

**AT THE HIGH SCHOOL**

**COMMENCEMENT PROGRAM IS COMPLETE—75 WILL RECEIVE DIPLOMAS.**

Now that the regular school sessions are over and the final examinations are in full swing, all hands are helping to prepare for commencement week, beginning next Sunday night. Usually the graduating class is put under an intense strain during the last week of school, but this has been considerably lessened this year by the presentation of the class play two months ago, thus giving the wearied seniors at least two evenings off. Following is the week's program: Sunday, June 17, 7:30 p. m., Baccalaureate sermon, Rev. B. D. Snudden at the First Methodist Church, Third and Kenwood streets. Tuesday, June 19, class day exercises, 6:30 p. m., Ivy procession, high school lawn; Ivy oration, Kenneth Beldin, 7 p. m., class banquet, high school cafeteria. 8 p. m., program, high school auditorium: 1, march, high school orchestra; 2, class song, words by Ernestine Lyon; 3, address to undergraduates, Florence Heacock; 4, response, Margaret Lusby; 5, solo, Ed Seay; 6, class will, Jeannette McLennon; 7, violin solo, Evangeline Quackenbush; 8, class prophecy, Dan Hagin, William Balthis and Miller Fishel; 9, class song No. 2, words by Helen Harden; 10, march, high school orchestra. Tuesday, June 21, commencement exercises, 8 p. m., program, Methodist Church, corner Third and Kenwood streets. 1, "La Reine de Saba," high school orchestra; 2, invocation; 3, violin solo, Julius Kranz; 4, address, Judge B. F. Bledsoe; 5, vocal solo, Evangeline Hunchberger; 6, class memorial speech, Ed Seay; 7, presentation of class, Principal G. U. Moyses; 8, presentation of diplomas; 9, song, Girl's Glee Club (a) Norse Lulaby, Janet Wilson, '17; (b) June Rhapsody, Mabel Daniels. Friday, June 22, Senior farewell dance, 8:30 p. m. at Masonic Temple. Saturday, June 23, Alumni initiation, 8 p. m., dance and party, Masonic Temple.

Several of the affairs of the week will not be open to the general public. Class day exercises require a ticket for entrance, while a ticket will be necessary for one to sit in the lower floor Thursday night. Only admittance by invitation will be given at Friday's dance.

Following is the class roll: Phyllis Adam, Hope Armstrong, William Henry Balthis, Kenneth Belden, Richard Berry, Margaret Elizabeth Boucher, Earl X. Brown, Mona Elizabeth Boucher, Frederick A. Butts, Mary Grayson Butts, Kathryn Jeannette Coates, Lehman Wentworth Crandall, Nyda E. Dana, Charlotte Templeton Davis, Paul Fullmer Dieffenbacher, William Conklin Dreyer, Helen Derodah Fischer, Miller Walter Fishel, Marion C. Gamble, Helen E. Gould, Ruth Una Gray, Dan W. Hagin, Helen Harden, Marguerite Katherine Hauber, Walter Bernard Hawkins, Florence Mildred Heacock, Theodore Denman Hopping, Evangeline B. Hunchberger, Dorothy Lois Hunt, Marjorie Adelaide Imler, Elwood Ingledue, Florence N. Kenworthy, Gertrude Kenworthy, Leslie Kepler, Horace Lyndon Keyes, Jason S. Killgore, Jennie Cordelia Lacy, Margaret Lang, Ernestine Marie Lyon, Marie K. Maier, Howard M. McGillis, Jeannette McLennan, Irene J. McReynolds, Ralph Elwood Miles, Bessie Dorothy Mock, Homer K. Morgan, Alma Ward Pardon, Catherine Phillips, Ida Bell Potter, Aileen Eleanor Freeman, Evangeline Quackenbush, Katherine Mattingly Renshaw, Alexander O. Richardson, Lawrence C. Rowe, Lillian May Schick, Esther Elizabeth Schremp, H. Ernest Schuyler, Edward M. Seay, Mg. Bawon Seineyin, John William Sharpe, Jr., Maxwell Sheriger, Sarah Fay Snell, Dorothy Erna Stanton, Mary Elizabeth Stellar, Margaret Taylor, Harold Venske, Rafael L. Verdugo, Carleton Franklin West, Irving R. Westwood, Caro Annette Whitaker, Mildred Josephine Wight, Mary H. Wilkin, Paul R. Williams, Janet Wilson, Olin Murray Wilson.

**ALABAMA AND MISSISSIPPI FOLKS.**

Both Alabama and Mississippi will hold their picnics in Sycamore Grove, Los Angeles, Saturday afternoon, June 23, with basket dinners at 4 o'clock. Each one should bring cup, spoon and basket. Coffee will be provided for all. There will be an informal program after dinner, but the main object will be to have a good time. The county registers will be used so all may find friends. Everyone from these States ought to take a half day off and meet the old home friends.

**DEDICATE DINING HALL**

**BANQUET HALL OF NEW CHURCH USED FIRST TIME LAST NIGHT.**

The ladies of the First Methodist Church dedicated their kitchen and dining-room last night with a banquet and address by Dr. Dowey, the advance agent of the Billy Sunday campaign, who is now in this vicinity organizing men's Bible classes. After partaking of an excellent chicken dinner in the cool and inviting social hall of the new church, the diners listened to an enthusiastic talk on what has been done in other places. The speakers gave instances in the aristocratic residence section of Philadelphia—Mt. Airy—where a few people were in the habit of going to church on Sunday morning to listen to the high-priced choir, but where it is not fashionable for any considerable number of men to do even that—since the campaign there some two years ago they have a Bible class which has an attendance of over 200. Dr. Dowey showed photographs of these classes which have succeeded in holding together for two years and more.

The speaker said that the campaign has two great results—first, an increased membership of men for the churches uniting, and a very large percentage of this increase may be called a by-product of the campaign as they do not come directly from the tabernacle meetings. Second, a decrease in the amount of liquor consumed. To prove this second claim, he quoted figures published by the internal revenue office of the district including Philadelphia, showing a big falling off in the amount of liquor brought in during some months after the meetings closed. He emphasized the number of men who joined the churches as Billy Sunday's campaign is aimed at men particularly, not to the exclusion of women, however.

The speaker also spoke of the work in New York City, in some of the downtown districts where the churches have been moving out, and gave figures and showed pictures showing what has been accomplished by hard work.

Dr. Dowey will meet the men of the Glendale churches at some near date to give them definite instructions about beginning the work. The doctor tries to get these men's classes started in definite work about three months before the tabernacle meetings open. The men present last night very generally indicated their desire to take hold of this work.

The banquet room was well filled with an interested company of men and women of the various churches. The speaker, Dr. G. G. Dowey, Mrs. Dowey, the ministers of the city and their wives sat at the table in the center of the platform.

The ladies of the church, under the able direction of Mrs. R. Lacey, president of the Aid Society, and Mrs. C. Starkey, chairman of the June month, again gave evidence of their ability as caterers. The spacious social hall, which will accommodate 500, was a pleasing sight, every table tastefully decorated with flowers, and the large company intent upon hearing what they could do for the kingdom of God.

**CABBAGE HEADS IN NEWS OFFICE.**

There were five cabbage heads in The Evening News Office at an early hour Friday morning. It has always been supposed that there is one big cabbage head in the front office whenever the management is in, but this time there were four cabbage heads in the mechanical department. A. J. Shepard of 1535 Pioneer drive, who is shipping cabbage heads by the carload from his ranch, brought down a truck load to Glendale business streets and while here he left five at The Evening News Office. Mr. Shepard says there is a good foreign demand for this product, but the local demand is slow. The cabbages are round and heavy and show evidence of being well cared for.

**VALUABLE DOGS POISONED.**

A. H. Hurst at 1419 West Seventh street, and Charles I. Peirce on the same street, have each recently suffered the loss of a valuable dog from the effects of poison. The report is out that it is known who did the poisoning. Experts are at work making an analysis of the contents of the stomachs of the dogs and also of foods found that were supposed to have been mixed with poison.

**WEATHER FORECAST**—Fair tonight and Saturday. Continued warm. Northerly winds.

**LIBERTY LOAN OVERSUBSCRIBED**

**SECRETARY McADOO MAKES FORMAL ANNOUNCEMENT OF SUCCESS OF BIG WAR BOND DRIVE**

(Special Service to Glendale Evening News)  
WASHINGTON, June 15.—Secretary of the treasury McAdoo this afternoon formally announced that the Liberty Loan has been greatly oversubscribed. "The success of the loan is a genuine tribute to democracy," McAdoo said. "It is an unmistakable expression of America's purpose to carry the war to a swift and successful conclusion," he concluded.

It is probable that the oversubscription of the Liberty Loan may reach another billion according to Robert Wooley. That the Pacific coast has done its share is indicated by reports from all sections.

**WAR FOR SELF PRESERVATION**

**AMERICANS MUST REALIZE WE ARE GOING TO FRANCE TO FIGHT FOR AMERICA SAYS MARCOSSON**

(Special Service to Glendale Evening News)  
NEW YORK, June 15.—That the battle front of Europe is slowly but surely spreading from the Old World to the New was the warning sounded to-day by Isaac C. Marcossion, just back from Europe. "America must realize that she is in a war for self preservation," Marcossion declared. "If Germany is unbeaten on European battlefields then the deadly conflict will have to be fought out on our own shores. A huge American army in Europe is the best insurance against the crimsoning of our own soil. America must realize that we are going to France to fight for America. Germany is still full of fight. America's job has been cut out for her."

**RECRUITING SLUMPS**

**GOVERNMENT WILL DRAFT MEN TO FILL UP RANKS OF REGULAR ARMY AND NATIONAL GUARD**

(Special Service to Glendale Evening News)  
WASHINGTON, June 15.—In addition to drafting men for a new army the government will likely have to draft additional men for the regular army and the National Guard. This plan was prompted to-day by returns from enlistments throughout the United States yesterday. Only 1000 men applied for service yesterday. This is the lowest record since April 8. Recruiting is on the slump.

**SINK AVENGER**

**ARMED MERCHANT CRUISER GOES DOWN IN NORTH SEA ONE MEMBER OF CREW LOST**

(Special Service to Glendale Evening News)  
LONDON, June 15.—The armed merchant cruiser Avenger was torpedoed and sunk in the North Sea, the Admiralty announced to-day. All of the crew but one were saved.

**PRESIDENT SIGNS MEASURE THIS MORNING APPROPRIATING THREE BILLIONS FOR WAR**

(Special Service to Glendale Evening News)  
WASHINGTON, June 15.—President Wilson this morning signed the gigantic three billion dollar war budget bill.

**JOIN CANADIAN FLYING SCHOOL**

**AMERICANS UNABLE TO JOIN UNITED STATES AVIATION CORPS TO TRAIN IN CANADA**

(Special Service to Glendale Evening News)  
WASHINGTON, June 15.—Numerous Americans unable to join the United States Aviation corps because of a rush of applications are going to Canada to enlist in the Canadian flying school at Toronto, army officials declared to-day. Americans now at the Toronto school are assured early assignments in the Royal Flying Corps.

**FOURTEEN CHRISTIANS IN JAPANESE HOUSE OF REPRESENTATIVES**

TOKIO, June 15.—Fourteen of the 381 members of Japan's newly elected House of Representatives are Christians. This is an increase over the number in the last Diet. The number includes Saburo Shimada, former president of the House.

**ELKS HONOR FLAG**

**ANNUAL PATRIOTIC PROGRAM LARGELY ATTENDED AT B. P. O. E. CLUB.**

The exceedingly warm weather Thursday had no effect upon the ardor of the members of Glendale Lodge of Elks and their friends, who had planned to do honor to the Stars and Stripes by attending the annual flag day service at the club rooms. By 8 o'clock Thursday evening a large audience had assembled. Eagle Rock Home Guards, in uniform and armed, as well as Casa Verdugo Home Guards in uniform, were present and lent a military aspect to the scene, while 1289 White Star patrol were present in full force also.

Had any of the audience wished to forget that the occasion was in celebration of Flag Day they could not have done so, for Old Glory was everywhere. Stanley Frenz and Gus Pulliam, had charge of decorating the club rooms, and they had used palms and cut flowers and flags in such a way as to produce a perfect

effect. Many remarked that they had never seen such a large number of flags so artistically arranged in so limited a space before.

Flag Day is always observed by the Elks, but this being war time and the flag having special significance for us just now, a special effort was made that the program should be fitting the occasion. The music was placed in charge of Herbert Henning and the patriotic selections by the orchestra, as well as the solo, "Columbia, the Gem of the Ocean," by Walter Buttery, met with a response in every heart.

Exalted Ruler Albert D. Pearce presided and after the introductory address Chaplain Dr. C. Irving Mills gave the invocation. After the flag record and altar service, and the singing of "Auld Lang Syne," Rev. James S. O'Neill gave very impressively the Elks' tribute to the flag. Miss Doris Packer, who is a very talented young lady, read "Your Flag and My Flag" in a way that appealed to everyone present.

The Program Committee, consisting of Peter L. Ferry, James Fitzgibbons, Jr., Stanley Frenz, Herbert Henning, Gus Pulliam and W. M. Kimball, were very fortunate in being able to secure for the address of the evening, Judge Paul J. McCormick, who gave a splendid patriotic address. Judge McCormick said in substance:

Exalted Ruler, Fellow Citizens and Brother Elks: Responsive to the sentiment of patriotism we gather here tonight to exemplify one of the cardinal principles of our order—we come as Americans to renew our pledges of loyalty to our country and its institutions, and, as Elks, to reaffirm our fealty to its flag.

This day, memorable as it is in our national history, has been sanctified by the thoughtfulness and solicitude of the benevolent and protective Order of Elks, for not only is our order the first, but I believe, the only fraternal organization that enjoins the proper observance of this day upon all its members. Year after year we assemble on June 14 to recount the history of the flag, to recall what it stands for and to review the lessons that it teaches, and, indeed, my friends, it is eminently fitting and appropriate that we thus gather again tonight, for never in all our national life has the time been more propitious for the proper celebration of the day. Tonight Old Glory not only floats peacefully over our own land, securing to us the blessings of democracy, but kisses the breezes of sunny France as well, playing an important role in the greatest tragedy and the most terrible cataclysm in all time.

Its mission in Europe is and will be the same as its mission has ever been. Not that of aggression, militarism, or barbarism, but of liberty, self government and humanity. From the June day in 1776, when Betsy Ross suggested to George Washington the design of our flag until now, it has been the protector of the weak against the encroachments of the strong.

Its benign power wrested Cuba (Continued on Page 2)

**CITY TRUSTEES**

**ACKNOWLEDGED RECEIPT OF NOTICE OF CONSOLIDATION PETITION.**

The regular meeting of the Board of Trustees of the city of Glendale was held in the City Hall, Thursday evening, April 26, 1917. Present: J. S. Thompson, president of the board, and Trustees Charles Grist, R. M. Jackson, F. L. Muhleman. Absent: G. B. Woodberry, trustee. Also present: J. C. Sherer, City Clerk; T. W. Watson, City Manager; W. E. Evans, City Attorney; H. B. Lynch, Manager Public Service Department; G. H. Herald, City Marshal; A. H. Lanford, Fire Marshal.

The minutes of the last regular meeting were read and approved.

A communication was presented from Henry R. Harorwer calling the attention of the board to an article recently appearing in The Glendale Evening News, suggesting the desirability of Glendale providing a municipal pole and flag in the business center of the city. On motion of Trustee Grist the communication was ordered to be filed and referred to the Committee of the Whole.

A communication was presented from Richard S. Todd and five other citizens of Tropic giving formal notice to the effect that the signers of the communication have in circulation a petition asking the trustees of the city of Tropic to call an election to decide upon the question of consolidation of that municipality to the city of Glendale. On motion of Trustee Muhleman the communication was ordered to be placed on file and referred to the City Attorney for advice as to what action should be taken by the board.

A communication was read from Jonathan S. Dodge, Supervisor, reporting that Mr. McClellan, Mr. Joyner and himself had visited the point on Brand boulevard where the people of Glendale desire that a bridge be constructed, stating that in their opinion such an improvement is desirable, but that the writer did not know whether it would be possible to get into the present year's county budget the amount of money (\$20,000) which the improvement would cost. He suggested that the matter be taken up with Supervisor Woodley, who has charge of the budget, to see what amount can be placed in the tax levy for next year, and further stating that possibly the city of Glendale may want the improvement had enough to contribute a certain amount for the purpose of securing it in addition to the furnishing of the right of way.

A committee was present from the Chamber of Commerce which had been appointed to confer with the trustees in regard to this matter, and Mr. Cowan as a member of that committee addressed the board on that subject.

The chairman of the board explained the status of the matter and emphasized the advisability of having a strong committee, composed of members of the board of trustees and of the Chamber of Commerce, to write to the Supervisors in reference to the matter. The City Manager invited the committee to adjourn to his office to examine maps, etc., and to get other information bearing on the subject. The matter was laid over until later in the evening.

A petition was presented, signed by C. H. Bott and a large number of other business men and citizens, asking that some action be taken by the board looking toward the protection of local jitney men against the anticipated influx of competitors from Los Angeles. On motion of Trustee Muhleman, the petition was presented to the City Attorney in connection with other legislation referring to the same subject.

The manager of the Public Service Department reported that the city's contract with the Pacific Light & Power Company will expire July 1 next, and he had been informed that that company is not now prepared to take that kind of business, although it would probably be willing to enter into a short-time contract. That the Edison Company offered its power at a low rate on a long-time contract; further, that the aqueduct power plant is not yet prepared to make a tentative agreement, while such an agreement is expected from the Edison Company probably by Monday next.

He reported that citizens on Stanley avenue are asking his department to install lights on that street; he stated that the actual cash outlay for doing this at the present time would probably not be much in excess of \$100, although that would not cover the cost of the work. No action was taken, but the members of the board (Continued on Page 4)

## GET READY FOR "THE GREAT DRIVE"

Somebody is going to ask you to join and support the Red Cross next week, for it is "Red Cross Week," thus named and set aside by our good President. Don't fail to have at least a dollar ready, and no excuses!

The Red Cross is not a hit or miss organization, grabbing a dollar here and a dollar there and wasting the money. It is one of the five offensive and defensive arms of every civilized government on the face of the earth.

Every dollar that comes in is spent by the best business men in America for supplies and materials designated by the Medical Department of the United States Army—the Department that has stamped out yellow fever as well as other great national scourges.

Ex-President Taft is the Chairman of the Red Cross. A partner in the House of Morgan is its Financial Chief. Its accounts are audited by the War Department. Its existence and operations are directed under special Acts of Congress, and President Wilson himself, by executive order, established the Executive Committee under which the Red Cross is now being managed.

The Red Cross is therefore a part of the forces of the Government and must be supported as such. This support will be easy enough to get—when that support is too late. Let the toll of a single battle mount—as it often does—to 25,000 men or more! With the hospitals overcrowded and our own men dying for want of attention, the response to the Red Cross call will roll in fast enough—but then it will be too late.

Don't you be one of those to hold back until that time. Don't be a slacker. You inevitably will contribute. Why not now?

War costs money, billions of it, whether won or lost. Every day that it can be shortened will save this country millions of dollars; and the way to shorten it is to prepare quickly and fight hard. The mere sight of this great nation resolutely arming for the conflict will have a discouraging effect upon the enemy.

Defeat is vastly more expensive than victory. On top of the war cost would be added billions of tribute to Germany, an intolerable burden for free born American citizens to bear.

## NOT A PREHISTORIC SKULL— ONLY A QUEER FISH.

By SEC. G. C. C.  
The Glendale Chamber of Commerce has a queer fish in the show window. It is called "The Rock Oyster" or the "Boring Oyster," but it may be a clam. It is said to be hatched in the open sea, but as tiny shellfish it bores into a soft rock for safety from its many enemies. As it grows it turns itself, boring its hole larger, with a natural file on the shoulders of its bivalved shell. It is found on the coast of Oregon, at Newport, 150 miles south of Portland, and perhaps other places on the coast of Spain, near the Canary Islands. There are several species. One was loaned to the Chamber of Commerce exhibit by Mr. J. W. West, the retired Glendale watchmaker, 312 Belmont street, Glendale. Another is from the large collection of curios owned by Mr. R. D. Goss, 708 West Fifth street, Glendale, who has several cases of curios on exhibition in the G. C. C.

From all strange fish in sea or lake, This little freak doth take the cake. Come in to see it, and the other fine exhibits.

## PATRIOTIC PARTY.

A number of ladies were entertained at the home of Mrs. Daniel B. Pingree Wednesday afternoon, June 13. The decorations were all in the national colors, the flowers being arranged in conventional bouquets. The refreshments also harmonized in color. Mrs. D. C. Rice, mother of Mrs. Pingree, assisted her as hostess. The afternoon was spent in service for the Red Cross, the ladies bringing tissue paper and cutting it for pillow filling. A number of patriotic selections on the Victrola were enjoyed. Answering an appeal from the Red Cross for tissue paper, these ladies donated their old dress patterns for the purpose, and it might be hinted this scheme is not "patented." There must be lots of such material in Glendale just waiting the willing hands to prepare it for use for our wounded soldiers.

The lace around the neck or collar of blouses or dresses often gets soiled. To clean, take boracic acid powder, rub well into lace, and leave for a day or so. Then shake out, when the dirt will be quite removed.

## ELKS HONOR FLAG.

(Continued from Page One)  
from oppression and tyranny and placed its government in the hands of its own people in lieu of a foreign monarch's, who neither knew nor recognized its rights.

Its benevolent influence opened the eyes of the benighted Filipinos to the blessings of civilization and illumined their land with the torchlight of learning.

Its vigilant philanthropy, only a few days ago, restored order out of chaos upon the shores of Santo Domingo, and it is now constructing for that island an efficient and permanent democracy and inculcating into its citizens a love of liberty under law.

If anyone then ask me the meaning of our flag I say to him it means just what Concord and Lexington meant—what Bunker Hill meant, which was in short the rising up of a valiant young people against an old tyranny to establish the most momentous doctrine that the world had ever known or has since known, the rights of men to their liberties and self government.

Yes, my friends, the history of the flag is all on the side of liberty. From the gory fields of the revolution down to the battlegrounds upon the french frontier, it has been found with the armies fighting only for freedom's cause and against serfdom and selfishness. How glorious then has been its history! How divine its meaning—in all the world is there another banner that carries such hope, such grandeur of spirit, such soul inspiring truth as our dear old American flag, made by liberty, made for liberty, nourished in its spirit, carried in its service and never, not once in all its life, made to stoop to despotism. Let us then this day accept it in the fullness of its meaning. It is no idle and meaningless piece of bunting. It is the whole national history—it is the Constitution—it is the government. Should we not then this day we celebrate, and every day during these trying times, render efficient and loyal service to the flag. It is neither possible, necessary nor advisable that all join the military or naval forces to do a patriot's full duty. The plain citizen faithful to himself and in his relations with others fair and honest, adds lustre to the flag and contributes mightily to the perpetuation of its ideals. The unit of our national life is not in armies, nor navies, nor wealth, nor classes; our unit is the individual citizen. All races, all colors and creeds find in our beloved land a resting place where citizenship seeks the individual and demands of him the best that is in him.

Integrity of life and fidelity to duty—this, whether we be soldier, civilian or official, is the noblest source of our citizenship and the truest test of our patriotism.

If, in these dark days of difficulty and danger, we are not called upon to go to the front, we each can do our part. We can buy a Liberty Bond, participate in the Red Cross work, develop and conserve the food supply of our nation, or, like our patriotic friends from Casa Verdugo and Eagle Rock, join the Home Guards of our respective communities. These are the times for service and co-operation. We should neither countenance nor encourage disloyalty to our republic and its cause. There is room in this country for but one flag and that is the one we honor here tonight. Now there can be no division of loyalty in our land. The hands of our President must be upheld by all in these hours of travail—and by word and deed we must proclaim and perform undying and unmistakable allegiance to the flag.

In conclusion, ladies and gentlemen, let us be vigilant for liberty's sake. Let us remember the price of liberty and, remembering it, guard and preserve it to our utmost. Let us swear that we will bring to no party that does not carry the flag and keep step to the music of the Union. Let us demonstrate that popular government is the best. Liberty stands at the portals of our country for the enlightenment of the world. Let us see that its light shall never perish from the earth.

Mrs. I. D. Vinton is entertaining today at a yellow and white luncheon at her home, 1537 Pioneer drive. The guests are her mother, Mrs. Musgrave, of Los Angeles, Mrs. R. E. Frey, Mrs. John Shepard and Mrs. P. V. Potter.

Rev. R. W. Mottern goes to San Diego tomorrow to fill the pulpit of the First Lutheran Church in that city, recently left vacant by the death of Rev. Romich. In the evening Rev. Mottern will give his interesting Reformation lecture on "The Monk who Moved the World."

Mr. and Mrs. Drungold of Ojai, Cal., will return to their home today after having spent a year at the Glendale Sanitarium. Both Mr. and Mrs. Drungold leave very much improved in health and with warm praise for the sanitarium and each and every nurse, attendant and helper individually.

Hill McGillis, who for the past two months has been living with his parents, Mr. and Mrs. J. N. McGillis, of 205 Lomita avenue, left this morning for Lowell, Ariz., where he expects to obtain employment in some of the copper mines of that locality. He will stay with Hasty Bidwell, who is one of the many Glendale boys who are staying there.

Last Tuesday Mr. and Mrs. A. B. Heacock of 507 West Ninth street entertained as all-day guests Mr. and Mrs. Lynn Stanley and three children, Jeannette, Donald and Lynn, Jr., of Oakland, Cal. Mr. Stanley is Mr. Heacock's cousin and he is taking his vacation early in preparation to the return trip to Oakland in the near future. They made the trip down from Oakland via automobile, Mr. Stanley having several business matters to attend to at towns on the way down.

CALEXICO, June 15.—Gov. Cantu of Lower California has sent orders to the Mexican garrison here directing Lieut.-Col. Baranca and his staff to go to San Diego with the Twentieth Infantry band and act as his escort during the Friendship Fiesta June 22.

**CHURCH OPEN HOUSE.**

The various departments of the First Methodist Episcopal Church Bible school will keep open house this evening from 7:30 to 9:30 o'clock. This is done in order that the public may have an opportunity of seeing the departments in their several sections of the new church.

When the church was opened last Sunday it was a revelation to many of quiet, simple and yet beautiful dignity. One of the features freely commented on was the churchly lines of architecture, which in themselves lead to a worshipful mood. The different services of the week have disclosed the remarkable adaptability of the church to various phases of church ministry.

The Bible school is graded throughout according to the best pedagogical systems. And the building has been constructed with the purpose to serve all departments. Tonight the public will have an opportunity of seeing the departments, and it is hoped, with a large attendance of the members of each.

There will be competent persons in charge of the various sections to give information concerning them. Utility, convenience, ministry, worship have been the watchwords in planning and building. Some of the classes have already transformed their departments and rooms into places of restfulness and beauty. The whole building leads one to say, "Surely, this is the house of God." The public is invited and will be courteously received.

**ENTERTAINS CLASSMATES.**

The home of Mr. and Mrs. J. W. Sharpe of 111 North Central avenue was the scene of one of the happiest occurrences of the season last evening, when their son, John, entertained a number of his classmates at an informal dance and party. There were about twenty guests present, and although most of them were in the midst of their final examinations all that was forgotten for the time being.

Dainty little programs were passed out at about 8:30 o'clock, immediately after which dancing began. Music was furnished by a victrola, although several of the young ladies helped out at times by playing the piano. Throughout the evening a large bowl was continuously replenished with very refreshing punch, which was patronized very often both on account of its excellent flavor and also on the extreme heat of the evening. At a late hour delicious refreshments, consisting of ice cream and cake, were served, after which the party broke up after every guest had declared that he had enjoyed the "best time ever." Those who were the guests of their hospitable young friend were the Misses Marjorie Imler, Catherine Phillips, Helen Harden, Esther Shremp, Evangeline Hunchberger, Ernestine Lyon, Katharine Renshaw and Florence Heacock; Messrs. Carleton West, Varde-man Bailey, Thomas Phillips, Seymour Smith, Olin Wilson, William Renshaw and Howard McGillis.

**PETTIT-BOWMAN**

A very pretty wedding took place at the home of Mr. and Mrs. J. B. Bowman of Pomona, Thursday evening, June 14, at 8 o'clock, when their youngest daughter, Ruby A., and Guy R. Pettit of Glendale were married.

The ring ceremony was performed by Rev. Hudson of the Christian Church beneath a large floral bell. The bride was gowned in white silk. Immediately after the wedding dinner the young couple left for a short trip, their destination being secret. On their return they will make their home in Glendale, where the groom is favorably known and has a large number of friends who will welcome his bride. Mr. and Mrs. J. E. Pettit, parents of the groom, and Mrs. George Lemon and son Wilbur of Glendale attended the wedding.

**"THE GLENDALIAN PLAN."**

By WALT LE NOIR CHURCH.  
Last week The Glendale News first published the article entitled "The Glendalian Plan," suggested by Ezra F. Parker, a Glendale pioneer, and written by the secretary of the Glendale Chamber of Commerce. Since then thousands of reprints of that article, in circular form, have been and are still being sent throughout the United States and Canada; first to the President and Cabinet, then to national and State legislators, to judges, Governors, Mayors, secular and religious associations, newspapers and magazines. Now comes word that England is adopting that idea, approved by many great statesmen and financiers. The basic idea in the Glendalian plan is that the government should guarantee (not a maximum) but a minimum price for all food produced, which minimum price will cover cost of production and a reasonable profit. Then food will be produced in such quantities that the law of supply and demand will prevent prices from soaring abnormally. The Glendalian plan circular is advertising Glendale far and wide. With it goes an Aloha circular praising Glendale, the Beautiful and the Prosperous.

Shipments of iron ore from mines in the United States last year are estimated by the geological survey at 75,500,000 gross tons, an increase of more than 20,000,000 tons from the previous year.

**OBITUARY—MATTIE FREEMAN.**

By VERNON H. COWSERT.  
Mattie Freeman was born at Brookston, Tex., on the 16th of January, 1902. She came with her parents to California in 1909, settling in Glendale in September, 1911.

Converted while young in years she was baptized by Pastor J. H. Troy, in company with two of her classmates, in her thirteenth year into the fellowship of the First Baptist Church, Glendale. She was a constant attendant both at the Bible School and the church services, her last attendance upon God's house being accomplished with much physical effort, in order that she might witness the baptism of her youngest brother, in which event she much rejoiced.

She was taken ill with a severe attack of rheumatism on Christmas Day of 1915. While from this she seemingly recovered, the disease finally reached the heart, and during the remaining years of her life she was compelled to endure a hard, though brave battle, for existence. The best of medical skill was secured, and many were the prayers offered in her behalf by her numerous friends, but despite it all the end came peacefully on the early morning of the 13th of June. This she had long anticipated, and through the wearied condition of her frail body, came ultimately, like Paul, sincerely to desire. She never had a doubt that "to depart, and be with Christ, is far better." With the utmost calm and deliberation she bade her loved ones an affectionate farewell, and sought a final interview with her pastor. Upon repeating to her the assuring words of our Master's farewell discourse, expressive of His desire that His loved ones be with Him "where I am," she responded with a smile of the utmost delight, and with much physical effort, asked me to take a message to her friends, and to "tell them to be good," and added the encouragement that if they failed, "to try anyway."

She leaves to mourn her loss a devoted father and mother, Deacon and Mrs. T. S. Freeman, through whose constant and faithful care, her life was unquestionably prolonged; one sister, Mrs. Anice Pollock of Burbank, and five fond brothers, Hanford of Sunland, Roy of Los Angeles and Hugh, Sloan and Wade at home. To each of these, together with her many friends in the church, in the school, and in the community, her parting words will often come as an inspiration in the fight for a holy life, serving ever to emphasize that this bright young life has not been lived in vain. Meeting death with that calm confidence which only God's conquering children know, we are happily able to "sorrow not as those who have no hope." On the contrary we may joyously adopt as our own the eloquent words of one of our leading Christian statesmen, with slight adaptation to her case, as he mourned a departed comrade:

"I shall not believe that even now her light is extinguished. If the Father deigns to touch with divine power the cold and pulseless heart of the buried acorn, and make it burst forth from its prison wall, will He leave neglected in the earth the soul of man, who was made in the image of his Creator? If He stoops to give to the rose bush, whose withered blossoms float upon the breeze, the sweet assurance of another springtime, will He withhold the words of hope from the sons of men when the frosts of winter come? If matter, mute and inanimate, though changed by the face of nature into a multitude of forms, can never die, will the imperial spirit of man suffer annihilation, after it has paid a brief visit, like a royal guest, to this tenement of clay?"

"Rather let us believe that He, who in His apparent prodigality wastes not the rain drops, the blades of grass, or the evening's sighing zephyr, but makes them all to carry out His eternal plans, has given immortality to the mortal, and gathered to Himself the gentle spirit of our friend. Instead of mourning, let us look up and address her in the words of the poet:

"Thy day has come, not gone,  
Thy sun has risen, not set;  
Thy life is now beyond the reach of death or change,  
Not ended—but begun, O noble soul,  
O gentle heart, hail, and farewell."

**WOMEN! ATTENTION!**

The National and State Councils of Defense Committee on Organization has appointed Dr. Jessie A. Russell to organize the women of the county of Los Angeles.

The plan of organization calls for notices to be sent to a large number of organizations in the county.

A call is made for volunteers to assist in addressing these notices at the Glendale High School, Room 120, northeast corner of the domestic arts building, Saturday, June 16, 2 to 4 p.m. Here is an opportunity for all women to do their "bit."

**CITY TRUSTEES.**

(Continued from Page 1) expressed themselves informally as favoring the installation of the lights.

Mrs. Root appeared before the board presenting a report on the work of a women's committee on food conservation, an organization engaged in demonstrating the best methods of preserving fruits and vegetables, and other practical means of conserving the food supply. On motion of Trustee Muhleman, permission was granted this committee to use the Council Chamber for a meeting on the afternoon of June 21.

On motion, Resolution No. 950, "A resolution of the board of trustees of the city of Glendale declaring weeds growing upon and in front of certain lots in said city to be a public nuisance," was taken up for reading.

On motion of Trustee Grist, the same upon being read, was adopted.

In regard to the communication from Tropic citizens, the City Attorney presented a resolution in reference to the matter, which was, on motion, ordered to be read, and upon being read was adopted.

Resolution No. 951. A resolution of the board of trustees of the city of Glendale acknowledging receipt of notice given by certain electors of the city of Tropic declaring their intention to circulate a petition in said city asking for the consolidation of said city with the city of Glendale.

The board of trustees of the city of Glendale do resolve as follows, to-wit:

Whereas, on June the 12th, 1917, a notice signed by five electors of the city of Tropic, was filed with the City Clerk of the city of Glendale wherein said electors declare and state their intention to circulate and file a petition in the city of Tropic asking for the consolidation of said city of Tropic with the city of Glendale, and

Whereas, it appears that it would be to the best interest of the people of both the city of Tropic and the city of Glendale that said cities be consolidated;

Now, Therefore, be it resolved that the board of trustees of the city of Glendale hereby acknowledge receipt of said notice as provided by law, and hereby approve the intention of the signers of said petition and notice to circulate said petition in the city of Tropic.

J. S. THOMPSON,

President of the board of trustees, city of Glendale.

J. C. SHERER,

City Clerk of the city of Glendale. A communication was read from Miss W. F. Marr, stating that there is installed on her property on Canada boulevard a closed tank for sewage, from which liquids are removed by pumping, and asked if Ordinance No. 310 prohibits the maintenance of such a tank. On motion of Trustee Grist, the communication was ordered to be received and filed, and the City Manager instructed to write to Miss Marr in reference to the matter.

The City Attorney reported that there is little probability of an appeal being upheld in the case of the Knox Automobile Company vs. the City of Glendale, and that there are certain court costs and witness fees to be paid in the case, all of which are covered by the bond given by the plaintiff. As money from this source is not yet available, he suggested that the city temporarily take care of these expenses. No action was taken.

**RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.**

San Francisco, Cal., June 1, 1917. President Board of Trustees, Glendale, California,

Dear Sir:

As you probably know, the railroads and principal steamship companies of the State have filed with the Railroad Commission petitions asking for authority to increase by 15 per cent. all the California freight rates, both class and commodity.

The initial hearing on these petitions has been set for Thursday, June 21, 1917, at 10 a. m., in the office of the Railroad Commission, 833 Market street, San Francisco. At this hearing the carriers will be expected to present their case. The Railroad Commission will thereafter give opportunity to the California shippers, at subsequent hearings, to present their testimony. One of these subsequent hearings will probably be held in San Francisco and the other in Los Angeles.

We enclose herewith copy of notice of the hearing of the 21st inst.

The Railroad Commission invites all interested parties to be present and to assist the commission in its deliberations. The commission will appreciate your assistance in giving to this matter such publicity as lies in your power.

Yours truly,

RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.  
BY CHARLES R. DETRICK,  
MT-LC Secretary.
