Kakogawa-Higashi Upper Secondary School had 182 students with 9 teachers participating. Toyooka Upper Secondary School had a registration of 116 students and 5 teachers participating.

5. Social Education

a. PTAs

The chief feature of the month was a demonstration on how to conduct a meeting, sponsored by the Social Education Section of Kobe City for those east of the prefecture and by the Himeji Social Education Section for those west of the prefecture. The actors were two officers from each PTA in each of the two cities: Himeji and Kobe. These were to represent a model PTA. The audience consisted of members of all the PTAs in the two cities. The Kobe City demonstration reaped the need for emphasis on this subject.while the Himeji groups proved to be competent actors on how to conduct a meeting. Of course, it could be noted that the significance of parliamentary usage and democratic procedure of conducting a meeting has not penetrated the minds of these people and they still consider it child play.

b. Women's Affairs

Many conferences and meetings were held with the chief of the Women's and Minors' Bureau and other supporting agencies on the program for Women's Week--10-16 April. A detailed report on this subject will be submitted under separate cover.

Teachers' Working Hours.

Principals' Reports

from each Prim. LSS & USS. schools are coming in by Mail. They were asked by the Prefect. Board of Ed.

* It is noticed that when a teacher goes off his school on his duty in research or visiting other schools etc. His % of working days will be lowered by the no. of the off-school days. Mr. S. Watanabe, the sub-principal of Seishin Koto Gakko goes away from school on some duty every month, and his % of days he worked goes down to 66% in April 75% in May etc. while he ought to be recorded as 100%.
