

Wata 100 1st Augt 1829.

de Sir

You have an execution against J.
Barbican & G. Barbican. I have also one
younger than yours & the property on both
is advertised to be sold on Wednesday of
next week - Barbican says he has a
fair prospect of raising the money for us
both in 6 weeks provided you and I
will indulge him - I have given
my consent provided you will
give yours that the sale may be
delayed till that time

Yours &c
