QUAKE IN CALIFORNIA Twelve Killed and \$10,000,000 Damage in Santa Barbara EARTH SHOCKS ROCKED MONTANA REGION

PEOPLE IN MONTANA AREA NOW STAY IN OPEN SPACES AFTER QUAKE EXPERIENCE

Several States in Rocky Mountain Region Shaken by Series of Temblors; Buildings Destroyed; Loss in Gallatin Valley Put at \$500,000.

Helena, June 29—Montana points trembled again to-day as the earth shocks continued for the third successive day. Helena folk were awakened at 2.20 o'clock this morning by a sharp tremor that lasted for seven seconds. No damage was reported.

Helena, Mont., June 29—Helena people were awakened at 2.20 this morning by an earthquake shock that lasted seven seconds. No reports of damage by the latest of a series of shocks that started Saturday evening have been received.

Great Falls, Mont., June 29—Great Falls was visited with its fourth earthquake in thirty-two hours at 2.30 o'clock this morning. Houses were shaken by the quake, which lasted several seconds.

Helena, Mont., June 29—Residents of the Gallatin Valley, the apparent centre of the earthquake which shook four states Saturday night and yesterday, remained out in the wide open spaces to-day, looking back at about \$500,000 worth of ruins—the aggregate cost of the temblor.

It was a whimsical earthquake. No one was killed, but nearly a score of buildings cracked and fell. There were half a dozen landslides. A crevice extending at irregular intervals from Manhattan to Three Forks, a distance of ten miles, remains as one of the scars caused by the quake.

The Lombard tunnel of the Chicago, Milwaukee and St. Paul railroad suffered a cave-in, and an avalanche near Deer Park, covered 500 feet of railroad track nearby, leaving it buried under earth and rocks 100 feet deep. This was caused when a cliff 500 feet high toppled and fell.

Railroad officers announced that a force of 300 laborers would be put to work clearing tracks and the tunnel.

TRAINS RELEASED The three trains which were hemmed in on Saturday night by the avalanches were released to-day.

CARNIVAL SPIRIT HAS OPPORTUNITY FOR EXPRESSION Big Programme of Entertainments Now Well Under Way

With typical Victoria June weather, sunny and not too hot, the Carnival celebration of the opening of the Crystal Garden to-day entered upon its third day of entertainment, the features for to-day being the wonderful collection of roses at the Crystal Garden, organized by the Oak Bay Rose Society under the auspices of the Carnival committee, the reception by Queen Faith to visiting Queens at the Empress Hotel and the second performance of the Pageant at the Arena this evening, to be attended by Baron Byng, Mayor Penzance and all the City Council, and Queen Faith of the Carnival, with her Princesses.

TUESDAY'S PROGRAMME To-morrow the Fifth Regiment Band will play for the amusement of the city's guests, while the entertainments will continue on page 2.

ANXIOUS RELATIVES CROWD OFFICES FOR NEWS OF DISASTER

Tourists in Victoria from California with memories of the big fire and earthquake in San Francisco in 1906 revived by early reports from Santa Barbara, besieged The Times office from early morning until late in the day for information regarding the calamity. Many of the Californians in the city at the present time are from Santa Barbara or some other city near the scene of the disaster. Some of them with relatives at home were bowed with anxiety over the fate that may have befallen them, although their fears were somewhat allayed by early reports which contained no information of loss of life. Later, however, the reports told how falling buildings had taken their toll and anxious relatives rushed to telegraph offices hoping that a wire would go through to their friends in the stricken city and speed back a message which would ease their anxiety. All telephones in the office were busy during the day with inquiries both from tourists and from local people who have friends who are either in the South on a holiday or have taken up their residence in California.

GOVERNOR-GENERAL VISITING CITY; BARON BYNG OF VIMY

Governor-General Here; Byng Visits Soldiers To Speak Here Tuesday

War hero, leader of the Canadian corps in France during the early years, now statesman and Governor-General of Canada, Baron Byng of Vimy, arrived in Victoria from Vancouver this afternoon. Lady Byng accompanies him. At the Canadian Pacific Railway wharf, the Governor-General and his party were met by Lieutenant-Governor Nichol and Mrs. Nichol, accompanied by H. J. S. Muskett, private secretary, and taken to Government House, which will be their home for the next few days.

As soon as he got settled at Government House, the Baron prepared to set out to see the people and things in Victoria, that he specially wanted to see. The first on his list was the Army and Navy Veterans Club, which this afternoon he planned to visit before the dinner hour. All over the country these returned soldier clubs are the first that the general wants to visit because of his Canadian war associations.

To-night the official dinner for the Governor-General is being given at Government House by Lieutenant-Governor Nichol. If the dinner is through on time, the Baron plans to go out to the Arena to see the last part of the Pageant.

J. S. COWPER IS ORDERED TO FACE TRIAL Vancouver, June 29—"You are not only throwing mud at Mr. Baker, but you are besmirching the name of the dead girl who is not here to defend herself," declared Magistrate J. A. Findlay this morning in ruling against J. S. Cowper's counsel putting in evidence statements alleged to have been made by Barbara Orford, at the preliminary hearing of F. L. Baker's libel-charge against Cowper.

After hearing the evidence of John A. Norris and F. L. Baker, the former as to publication, and the latter as to the truth of the statements, the magistrate ordered Cowper to face trial on page 2.

MUCH OF CITY OF SANTA BARBARA IN RUINS AS RESULT OF EARTH SHOCKS, AND DEATHS SO FAR TOTAL TWELVE

QUICK AID FOR CALIFORNIANS

San Francisco, June 29—The American Red Cross headquarters here are negotiating for all available army aeroplanes here to rush a fully-equipped relief force to Santa Barbara. One of those who will go from here is J. W. Richardson, who headed the Red Cross relief in the tornado-stricken towns of the Middle West.

HOT WEATHER MAKES EXPERTS FEAR WORSE SITUATION IN WOODS

Department Learns How Heroic Ranger Saved Settlers and Died in Flames Had Made Last Dash Through Smoke Only to Perish on Edge of Water

Experts' predictions of continued dry, hot weather generally throughout British Columbia made forestry officials fear to-day that the present forest fire situation will grow more serious from day to day until the present heat wave breaks. All forest districts reported to the Forest Branch of the Lands Department this morning that their conditions were "extremely hazardous."

Indications generally over the Province, says the weekly bulletin of the forestry service, "point to hot and dry weather over the holiday period with exceptionally great danger of fires starting from the smallest spark. The public is requested to use every precaution in setting out camp fires and to make sure that every spark is extinguished before leaving the vicinity."

So far this year 594 fire outbreaks have been reported as against 771 last year and 412 at this time in 1925.

HEROIC RANGER Details of the heroic death of Oliver Clark, forest ranger at Port Neville, while he was rescuing settlers from a devastating fire, were received by Z. P. Caverhill, Chief Forester, to-day. During a lull in a fire near Port Neville, Clark, it was learned, guided a band of settlers through the woods to the edge of the sea. Here they sought safety on rafts as a sudden burst of wind whipped the flames on shore into fury again.

Growing Weather Ideal For Grain On Prairies

Winnipeg, June 29—Abundant rainfall and ideal growing weather throughout the prairie region during the last week has greatly increased the prospects of a bumper yield of wheat and other grains this year, according to the weekly crop report of the Canadian Pacific Railway's agricultural department.

Buildings in Southern California Town, Including Hotels, Thrown Down By Earthquake This Morning; Communication Interrupted; Geysers Rose From Water Mains.

Santa Barbara, Cal., June 29—Twelve known deaths, \$10,000,000 damage and virtual destruction of most of the business buildings on State Street in this city resulted from an earthquake at 6.45 a.m. to-day. The scene of the destruction was visited by a staff man from the Los Angeles office of the Associated Press.

Santa Barbara, Cal., June 29—Several persons were killed and from 100 to 300 were injured in an earthquake that shook this city at 6.45 a.m. this morning damaging practically all structures in the city and wrecking several of the largest buildings.

San Francisco, June 29—The Southern Pacific operator at Naples, fifteen miles northwest of Santa Barbara, reported another severe earth shock at 11.30 o'clock a.m. to-day. The operator dropped the telephone and fled.

San Francisco, June 29—The Pacific Telephone & Telegraph Company here received word that another severe earthquake was felt at Santa Barbara at 10.15 a.m. to-day.

Santa Barbara, Cal., June 29—The San Marcos Building, largest business structure in the city, completely collapsed along one third of its length during the earthquake this morning. The Arlington Hotel and the St. Francis Hospital were partially destroyed.

One of the four killed was Mrs. A. Perkins, wife of a wealthy railroad man, who was killed in the collapse of a wing of the hotel.

The bodies of the other persons killed were found in the wreckage of business buildings on State Street.

The quake appeared to centre in the business district. There were two severe shocks at 6.46 and 6.47, followed by about twenty others of minor violence.

Two fires started in the city, but little damage was done by them. At first it was feared there had been considerable loss of life, particularly in the Arlington Hotel, one of whose walls collapsed like an egg-shell.

GEYSERS IN STREETS The main street of the city heaved up and buckled under the temblor, and as the water mains parted geyzers shot up through the pavement. Accompanying the quake were tremendous waves which rushed in from the bay and flooded the lowlands.

The largest building in the city, the Granada Block, withstood the shock.

WIRES REOPENED San Francisco, June 29—Direct telephone communication with Santa Barbara was established by the Associated Press late this morning through Los Angeles, and later from San Francisco. First reports over the re-established wires showed casualties not so large as at first rumored.

DEATHS IN HOTEL Santa Maria, Cal., June 29—Seven persons were killed in the destruction of the Hotel Arlington in Santa Barbara by the earthquake this morning, according to advices received here.

HOTELS DESTROYED San Francisco, June 29—The Cabrilla Hotel and a big beach hotel at Santa Barbara were destroyed in the quake, the Southern Pacific Company was advised here. Most of the buildings on State Street were destroyed.

The Cabrilla Hotel first split in two and then collapsed. The Gibraltar Dam, said by the company to be part of the city's water system, was empty, the message said.

ENGINES CRUSHED San Francisco, June 29—One report received by the Southern Pacific Company here said seven engines had been lost in Santa Barbara in the earthquake this morning. Another message to the same company said twenty-seven had been killed.

ROUNDHOUSE FELL San Francisco, June 29—An earthquake at 6.44 a.m. to-day caused the Southern Pacific roundhouse at Santa Barbara to cave in, demolishing the railroad station at Goleta, nine miles away as the result of too much rain.

RETURNED SOLDIERS FROM ALL PARTS OF EMPIRE IN OTTAWA

United Service League Starts Its Biennial Meeting With Haig Present

Delegates Welcomed by Premier King; Col. T. S. Foster Made Chairman

Ottawa, June 29—The biennial parliament of British ex-service men began in Ottawa this morning. With the mace of the Canadian House of Commons on the table and the Speaker of the House in the chair, returned soldier delegates from every part of the British Empire to the British United Service League began their conference. Field Marshal Earl Haig, Grand President of the league, prefaced his stirring address with the reading of messages of sympathy and encouragement from the King and the Prince of Wales.

LEADERS THERE On the platform were the Field Marshal and Lady Haig, Speaker Lemieux, the Premier, Chief Justice F. A. Anglin, Sir Robert Borden, Hon. S. E. Heald and James A. Drain, the American commander of the American Legion. The big committee room of the Commons was filled with delegates and other Canadian ex-service men who are here for the convention. There was a good sprinkling of women in the audience.

At the conclusion of the opening formalities, Colonel T. S. Foster, chairman of the British Legion, was elected to the chair of the conference. He was handed back to the Chinese with compensation for all damages and that the officers apologize.

FOREIGNERS TO LEAVE SHAMEEN

Hongkong, June 29.—The British and French consuls-general have requested all foreigners other than British and French nationals to leave Shameen, the foreign concession in Canton, as a measure of protection.

ARMS PLANTS NOW MAKING MACHINERY

German Firms Produce Agricultural Implements Instead of War Guns

Says Canadian Trade Commissioner on Visit to Victoria

Now that Germany has stabilized currency it offers a safe and profitable market for Canadian goods and one that is growing every year. The big munition plants which formerly manufactured the implements of war are now turning out the tools of production, actually turning the guns to ploughshares, and although Germany's export trade is still less than it was before the war, month by month for the last half year the increase of Germany's export trade has featured trade reports.

Canada, however, continues to export considerably more to Germany than she imports from that country. Last year Germany was Canada's third largest market, says L. D. Wilton, Canadian trade commissioner on page 2.

Chinese Now Demanding Possession Of Shameen

Canton, June 29—Representatives of the Chinese Foreign Office arrived in Shameen, the foreign quarter here, late this afternoon, bringing five demands by the Chinese Government. They included demands that the British and French consuls apologize and be replaced by others; that the foreign gunboats all leave; that Shameen be handed back to the Chinese with compensation for all damages and that the officers apologize.

CANADA HOUSE WAS FORMALLY OPENED BY KING

Queen Saw Interesting Ceremony To-day in Canada's London Offices

Gold Keys Presented to King; Children of This Country Cabled Greetings

London, June 29—King George, accompanied by Queen Mary, to-day formally opened Canada House, the new Canadian headquarters in London. Their Majesties were received at the door by Hon. P. C. Larkin, Canadian High Commissioner, who handed the key of the building to the King. When the doors were opened the King returned the key to Mr. Larkin.

On entering the building Queen Mary received a message from Miss Aileen Larkin, daughter of the Canadian High Commissioner, and the Royal Party was then conducted to the dais and the National Anthem was played by the Grenadier Guards' band. The High Commissioner then read an address to the King and after His Majesty had replied, "O Canada" was played by the band. Official presentations to the King followed, and these included representatives of the builders and workmen who had been employed on the alterations that were made in the building.

ment features will include a novel contest for volunteer fire fighting companies, organized by Chief Vernon Stewart and held at 2 o'clock on Blanshard Street at Johnson Street intersection.

FOUR THOUSAND PEOPLE HEAR FESTIVAL CHOIR OF THREE HUNDRED VOICES
Over four thousand people gathered in the Arena yesterday afternoon at 3 o'clock to hear the grand concert given by the Victoria Festival choir and full orchestra arranged by the city.

Several minor shocks followed, ending at 6.55.
The earthquake in Southern California was well defined on all the local seismographs at Gonzales Heights Observatory.

CANADA HOUSE WAS OPENED BY KING

(Continued from page 1)
GREETINGS FROM CHILDREN
Afterward the King and Queen inspected the various departments and proceeded to the High Commissioner's room, where they signed a book which had been especially prepared.

HOT WEATHER MAKES EXPERTS FEAR FIRES

(Continued from page 1)
Before attempting to escape from the shore himself Clark hurried back through the smoking woods to the settlement to make sure that no one had been left behind.

published in The Tribune, not with anything said by somebody to Mr. Cowper," the magistrate ruled.
The ruling, which was fore-shadowed in repeated utterances from the bench that Mr. Wismer was seeking only to "throw mud at" Mr. Baker and "besmirch him," came in its finality when R. L. Maitland, associated with G. L. Fraser in the prosecution, presented against Mr. Wismer getting a description of the interior of the Oler Avenue house from Mr. Baker.

TEST DESIRED

"We object to anything that will enable Barbara Orford to bolster up her story before she is cross-examined," explained Mr. Maitland.
"We say her story is a pure myth, and while we know she has schemed her way into the house since to study the layout, we don't know how much she really knows. Naturally we want to be able to test her knowledge of the interior of that house. Obviously if Mr. Wismer gets out of Mr. Baker's evidence that will show where the different rooms mentioned by Miss Orford are situated it will be of assistance to her when she gives her evidence."

RUMORS UNFOUNDED

Meeting quotations from the Orford statement put to him by defence counsel Mr. Baker, who fairly denied certain prominent people had been in his house the night before the girl's body was found, that there had been any party that night that had been ever taken Janet Smith motor riding alone.

RESERVOIR WRECKED
The quake broke water and gas mains, snapped telephone and telegraph wires, and broke the reservoir supplying the city with water.
Breakage of the reservoir did not, however, cause any damage so far as known.
Telephone communication with Los Angeles was restored about 10.55 when a single line in a garage was found to be functioning. State Street had been closed to traffic by the Arlington Hotel to the beach, owing to the danger of badly damaged walls collapsing.
EXCHANGE DEMOLISHED
San Francisco, June 29.—The Santa Barbara Exchange of the Pacific Telephone and Telegraph Company was demolished by the earthquake this morning.
The exchange, which was a four-story building, was a cripple wire said shortly before 9 o'clock.

HOLLYWOOD SHAKEN
Hollywood, Cal., June 29.—Hollywood experienced a shock early this morning from earthquake tremors. No damage was reported. Buildings shook and furniture danced about the floors of homes.
SECOND SHOCK
San Jose, Cal., June 29.—A second earthquake shock, less severe than the one which created havoc in Santa Barbara to-day, was recorded by instruments at Santa Clara County at 10.45 a.m. The first shock at 6.45 this morning was the most severe recorded at the college since 1911.
CLOCKS STOPPED
Santa Monica, Cal., June 29.—A sharp earthquake about 6.45 o'clock to-day lasted several seconds, stopped clocks and caused buildings to rock visibly. No damage was reported.

**G.W.V.A. DELEGATES END CONVENTION**

Ottawa, June 29.—The business sessions of the annual convention of the Great War Veterans' Association, sometimes referred to as the "soldiers' parliament of Canada," were brought to a close here Saturday afternoon after one of the most successful and largely-attended gatherings in the history of the association.

It was decided to hold the next convention in Nova Scotia, but the city was not named.

A session will be held this afternoon, when Lieut.-General Sir Richard Turner, V.C., will be formally installed in office as president, and at a mass meeting of returned soldiers and dependents, to be addressed by Field Marshal Earl Haig on Tuesday night, the convention will be adjourned.

**LEAGUE CONFERENCE**

Delegates to represent the association at the British Empire Service League conference, commencing here to-day were appointed Saturday afternoon. They are Lieut.-General Sir Richard Turner, V.C., president; Major W. D. Sharpe, M.P., of Brampton, Ont., the past president, and Captain Ian Mackenzie, M.P., of Vancouver. Colonel James McAra of Regina, first vice-president, stepped aside in favor of Captain Mackenzie and strongly

urged his appointment because of his knowledge of world affairs. It was decided to continue the legislative and adjustment service bureau of the association, operated since 1917 on behalf of all war veterans and dependents.

The report of the ways and means committee was received and showed that if the Dominion Command functioned in behalf of its members only, the current revenues would be sufficient.

**MANY CASES HANDLED**

More than 8,000 adjustment cases were now in the hands of the adjustment offices. It was said, and an average of thirty-three new cases was received daily. Satisfactory adjustments in the past three months totaled 565. The committee considered these facts made it imperative to continue the service.

The president's cup for the largest percentage increase in membership during the past year was presented to W. Wakeling, president of the Verdun, Que., branch.

The "Birthday Shield," awarded to the province giving the best exhibition of loyalty during the association's birthday celebrations, was presented to Saskatchewan and received by Colonel James McAra of Regina.

The convention adopted a resolution urging that an army discharge certificate should constitute an ample passport to and from all parts of the British Empire.

**CARS DERAILED**

Saskatoon, June 29.—Nine freight cars of a Canadian National Railway train proceeding into Saskatoon Saturday afternoon were derailed owing to a sun kink in a rail near the Grand Trunk Pacific bridge at the south of the city. Five of the cars tumbled down the embankment, spilling their contents of grain. The engine passed the kink and the caboose was not derailed. No person was injured.

**Furniture Sale**

Now on. Take advantage of this opportunity to save money on your purchases.

**Comfortable Couch** Large size, with oak frame, covered in leatherette. Regular \$37.50. Sale **\$26.00**

OUR VISITOR

THE CANADIAN PEOPLE learned with marked regret that Baron Byng of Vimy is not likely to remain the tenant of Rideau Hall for another term.

As a worthy successor to the many distinguished men who have added lustre to their careers as His Majesty's representative at Ottawa, the Governor-General whom Victoria welcomes heartily to-day quickly captured the whole country with his many amiable qualities, his outstanding ability, and his admirable discharge of the duties of his high office.

Victoria shares the regret which the country as a whole feels that the present occasion probably will be Baron Byng's last official visit to this Coast. It will, however, look forward to seeing him out west again when he will be enabled to renew those former associations which permanently link the name of Byng to this Dominion.

THE SESSION

JUST UNDER FIVE months is not a long session for the Parliament of Canada. It was not unusual for the House to sit for seven or eight months before the war. So the length of time occupied by the dispatch of the country's business this year must be regarded somewhat as on the side of brevity in comparison with former days.

If nothing much besides definite action on the part of Parliament in respect of freight rates could be charged up to the Session just concluded, there would be cause for satisfaction. In this also British Columbia has a direct interest. The direction which the Board of Railway Commissioners has now received from the country should result in the emancipation of western industry and stimulate development which has hitherto hindered.

TAKE IT FOR GRANTED

A CONTEMPORARY seems rather alarmed because the German people are getting up at three o'clock in the morning to witness exhibitions of flying by German airmen, and sees a future danger in the fact that ten thousand go to a football game in Great Britain to one who takes up a point of vantage for an occasional air race.

become so accustomed to the comings and goings of huge passenger aeroplanes all over the country that the occasional formation display at one or other of the aerodromes no longer has the thrill which a cheaper form of amusement like football furnishes.

One has only to go to Croydon or any other air passenger terminus to discover how calmly everything is working in respect of this latest and popular form of locomotion. All the novelty has worn off. Gaspings of astonishment from holiday crowds have been replaced by ordinary economic considerations.

This is the thing that counts and it will be found that Great Britain is not lagging behind, even if Britons do not get up at three o'clock in the morning to find out how to take off in something less than no time.

ANOTHER PARLIAMENT

ANOTHER PARLIAMENT at Ottawa commenced the transaction of business this morning. This is the biennial gathering of British ex-servicemen under the presidency of Field-Marshal Earl Haig.

It has long since been recognized that war leaves behind it a crop of problems which are not easily understood or solved by national parliaments unless they are advised by those whose intimacy with the conflict has furnished them with their points of view.

WORDS OF WISE MEN

He that calls a man ungrateful sums up all the evil a man can be guilty of. -Swift. A man should take care, above all faults which are in his own hand, to be himself. -Addison. It is a little sign of a wise or good man to suffer temperance to be transgressed in order to purchase the repute of a generous entertainer. -Atterbury. One impulse from a vernal wood may teach you more of man - Of moral evil and of good - Than all the sage can. -Wordsworth. Nothing is so great an enemy to tranquillity and contented spirit as the amazement and confusion of unreadiness and inconsideration. -Taylor. The jealous man is not angry if you dislike another, but if you find faults which are in his own character you discover not only your dislike of another, but of himself. -Addison. A solid and substantial greatness of soul looks down with neglect on the censures and applause of the multitude. -Addison. Hope thinks nothing difficult; despair tells us that difficulty is insurmountable. -Watts. Happiness is no other than soundness and perfection of mind. -Antoninus. It is by imitation, far more than by precept, that we learn everything, and what we learn thus we acquire not only more effectually, but more pleasantly. -Burke. WHO'S WHO IN HISTORY TO-DAY MONDAY, JUNE 29

AN OLD GAME

THIS IS THE TIME OF the year which reminds us of the economic "disaster" which befell the men who first introduced straw hats into Scotland. Then, as now, and it was as far back as 1798, the people of Great Britain knew something about tariff duties and their relation to the domestic purse.

TAKE IT FOR GRANTED

A CONTEMPORARY seems rather alarmed because the German people are getting up at three o'clock in the morning to witness exhibitions of flying by German airmen, and sees a future danger in the fact that ten thousand go to a football game in Great Britain to one who takes up a point of vantage for an occasional air race.

few weeks, rendered the popular tax-evading novelty liable for payment. The Act fell by the wayside in 1811, remembered mainly by a free trade people for the fact that it allowed exemption only to night-caps, those that were worn in those days, not the liquid kind.

HEALTH & DISEASE POISON IVY

This plant (also known as the poison oak) which is the cause of frequent annoying attacks of skin trouble, belongs to the Sumach family. There are two species in British Columbia which are poisonous, one on the coast—more common on Vancouver Island, and the other in the drier parts of the Province East of the Coast Range.

The poisonous ones are easily distinguished from the non-poisonous Sumach, by the fact that neither of them grows higher than about two feet at the most, and by the fact that they have only from three to five leaflets in their compound leaves, which are very much like the Virginia Creeper. The ordinary Sumach has from thirteen leaflets upwards.

The rash appears on the exposed parts—face, hands and wrists. In a few cases it may be confined to the face, but in most cases it is accompanied by redness, swelling and great itching or burning. The rash may be carried to other parts of the body with the touch of handkerchief or by handling, if one is not careful. Sometimes it may be difficult to distinguish from an acute eczema or erysipelas. During the height of the attack cooling lotions should be applied.

WORDS OF WISE MEN

He that calls a man ungrateful sums up all the evil a man can be guilty of. -Swift. A man should take care, above all faults which are in his own hand, to be himself. -Addison. It is a little sign of a wise or good man to suffer temperance to be transgressed in order to purchase the repute of a generous entertainer. -Atterbury. One impulse from a vernal wood may teach you more of man - Of moral evil and of good - Than all the sage can. -Wordsworth. Nothing is so great an enemy to tranquillity and contented spirit as the amazement and confusion of unreadiness and inconsideration. -Taylor. The jealous man is not angry if you dislike another, but if you find faults which are in his own character you discover not only your dislike of another, but of himself. -Addison. A solid and substantial greatness of soul looks down with neglect on the censures and applause of the multitude. -Addison. Hope thinks nothing difficult; despair tells us that difficulty is insurmountable. -Watts. Happiness is no other than soundness and perfection of mind. -Antoninus. It is by imitation, far more than by precept, that we learn everything, and what we learn thus we acquire not only more effectually, but more pleasantly. -Burke. WHO'S WHO IN HISTORY TO-DAY MONDAY, JUNE 29

AN OLD GAME

CAR SERVICE

To the Editor:—A corporation is said to have neither a soul to be saved nor a part of its person to be kicked; the B. C. Electric Company is a corporation, so probably a little criticism will not hurt it, and if inwardly directed, will certainly do it a lot of good.

On Saturday last an audience of several hundred people assembled at the Arena to witness a performance of a play which was very good and well worth seeing. When the audience poured out into the street at the conclusion of the play they found themselves confronted with a cold wind, no light and not a car (trolley) in sight.

I should like to point out that the sufferers on an occasion like this are not only the members of the Chamber of Commerce, and Kiwanis and other clubs, but the poorer classes of citizens whose pockets are emptied by the time they have done their shopping in which a man throws guts to a bear. And the trouble might so easily be avoided if only there were a service in charge of the business who were acquainted with the methods of handling affairs in other places.

TIDY UP THE CEMETERY

To the Editor:—I suppose vials of wrath will be poured out upon my head if I dare to say harsh things about the condition of Ross Bay cemetery. I have been a member of the City Council for some time, and I am sure that the members of the City Council will be glad to see any improvement work was done there last winter, but not enough. I suppose a fair amount of money is being spent upon our parks and boulevards, enough to keep them neat and tidy, whilst God's Acre is allowed to remain in a state of extreme neglect.

WORDS OF WISE MEN

BEDTIME STORY Uncle Wiggily Cuts the Grass

(By Howard R. Garis.) "What are you going to do for Fourth of July, my dear?" asked Uncle Wiggily's new wife of him one morning a few days before the glorious holiday. "Well, I suppose I shall go off adventuring, and see if I can run fast enough to get away from the Bob Cat or the Fox," answered the bunny gentleman. "That's what I generally do on a holiday."

The rabbit hid the skyrocket

some red fire. Skipper and Nipper would like to see you light a Roman candle. Really you ought to do something. "I shall," cried Uncle Wiggily in his joy. "I'll make a fine Fourth of July for the little bunnies. But we must be very careful. Fire-works are dangerous for children. I shall set them all off myself, while you keep Skipper and Nipper, and Jingle and Jangle and all the others in a safe place."

WIMBLEDON TENNIS

Wimbledon, June 29.—Lucien E. Williams, of Chicago, and J. B. Fenno, of Boston, were eliminated from the doubles play at the Wimbledon tennis championships to-day by L. A. Godfrey and J. D. P. Wheatley, 6-4, 6-2, 6-0.

HORSE RACING

Winnipeg, June 29.—The closing day, Saturday, of the racing meet at Whittier Park had as its feature the highest price paid on any track in Winnipeg this season. Tag Day, winner of the sixth race, paid its backers \$91 for a \$2 mutual ticket.

see it. And then the rocket dipped down toward the ground and rushed through a jangle of bushes and, just as it did so, out of the bushes ran the Pussy Fox, with his tail between his legs howling: "Don't burn me! Don't burn me! I'll go away! I won't nibble anybody!"

And then Uncle Wiggily came hopping along crying to know who had set off his rocket. "But I did it," confessed Jingle. "But it's a good thing I did, Daddycums, for it scared away the Fox who was hiding to nibble your ears! Wasn't it a good thing I lit the rocket, even if it isn't Fourth of July, Daddycums?"

TO-MORROW'S HOROSCOPE

By Genevieve Kemble TUESDAY, JUNE 30 Although rather adverse lunar figures dominate on this day, Saturn orbited by the solar orb may be responsible for the removal of a long trailing stellar veil. Despite some passing disappointments in social and domestic activities, there may be compensating developments in affairs of the heart. Avoid money risks.

ENGLISH FOOTBALL

Tourists Capture Game in Australia Toowoomba, Australia, June 28.—The touring English soccer team defeated the Toowoomba eleven here to-day, 6 goals to 0.

WIMBLEDON TENNIS

10-Day Tube FREE Mail the Coupon This new way works wonders on cloudy teeth Modern science, by perfecting a new way of combating the stubborn film that covers teeth, now opens the road to whiter teeth, safely.

THE GREAT ENEMY OF TEETH Film is the great enemy of teeth beauty. And a chief cause, according to world's dental authorities, of most tooth troubles. It clings to teeth, gets into crevices and stays. Germs by the millions breed in it. They, with tartar, are the common cause of pyorrhea. It holds food in contact with teeth, inviting the acid that causes decay. You can't have prettier, whiter teeth; you can't have healthier teeth unless you combat that film. Ask your druggist or mail the coupon for Pepsodent. Don't expect the same results from old time dentifrices. Begin beautifying your teeth to-day.

FREE Mail this for 10-Day Tube to Pepsodent Send to THE PEPSODENT COMPANY, Inc., 335, 191 George St., Toronto, Ont. Name: Address: Only one tube to a family.

TWENTY-FIVE YEARS AGO TO-DAY

Victoria Times, June 29, 1900 The annual meeting of the patrons of the Jubilee Hospital was held in the City Hall this afternoon. Closing exercises were held in all public schools this morning with many schools making a fine showing. The fire department was called out to a fire in the Albion Stove Works.

# Always have Mustard on the table

It's not just custom that makes people take mustard with their meals. Mustard aids digestion and helps to assimilate the meats. It is a good habit to acquire. Mix it freshly for every meal.

## but it must be Colman's

### Two Were Killed By an Avalanche

Los Angeles, June 29.—An avalanche in the high Sierras twenty miles above Kernville, in Kern county, killed two Los Angeles members of a week-end fishing party late Saturday, reports reaching here said. Meagre advice telling of the tragedy did not mention any earth tremors connected with the slide, but spoke of a heavy rainstorm preceding it.

### Calgary Woman Killed by Automobile

Calgary, June 29.—Miss Margaret McPhedran, fifty years old, a teacher at the Earl Grey public school here, was almost instantly killed Saturday night when she was knocked down by an automobile driven by Miss Jeanne Landreau.

### Five Killed in Auto Accident

Ashtabula, Ohio, June 29.—Five persons were killed Sunday evening

**Division 13**  
Rolls of honor—Proficiency, Dorothy Hill; good conduct, Yaelo Bennett; regularity and punctuality, Margaret Caldwell, Elsie Cross, Muriel Harrison, Albert Kirkbride, Edith Restell.

### Earl Haig Given Welcome in Ottawa

Ottawa, June 29.—"Americans and Britishers from all parts of the world here gathered with their heads bowed in the ceremony of the unveiling of the British Empire monument in the hands of the United States and the British peoples primarily rest of the future peace and happiness of all countries."

This Field Marshal Earl Haig in a speech in Ottawa Saturday afternoon, responded to the welcome of the Government of Canada and the City of Ottawa. On his arrival here to preside over the meeting of the British Empire Service League of War Veterans, the leader of the British forces in the latter part of the Great War told the Canadian people that as the ambassadors of the Empire on the American continent they had a part to play in the best interests of humanity no less important than the part they had taken in the war.

A link between the Old World and the New, a bond between two hemispheres, he said, Canada would always be the liaison between the English-speaking peoples of the future along the lines of humanitarian principles and ideals which the British Empire had States and the British Empire had States and the British Empire had States in common.

**MANY LEADERS THERE**  
Premier King and his Cabinet, Chief Justice F. A. Anglin, as the representative of the all the senior officers of the navy, the army, the air force, the cadet services and most of the returned soldier organizations headed a reception on Parliament Hill, in which many thousands took part.

Units of all the services mentioned assembled on Parliament Hill. Behind those thousands of citizens thronged the great laws and cheered the field marshal reviewed Canada's part in the war from 1915 to 1918. Canada had admitted, with wholehearted generosity, the debt of the British Empire, had responded with a "sense of duty and justice and far-sighted patriotism" to the need of Britain, whose wisdom and manhood and capital had helped to build up Canada.

"I am convinced," he added, "that nowhere outside the Empire could the scope of opportunities for service to her own people and for the progress of humanity to progress with opportunities she enjoys a more glorious or a more individual work to fulfil than lies to her hand to-day."

Earl Haig saw Canada as a link between the Old World and the New, a bond between the two hemispheres—in fact, a keystone of the arch of the British Empire. This was Canada's mission in the present period, the field marshal said.

After reviewing Canada's part in the war, he reminded his hearers that the efforts of Canadians when they shared in the glory and the service had been primarily in the interests of humanity, for the furtherance of those ideals which English-speaking and French-speaking peoples share in some degree, "but we believe to be particularly of the British commonwealth peoples of the world."

"It is my profound belief," he went on, "that there is still a great work of civilization and of human progress for the British Empire to perform; and Canada, with her historic connections with the two old civilizations of Europe and with her long land frontier with the great English-speaking commonwealth of the United States, has within it that great work as conspicuous and fully as important as that played by her in the Great War."

**PREMIER SPOKE**  
Premier King, in his speech of welcome, emphasized the esteem and affection with which the English-speaking peoples of the world regarded the field marshal and Lady Haig. He conveyed Canada's good wishes for the success of the British Empire Service League conference.

Controlled by Mr. Elroy, on behalf of the city, also welcomed Lord Haig at the saluting base.

In "Barrett Wendell and His Letters," by M. A. DeWolfe Howe, which was the Pulitzer prize for the best biography of 1924, appears the following letter written by Wendell to Barrett in February, 1858: "On Friday, the 22nd, the Tavern Club celebrated J. R. Lowell's seventieth birthday at a dinner no one who was there will forget. Norton presided; Lowell spoke delightfully; Dr. Holmes read a poem. . . . After dinner I told Mr. Lowell how much his teaching had been to me. He grasped my hand rather impulsively. Such a thing, he said, he liked to hear best of all; for he often wondered whether in his years of teaching, he had not wasted rather fruitlessly time he should have given to literature."

**NOT AFTER SCALP**  
"There has been an impression on the part of some that the members of the commission are after the scalp of somebody," said Vice-Governor Gilmore. "This is erroneous. The commission was created that it might look over the whole educational system in the Philippines, make constructive criticisms, give suggestions, and submit recommendations in order that for every penny expended for education the maximum benefit may be reaped by the people."

"In this work the Government is spending an insignificant sum compared with the big appropriation set aside every year for education in the archipelago. In all we are spending \$12,000,000 annually. The appropriation for the survey was only \$50,000 and the expense of the commission were within the appropriation."

"The whole scope of the educational system in the islands has been thoroughly gone over. A careful study of the questions affecting curriculum, administration, finance and other phases of the question of instruction in the Philippines was made by experts in their respective lines in the United States. We hope to benefit by the task accomplished."

**LEGISLATURE TO GET REPORT ON PHILIPPINE EDUCATIONAL SYSTEM**  
Manila, June 29.—The report of the commission, headed by Dr. Paul Monroe of Columbia University, which made a survey of the educational system of the Philippine Islands, is now in the hands of Eugene A. Gilmore, Vice-Governor and ex-officio Secretary of Public Instruction, who will submit it to the Legislature when it meets July 16.

Vice-Governor Gilmore said the survey was not an investigation for the purpose of effecting a clean-up, so that alleged undesirable elements might be weeded out, but that it was for the purpose of pointing out the defects which all human institutions have, in order that the proper remedies may be adopted for the improvement of the educational work in the islands.

Manila, June 29.—The report of the commission, headed by Dr. Paul Monroe of Columbia University, which made a survey of the educational system of the Philippine Islands, is now in the hands of Eugene A. Gilmore, Vice-Governor and ex-officio Secretary of Public Instruction, who will submit it to the Legislature when it meets July 16.

### The Vacant Chair—

WHAT OF TO-MORROW? To-day you are alive--well--happy.

But suppose a summons sounds in the darkness and to-morrow your chair stands vacant. What, then, of your wife? Your children--what of them?

Will your vacant chair spell a double tragedy to the loved ones left behind? Your own personal loss will be unavoidable. Not so, the lack of foresight which will leave them unprotected.

When your presence is no longer there to provide for them--to help them over the rough places of life--even then your care need not cease. Even then your foresight may guard them against want and adversity.

Life Insurance truly stands as the Guardian Angel of stricken homes--as a living testimony of man's faithfulness to his loved ones, even in death.

Think! Think of those dependent upon you. Think--and act. Get in touch with a Life Insurance representative to-day. To-morrow may be too late.

IN WOMAN'S DOMAIN

AUTHORS ASK EQUITY IN INCOME TAX ON BOOK ROYALTIES

Mrs. A. de B. Shaw of Victoria Named Regional President by Association

Winnipeg, June 29.—The Canadian Authors' Association, at the closing session of its fifth annual convention here Saturday, passed a resolution urging that the British and United States associations should bring pressure to bear upon their respective governments, to procure for Canadian authors the same treatment as regards income tax on royalties as British and United States authors obtain in Canada.

Officers were elected as follows: Professor W. T. Allison, Manitoba University, president; Watson Kirkconnell, Winnipeg, national secretary; Robert Watson, Winnipeg, national treasurer.

ALEXANDRA ROSE DAY NETTED \$605

Fourteen Million Blossoms Made by Crippled Girls For Empire-wide Sale

Alexandra Rose Day was observed in the city on Saturday, the sale of the little emblems netting approximately \$605, which will be devoted, as in previous years, to various philanthropic causes in the interests of children.

FIRST LADY OF CANADA ARRIVES TO-DAY

Her Excellency Lady Byng arrived in the city this afternoon with the Governor-General and she will be the guests of His Honor the Lieutenant-Governor and Mrs. Nichol until Wednesday.

SOCIAL AND PERSONAL

Miss Elliott, R.N. of Vancouver, is spending a short holiday in Victoria. Dr. H. Clarke of Vancouver is a visitor in Victoria for the week-end.

BRIDEGROOM-ELECT ARRESTED ON FALSE PRETENCES CHARGE

Accused Was to Have Married Miss Belle McEwan, Well-known Singer

Vancouver, June 29.—Wedding plans of a well-known Vancouver singer went awry Saturday night when Victor Evans, forty, was arrested and lodged in the city jail charged with having obtained money under false pretences.

According to the story told the police Evans had posed before his intended bride's family as a man of means with aristocratic and influential European connections.

Miss Dorothy Devitt has gone to Westholme for the summer. Miss Esme Allan, of Duncan, is a guest at the Empress Hotel.

Rev. Charles Duffin, M.A., D.D., of Bloomington Baptist Church, Ill., with Mrs. Durden, are guests of Mr. and Mrs. H. Wilson, Springfield Avenue, Victoria, at the home of Mrs. Duffin on Saturday.

Mr. and Mrs. W. H. Gee left Saturday on a holiday trip East, from which they will return on September 1. They will be accompanied by their son, Arthur Gee, and Mrs. Gee, and on Tuesday will proceed to Fernie to visit their other son, Dr. Duffin.

Mr. and Mrs. George C. Cross are at the Empress Hotel on their honeymoon. Mr. Cross is a member of the editorial staff of The Vancouver Sun.

No other brand is quite so pure, fresh or delicious. Try it.

Women's Canadian Club Members of the Women's Canadian Club are invited to hear the address which the Governor-General, Baron Byng, will give before the Canadian Club at the Empress Hotel to-morrow.

TRUESDELL KENT WEDS IN VANCOUVER

Popular Native Son Married to Miss Thyra Runnals on Saturday

Considerable local interest, especially among pioneer residents, centered around the wedding which took place at St. Andrew's Presbyterian Church, Vancouver, on Saturday evening when Thyra Jane, only daughter of Mr. and Mrs. W. Upton Runnals, and native daughter of Victoria, became the bride of Mr. Charles Truesdell Kent, youngest son of Mr. and Mrs. Herbert Kent of Victoria, and also a native-born son.

Miss Lena May Cutler of Victoria was in attendance as maid of honor, in a rich-toned frock of asbes of roses silk charmeuse, fashioned with circular hem and ruffles. Her bridesmaid was Miss Margaret, daughter of Mr. and Mrs. W. H. Gee, who wore a gown of blue and white with a wide girdle of orchid satin.

At the reception which followed the ceremony, at the home of Mrs. Runnals, the bride's parents on Haro Street, Mrs. Runnals received the guests wearing a handsome gown of black silk bengaline, appliqued with straw with orchid velvet flowers. Mrs. Herbert Kent, mother of the bridegroom, who assisted the hostess, was attired in a striking gown of black and white with wide girdle of orchid satin.

Mr. and Mrs. Kent left later for Bellinham, on the first stage of a motor tour, the bride traveling in a modish ensemble suite of black canton and coat of black georgette relieved with vivid tangerine scarf embroidered in Oriental design.

Duchess of Rutland To Sell Famous London Mansion

London, June 29.—The impoverishment of some of Great Britain's old nobility is again emphasized in the announcement that the Dowager Duchess of Rutland, whose husband died in 1914, is offering for sale the mansion on Arlington Street which has been the town residence of the Dukes of Rutland for 200 years.

NEWS IN BRIEF

The City Hall Council Chamber has been greatly improved by the provision of a north window, the better lighting and ventilation greatly pleasing the aldermen. The Rhode Island Sunday Tribune contains a full page illustrated article on Victoria, featuring the city as a desirable place for touring automobilists. J. H. Senker, K.C., noted Vancouver barrister, was appointed treasurer of the Law Society of British Columbia at the last regular meeting of the bench. He succeeds Sir Charles Hibbert Tupper, K.C. Alderman S. Woodward has asked Mayor Penderay for a further extension of leave from his official duties. In a letter received by the Mayor this morning, Alderman Woodward states that he is now in San Francisco. Films of Victoria and Island will be shown at the New Zealand and South Seas Exposition to be held at Dunedin next November. Two reels have been forwarded from Victoria for this purpose by the Victoria and Island Publicity Bureau. A claim for \$2,618 on agreements of sale is the subject of an action opening in Supreme Court this morning with C. E. Wilson for plaintiff, Frederick A. Fletcher, and C. J. Dalrymple, M.P., for defendant. Robert McCleay. The hearing proceeds before Mr. Justice Morrison. The City School Board will meet this afternoon at 5 o'clock to open tenders for plumbing at South Park School, heating at Victoria West School and electrical work at Oaklands School. The session will be brief, as the ordinary practice is to refer the tenders to the buildings and grounds committee for report. The Victoria-Crystal Garden carnival committee has arranged for a concert programme from the Sunshine Station C.F.C.T. Victoria tonight. This station has proved to be popular with all radiating stations. It is anticipated that a fine programme will be given. The station C.F.C.T. will be closed down till Friday next on account of the carnival. The Welsh Society will hold their annual picnic at Elk Lake on Saturday, July 1. All Welsh persons and their friends are cordially invited. Full particulars of arrangements will be announced at the next general meeting, to be held at Harmon Hall, Friday, July 3, at 8 o'clock. All Welsh residents are requested to please bring refreshments. In a letter to the Victoria and Island Publicity Bureau, E. J. Koster of San Francisco remarks that it is remarkably how widely and most favorably known Victoria and the surrounding country are discussed in the California city. "Evidently the work of your bureau, supplemented by the experience of those who have visited your city, has been most effective," he says. The Victoria Public Library will be closed all day Wednesday, July 1, and after July 4 the library will close at 3 p.m. on Saturdays instead of 3.30 p.m. as heretofore. During the month of July the children's room will be open daily, except Saturdays, from 9 a.m. until 11.30 a.m. and from 1 to 3 p.m. On Saturdays it will be open from 9 a.m. to 3 p.m. and after August 1 the charge for overdue books will be increased. The membership files and all matters pertaining to the membership department of the Victoria Branch of the Automobile Club of British Columbia, including the enrolling of new members and renewals, have been placed in the hands of F. W. Tuffrey, who has joined the staff of the club at the office, 609 Port Street. Mr. Tuffrey has been active lately in enrolling many new members and the interest shown in the club since the opening of the new office and the beginning of the tourist season, has resulted in considerable increase in the membership. The long vacation in the civil courts will commence Wednesday, lasting for the months of July and August. In Victoria County this year the vacation follows one of the busiest periods known for several years, with a June calendar on which three and at times four hearings were under way in the same day. Mr. Justice Morrison heard a long list of chambers applications this morning, including a motion for the removal of bail in the case of Rex vs. Joe Bayley. Bail was renewed in the sum of \$1,000, with consent of Henry C. Hall, K.C. for the Crown and R. C. Lowe for the defendant, whose trial was traversed to the Fall assizes. Collieries Head Here to Confer F. Perry, big business leader of Montreal, member of the board of the Canadian Collieries, which operates the coal mines at Union Bay and Extension on this island, has arrived on the island. He is conferring here with Lieut. Col. C. W. Villiers, manager of the island mines. CALL TO PRAYER A three-day season of world wide-extended intercession has been called for July 2 to 4, with afternoon and evening meetings on July 2-3 and all-day meetings on July 4.

Mr. Arthur Potterton Has Seen Nothing to Compare With it Like many other Old Country visitors Arthur Potterton, genial tourist from Leicester, who, with Mrs. Potterton, is sight-seeing in Canada and the United States, goes out of his way to record his appreciation of Victoria. "It is like a little bit of England's best," he says. "During the thousands of miles we have travelled I have seen nothing to compare with it. Everything you see reminds you of England, and to make the visit perfect the citizens give no pains to make visitors welcome. Old Country manufacturers, Mr. Potterton says, are overlooking opportunities in Canada. "I was very pleased to note the demand for English goods here and I note the United States tourists when they come to Victoria look for English goods."

Another Informal Dance is Offered A flannel dance at the Empress Hotel Ballroom has been arranged for to-morrow evening, Tuesday, as an additional amusement by the Carnival Committee. Dancing will commence at 9 o'clock and continue until 1 o'clock.

REEVE ANSCOMB BACK AFTER TRIP TO EAST Reeve Herbert Anscomb of Oak Bay has arrived back in the city after an extended business and pleasure trip back East. He visited Montreal, Toronto and Hamilton. He reports business conditions in the East are improving and also that the western provinces have had plenty of rain this year and are looking forward to one of the best seasons experienced for some time.

WANT WIDER SCOPE FOR PARKS BOARD The Victoria-Saanich Beaches and Parks Committee will meet on Thursday, July 9, and will have before it a report from Alderman A. E. Todd and Councillor H. O. Kirkham, favoring eventual extension of the scope of activities of the joint committee, to include North Saanich, Sooke and other areas, possibly by enlargement of the present committee into a county parks board. The report will advocate the admission of representatives of the Board of Trade to the discussions of the committee, and the granting of support to the Sidney Board of Trade in any applications on behalf of the public, made to the government for foreshore rights or in any action opposing private applications not in the public interest. Alderman Todd and Councillor Kirkham will point out that the popularity of beaches and similar resorts has grown with increased use of automobiles, therefore a share of the gasoline tax should be an equitable method of providing the parks boards with adequate funds.

ASKED TO BE BURIED IN MAORI DRESS Late G. Walker Was Veteran of Two Campaigns in New Zealand A desire to be buried in the Maori dress was expressed by Guy Walker, a veteran of two Maori wars, who passed away at his home on Johnson Street on Saturday evening, aged seventy-two. Mr. Walker was born in England and went to the Far East, spending some time at Singapore, before leaving for New Zealand where he settled for some time, before coming to Vancouver Island, thirty-five years ago. During his sojourn in New Zealand Mr. Walker took part in the Maori wars, and the Maori dress he entertained the highest regard both as a fighter and friend. So highly did he esteem the aborigines that he expressed a desire to be buried in the Maori dress, which will probably be carried out. He had frequently lectured on various parts of the British Empire, and he had resided. An exceedingly well-informed man, and generous to a fault, he won the esteem of all in with whom he came into contact. The number of years he carried on a tailoring business in Victoria until failing health necessitated his retirement. His wife died and he had no relations, being to use his own words, a "lonely wanderer." The remains are reposing at the B. C. Crematorium, where the funeral service will be held on Friday at 11 o'clock.

ANDREW PEPALLS TO-DAY IN SEATTLE Extradited, He Was Quietly Brought North From Los Angeles Seattle, June 29.—His whereabouts kept secret to prevent possible extradition, Andrew Pepall, wanted in Toronto on charges of embezzlement, larceny, bribery and money using, was extradited from California last week to Seattle this morning on the liner H. F. Alexander in custody of two Canadian police officers. Ad-Inspector Miller said: "Pepall was taken on the pier gave mute evidence the Canadian officers were awaiting the prisoner, but in answer to questions by newspaper reporters Inspector Miller said: "Pepall was taken on the ship in San Francisco and came through by train from California."

BY WAY OF VANCOUVER His remarks, however, were taken as a ruse to throw searchers with court summons off the track and he is expected to return to Vancouver, B.C., by boat will be carried out to-night. Guarded by the two Canadian officers, who brought him from Los Angeles, Pepall was detained on board the Alexander pending removal to the ship for Canada, according to information from authentic sources. Formerly president of the Long Beach Glass Company, Pepall fought removal to Canada in the California courts and a long legal battle ended recently when the State Department approved action by federal authorities in ordering his removal to Canada.

Oil Floods Wide Earthquake Area AS TANKS BURST

San Francisco, June 29.—A telephone message received by the Standard Oil Company from its office in Santa Barbara said the company's tanks there had burst and flooded a wide area with oil. The district has been roped off and is under guard, the message said.

HALF MILLION OF CITY BONDS TO BE ALLOTTED

Council Will Hold Brief Session and Then Attend Pageant Sale of refunding bonds, to be issued by the city, will be the only business before the council this evening. Tenders for the issue of \$525,000 five per cent twenty-year bonds will be opened by the finance committee this afternoon, and the recommendation of the committee will be given council backing at the shortest session of the year, Mayor Penderay anticipated. The council has been invited to attend this evening's presentation of the spectacular pageant at the Arena, and to enable acceptance Mayor Penderay would have cancelled the council session entirely, save for the importance of allotting the bonds as early as possible after the terms are opened.

REVEE ANSCOMB BACK AFTER TRIP TO EAST

Reeve Herbert Anscomb of Oak Bay has arrived back in the city after an extended business and pleasure trip back East. He visited Montreal, Toronto and Hamilton. He reports business conditions in the East are improving and also that the western provinces have had plenty of rain this year and are looking forward to one of the best seasons experienced for some time.

COURT OF APPEAL DISMISSES MOTION IN VYE HEARING

Conviction Affirmed on Equal Division of Court on Argument to Reopen Case On an equal division of the Court a motion for leave to reopen the hearing in the appeal of Rex vs. Vye was dismissed by the B.C. Court of Appeal to-day. The Chief Justice and Mr. Justice M. A. Macdonald refused the motion. Mr. Justice Martin would have allowed a new trial. Mr. Justice McPhillips would have quashed the conviction, or allowed a new trial as an alternative course. In giving the judgment of the court Chief Justice Macdonald stated that the motion for leave to reopen the appeal with the admission of new evidence would be refused. The conviction stood as before, he concluded. Appellant in the case was Dr. J. P. Vye sentenced to a jail term by His Honor Judge Lammam after a county court trial in which he was convicted of an illegal operation. The appeal to the B.C. Court of Appeal followed and was dismissed. Then appellant counsel filed an affidavit in which was set out grounds for reopening of the hearing in that it was contended, new evidence had been found which would have a material effect on the story told by the chief witness for the Crown. This was argued at the last session of the court by way of a motion for leave to reopen the case, and is now set aside, the conviction being affirmed. Stuart Henderson appeared for the appellant and W. D. Carter, K.C. for the Crown. In Cox vs. Hogan a motion for appeal costs was dismissed. The appeal court adjourned until Monday next at 11 a.m. when some outstanding matters will be considered.

GYROS SEE QUEENS

Entertaining Luncheon Held Today; Seattle and Victoria Queens Guests Queens of the two queen cities of the West, Victoria and Seattle, were guests of the Gyro Club at their luncheon at the Chamber of Commerce to-day. Queen Faith of Victoria was accompanied by Queen Evelyn of Seattle. Mrs. Robert MacFarlane, chaperone for Queen Evelyn, and F. J. Wetrick, commander of the Rainier Legion Committee, which is staging the Seattle carnival this week, were also in attendance. The Seattle guests all arose in turn to pay tribute to the wonderful carnival which Victoria is staging. "I shall be very much disappointed if I hear that some people in Victoria have not seen the pageant at the Arena," said Mrs. Wetrick. "It is truly wonderful to think that a city of this size can produce such a spectacular event. We think we will with the Wayfarer in Seattle, but Victoria certainly opened my eyes with its pageant." Mrs. MacFarlane contributed a

NORTH VANCOUVER ELECTION STANDS

Mr. Justice Murphy Refuses Application of Defeated Candidate Vancouver, June 29.—Mr. Justice Murphy, in Supreme Court Chambers today dismissed the application of the defeated candidate in North Vancouver election to have the election reopened on the ground that the absentee ballots had been switched by Percy M. Macfarlane and J. McNamara, returning officers.

BASEBALL, CRICKET, SPORTING NEWS, SWIMMING, GOLF

Fine Competition At Opening Of Big Tank

Washer, of Seattle, Captured Men's 500-yard Canadian Championship by an Eyelash, While Audrey Griffin Wins Women's Title; Divers Give Magnificent Display; Fancy Swimming Exhibition Pleases; Resume Gala To-night

One Canadian swimming championship remains on this side of the line and the other goes to Seattle by a gnat's eyebrow. These events were staged on Saturday night at the opening of the Crystal Garden three-day gala.

The evening was packed full and a great diving display. The spectators got a great kick out of the finish of the 500 yards championship. Only three men started. Washer, Cameron and Tommy Wellburn of Victoria.

Another event which summoned a great deal of admiration for the participants was the diving. Merlin Padden of Seattle was awarded the decision, which created considerable surprise.

The five divers who are competing are a treat to watch. In addition to Burroughs and Padden, there are there others: Max Hubbard, H. G. Winn and C. Blevy. They will perform again to-night.

In the ladies' Canadian championship Audrey Griffin was returned the winner, with Rita Tingley of Vancouver second; Letos Murfin, of the Portland tank, was third.

To-night the gala will be resumed at 7:30 o'clock and another big crowd is expected. The price of admission has been split in half and the calibre of the entertainment is expected to be brought here from Vancouver.

Life-saving finals for the R. W. Hiberson Cup-Victoria A.S.C. D. Bainave and A. Stott; Vancouver R. S. S. H. H. Huggins and J. Parsons.

200 yards Canadian championship (women) first heat—Daisy Prentice, Vancouver A.S.C.; Louis Cody, M.A.A.C.; Gracie Wellburn, V.A.S.C.; Agnes Spedel, C.S.C.; Lois Murfin, M.A.A.C.; Louise Brownfield, C.S.C.

100 yards Crystal Garden breast-stroke championship (men)—Charles Hills, Vancouver; Lambert Sternbergh, C.S.C.; William Peden, V.M.C.A.; R. Smith, C.S.C.; Gust Jarv, C.S.C.

100 yards Canadian championship (men)—First heat, Chase Wells, Vancouver; R. Smith, C.S.C.; J. O. Peterson, M.A.A.C.; S. Washer, C.S.C.; J. Bayley, Vancouver A.S.C.; L. Sternbergh, C.S.C.; R. MacDonald, Vancouver A.S.C.; Second heat, Tom Wellburn, V.A.S.C.; H. Spedel, C.S.C.; John Cameron, Vancouver A.S.C.; Earl Squire, V.A.S.C.; R. MacDonald, Vancouver A.S.C.; R. Currier, C.S.C.

100 yards Crystal Garden breast-stroke championship (women)—Rettie Tingley, Vancouver A.S.C.; Nellian Brownfield, Vancouver A.S.C.; Neva Brownfield, C.S.C.

100 yards Crystal Garden breast-stroke championship (men)—Ordered to be resumed from Saturday. Medley race (women) first to finish. Back stroke, breast stroke, Trudgen, crawl—Portland, Lenore Lindholm, Louise Cody, Roberta Edmondson and Lois Murfin; Victoria, Audrey Griffin, Kathleen Wellburn and

White Sox Provide Sensation And Are Now Resting Third

Eddie Collins Has His Club Going Well, Winning Seventh Straight Game

Washington Beats Philadelphia; St. Louis Twice Defeats Chicago Cubs

New York, June 29—Strong western opposition looms formidably as the twelfth week of the season opens in the major league front with eastern clubs having shoe-string advantages.

Seven straight triumphs have firmly entrenched the White Sox in third place in the American League while the Tigers now park on the fourth rung.

Paris, June 29—La Riene Lumiere, at 120-1, Wins Grand Prix de Paris

Another event which summoned a great deal of admiration for the participants was the diving. Merlin Padden of Seattle was awarded the decision, which created considerable surprise.

The five divers who are competing are a treat to watch. In addition to Burroughs and Padden, there are there others: Max Hubbard, H. G. Winn and C. Blevy.

100 yards Canadian championship (men)—First heat, Chase Wells, Vancouver; R. Smith, C.S.C.; J. O. Peterson, M.A.A.C.; S. Washer, C.S.C.; J. Bayley, Vancouver A.S.C.; L. Sternbergh, C.S.C.; R. MacDonald, Vancouver A.S.C.; Second heat, Tom Wellburn, V.A.S.C.; H. Spedel, C.S.C.; John Cameron, Vancouver A.S.C.; Earl Squire, V.A.S.C.; R. MacDonald, Vancouver A.S.C.; R. Currier, C.S.C.

100 yards Crystal Garden breast-stroke championship (women)—Rettie Tingley, Vancouver A.S.C.; Nellian Brownfield, Vancouver A.S.C.; Neva Brownfield, C.S.C.

Is Better Than Ever

New York, June 29—William T. Tilden, yesterday added two more titles to his rapidly growing 1925 string on Eastern tennis courts.

With the leadership of the league at stake a fine ball game is expected to be played by the Cardinals and the Braves.

Should the Sons come through with a victory they will be leading the league on even terms with the C.P.R. At present the railroaders are on top, but they have played one more game than the Natives.

It is expected that Jimmy Holness will be on the mound for the Sox, while the twirling for the feathered tribe and the veterans gave the youngsters plenty of trouble.

First game—R. H. E. Seattle 2 9 1 Oakland 1 5 3

Second game—R. H. E. Seattle 4 9 1 Oakland 4 13 1

First game—R. H. E. Portland 6 13 1 Vernon 7 12 2

Second game—R. H. E. Portland 6 13 1 Vernon 7 12 2

First game—R. H. E. Los Angeles 15 19 5 Sacramento 3 6 2

Second game—R. H. E. Los Angeles 15 19 5 Sacramento 3 6 2

Nanaimo Will Meet Ladysmith In Final For Soccer Title

Winner Will Earn Right to Travel East in Quest of Connaught Cup

Many Players on Carpet at Meeting of B.C.F.A.; Plenty of Trouble

Vancouver, June 29—Nanaimo enthusiasts will have an opportunity to see the final B.C. section of the Connaught Soccer Cup competition.

Officials of St. Andrews, who lost to Ladysmith on Saturday, changed their minds at the last minute and decided to take advantage of the three days' grace before filing a protest against Ladysmith.

The other counts concern players Heaps and Anderson, of the Ladysmith team, who is alleged an Old Country professional, who have never been reinstated.

Player Zaccarelli, of Davenport, was suspended for one month from June 27 for failing to appear at a meeting called by Referee Thoburn at Nanaimo.

Player Perry, of Davenport, was severely censured for conduct which resulted in his being sent off the field by Referee Thoburn.

Player Clark, of Nanaimo City, was censured for conduct which resulted in his dismissal from the field by Referee Stokes.

Ladysmith was ordered to forfeit \$50 of his share of the first replay with Davenport for playing an ineligible player and Davenport was ordered to pay the costs of Saturday's meeting.

Referee Thoburn will be asked to appear before the Lower Island examining board for the examination of referees during the year.

Referee Thoburn will be asked to appear before the Lower Island examining board for the examination of referees during the year.

Edmonton Grads to Defend Their Title On Continental Tour

World's Best Team, Left Edmonton Sunday Morning on One of the Longest Journeys Ever Undertaken by a Girls' Team

Edmonton, June 29—The Edmonton Commercial Grads, ladies' basketball champions of the world, left Edmonton Sunday morning on one of the longest journeys ever undertaken by a girls' team.

For the first seven innings the locals kept on the long end of the score but in the lucky inning the winners scored three runs on a homer, and in the eighth they swept up the game with four more runs.

Plenty of heavy hitting was seen. Bellingham gathered in fifteen safeties while the locals secured thirteen. Ray Parfitt, who starts the Travelers, lasted until the third inning when the visitors gathered five runs and he retired in favor of McIntyre, who twirled for the remainder of the game, although he was inclined to be wild.

The Travelers opened the scoring in the first inning when they crossed Bellingham for two runs, and two and an error. In the second the locals scored no less than six runs, most of them due to bobbles. The fans were just beginning to look for a walkway when three batters counted for five runs in the fourth.

In the sixth the locals added another run to their total. Bellingham jumped into the lead in the seventh when Coach, their pitcher, lifted the ball over the fence with two men on base.

McIntyre and Harry Copas led the local hitters with three safeties out of five trips to the plate. Coach led the visiting sluggers with four hits out of five times at bat.

Box Score: Bellingham—AB. R.H.P.O. A. E. Johnson, cf. 6 2 0 0 1 U.C.T. 2 6 1 0 1 0 12

Victoria Keeps Its Advantage In Race For Cricket Honor

Disposed of Incogs in Low Scoring Match; Some Fine Bowling Feats

Victoria maintained its advantage over the Five C's in the "A" Division of the Victoria and District Cricket Association by scoring a win over the Incogs.

The bolers triumphed in the Victoria-Incogs match. Both sides possessed some strong batmen but they were helpless before the bowlers.

Five C's defeated Albions and are second; Edwards best batsman

Five C's polished off the Albions by 137-103. H. Edwards of Five C's, carried his bat to 51 for the top score of the match.

Edwards, not out 51; Payne, b Freeman 9; Battersworth, b Hogarth 5; Leas, run out 2; Sutton, at Pite, b Freeman 12

UNITED STATES NAVY WILL BE OFFICIALLY PRESENT AT REGATTA

Mayor Pendray Notified That Destroyer William Jones Coming From Honolulu

Instructed by the United States Naval Department at Washington, the destroyer William Jones will represent the United States Navy at the Pacific Coast Yachting Association Regatta, which opens here on Dominion Day, July 1.

The William Jones is steaming at top speed from Honolulu, and will arrive on July 2, despite adverse winds and seas. Mayor Pendray this morning received from Commander E. S. Root, of the Puget Sound Naval Station at Bremerton, Washington, the following telegram announcing that the destroyer William Jones is en route to Seattle, and that the invitation extended the United States Navy by Mayor Pendray on behalf of the city.

Vancouver Island News

Sayward News

Special to The Times Sayward, June 29.—James Allen and J. B. Munro of the Department of Agriculture, Victoria, paid a visit to the valley this morning. Mr. Munro visited several farm residents who have commenced to raise certified potatoes with the view of inspecting this year's planting. Mr. Munro found that the potato plants were not far enough advanced to enable inspection, but found that the crops were in a healthy condition.

BUSH FIRE The valley is enveloped in a dense cloud of smoke as the result of a very extensive bush fire, which started at the Hanson logging camp at Port Neville on the mainland.

CLOSING EXERCISES The Sayward schools held their annual school closing exercises this week which were attended by a good number of the residents. The school children made a very excellent showing and rendered an entertaining programme which reflected great credit on the teachers, Miss Bagshaw and Miss Blakely.

A. Lahee, district supervisor of the Soldier Settlement Board, is a visitor on the valley on business.

The Rev. Mr. Scott held service in the valley on Sunday last which was well attended by the residents.

Lake Cowichan News

Special to The Times Lake Cowichan, June 29.—On Wednesday Mrs. E. T. Lomas entertained for bridge and the first prize was awarded to Mrs. A. Green; second, Mrs. J. Conroy; consolation, Miss Garner. A very nice tea was served at the close of the afternoon.

Mr. and Mrs. W. Grossbach and family are spending a week in Victoria.

Mrs. E. Burchett and child are visiting Mr. and Mrs. Boulton.

Sooke News

Special to The Times Sooke, June 29.—Mr. and Mrs. Garrett Gibson, of the Canadian Northern Railway, gave a dinner and bridge party at Paradise Inn on Thursday. The dinner was served in the dining room, beautifully decorated for the occasion, and softly lighted by many candles. The decorative scheme having been arranged by Miss H. E. Johnson. This was followed by bridge from 9 until 12 p.m. The guests present were Attorney-General and Mrs. A. M. Manson, Mr. and Mrs. J. H. Johnson, Mr. and Mrs. George Smith, Mr. and Mrs. George F. Earle, district passenger superintendent C.N.R., and Mrs. Earle, Mr. and Mrs. E. V. Finland, Mr. and Mrs. H. E. Johnson, Mrs. A. J. Gibson, Capt. Everall, Mr. Kennedy.

Dr. Richard Felton has accepted an appointment to work under the Columbia Coast Mission of the Anglican Church at O'Brien Bay and will leave to take up his new post at the end of July. He will be greatly missed by the community where he has resided with his family for 5 months.

WANT FIGURES ON COAL FREIGHT COST

Alberta Operators Not Satisfied With C.N.R. Offer

Calgary, June 29.—Alberta coal operators are not satisfied with the offer made by the Canadian National Railway to accept coal for shipment to Ontario at \$7 a ton, but want some assurance that an effort will be made to find out exactly what the cost of sending coal to the Ontario market.

"It seems to me," said one prominent operator, "the Canadian National is merely going to send this shipment down because enough of the purpose of the shipment was to find out exactly what the cost of sending coal to Ontario markets is, but this will be defeated if the shipment is made merely with the idea of fulfilling the contract."

Last year 10,000 tons of Alberta coal were sent to the Ontario market with the purpose of finding out how the Ontario public liked it all Western-producers thought that this year was to settle definitely the cost of hauling the coal. No promise of this appears to be held out by Sir Henry Thornton.

Langford News

Special to The Times Langford, June 29.—Bather Sheehan of Saanichton will hold a service at the Langford Conference hall at 8 a.m. in the Women's Institute Hall, Dunford Road.

Mr. F. H. Le Queuse has left for the Prairies on a business trip.

Miss Alma Baker of Oxfordshire, England, who has been visiting friends in Langford left on the afternoon boat for Toronto.

Mrs. R. Dewar, formerly of Langford, was the delegate from Agassiz at the Langford Conference held at the Women's Institute hall on Wednesday morning, July 1, at 8 a.m. in the Women's Institute Hall, Dunford Road.

Mr. F. H. Le Queuse presented the prizes and rolls of honor to the senior pupils of Langford school. A special prize for best work during the year was won by Miss L. M. and Miss M. J. These were given by the principal, Miss Phyllis Sutton. The principal presented a special prize to Miss Simpson, proficiency, regularity and punctuality to Eric, Merry, while David Scafe won the department roll.

The prizes for ranking highest in the Provincial and Federal Women's Institute delegates at William Head; also Mrs. (Dr.) Brown of the Quinlan station, kindly donated beautiful flowers, etc. for the supper tables. The following were the Langford members assisting: Mrs. O'Neill, convener; Mrs. A. Cowie, Mrs. G. Eldridge, Mrs. T. Phipps, Mrs. L. T. Wilkinson and Miss T. Savory. Messrs. Cowie, T. G. Wilkinson and Albert kindly lent their motor cars for the occasion.

Mr. Frank Smedley presented the prizes and rolls of honor to the senior pupils of Langford school. A special prize for best work during the year was won by Miss L. M. and Miss M. J. These were given by the principal, Miss Phyllis Sutton. The principal presented a special prize to Miss Simpson, proficiency, regularity and punctuality to Eric, Merry, while David Scafe won the department roll.

AUSTRALIA TO DOCK DAY AHEAD OF TIME

Will Arrive To-morrow Morning With Rich Silk Cargo and Many Passengers

Cutting a day off her schedule the C.P.R. liner Empress of Australia, Captain A. J. Bailey, will dock here about 10 o'clock to-morrow morning. She is expected to arrive at the William Head quarantine station at 9 o'clock.

The big vessel was not due to arrive here until Wednesday, July 1, usually fine weather on the whole trip and has been able to make up a day. It is expected that she will lower her own record for the trip across the Bay.

The Australia has a rich silk cargo, consisting of 440 tons of raw silk valued at \$3,000,000. She has also 3,000 tons of freight and a large passenger list. Eight hundred tons of freight is for overland delivery and some 200 tons will be unloaded here.

The Kaga Maru of the Nippon Yusen Kaisha Line will arrive here on Tuesday night at 8 o'clock. She has 165 tons of freight and 43 bags of mail in her hold. Nine first class passengers and 19 steerage will disembark here. She has ten first class and five steerage passengers for Seattle.

SALMON CANNERIES PREPARE FOR OPEN OF SOCKEYE SEASON

Pack Will be Light But Markets Expected to be Good

The sockeye salmon season opens on the Skeena River Sunday at 6 a.m. according to Dominion Fisheries authorities. Every cannery is now ready for operation with the exception of the Prince Rupert and Dominion and Alexander, the latter has not been open for years.

The sockeye season will remain open until October 1. As last season's pack was practically sold out the present year is expected to be a good one in the cannery business, though it is not generally expected that there will be a very large pack. The sockeye season this year will be from 6 p.m. on Fridays to 6 p.m. on Sundays following. It is stated.

W. B. HOWARD, C.P.R. DEAD AT MONTREAL

Montreal, June 29.—William Brunawick Howard, general executive assistant, Canadian Pacific Railway, died at his residence here this afternoon. He had been suffering from heart trouble for some years and this had entered upon a dangerous development during the last few weeks.

LABORITES' MOTION BEFORE COMMONS

London, June 29.—This promises to be a week of important industrial incidents in Great Britain, all more or less directly influenced by the trade depression and consequent unemployment.

The foremost is to-day's debate in the House of Commons on the Laborites' motion seeking to put the vote of confidence in the government, which after a lengthy period of industrial depression and unemployment, has failed to take measures to deal with a situation of unprecedented gravity.

It is not expected the Laborites will get far with their motion. The London Times remarks: "Unfortunately, industry in the main is beyond control of government. British industry particularly is dependent upon world conditions which the government cannot control."

The Laborites' motion is a declaration of confidence in the government, which after a lengthy period of industrial depression and unemployment, has failed to take measures to deal with a situation of unprecedented gravity.

TWO VESSELS DOCK HERE ON MONDAY

Tyndareus and Auditor to Dock Here Tuesday Night

The Outer Docks will present a busy scene on Wednesday, Dominion Day. Two deep sea liners, the Tyndareus, of the Blue Funnel Line, from the Orient, and the Auditor, of the Harrison-Deane Line, from the Old Country, will both dock here during the course of the holiday.

The Tyndareus has 400 tons of general freight for discharge here, and also a yacht on deck for a resident of Whistly Island. She is bringing this out from Hongkong, where it was built. She will arrive at quarantine about 4 o'clock Wednesday morning. The Auditor will dock here Wednesday evening from the Old Country. She will commence loading with lumber and general freight Thursday for her return voyage.

The Kaga Maru of the Nippon Yusen Kaisha Line will arrive here on Tuesday night at 8 o'clock. She has 165 tons of freight and 43 bags of mail in her hold. Nine first class passengers and 19 steerage will disembark here. She has ten first class and five steerage passengers for Seattle.

WINNIPEG TENNIS

Winnipeg, June 29.—Walter Gyles won the Manitoba singles tennis championship here Saturday by defeating W. S. Waugh in a five set contest. Gyles, a resident of Winnipeg, was selected to represent Manitoba in the Canadian championships at Vancouver.

Miss Hilda Burridge, Manitoba women's champion, was also selected on the team. Harry Shaw and Norman Lewis are other local players who will make the trip to Vancouver for the coast tour Wednesday.

Accident Occurred in Fog; Steamer Picked up Nine of Crew

Gloucester, Mass., June 29.—Fifteen men were drowned and nine other members of the crew of the fishing schooner Rex of this port were rescued when the boat was sunk in collision with the Cunard Anchor Line steamer Tuscania 200 miles east of Halifax yesterday.

Beyond the meagre message received by the ship's owners from the Anchor Line reporting the disaster, no word has come to amplify the details. The Tuscania, which struck the little fishing craft during a fog, reported herself standing by searching for possible survivors and bodies.

MASTER KILLED The master of the sunken vessel, Thomas Downey of Lowell, is reported dead. Officials of the picked up dead. Officials of the Fred L. Davis Company, owners of the Rex, believed many of their ship's crew were killed before decks in their bunks, and that the sailors were drowned by crashing waves.

The Tuscania, which cleared from Liverpool for New York June 22, was due to dock here today, but is thought her arrival will be considerably delayed by the search she made at the scene of the disaster.

The Rex sailed from Gloucester June 17 and was returning laden with halibut at the time of the accident.

HONEYMOON TRIPS TO VANCOUVER AND SEATTLE BY NEW STEAMSHIPS PRINCESS KATHLEEN AND PRINCESS MARGUERITE

June is the month of weddings and the wedding journey cannot be started more auspiciously than by taking one of the Canadian Pacific Railway's splendid Princess Marguerite, leaving Victoria at 2 p.m. daily to Vancouver or 4.30 p.m. to Seattle.

These new steamships have elaborately fitted out and rooms de luxe and afford every possible comfort. Stateroom reservation and tickets may be obtained from any Canadian Pacific railway agent.

# CLAIMS BARBARA LA MARR MOST BEAUTIFUL SCREEN ACTRESS IN THE WORLD

No longer is Barbara La Marr to be known as "the lovely siren of the screen" or "that exotic beauty of the screen." These titles, which heretofore have identified the charming heroine of "The Heart of a Siren," First National's current offering at the Capitol Theatre, have given way to a more appropriate one.

Henceforth, the incomparable Barbara is to receive her full measure of recognition as "the most beautiful screen actress in the world." And anyone who would find fault with this designation may refer his questioning to Monsieur Romaine de Tertoff Erte, better known to the general public by the more concise cognomen of "Erte."

On his arrival in New York, Monsieur was quite naturally besieged by interviewers for his views on the ever interesting subject of beautiful femininity, and on being asked the type of woman he considered most beautiful, replied: "The dark brunette type, without any question"—which description instantly calls to mind

Barbara La Marr, conceded to be the most perfect brunette beauty in America. And when he also stated that "beyond all doubt American womanhood is the most beautiful and stylish in the world," Miss La Marr's adherents decided that, backed by the opinion of this noted authority, they

Coliseum—"The Girls of Gottenberg."  
Columbia—"Charley's Aunt."

were justified in declaring her to be "the most beautiful screen actress in the world," and she will accordingly be so designated until a still lovelier brunette appears in filmdom.

Miss La Marr's new screen vehicle is an adaptation from Florence Reed's stage hit, "Hull and Fargwell." It was produced for First National by Sawyer-Lubin and under direction of Phil Rosen and the personal supervision of Arthur Sawyer.

**Side Splitting Farce "Charley's Aunt" is Now at Columbia**

"Charley's Aunt" with Syd Chaplin, the big feature farce which has been looked forward to with great anticipation ever since it was announced that the screen rights of the famous old stage play by Brandon Thomas had been purchased by Ideal, will be shown at the Columbia Theatre Monday when it will begin a week's run.

The fame of "Charley's Aunt" is world-wide. On the stage it earned three million dollars, playing some 1,300 times for thirty-three years. In London, it ran for four consecutive years, being given 1,464 times.

The Christie's of Hollywood in conjunction with Ideal Films Limited of London, are said to have given the farce an elaborate screen production and brought out its hilarious situations to their full worth.

In support of Syd Chaplin in the title role, is an exceptional cast including James E. Pace who played in the stage production for twelve years.

# HORSEMANSHIP THRILLS IN LIGHT OF WEST STARS AT DOMINION THIS WEEK

The most thrilling headlong ride that the cattle country of southern Arizona has ever witnessed was taken by Paramount's company of daring cowboys during the filming of Zane Grey's frontier romance-drama, "The Light of Western Stars," which opens to-day at the Dominion Theatre.

William K. Howard, director, was elated at the realism of the dangerous gallop over the desert, while Jack Holt, Noah Beery and Billie Dove, who are featured players in the production, said they had never seen anything to equal it for sheer horsemanship.

The mad rush on horseback occurs in an exciting rescue scene in which the cowboys set out to save Holt and Miss Dove from Beery, who plays the part of a desperate outlaw craft. It is a terrific race against time, for Beery has sent Holt on the "walk of death," that is, forced him to walk between two rows of buildings from which concealed bandits open fire, the idea being to kill him just as he reaches the open street.

The cowboys, several miles away, learn of Holt's danger and start out at a breakneck pace to save him. The sensations of those who watched the hazardous exhibition of dare-devil horsemanship were succinctly summed up by Jack Holt.

"The horses and riders coming at top speed were like a thunder storm," he said. "We heard a pounding almost before we sighted the riders. A cloud of dust swirled behind them as they came into close view. It had more thrill than a dead heat on a race course."

This dramatic scene is but one of the many tremendous episodes and situations that develop in the unfolding of the story, which pictures with amazing fidelity the turbulence and violence that conflicted with the building up of frontier America—the vast range territory of the Southwest.

### Old Time Minstrels To Occupy Boards At the Playhouse

In the entire realm of entertainment there is probably no form of amusement so popular as the real old-time minstrel show, and the announcement that the Georgia Minstrels will be offered at the Playhouse this week will be good news to those who enjoy the very best in clean, wholesome fun making. Southern minstrelsy, with its biting melody and rib-ticking jokes will be the order of the day, the always welcome "bones," "tambo" and "interlocutor," surrounded by the usual circle of soloists and musicians. The Georgia Minstrels are being presented as an added feature to the big picture "Abraham Lincoln," which is said to be one of the finest film productions ever screened.

and is slowly engulfed while his frantic wife helplessly watches him disappear beneath the surface, only a few bubbles and some stiffening, gripping fingers marking the moon-lit spot where he sank.

Emily Fitzroy, who enacts the role of Kate Comstock of the story, is vividly realistic in the part as the frenzied mother, while Arthur Currier is the father.

Director Meehan is a former newspaper man and from the viewpoint of a city editor, a post he occupied for several years on a metropolitan newspaper, grasped the possibilities of the tremendous size of the "story" which would follow the real life occurrence of the scene which he had just directed.

"Well it actually did happen once," said Mrs. Porter. "That's how it got into the story."

"A Girl of the Limberlost" is to be the featured number of the photodramatic programme at the Coliseum this week.

### Prince Saw Great Variety of Costumes

Palepe, Bechuanaaland, South Africa, June 29—The gravity of countenance which the Prince of Wales must assume on formal occasions was seriously tested during a review of native Bechuana warriors Saturday at Zworo.

The natives appeared in the most outlandish costumes, proudly parading their cherished garments regardless of the general effect. Some wore discarded London police helmets, while others sported tartan kilts. The prize turnout was that of a chief who

### Women's Missionary Societies Bade Farewell to Miss Sylvester E. Lee

Miss Sylvester E. Lee, a young Chinese girl who is shortly leaving for her native country to take up missionary work, was the guest of honor at an interesting farewell party at the Metropolitan United Church on Thursday afternoon when the members of the Women's Missionary Society of that church were joint hostesses with members of other similar organizations. The occasion took the form of a silver tea, the proceeds of which were devoted entirely towards the purchase of Miss Lee's equipment, and in addition a number of useful gifts were presented to her.

A delightful programme included songs by Mesdames Watt, Dowell and S. T. Sehl, with Mrs. G. Mathews at the piano. Mrs. Frank Adams, of the Centennial W.M.S., read an address conveying the good wishes of the women to Miss Lee in her new field of labor, and Mrs. George Guy, on behalf of the Wesley W.M.S., presented her with a bouquet of tea roses.

### A SAD HISTORY

In thanking the ladies for their kindly wishes, Miss Lee stated that she owed much to the work of the Women's Missionary Society. She had been sold as a household slave when a child in China and brought to Toronto where the Oriental family in whose service she remained until eight years of age treated her very cruelly, she said. Then just in time to save her life, a relative, Rev. John Lee, who was on a visit to Canada, rescued her and brought her to Victoria, where he placed her in the Oriental Home and School, Cormorant Street.

### AT HIGH SCHOOL

During the past fifteen years at the Home, Miss Lee received her public school education and after a term at the Victoria High School she was employed as an assistant kindergarten teacher, receiving her training from Miss Grace Baker, M. L. A. at the Home, and for the past two years has been an assistant teacher on the staff. Miss Lee paid a warm tribute to the work of the W.M.S. and urged the women to continue their splendid work for the Home, which had been a Christian home to her in every sense.

She expressed her affection for the superintendents under whose care she has been during the past fifteen years, Mrs. Snyder, Miss Smith, and the present superintendent, Miss Martin. The proceedings closed with the singing of "God Be With You Till We Meet Again."

Special prizes were awarded to Katherine Baldwin and Hazel Douglas.

YOUNG BOY LOST

LIFE AT SCHOOL PICNIC SATURDAY
Drowns in Elk Lake When Companions Fail to Realize He Was in Trouble
Inquest on the remains of the late Walter Oddy, victim of a pathetic drowning accident at a church picnic at Elk Lake on Saturday afternoon will be held at the B.C. Funeral parlors to-morrow. The thirteen-year-old son of parents living at 671 Niagara Street, Walter Oddy was swimming with companions over a distance of fifty yards from a boat in the lake to and when without warning he went down.
His companions thought for the moment that it was in play and though the head of the boy rose to the surface again before he went down for the last time it was not realized he was in difficulties. When his plight was realized aid was too late.

Drowns in Elk Lake When Companions Fail to Realize He Was in Trouble
Inquest on the remains of the late Walter Oddy, victim of a pathetic drowning accident at a church picnic at Elk Lake on Saturday afternoon will be held at the B.C. Funeral parlors to-morrow. The thirteen-year-old son of parents living at 671 Niagara Street, Walter Oddy was swimming with companions over a distance of fifty yards from a boat in the lake to and when without warning he went down.
His companions thought for the moment that it was in play and though the head of the boy rose to the surface again before he went down for the last time it was not realized he was in difficulties. When his plight was realized aid was too late.

## GREAT PAGEANT SCORES INSTANT SUCCESS WITH PREMIER PERFORMANCE

Colorful Spectacle at Arena Delighted First Night Audience; Knightly Jousting Rivalled for Interest by Cross-section of Middle Ages Common Life.

Major W. F. C. Taylor and his 300 players, at the Arena on Saturday evening, thrilled fifteen hundred spectators with a brilliant performance of the pageant from Ivanhoe, "The Return of Richard Coeur de Lion."

At the conclusion of the performance L. Bullock-Webster, to the cheering of the whole company of the pageant, credited Major and Mrs. Taylor with the success of the presentation.

The pageant is one of the most impressive spectacles imaginable, being a cross section of the period of Magna Charta in English history, reproduced with fidelity to costuming and characters which speaks of close study by Major Taylor as director, and careful work by his hundreds of assisting characters.

The action revolves around a knightly tourney, and preliminary to the appearance of the noble ladies and knights, hundred of villagers, soldiers, foresters, beggars, singers, peddlers and mountebanks hold the stage. They entertain themselves while waiting, while mountebanks and sellers of estates reap a rich harvest.

Isaac, the Jew, and his daughter Rebecca, enter. Rebecca is insulted by Sir Brian de Bois Guilbert, but is rescued by Ivanhoe, who, disguised as a "Palmer," has returned from the Holy Land. Ivanhoe, the son of Cedric, is in love with Rowena and has been disinherited by his father owing to his love of Norman sports and dress.

Rebecca persuades Isaac to lend Ivanhoe, who is penniless, a suit of armor and a horse for the tourney. The Jew does this, but with great reluctance.

A fanfare of trumpets announces the arrival of Queen Eleanor and the Norman and Saxon nobles, after which Prince John appears, followed by the knights.

The Prince insults a number of the spectators, ignorant of the fact that he is being watched by King Richard, who, returned from the Holy Land, is present disguised as a troubadour, and is killed by Ivanhoe. Ivanhoe chooses Rowena as Queen of Beauty.

A friendly melee with swords follows, in which the knights show their skill by knocking off their opponents' plumes. Two knights, however, lose their tempers and attack each other, thereby breaking the rules of the tourney, and are punished according to custom of being seated on a rail stripped of their armor.

Ivanhoe is crowned by Rowena, who recognizes him when his helmet is removed, and tells him his father has forgiven him.

Richard discloses himself, threatening John with death as punishment for John's attempt to usurp the throne. At the intercession of their mother Queen Eleanor, he relents,

## Citizens Owe Thanks To Director Hodgson Says Mayor Pendray

Mayor Pendray is eloquent in praise of the Musical Festival held yesterday at the Arena under the direction of Dr. Hodgson. "This great effort in music is the equal of anything I heard at the Portland Rosaria celebrations. It just shows that Victoria is musically on a par with the largest centres of population on the Pacific Coast.

"The thanks of the people of Victoria are due Dr. Hodgson and his talented artists for their wonderful presentation of Mendelssohn's remarkable work," the Mayor said.

and the whole company leaves the scene in procession.

The principals in the company of three hundred players are: Prince John—L. Bullock-Webster; Richard the First (Coeur de Lion)—Maris Hale; Queen Eleanor (their mother)—Sir Wifrid of Ivanhoe, B. D. Carley; Sir Brian de Bois Guilbert—A. S. Averill; Sir Reginald de Bracy—H. Allan; Prior Aymer—M. P. Barnes (Prince John's courtiers); Sir Waldemar Fitzurse (the marshal)—W. Taylor; Earl Cedric (father of Ivanhoe)—F. Ashley Sparks; Rowena (his daughter)—Eileen Allwood; Isaac (a Jew)—G. Stewart Clark; Rebecca (his daughter)—Violet Knox; Sweeny (the village bully)—R. R. Webb; Hubert (his friend)—A. Lewis Willis; Gurth—G. H. Hallett; Robin Hood—Vincent Knox; Friar Tuck (his friend)—A. Bain; The Jester—W. Harkness; Effreda (a Eypsy dancer)—Marjorie Spencer; Prince John's head forester—A. Ellish; The Leech—J. Cadsway.

## LONG ANTICIPATED ART COLLECTION IS FORMALLY OPENED

Hon. W. C. Nichol Compliments Arts and Crafts Society Achievement

A great step forward in the artistic development of the city was made Friday with the formal opening by His Honor the Lieutenant-Governor of the loan collection and art gallery at the Crystal Garden. The salon was filled for the opening ceremony with a big crowd of interested spectators, many of whom saw in the gallery the culmination of their long efforts to establish a permanent art collection in Victoria. In this gathering were members of the Island Arts and Crafts Society, which has been instrumental in securing the magnificent collection of objects d'arts which are incorporated in the gallery.

His Honor, who is honorary president of the society, in his opening address warmly congratulated the members of the committee on the results of their long-prosecuted efforts to establish a permanent art collection in Victoria. He was assisted by Mrs. Fred Pemberton and Mr. Irvine Dwinell, assisted by Mrs. Pemberton, Mrs. L. B. Kent, Messrs. Lineham and J. S. McMillan.

**VALUABLE COLLECTION**  
The collection, which is one of the most valuable ever assembled in Canada, includes paintings by such great masters as Titian, Murillo, Gainsborough, Mottland and Constable.

There are also numerous cases containing antique silver, pottery, minerals, samplers. There are also fine Burmese draperies and Oriental rugs, old Empire and Sheraton cabinets, marble statuary, old Spanish chairs, fine old French and Italian lace, old swords, and modern Batik scarves, silver and pictures. One case alone contains a collection of Kung Hi pottery which is worth a fortune. It is the more notable now that the Chi-

B.C.'S SHORT-TERM FINANCING PROVES SUCCESSFUL POLICY

MacLean's Profits on Big P.G.E. Bond Deal Shown by Result of Sale

Current Flotations Cleared up; Will Keep Out of Market Until Fall

As a result of satisfactory disposition of Pacific Coast Eastern Railway securities the British Columbia Government has cleared up most of its short-term financing for this year and will not have to go into the money markets again until the fall when the best prices should be obtainable.

Hon. J. D. MacLean, Minister of Finance, has just completed the transaction for the sale of the Pacific Coast Eastern Railway securities for the entire issue having been received by the bank against delivery of the bonds to-day, thus commencing a difficult financial problem which has turned out a very profitable one for this Province.

When the Government assumed office in 1916, the directors of the Pacific Coast Eastern Railway Company had outstanding a promissory note with the Union Bank of Canada for \$4,500,000.00. The Government pledged as security stock certificates of the railway company amounting to \$5,250,000.00. Shortly after this the Union Bank demanded for the payment of the note. At that time the stock had a market value of around \$60 per hundred. Rather than sacrifice the stock at such a low price, the Government made arrangements for the transfer of the note to the Bank of Commerce. This was done in 1918. The Bank of Commerce agreed to the same security as the Union Bank until 1920, and as the price of this stock did not materially increase during the period, the Government whereby authority was given to issue bonds and to take over from the Province of British Columbia the bonds and as collateral security against the issue of bonds under the Eastern Note Payment Act of 1920.

ISSUED OWN BONDS Contemplating a considerably better price for this stock in the near future, the Government issued its own bonds in 1920 for five years at an interest rate of six per cent. These latter bonds were sold in New York on June 1 and June 30, in order to retire these bonds at such a low price as an interest yield of a trifle less than 5.15 per cent. The margin of profit, therefore, made from this issue is a trifle less than the 5.15 per cent. yield, which is conclusive evidence that the Government has obtained the highest possible price for these bonds at any time since they were issued.

THE DISPOSITION OF THIS STOCK will clear up the larger portion of the Province's short-term financing for this year, and arrangements have been made whereby it will not be necessary to go to the market for any further refunding until the fall. There is every possibility, therefore, that any further securities of the Province for this year's financing will be marketed at a time when the best prices are obtainable.

B.C. Business Improves, Credit Report Shows Winnipeg, June 28 (Canadian Press)—The weekly trade report of the Canadian Credit Men's Trust Association, Limited, adds: Halifax—Wholesale trade unchanged. Retail trade continues steady.

ST. JOHN—Conditions in both wholesale and retail trade fairly satisfactory. Collections fairly good. Montreal—A considerable gain is shown in boot and shoe sales in the retail trade. A decided improvement also shown in hardware. Dry goods show fair improvement with collections.

TORONTO—Trade conditions show a slight increase since last report and a better feeling is in evidence for future business. Winnipeg—General trade conditions unchanged. Wholesalers report business fair, continued wet weather has caused a tendency to slow up retail business, particularly at country points. Crop outlook fairly good with improvement in the steady line. Retail trade quiet to fair. Collections slow.

SASKATOON—Wholesale trade reported quiet and retail trade slow. Crops in this district looking fine, giving promise of a large return. Collections slow.

EDMONTON—Wholesale and retail trade shows slight increase over last

ESQUIMALT MERCHANTS Will Hold Basket Picnic at Rosebank

Rosebank has again been chosen as the picnic grounds for the Esquimalt merchants' basket picnic on July 22. All the merchants are preparing to make this the best picnic yet held. Committees have been formed as follows: Transportation, finance, refreshments, sport and music.

STORM DAMAGE IN ALBERTA DISTRICT

Edmonton, June 29.—One of the worst hurricanes in years hit Billings and the surrounding district near Alberta Beach about three o'clock Sunday afternoon. Reports brought into the city by campers in the hills, trees, eighty and ninety feet tall, torn up by the roots and hurled around like matchwood, smashing of general havoc.

MOOSE JAW, June 29.—Samples of fully headed Marquis wheat and flax out in blossom were received from Amulet, Sask., Saturday. The wheat is about twenty-three or twenty-four inches in height and flax about sixteen inches. The wheat was headed out on June 21.

VICTORY BONDS

Table of Victory bond prices for various denominations and terms.

GRAIN PRICES SAG ON WET WEATHER

Winnipeg, June 29—Sharply lower cables, a small export business and continued favorable crop reports from both Canadian and United States areas had a depressing effect on the local wheat market here to-day.

The December future trading opened to-day, the opening being at 130 1/2 to 130 and the close 128 1/2.

The buying power throughout the day was not of a character to sustain the bulges and sentiment was very bearish. The coarse grain markets all recorded drastic declines and only a fair trade was reported.

Table of grain prices for wheat, barley, and other commodities.

LAKEVIEW SUCCESS REPORTED BY HILL

Shipment of high grade ore run of \$16 in gold and 147 ounces of silver from the new strike in the Lakeview has been sent to Victoria by express, according to the report received by the head office of the mine here from R. F. Hill, M.P.E., who is in charge of the operations at the mine near Stewart, B.C.

"The samples were taken from the left and right sides and back of cross cut, where it cut the vein," Mr. Hill says, "this will give you the idea, and correct, that the vein runs all through and not local in spots."

"By freight I am sending two sacks of samples. These are a general sample of about four feet that runs on both East and West and vein. You will note with interest the samples of the dyke. I have had no samples run."

"Yesterday was spent mostly in showing the local mining men the samples. They are all very tickled, more particularly John Stewart, M.P.E., strike being East and West and he figures it out for the Dunwell."

"I shall continue in the slates for a few days more, than drift to ways on or near the vein at 751 feet."

Mr. Hill also writes:—"Face of tunnel still as samples seen in core. Instructions from you shall continue tunnel until Thursday morning and then to drift both East and West along side vein at 751 feet, all material taken out will be placed at special point of dump and high grade ore picked out and taken from tunnel, special platform will be prepared for this latter ore. I wish you would make inquiries as to how samples handled as much excitement among your clients and yourselves as they have done here, the slates has put new vim and pep into all."

"Taking everything into consideration the outlook here is brighter than at any time since I arrived last June."

Published assay results of the ore strike on the Sunbeam claim of the Dunwell mine were corrected Saturday in a signed statement by C. W. Frank, the discoverer. "The samples taken were picked at random and assayed gold, 0.1 ounce and silver, 108 ounces," Mr. Frank's statement says.

"What led me to expect ore in this particular spot and what induced me to sample the rather poorly exposed out crop was because the felsic porphyry dyke indicated relative to a similar occurrence in the No. 3 Dunwell tunnel and to the East Canal district. Relative felsic porphyry dykes, associated with high grade ore, occur on the Premier and other mines of the district. The above described rocks are often mistakenly called quartz porphyry on account of their similarity to the felsic porphyries."

## TIMES CROSS-WORD PUZZLE

Get out your short word vocabulary again, but keep your regular dictionary at hand, too. Despite its large proportion of three-letter words this puzzle has some longer stickers.

Crossword Puzzle 2352

## HOW TO SOLVE THE CROSS-WORD PUZZLE

Every number in the form represents the beginning of a word, reading either horizontally or vertically. If there is a black square to the left of the number, the word is horizontal; if above it, the word is vertical. The same number may be found both as a horizontal and a vertical. The definitions for the correct of course. Run through the definitions till you find one that you recognize, and write it in the form as found below. The definitions for each white square. This will put it in its proper place on the form, one letter for each white square. Continue until several cross-clues to the words linking with it at right angles. Continue until the form is completely filled. If you have solved the puzzle correctly it should read both horizontally and vertically with words corresponding to the definitions. The correct solution of to-day's puzzle will be printed in the next issue of The Times.

## HORIZONTAL

- Grasp.
- Latent.
- Those who serve at tables.
- Percolates.
- Smell.
- To submit.
- Region.
- Front bite.
- No.

- To separate.
- To put on.
- Pep.
- Uncooked.
- This is a baseball club, but its body, as well as its head is made of wood.
- To earn.

## "The Steadfast Heart"

By Clarence Budington Kelland

"The Judge," he said, "has overbalanced himself. The thing has gone to his head. . . . Other people's money. . . ."

"Right," he said, "if they strike me!"

Angus shook his head. "I'm not sure. I've been studying the oil business. . . . I've read everything I can find that touches it, and I'm not sure. I believe there is oil. . . . You believe there is oil? . . . I thought it was your idea that Craen was doctoring up a swindle. . . . Yes, but oil and oil enough are two different matters. If he should get a quart it would set Rainbow crazy. . . . What Craen will do if he finds oil—but only a dribble of it, is what I'm worrying about. . . . I see," said Wilkins. "I see." "He's keeping his operations so secret. . . . If only I could find out at the right time what has happened—Angus. What is it to you?" "Angus regarded Dave gravely. . . . I couldn't see folks who have happened so hard for a little money—robbed of it. . . . But you owe nothing to Rainbow. . . . Dave said this tentatively. . . . Rainbow has shown you slight kindness. . . . I—I mustn't think about that. I mustn't think about myself. I must only think about them." "Dave smiled but did not reply. . . . But he was thinking—thinking. . . . And this is the boy they called jaundiced, and wouldn't tolerate. This is the boy wouldn't let go to school with their children? . . . To Angus he said, "Come over to-night. We'll thrash it out. Maybe the paper can help. . . . Angus went out slowly. . . . He crossed the street he had Lydia Canfield approaching. . . . She was surprised for she had avoided him these many months. Her resolution not to see him, to speak with him, had been well kept, and now—now—had to shrug one's shoulders. Did she feel a

## SCHOOL DAYS

## Clear The Pores Of Impurities With Cuticura Soap

Look at me now. Lydia. You're unreasonable. You're never been to China, for all I care. . . . I'm going, and I'll show folks they can't drive me all the time. . . . But Lydia—you can't go. It wouldn't be right. . . . And if you went with me, folks would talk. . . . I mustn't go with you—don't you see? . . . She was thoroughly angry now, angry with Angus as well as with Mary Browning. . . . I'm not a baby. Whose business is it where I go, or with whom? . . . "Mrs. Browning knows best," said Angus weakly. . . . "Mrs. Browning doesn't know a bit more than I do. . . . Will you go with me, or won't you? . . . Her tone was sharp. . . . It aroused Lydia to an appreciation of the thing as it was. . . . For the moment he saw Lydia as a petulant, willful little girl, felt his own age and maturity—superior to Lydia's, and it was borne in upon him that he had a duty to perform. . . . This very frequently happened to serious-minded young folks. . . . "I don't want you to go," he repeated slowly, "and you mustn't go. . . . It wouldn't be right. . . . You won't go." . . . "No. . . . Look at me now. Lydia. You're unreasonable. You're

angry. If you go—you'll be sorry for it—because—because you're not the sort of girl who—does that kind of a thing. . . . What would people think? . . . "What is it to you?" she gasped, choking with anger. . . . What was it to him? . . . What was it to him? He stopped, almost drew back from her physically, for as he looked down into her rebellious eyes he knew what it was to him, knew he had loved her, recognized at last that he had loved her and would continue to love her—that she was the beginning and the end of things for him, to be worshipped until death. . . . For the second time he spoke without weighing his words, this time from the depths of his heart. The words were not greatly significant, would not have been from another but Angus; it was his tone which was significant, eloquently, unconsciously significant. . . . To be continued.

## THE CORPORATION OF THE TOWNSHIP OF ESQUIMALT

TENDERS are invited for the valuation of improvements in the above Municipality. Full particulars can be obtained from the undersigned, to whom tenders, marked "Valuation of Improvements" must be addressed and delivered not later than 7:30 p.m. on Monday, July 6, 1925.

G. H. PULLEN, M.C.  
Municipal Hall, Esquimalt, June 25, 1925.

## GOVERNMENT LIQUOR ACT

Notice of Application for Beer License. Notice is hereby given that on the 2nd day of July, 1925, the undersigned intends to apply to the Liquor Control Board for a license in respect of the premises being part of the building known as the Gorge Hotel, now under reconstruction, situate on Tillicum Road, in the Municipality of Esquimalt, in the Province of British Columbia, upon the lands described as 4 Acres of Sec. 18, Esquimalt District, in the Victoria Land Registry Office, in the Province of British Columbia, for the sale of beer by the glass or by the open bottle for consumption on the premises.

Dated this 2nd day of June, A.D. 1925.  
A. G. D. PIOTT,  
Applicant.

## TIMBER SALE X271

Sealed tenders will be received by the District Forester, Vancouver, not later than noon on the 2nd day of July, 1925, for the purchase of License X271 to cut 570,000 feet of Spr. Cedar, Hemlock and Balsam, and 240 Cord of Shingle Bolts on an area situated near Departure Bay, Victoria, B.C.

Two (2) years will be allowed for removal of timber.

Further particulars of the Chief Forester, Victoria; the District Forester, Vancouver.

### SIMEON LELIEVRE DIED IN OTTAWA

Ottawa, June 29.—Simeon Lelievre, LL.B., sixty-six years old, Assistant Clerk of the Senate, died Saturday en route to Montreal. A few hours before he had assisted in the propagation of the House.

### DELEGATES ENJOYED VISIT TO VICTORIA

#### U.S. Businessmen Express Appreciation of Hospitality

Appreciation of the reception and hospitality on Canadian waters and Canadian soil accorded to the delegates to the U. S. Foreign Trade Council who were visitors to Victoria Saturday is expressed in a wire from Christy Thomas, executive secretary of the Seattle Chamber of Commerce.

"This evidence of friendliness and brotherly feeling is taken as an earnest of that hearty co-operation which is so necessary for the accomplishment of the objects of the trade council in its cherishing of an international attitude," he says.

"Eastern attendants on this convention, many of whom are visiting for the first time this wonderful northwest, are loud in their praise not only of the splendor of scenery, the surety of future possibilities of real development, but especially of the many evidences of warmth of that Western spirit which only has made the past, as well as it will make the future possible."

### SAANICHTON TO WELCOME PASTOR

Union Church to Hold Reception Tuesday; Services Every Sunday

Rev. Mortimer Lees has now arrived from Smithers, B.C., to take over the pastorate of the Union Church at Saanichton, and will be officially welcomed on Tuesday evening, June 30, at a reception to be held in Saanichton Union Church. Sidney members of the circuit have arranged to attend. A programme of music and addresses has been arranged, after which refresh-

ments will be served by the Ladies' Aid.

Services are now arranged for 11 a.m. every Sunday and Sunday school at 10 a.m. under the leadership of A. McClure. The adult Bible class will also meet at 10 a.m.

### NOVA SCOTIA MINE FIRE CAUSED LOSS

Buildings and Trestle at Caledonia, Near Glace Bay, Were Destroyed

Blaze Started From Unknown Cause; Conquered by Force of Men

Sydney, N.S., June 29.—Early this morning, fire at the bankhead of No. 11 colliery at Caledonia, near Glace Bay, had burned itself out after destroying a part of the trestle for carrying coal away from the mine mouth, the haulage house covering the machinery for raising coal from the mine and the compressor and boiler houses. The warehouse and colliery office escaped. No estimate of the damage is available, but it is known to be heavy.

The fire burned in spectacular fashion for more than two hours. It was kept within bounds by efforts of fire workers and was under control about midnight. It broke out about 11 o'clock from an unknown cause.

### JUBILEE HOSPITAL HAD BUSY YEAR, DR PEARSE SHOWS

Annual Report Presented to Subscribers Yesterday Afternoon

At the annual meeting of the Royal Jubilee Hospital subscribers the thanks of the meeting were tendered retiring directors for their work. The following were re-elected to the Directorate of the hospital at the close of the meeting: Mrs. C. W. Rhodes, Charles Williams, D. J. Angus and S. J. Drake.

Superintendent Dr. E. M. Pearse submitted his annual report, of which the following are the salient features:

In-patient admitted during the year totalled 2,478, less than the previous year, the reduction being marked in the Summer and Autumn, while during the Winter there were times when the hospital patients had to be placed in the offices of the superintendent, the director of nursing, the dietitian, and even in the waiting room. The total number of hospital days was 46,654, approximately 2,900 less than the previous year.

Births numbered 145, while the total of deaths was 138. A very considerable number of out-patients were also dealt with at the hospital.

The work of the pathological department under Dr. W. R. Walker increased by 1,700 reports over last year, practically all in the public health section, the work coming from all parts of the island. This department has been transferred to larger quarters in the new wing.

The radiological department under Dr. W. M. Carr has had a busy year. Some of the equipment has been replaced and changed to give greater safety for the operators. A high frequency and diathermy apparatus of the latest pattern has been installed. Thanks to the generosity of the Florence Nightingale Chapter, I.O.D.E., the hospital is now equipped with a mercury quartz ultra violet lamp.

The number of radiological cases dealt with was approximately 2,400, while approximately 1,100 treatments of radium, X-ray, quartz lamp and diathermy were given.

Some of the rooms of the old operating suites have been taken over by the X-ray department and work is necessary to adapt these rooms.

Dr. Pearse reported that the past year has been very successful as regards the nurses' training school, and the school has been approved by the regents of the University of Albany, New York, which permits graduates to be registered and practice in the United States.

## A Grand and Glorious Feeling

**MY!** It's great to wake up "yourself" these summer mornings. Gone that early morning grogginess. Gone that hour or so you used to take to unlimber.

That's the result of regular habits—your digestion's right. Post's Bran Flakes with Other Parts of Wheat supplies necessary food roughage that aids digestion. Nature's own laxative—it helps to keep you fit.

Post's Bran Flakes has food value, too, because other nourishing parts of the wheat are retained. Post's Bran Flakes sweeps out unhealthful body poisons and keeps fresh vigor coursing through the blood. Its crisp-toasted flakes have a wonderfully appetizing flavor. Serve with milk or cream. Ready to eat right from the package. Today—get it from your grocer in the wax-wrapped package. Help Nature help you!

Send the coupon below and we will mail you a generous trial packet of Post's Bran Flakes.

### The Imperial Refinery at 10CO (Burrard Inlet)

Atmospheric and climatic conditions in B.C. differ from those of any other province in the Dominion. Here we have high altitudes and low altitudes and the gasoline that will give perfect performance under the varying conditions of such a "spread" of climate must have "flexibility."

To consistently produce a gasoline that would fit this exacting "flexibility" requirement, necessitated the establishment of an Imperial refinery "on the Coast." Imperial Premier Gasoline, as B.C. motorists get it from the Imperial pumps, is a home-refined gasoline possessing in highest degree the qualities that make for carefree, comfortable motoring.

# Imperial Premier GASOLINE
