

CITY TRUSTEES MEET

ORDINANCE CALLING SPECIAL ELECTION PASSED—SANITARIUM MATTER DEFERRED

The Board of Trustees met in regular session at the City Hall at 8:00 p. m., November 23, 1916. All members present at roll call.

The minutes of the last regular meeting were read and approved.

A communication addressed to Trustee F. L. Muhleman was read from Attorney Hartley Shaw representing Rogers Brothers Contractors, requesting that the board adopt the resolution which accompanied the communication for the purpose of correcting the proceedings in connection with the improvement of Canada Boulevard. On motion of Trustee Muhleman, the resolution presented by Mr. Shaw was ordered to be adopted and spread upon the minutes.

On motion it was ordered that bids for furnishing wire for the Public Service Department be opened, read and publicly declared. The following bids were opened and publicly declared, and upon motion of Trustee Grist referred to the manager of the Public Service Department for recommendation.

As several people were present representing the Glendale Sanitarium and Hospital and the Thornycroft hospital, being interested in the proposed ordinance regulating these and similar institutions, they were invited to express their views at this time, but the third reading of the ordinance was deferred. The board was addressed by Mr. Kimlin of the Glendale Sanitarium and Dr. Mabry of Tropic, both speaking from the point of view of the proprietors of the sanitariums. The speakers were assured by the president of the Board that no hasty action in the matter is contemplated, but that the members of the board are anxious to adopt such regulations as would protect the citizens of Glendale, and at the same time work no injustice to the concerns it is proposed to regulate.

An application was presented from A. F. Wilson for permit to operate a motor bus, and upon motion of Trustee Grist, permit was granted.

Report was read from the Tax Collector showing receipts for the week in the amount of \$3761.42, making a total to date for the season of \$13,214.58. The report was ordered to be filed.

The City Manager presented the request of the Glendale-Tropic Poultry and Pet Stock Association requesting that the Board appropriate the sum of ten dollars to be expended for a prize to be given for the best bird exhibited from the City of Glendale at the coming exhibition of that association to be given in December. On motion of Trustee Jackson, the sum of Ten Dollars was appropriated as requested to be expended by the Supply Committee.

The Manager of the Public Service Department reported on bids for wire.

The lowest bid is that of Kierulff & Company; the next lowest being that of the United States Steel Products Company. Owing to the urgent needs of the department, he recommended the acceptance of the bid of the United States Steel Products Company on account of the fact that that concern now has a carload of wire in transit, which according to their bid can be delivered immediately upon arrival to Los Angeles. While in the case of Kierulff & Company their offer is to ship from their factory in about two weeks, making delivery in Los Angeles in about thirty or forty days.

On motion of Trustee Jackson, the recommendation of the manager of the Public Service Department in regard to accepting the bid of the United States Steel Products Company was approved and contract ordered to be entered into in accordance with the same.

The manager of the Public Service Department reported in regard to the application of E. B. Merrill for the release of an easement along the easterly line of Lot 6, Block 11, Glendale Boulevard Tract, that his department has no use for said easement, and in his opinion there is no reason why the same should not be relinquished. On motion of Trustee Jackson, the report of Mr. Merrill for the relinquishment of the city of said easement, was compiled with, and the proper officials of the city directed to sign the necessary papers.

The city attorney made a report in regard to the Torrens Land law, stating that he had investigated the matter and finds that the Judge of the Department of the Superior Court in which applications for registration under said act are handled, has involved a rule requiring attorneys to notify all cities in which any of the property mentioned in the application is located. He therefore recommended that the City Clerk be in-

RECREATION CENTER

INTERESTED ORGANIZATIONS TO MEET MONDAY EVENING IN CONFERENCE

For two years various organizations have been asking the question—what have we to offer our young people in recreation? The answer must always be the same: the moving picture show. All very good in its place, but it cannot and ought not take the place of good healthy sport. It has been proven to the satisfaction of thinking people that people grow lopsided where but one faculty is developed, to the neglect of all the others.

Various plans have been devised to meet this want, Athletic clubs, Y. M. C. A., Civic center, etc., these all are good, but so far the sounds have resounded and bring to us nothing but echoes of what other communities are doing.

For two summers the Federation of Parent-Teacher Associations have opened supervised play-grounds for two months during the summer vacation, these have been a success.

The president of the federation, believing the time is now at hand when some definite plans for the future should be made, has called a meeting of representatives of all the organized bodies, such as the Garden Society, Tuesday Afternoon club, Chamber of Commerce, Supt. of Sunday Schools, etc. in all about 40 people who are vitally interested in public affairs.

This will be held Monday evening, Nov. 27 at 7:30 P. M. in the library of the Intermediate school. If you are interested, and have some good ideas to present, you are invited to attend without any further invitation being presented.

One hundred thousand tons of beets were sliced by the Chino factory of the American Beet Sugar Company during the season just closed. The total output of sugar for the season is 300,000 sacks of 100 pounds each. The beet growers have received an average of \$5.75 for the products, and this price is higher than it has been in many years.

structed to open up a Torrens Land Registration record, and that when the city of Glendale received notice of the filing of any application from the Superior Court, to register property located in the city of Glendale. The clerk shall check over the notice and place upon his record a complete description of the property covered, and further that when proceedings are instituted for the improvement or opening up of streets, the property affected by such improvement be checked over with the above record. He expressed the belief that this method would comply with all the requirements of the law and eliminate the expense of procuring information from one of the title companies.

On motion of Trustee Woodberry, the matter was referred to the City Manager and City Attorney for further investigation and report.

The City Attorney made a report in regard to an attachment served upon the city on August 2nd last by Justice Miller's Court in the case of Barnhart against Glendale Stables, and others. He recommended that Demand No. 2794 amounting to \$22.00 for services to the Glendale Public Service Department by the Glendale Stables should be paid into the Justice's Court and receipt taken for the same and the defendant in the case notified of such action. On motion so ordered.

The Supply Committee made a report recommending that in regard to the insurance of the firehouse, two policies of \$3,000.00 each be renewed, one by the company represented by Mr. Spencer Robinson and another by the company which Mr. S. A. Chase represents. On motion of Trustee Woodberry, the recommendation was approved and the report adopted.

On motion of Trustee Grist, Ordinance Number 300, "An Ordinance of the City of Glendale, calling a special election to be held in the City of Glendale on the nineteenth day of December, 1916, and submitting to the qualified voters of the said city the proposition of the incurring indebtedness for the acquisition, construction and completion by said city of a certain municipal improvement, to-wit: The further acquisition, construction, extension and improvement of fire fighting apparatus and equipment; providing for the issuance of bonds therefor, subdividing the city into election precincts, designating the polling places and appointing election officers for said election" was ordered to be taken up for third and final reading, and upon being read was on motion of Trustee Muhleman, adopted by unanimous vote.

VILLA RENEWS ATTACK ON CHIHUAHUA

BANDIT APPROACHES GEN. TREVINO'S DEFENSES FROM THE SOUTHWEST AFTER BEING REPULSED

(Special Service to Glendale Evening News)

EL PASO, Nov. 24.—Villa has returned to the attack of Chihuahua from the southwest, after withdrawing his forces from the city in defeat last night with government troops pursuing. General Trevino, who was wounded yesterday and forced to retire to have his injuries cared for, has returned to field headquarters and is personally directing the Carranza forces on the firing line. It is believed that Villa has the Carranzistas in a tight place.

FRANZ JOSEF TO LIE IN STATE

DEAD MONARCH TO BE VIEWED BY LOYAL SUBJECTS BEFORE HE IS CONSIGNED TO THE TOMB

(Special Service to Glendale Evening News)

VIENNA, Nov. 24.—The body of the Emperor Franz Josef will lie in state at the Hofburg Monday and Tuesday, where it will be viewed by thousands of his loyal subjects who will come from all parts of the realm to look for the last time upon the face of their monarch. Franz Josef will be laid to rest Thursday in the imperial vaults in the Capuchin church, where his ancestors lie. The funeral is to be attended with all pomp and impressiveness and will be attended by representatives of all neutral and friendly countries. Kaiser Wilhelm of Germany and his six sons will be present when the body is committed to the mausoleum with quaint and impressive rites.

SHORTAGE IN CARS

RAILROADS HAVE BEEN ORDERED TO RETURN ALL CARS TO THEIR HOME LINES

(Special Service to Glendale Evening News)

WASHINGTON, D. C., Nov. 24.—Railroads have been ordered to return all refrigerator fruit cars to their home lines in order to stave off the threatened shortage in cars.

LABOR VOTES FOR FOOD EMBARGO

FEDERATION CONVENTION AT BALTIMORE VOTES UNANIMOUSLY FOR EMBARGO ON FOODSTUFFS

(Special Service to Glendale Evening News)

BALTIMORE, Nov. 24.—The federation of labor in convention here voted unanimously in favor of an embargo on wheat and other foodstuffs until prices shall have returned to normal.

SANTA FE MAY BE TEST CASE

RAILROADS AND GOVERNMENT WANT EARLY SETTLEMENT IN ADAMSON LAW TEST

(Special Service to Glendale Evening News)

KANSAS CITY, Nov. 24.—It remains undecided whether the Santa Fe or the Missouri, Oklahoma is to be chosen for the test case in determining the validity of the Adamson eight-hour law. An agreement between the railroads and the government binds the railroad attorneys to select out of the great number of suits filed in the dispute over the act and to suspend further proceedings in other cases until the supreme court has passed on the case heard. The government agrees to let the attorneys for the railroads do the selecting and to co-operate with them in hastening the hearing before the supreme court. The case decided by Judge Hooks is not entirely satisfactory to the railroads as it does not represent the full strength of their objections to the law.

ROUMANIANS FEAR FOR BUCHAREST

VON FALKENHAYN PRESSES ON TOWARD ROUMANIAN STRONGHOLD FROM THREE POINTS

BERLIN, Nov. 24.—Following the fall of Craiova, General von Falkenhayn is pressing forward and has cut off from escape the Roumanian army at Orsova. Slatina, thirty miles northeast of Craiova and connected with that city by rail, is the immediate objective of von Falkenhayn's forces driving eastward toward Bucharest. The Roumanians are hard pressed and the fall of Bucharest is looked for within a few days.

CITY OF CLEVELAND TO LAUNCH UNIQUE EXPERIMENT IN GRAND OPERA MONDAY

CLEVELAND, Nov. 24.—Preparations are being completed today for the opening on Monday evening of a unique experiment in grand opera. Monday evening Cleveland will listen to the first presentation by the Cleveland Grand Opera company. The company will sing in Pittsburgh, Wednesday, Cincinnati, Thursday and Detroit on Saturday. Such will be its schedule for the six weeks of the season.

AT GLENDALE HIGH

GIRLS ORGANIZE LEAGUE—THE JOKES FOR STYLUS ARE COMING IN

While the boys tramped gloomily to their classes a girl's assembly was held yesterday in the auditorium to plan the formation of a new Girl's League for Glendale high school.

Miss Atkinson, president of the girl's league of Pasadena high school, Miss Hastings, president of the Federation of Girl's Leagues; Miss Thatch of Manual Arts and Miss Giddings of Pasadena addressed the assembly on the activities of the leagues. They told of the great amount of work accomplished by such organizations, and outlined plans which will prove a great help to this new branch of the high school activities.

After they had heard of the things done by others, great enthusiasm was displayed by the girls present. A motion providing for a committee to draw up a constitution was adopted; and expressions of the very bright future of the new organization were numerous. The girls are to be congratulated upon their enterprise.

The first manifestation of the society's activities will be the lecture "In the Wake of the War" by Dr. Lincoln Wirt, in the school auditorium on Tuesday afternoon at 1:30 o'clock. Arrangements have been made to admit high school students to this lecture for the special price of ten cents. It will cost outsiders a quarter.

A joke box has been placed in the main hall, and humor for the Stylus is already coming in. The best jokes so far have come from Scrubs, who also display their good sense by attaching their names to their entries in order to win the prize.

Playing by the light from the distant street lamps long after the sun had sunk behind Mr. Hollywood, the basketball teams of Glendale and Hollywood high schools fought out a hard struggle yesterday, while a few faithful rooters, silhouetted against the deep red of the western sky cheered to the echo for their alma mater.

It was a practice game, as Hollywood is not in the league with Glendale. Hollywood has won nine straight games this year without dropping one, and her winning streak was not broken yesterday. The score of the first team game was 32-12; the second team game, 25-22. After the game Coach Wight declared that he was satisfied with the team.

DEATH OF CLAUDE L. THATCHER

Claude L. Thatcher departed this life at his home, 321 Everett street, November 22 at 3:30 p. m., aged 33 years. The deceased was born in Canton, S. D., August 28, 1883. He was a trained nurse and a graduate of St. Helena Sanitarium where he was in charge of the treatment room for six years.

He leaves to mourn his death, a wife and infant daughter, Roma, aged two years; his father and mother, Mr. and Mrs. George B. Thatcher, and three brothers, Hubert H. Thatcher and G. Haskell Thatcher of Glendale and Melvin J. Thatcher of San Jose, Cal.

Services were held from the Adventist church this afternoon at 2 o'clock, the Jewel City Undertaking company in charge.

ATHLETICS AND SOCIETY

The manager of the F. A. C. announces that the football game with St. Vincents has been cancelled.

On the afternoon of Thanksgiving Day football fans will have the opportunity of seeing a very good game, when the F. A. C. boys meet the South Pasadena team. South Pasadena is reported as having a strong football team this year, and the local squad will have to fight for every inch of their ground.

In distinct contrast to the battles of the gridiron are the social affairs of the club. Take for example, the Thanksgiving dance, which every member hopes to be able to attend after the day's struggle.

Plans for this affair, according to the president, "Dutch" Eckles, are progressing rapidly. Tickets have already been issued, and are selling fast among the younger set. The hosts are anticipating a brilliant success. The dance will be under the patronage of the following ladies: Mrs. E. K. Barnes, Mrs. J. R. Seaman, Mrs. A. N. Lord, Mrs. I. J. Phillips, Mrs. H. H. Faries, Mrs. Joe Renshaw, Mrs. Dora Glazier, Mrs. John Padelford and Mrs. Ella Richardson.

HOME WEDDING

LOUIS RALPH COOLE AND MISS MARY JANE EVANS ARE MARRIED

A quiet, informal but beautiful wedding was celebrated at the home of Mr. and Mrs. W. A. Hough on West Tenth St. Wednesday morning, November 22 at 11 o'clock when their daughter, Miss Mary Jane Evans and Louis Ralph Coole were united in the holy bonds of matrimony. A decorative scheme of yellow and white was very effectively carried out. The members of the immediate families of the two young people and their close friends were present to witness the impressive ceremony which was performed by Rev. H. C. Shoemaker, pastor of the Presbyterian church at San Fernando and an old friend of the family.

At the appointed hour to the strains of the Lohengrin wedding march played by Miss Katherine Hobbs the bridal party took their appointed places before a bank of palms, ferns and yellow chrysanthemums. The bride was dressed in a handsome gown of African brown broadcloth trimmed in burnt orange and fur and wore a large picture hat of the same material. Her bouquet was of orchids, white roses and lillies of the valley. She was attended by Miss Dorothy Hobbs who carried yellow bride's roses. The groom was supported by his brother, Montgomery Coole as best man. Little Mary Pauline Craig, niece of the bride was a charming little ring bearer.

Following the ceremony a wedding breakfast was served in the dining room where a yellow and green color scheme was carried out. Strands of asparagus plumosa were attached with bows of yellow tulle to the chandeliers and from there festooned to vases at each cover containing a single beautiful blossom. A handsome large bride's cake was also a feature of the table decorations. Following the breakfast the newly made husband and wife departed on a wedding journey for parts unknown. They will be at home to their friends about December 1 at 220 West Tenth street.

The bride is indebted to Misses Dorothy Hobbs, Pauline Hamilton, Lola Mae East, Catherine Lord, Katherine Hobbs and her sister, Mrs. Glenn Craig who assisted her in her preparations for her wedding and helped to make it such a beautiful and happy occasion. The bride was the recipient of many useful and beautiful wedding gifts.

Those present at the ceremony were: Mr. and Mrs. W. A. Hough, parents of bride, Mr. and Mrs. R. G. Coole, parents of groom, Mr. and Mrs. Glen Craig, Dorothy Hobbs, Lola Mae East, W. R. Smith, Catherine Lord, Pauline Hamilton, Ruth Ryan, Mary Logan, Monty Coole, Mr. and Mrs. Kate Stephenson and son, Dwight, Mr. and Mrs. John Logan, Harriet Bagg, Mr. and Mrs. Fred S. Thomas, Katherine Hobbs, Mrs. H. G. Shoemaker, Noble J. Ripley, Mrs. W. W. Hamilton, Fern Evans, Luella Evans, Anne Miller, Clyde R. Carmack, Essie Carmack, Maud Anderson, Mr. and Mrs. Will Council and daughter, Catherine, Mrs. Grace Hobbs, Mrs. Helen Todd, Mable Todd, Mrs. George Peck and Little Mary Pauline Craig.

COMPLIMENT MRS. ROBERTS.

Glen Eyrle Chapter, O. E. S., held its regular meeting at Masonic Temple last night, with the usual good attendance. Three new members were taken into the chapter, Mrs. Wm. Frampton being initiated into the order and Mr. and Mrs. Chas. Wallace Kimberly being taken in by affiliation. This was the last meeting at which Mrs. Fern Archer Roberts, the worthy matron, will preside and the members had arranged a pleasant little surprise for her, announcing at the close of the meeting that refreshments would be served and a delightful social time followed.

Mrs. Roberts will entertain the officers who have served with her for the past year with a theatre party at the Orpheum in Los Angeles on Friday afternoon, December 1.

Arrangements were completed at last night's meeting for the installation of officers for the new year, which will take place at the Masonic Temple on Thursday evening, December 7, at 8 o'clock. The installation will be semi-public.

A band of tramps barricaded themselves behind the rocks in the hills near Lamanda Park and opened fire on a posse of deputy sheriffs Wednesday, fighting for nearly an hour before the ringleaders were captured and taken to jail. At least twenty tramps, some intoxicated, were camped in the hills, and had been shouting and shooting all night according to residents in that section.

GLENDALE, CALIFORNIA, FRIDAY, NOVEMBER 24, 1916.

TO IMPROVE CITRUS CULTURE

More than 200,000 select fruit-bearing buds from citrus trees with known performance records have been placed in the hands of co-operators of the Bureau of Plant Industry of the U. S. Department of Agriculture who are to permit the department to secure progeny records from the trees so propagated. The purpose is to secure uniformity of strain of the trees and the fruit borne by such trees. The buds are supplied not merely for propagation of nursery stock but, in many cases, for the top working of unprofitable trees in established plantations.

Recently in co-operation with the California Fruit Growers' exchange a systematic campaign has been undertaken to eliminate all of the inferior strains of grapefruit in California by top working trees with select buds from trees of the Marsh variety. Each year sees an increase in the number of citrus growers in California who adopt the commercial tree performance record system for locating trees of unprofitable character, either because they bear little fruit or because they bear fruit of a strain not well suited to commercial use. A secondary commercial nursery has been established during the year in California for the purpose of propagating trees from wood borne by record making individual trees.

Of interest also to the citrus grower is the statement in the annual report of the chief of the bureau of plant industry that a machine has been invented which successfully removes the oil bearing portion of the rind of waste and cull oranges and other citrus fruits, thus making it possible to eliminate a large part of the expensive hand labor which has heretofore rendered the domestic production of sweet-orange oil commercially unprofitable. This machine has been patented and dedicated to the public. There has also been devised a simple, practical and inexpensive method of manufacturing sweet-orange oil from the rind of cull and waste fruit removed by the machine mentioned.

There is an unlimited field in the world of citrus culture for those who have ingenuity and application to devise means to manufacture by-products from the material that is now going to waste.

VALUE OF PRICE-GIVING MERCHANTS

Every city and every community has in it what are considered the old standby and reliable institutions. These institutions have been fair in all their dealings with the public. They have been careful to protect the interests of their patrons. They have been ever-ready to sell merchandise for the lowest prices possible. They have been and they continue to be ready to make known at what price it is possible for them to sell merchandise. There is nothing whatever hidden or underhanded about their way of doing business. Such concerns have the confidence of the largest and best buyers.

The Tropic Mercantile Company, of which J. Herbert Smith is the manager, is a good example of one of the old reliable institutions in the Glendale community. This institution has always been ready to quote prices in plain figures. There has been no waiting on the part of this concern to learn what prices other merchants were selling the same kind of merchandise for, but the Tropic Mercantile Company has gone forward and fearlessly taken the lead. Other concerns engaged in similar business and who do not give prices to the public regularly, have by use of the price list of the Tropic Mercantile Company perhaps made special reductions because compelled to do so by the low prices quoted by this firm. The buying public therefore is greatly indebted to an institution

Both teams will arrive in Pasadena on December 27. Oregon has gone through the season without a defeat, while Pennsylvania was defeated but once.

At the recent annual meeting of the Olive Heights Citrus association at Santa Ana, it was shown that an increase of more than 100 per cent was made in its shipments. One hundred and twenty-five cars of Valencias were shipped. The cash receipts were \$130,504.25. A resolution was adopted increasing the capital stock from \$15,000 to \$25,000.

The largest fin-back whale ever caught in Southern Californian waters were captured Tuesday after a fight which lasted more than three hours by Captain J. D. Loop, master of the whaling launch Camiguin. The carcass was towed to one of the tuna canning plants, where the tenderloin of the fish will be canned for experimental purposes. The crews of both the Camiguin and the Fashion took part in the battle to capture the fish.

The Rand McNally Company of Chicago has instituted injunction proceedings against the Monrovia Feature Film company, alleging that the scenario, "The Daughter of the Don" was taken from a work entitled "Dons of the old Pueblo," written by Percival P. Cooney, formerly a teacher in the South Pasadena schools, a copyright of which they own. Winfield Hogaboom, one of the defendants named in the suit, claims the scenario was assimilated from an early history of Los Angeles, of which he was the assist editor, and a history of California recently placed on the market by John S. McGroarty. United States district Judge Trippet on December 2 will witness the film in question at Monrovia.

that primarily fixes a low price, thus setting a standard that others may follow. To such an institution all possible support should be given because in any community a reliable, low-price mercantile company does much toward the building up of business in that community.

These Tremendous Advantages—

More power—35 horsepower motor.
More room—112-inch wheelbase.
Greater comfort—long, 48-inch cantilever
rear springs and 4-inch tires.
Greater convenience—electrical control but-
tons on steering column.
Bigger, safer brakes—service, 13 3/8 x 2 1/4; emer-
gency, 13 x 2 1/4.
Better cooling—you never heard of an Over-
land motor overheating.

These are tremendous advantages over any-
thing to be had in other cars that sell for
anywhere near as low a price.
And they make it hard for us to keep up with
orders.
The factory has never yet caught up with the
demand.
You ought to own one of these cars—nothing
else so big and fine for the money.
Come in and order yours now.

Personals

Mrs. Anna L. Smith, the Broadway street milliner, went to Los Angeles today to meet relatives from the east.

The announcement comes to us that there will not be a football game at the Third street school tomorrow.

Mr. and Mrs. Bannock of 920 Lomita avenue are moving today to 1415 West Third street.

Mr. and Mrs. F. M. Peckham have moved from 321 South Louise street to 209 South Central avenue.

Mrs. Frank I. Marsh of 113 North Central Avenue is spending the week with friends at Buena Park.

Mr. and Mrs. Chas. L. Evans have moved from 1510 West Seventh St., to 323 South Orange street.

Mrs. D. L. Adams of Huntington Park was the luncheon guest of Mrs. Chas. L. Evans of 323 South Orange street Tuesday.

Wm. Shubert and family of Watts have moved into their new home at 1506 Salem St., and are very much pleased with the change.

Arthur P. Knight of 317 East Second street has gone on a two weeks' business trip to Arizona and New Mexico.

Dr. T. C. Young, was called suddenly to Winterset, Iowa, the first of the week on account of the serious illness of his father.

The teachers of the intermediate school will give their annual dinner at the home of Miss Carrie Noble, vice principal of the intermediate school, at Eagle Rock this evening.

Mrs. Free L. Paine of Boone, Ia., is visiting at the home of John G. Peart on Sycamore Ave. Mrs. Paine expects to spend the winter in Southern California.

Mrs. J. L. Murphy of 1431 Burchett street is expecting her mother, Mrs. Mary A. Baer, to arrive from Decatur, Ill., Sunday morning. Mrs. Baer will spend the winter visiting her children in Southern California.

Mr. and Mrs. C. M. Turck of 521 North Glendale avenue, Tropic, have returned home after spending several days in Los Angeles as the guests of Mr. and Mrs. John Newton Russell Jr., of 2263 South Hobart boulevard, Los Angeles.

Mr. and Mrs. W. R. Petty, and daughter, Miss Helen Petty, of 1443 Vine street, and Mr. and Mrs. W. R. Comstock leave tomorrow morning for a trip by auto to San Diego, where they will visit the exposition, and go to Tia Juana, Mex. They expect to return to Glendale Monday.

Mr. and Mrs. Ed Stanton of 1428 Arden Avenue entertained a few friends last evening in honor of Mr. Stanton's son, Glen, of Oakland, who is here spending his Thanksgiving vacation. A delightful evening was spent at cards and delicious refreshments were served.

Mrs. Adelaide H. Imler, department inspector of the Women's Relief Corps and Mrs. Susie Olgier, also a member of N. T. Banks Womens Relief Corps, have been honored by being appointed national aides of the Womens Relief Corps of the United States. This is the first time that such an honor has come to the local corps.

Mrs. M. N. Barnett, formerly of 125 North Kenwood street, Glendale, but who has resided in Pasadena the last three or four months, spent the past week as the guest of Mrs. J. E. Rockhold of 1430 Burchett street. Mrs. Barnett assisted and participated in the entertainment given by the ladies of the Casa Verdugo M. E. church Thursday night.

Mrs. C. W. Bartow entertained several friends at her home, 1444 West First street, Thursday afternoon. The afternoon was very pleasantly spent in social converse and sewing, and dainty refreshments were served. The ladies sewed on Christmas stockings and a contest was engaged in to see who could make the most artistic stocking from the material furnished. The prize, a pretty hand-painted plate was won by Mrs. Wills. Those present were Mrs. J. R. Sink, Mrs. J. R. Bright, Mrs. Wills, Mrs. Ed Laurance, Mrs. J. F. Kuntzner, Mrs. Chas. Letts and Mrs. Hogue.

THE COLUMBUS AVE. P.-T. A.

The Executive Board of the Columbus Ave. P.-T. A. met at the school Thursday afternoon, November 23rd, at 2:30. The many business topics in connection with the association were discussed. After this important meeting they adjourned to the Kindergarten room where the regular monthly meeting of the P.-T. A. was held at 3 P. M.

The meeting opened with the salute to the flag, followed by two beautiful vocal solos by Mrs. Henry and indeed greatly enjoyed.

Miss Veta Franklin gave a most instructive and interesting talk on food products for boys and girls, starting from infancy, dealing principally with children from the ages of 5 to 8 years and from ten to fifteen years.

Foods beneficial to children which give energy and act as builders are those which contain nitrogen, iron, such as fish, meat, eggs, beans, spinach being especially mentioned as very nutritious, also milk. Everyone, old and young should drink milk and plenty of it.

Small children, those of from 5 to 8 years of age, should have as a breakfast, some light fruit, such as baked apple, or stewed prunes and cereal, toast and milk. The cereal to be well cooked to be nutritious.

The noon meal of a child from 5 to 8 years of age should be its dinner, the supper consisting of a light diet, such as rice and milk, or bread and milk.

Children from 10 to 15 years require, soups, light broths, vegetables of all kinds, meats, round steak containing juices, is especially nutritious. Their breakfast would be the same as that of a child of from 5 to 8 years of age.

In speaking of box lunches, custards, junkets, and salads, would be very nutritious and not hard to handle, but especially energy builders, etc.

The talk throughout the allotted time was most instructive and pleasing and we appreciate the courtesy of Miss Franklin in coming to us and we thank her, also Mrs. Henry who gave us great pleasure with her vocal solos. There was a large attendance and a social time was enjoyed during the serving of the dainty refreshments.

ELLEN BEACH YAW TICKET SELLING DAYS

Friday and Saturday, Nov. 24-25, are the first ticket selling days inaugurated by the I. O. O. F. and Rebekah lodges of Glendale for the entertainment to be given by the world renowned singer, Mme. Yaw and her coterie of artists, assisted by Spencer Robinson, our own dramatic tenor and A. Lowinsky, also of Glendale.

The I. O. O. F. and Rebekah lodges will go as one big committee and sell the tickets for this great benefit entertainment. Also Rebekahs will be stationed at the following places, Roberts and Echols and Munnsons Drug Store and Chaffee Grocery. Get your tickets now and be sure of a chance to hear this noted singer.

PRESBYTERIAN NOTES

Anniversary week Dec. 10-16. Five years of the present pastorate will be fittingly observed. The Brotherhood banquet will be held on December 12.

Special evangelistic meetings will be held in this church Jan. 8-21. Rev. J. D. Habbick pastor of Presbyterian church San Luis Obispo, will preach every night. Full detail will shortly be announced.

GRAZING FEES INCREASED

As a result of two years' careful consideration given to the question of increasing the rates charged for grazing livestock on National Forest ranges in California, the Forest Service has decided to increase the present rates during the next three years to a point equal to about sixty-six per cent of the average charge made for similar range on privately owned lands in this state, according to District Forester DuBois. This increase will be made gradually, in order that stockmen now running stock on the National Forest may adjust their business accordingly. In conformity with the established policy of the department in giving stockmen an opportunity to be heard on matters affecting their interests, all the stockmen's associations, as well as the individual stockmen affected, are being advised of this proposed increase and requested to submit any statements which they might desire to make before February 1, 1917.

The increase was decided upon after the government's charges were compared with those made by owners of private lands for grazing privileges of equal value. A study was made of some nine hundred cases involving private and state lands, reclamation withdrawals, Indian reser-

ventions, and railroad lands in the vicinity of the national forests. It was found by the investigators that the average charges made for grazing stock on these private lands was 3.5¢ a head for sheep per month and 11.7¢ a head for cattle per month; while, on the other hand, the average charge made by the forest service for grazing privileges on the national forests was 1.4¢ per head for sheep and 3.9¢ per head for cattle. This indicates that the forest service charges at the present time do not exceed thirty-five per cent of the prices paid by stockmen for grazing on private lands. Furthermore, it is often asserted that while timber and other resources of the forests are being disposed of at market prices under commercial methods and at competitive prices, the grazing is being sold to the stockmen at extremely low rates.

It is said that since the grazing capacity of the forests is limited and far less than the demand, that stockmen holding permits are considered by their less fortunate neighbors to be highly favored individuals who are receiving substantial benefits from their occupancy of lands belonging to the whole people, although it is admitted that these lands cannot be so divided in their use as to permit every stockman to share them. It is said, also, that stockmen using national forest range have a financial advantage over those who must either lease or buy lands upon which to graze stock.

The argument is advanced by municipal organizations interested in national forest receipts, twenty-five per cent of which are returned to the counties containing national forests, that if the stockmen paid market prices for their grazing privileges, the state's share of the receipts would be larger than that by not so doing the stockmen are favored to the disadvantage of the state as a whole. As an illustration, in the year 1915 the sum turned over to the state of California as its share of the grazing receipts from national forests was \$27,900. On the basis of the proposed increase in rates, the sum would have been \$55,000.

The increase of rates will not affect the established principle of the forest service of varying its charges in accordance with the value of the grazing privileges of the different forests. Certain forests or groups of forests produce forage of superior value to other forests, and some grazing areas are worth more than others, due to advantages of location near shipping facilities or farming areas where winter feed may be obtained or open grazing lands in the public domain.

LARGEST FOOTBALL CROWD OF SEASON

NEW HAVEN, Conn., Nov. 24.—The monster Yale bowl, which seats more than 60,000 persons is not expected to care for all those who are fighting today to get the precious tickets for the annual Yale-Harvard clash. Temporary seats have been added to the great bowl and, even with these, it is expected that hundreds will be turned from the gates.

It will be the thirty-seventh clash between the two big eastern colleges and an element of uncertainty, more pronounced than in many years, hangs over the outcome. Harvard's supporters are claiming an edge through the defeat of Princeton while Yale was losing to Brown, but the whole football world has come to view the Yale team, under the coaching methods of Tad Jones with considerable respect.

It has been four years since the banner of victory was flung from the New Haven flagstaff after a game with Harvard and in those years Yale has scored only five points. Previous to that time Yale had a virtual corner on scoring in the tilts with her age-old enemy, 1912 was the last Yale year when the Blue cohorts smothered the Crimson 20 to 0.

Graduations have left Harvard without the brilliant Brickley and Mahan, but the work of Casey and Horween in the backfield, with a forward line fully up the Houghton standard has made Harvard a favorite.

Yale has come fast under the tutelage of Tad Jones and will present a formidable front. Some trouble has been found in a few spots, but as a whole, the Blue team looks better than any Eli squad in several years.

OLD FASHIONED LADIES' AID

The entertainment representing an old-time ladies aid society business meeting given by the ladies of the Casa Verdugo M. E. church at Central avenue school last evening was a very gratifying success, the auditorium being filled to the limit of its capacity, and all seemed highly entertained from start to finish. The costumes with their old-time elegance, some of them which had been carefully preserved by their owners being from 35 to 100 years old, provoked much interest and merriment. The participants all carried out their parts in a most creditable manner. The concert numbers included in the program were greatly enjoyed, Mrs. C. H. Cunningham, who always delights her Glendale audiences, sang; Miss Lois Murphy, who possesses talent of much promise, rendered a violin solo; Mrs. R. D. Jones gave a few readings; and the quartet, composed of Mr. and Mrs. R. D. Jones and Mr. and Mrs. B. F. Clark, added much to the pleasure of the evening.

SMALL DEPOSITORS

There are several reasons why the BANK OF GLENDALE welcomes small depositors and considers it a matter of good business policy to give equal attention to small and large accounts.

—In the first place some of our large depositors started as small depositors.

—So far as the bank is concerned, it is just as satisfactory to have several small accounts aggregating the same as large one, because, although there is three times the bookkeeping involved, that is more than offset by the possibilities of development of three different accounts, besides the advertising value to the bank of three satisfied customers.

The officers will be glad to talk over banking relations with you at any time and pledge themselves to serve your interests faithfully.

SUNLAND

Mrs. Paxton and daughter, Laura, of Rivera were dinner guests of Mrs. L. T. Rowley on Thursday.

Capt and Mrs. Cushman motored to Ontario and spent Sunday with friends.

Mr. and Mrs. N. D. Huse of Los Angeles were Sunday guests at the home of his brother, George Huse, on Summit avenue.

W. E. Shelly and family of Burbank spent a pleasant day Sunday at the home of his brother, Albert Shelly.

Mr. and Mrs. Alfred Adams, Sr., returned home Monday from a pleasant trip to Nordhoff.

Philip Anderson is a happy man, having received the final papers on his homestead.

Mr. Harmer, our hustling delivery man, has leased a lot of Mr. Rowley and is putting up a house. We are glad to see the improvement going on in Sunland.

Miss Carrie Adams is very ill with poison oak. Dr. Thomson of Burbank is attending her.

Mrs. Wetmore and family left Sunland last Saturday for their new home near Los Angeles.

The church choir and orchestra, under the leadership of Mrs. Wester, are practicing for Christmas.

Our vegetable man, Frank Okobo, has purchased a Ford to deliver his vegetables.

The chamber of commerce held a special meeting last Monday night at the library building. A hearty vote of thanks of the body was extended to the Monte Vista valley band for their services at the meeting of the Foothills Valley federation on the 13th.

A committee consisting of Mr. Lancaster, Mr. Kroutz and Mr. Mears was appointed to see about a float from Sunland in the Tournament of Roses parade at Pasadena January 1.

Mr. and Mrs. Marsh, accompanied by several of their Los Angeles friends and Mr. and Mrs. C. M. Burr and Mr. and Mrs. Hench of Long Beach were visitors in the Monte Vista valley Wednesday, the guests of Mrs. S. D. Percey. The party took luncheon beneath the spreading live oaks of Monte Vista Park.

Herbert Widoeft, manager of the Weidoeft orchestra of Los Angeles, together with his mother, sister and Mrs. Hollinger and her little daughter, were the guests at the home of Mr. Maygrove and the Percey ranch last Wednesday afternoon.

While in the valley they also visited the Sunland olive factory and other places of interest. Mr. Widoeft is very much taken with the beauties of the valley. But since Mr. Maygrove is in the music business here in the valley, he will not try for an orchestra here just yet.

Messrs. Patch and Courtelleau, engineers from the state highway commission office, were in Monte Vista valley Wednesday investigating the location of the highway through the valley. They also visited Tujung Terrace and San Fernando in interest of the highway and securing rights of way for the same. A force of engineers has been working for several days, making final location of the highway along the route in order that rights of way may be secured.

BOLD BURGLAR

Thursday evening at about 7 o'clock while the family of Mr. Horn of Oak Drive, Tropic was seated in the front room of their dwelling house a burglar entered by way of the rear of the house, and before being heard by the inmates of the house procured a gold chain and locket, a ring and \$2.00 in cash. The Tropic city marshal was called to the scene of the trouble as was also Officer Lampert of Glendale. The burglar made his escape.

THE BRAMBLE FLOWER

Thy fruit full well the schoolboy knows,
Wild bramble of the brake!
So, put thou forth thy small white rose,
I love it for his sake;
Though woodbines flaunt and roses glow
O'er all the fragrant bowers,
Thou need'st not be ashamed to show
Thy satin-threaded flowers;
For dull the eye, the heart is dull,
That cannot feel how fair,
Amid all beauty beautiful
Thy tender blossoms are;
How delicate thy gauzy frill,
How rich thy branching stem,
How soft thy voice when woods are still
And thou singest hymns to them;
While silent showers are falling slow
And 'mid the general hush,
A sweet air lifts the little bough,
Lone whispering through the bush!
Scorned bramble of the brake, one more
Thou biddest me be a boy,
To gad with thee the woodlands o'er
In freedom and in joy.
—Ebenezer Elliott.

LOST—ONE CORD

"Saturday night some miscreant lugged off a whole cord of wood," declared Silas.
"Have you tried to forget it?" inquired his friend.
"Yes, Sunday morning I went to church, hoping I could get it off my mind, and before I had been there five minutes our choir started in singing 'The Lost Chord,' so I got out."—Judge.
