A. Gym. coccineus

Sphaeria fimbriata

Peziza anomala.

Cyathus fuscellatus.

A. Lepiota colubrinus.

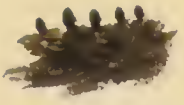

A. Omphalia candidans.

A. Patella echinata.

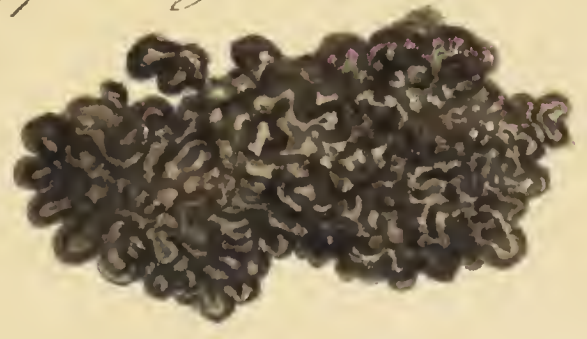

Spharicia?

A. Omph. tigrinus.

Tremella spiculosa.

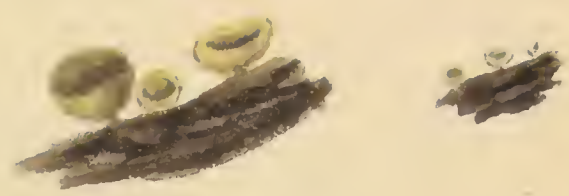

A. Omphalia gilva

A. Omph. ericetorum.

A. Gym. atrovenetus.

A. Lactifluus pallidus.

A. Cop. ephemera.

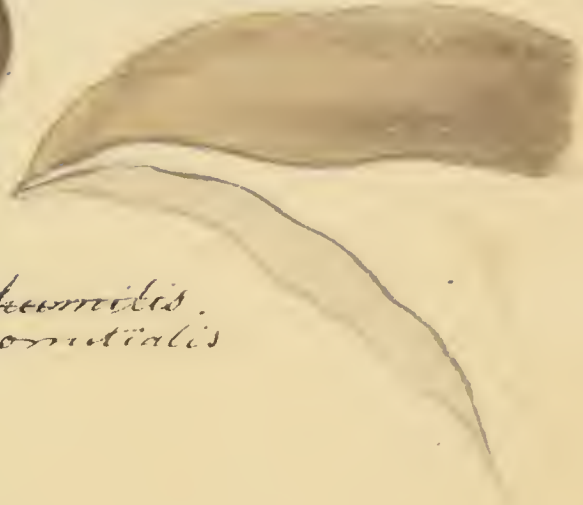

A. Lepiota carcharias.

A. Lact. testaceus.

A. Gymnopus psittacinus.

*A. G. tremuloides.
constricta*

A. Cortinaria decolorans

Clavaria pratensis

Substantia aquatica

Merul. crisp. inexplicat.

Tubercularia vulgaris

A. Pecc. tessellata

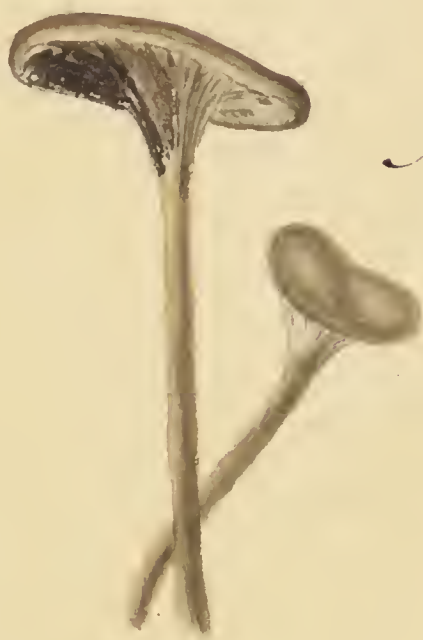

A. Gymnopus leiopus

A. Alcyonia nigrella
Obrythalia

Merulius umbonatus

Lep. carcharias.

Lactifl. futeoude
