PART 1010—SUSPENSION ORDERS

[Suspension Order S-1120]

LOUIS AND LUCY SPINELLI

Louis and Lucy Spinelli of 110 Sage Avenue, Bridgeport, Connecticut, own and operate a restaurant at 1219 Pembroke Street, Bridgeport, Connecticut. A one-story addition to this restaurant approximately 40' x 43' in area to cost an estimated \$6,000 was begun by Louis Spinelli in October of 1946. After being advised by telegram that this construction appeared to be in violation of VHP-1, an application for authorization for the construction of this addition was filed with the Civilian Production Administration and denied on November 5, 1946. Further work on this addition was done by Louis Spinelli after the denial of the authorization, and a temporary suspension order was issued by telegram dated November 22, 1946. The beginning of construction of this addition as above described was a violation of Veterans' Housing Program Order No. 1 and the carrying on construction of this addition after the denial of an authorization constituted a wilful violation of Veterans' Housing Program Order No. 1. These violations diverted critical materials to uses not authorized by the Civilian Production Administration. In view of the foregoing, it is hereby ordered that:

§ 1010.1120 *Suspension Order No. S-1120.* (a) The temporary suspension order issued against Louis and Lucy Spinelli by telegram of November 22, 1946, is hereby revoked.

(b) Neither Louis nor Lucy Spinelli, their successors or assigns nor any other person shall do any construction on the premises at 1219 Pembroke Street, Bridgeport, Connecticut, unless specifically authorized in writing by the Civilian Production Administration.

(c) Louis and Lucy Spinelli shall refer to this order in any application or appeal which they may file with the Civilian Production Administration for authorization to carry on construction.

(d) Nothing contained in this order shall be deemed to relieve Louis and Lucy Spinelli, their successors or assigns from any restriction, prohibition, or provision contained in any other order or regulation of the Civilian Production Administration, except insofar as the same may be inconsistent with the provisions hereof.

Issued this 18th day of March 1947.

ADMINISTRATION,

Recording Secretary.

Chapter I—Federal Communications Commission

PART 43¹—REPORTS (FILING OF INFORMATION, CONTRACTS, PERIODIC REPORTS, ETC.)

REVISION OF ANNUAL REPORT FORM R FOR USE BY CLASS A AND CLASS B RADIOTELEGRAPH CARRIERS

MARCH 7, 1947.

At a meeting of the Federal Communications Commission held at its offices in

¹ See also Part 1, "Rules Relating to Organization and Practice and Procedure," § 1.544 (a) (4).

Washington, D. C., on the 6th day of March 1947:

It appearing, that Annual Report Form R is a form which is required to be filed annually by Class A and Class B radiotelegraph carriers pursuant to section 219 of the Communications Act of 1934, as amended, and § 43.21 of the Commission's rules and regulations (47 CFR Cum. Supp. § 43.21); and

It further appearing, that Annual Report Form R provides for reporting by said carriers, among other matters, certain information and data related to the capital stock, stockholders, funded debt, property, franchises and equipment, employees, officers, and directors, revenues and expenditures, and financial operations and statements of said carriers; and

It further appearing, that a revision of said Form R in content and format has been under consideration by the Commission and that all radiotelegraph carriers subject to said section 219 of the Communications Act of 1934, as amended, and § 43.21 of the Commission's rules and regulations (47 CFR Cum. Supp. § 43.21) have been consulted concerning said revision and have had actual notice thereof; and

It further appearing, that the Commission has received suggestions and comments which have been carefully considered, and which, in some instances, have been adopted by the Commission; and

It further appearing, that public interest, convenience, and necessity will be served by such revision of said Annual Report Form R, including a change in format, a consolidation of several of the individual schedules, the addition of seven new schedules, the withdrawal of 26 schedules and the expansion of two schedules thereof;

It is therefore ordered, That Annual Report Form R for Class A and Class B radiotelegraph carriers, required to be filed pursuant to section 219 of the Communications Act of 1934, as amended, and § 43.21 of the Commission's rules and regulations (47 CFR Cum. Supp. § 43.21), be, and it is hereby revised in the manner and form indicated in the attachment hereto² and that the present Annual Report Form R be superseded thereby; and

It is further ordered, That all Class A and Class B radiotelegraph carriers be furnished with copies of the revised Annual Report Form R immediately, and that copies thereof be made available at the offices of the Commission in Washington, D. C.; and

It is further ordered, That the revisions adopted herein shall become effective immediately.

The Commission finds that general notice of proposed rule making required under the provisions of section 4 of the Administrative Procedure Act is impracticable. Section 219 (b) of the Communications Act of 1934, as amended, provides, with regard to the filing of Annual Reports, that "Such reports shall be for such twelve months' period as the Commission shall designate and shall be filed with the Commission at its office in Washington within three months after

the close of the year for which the report is made, unless additional time is granted in any case by the Commission;” Further, the provisions of § 43.21 of the Commission’s rules and regulations (47 CFR Cum. Supp. § 43.21) issued pursuant to the aforementioned section 219 of the Communications Act, require that these reports be filed by March 31st in each year. Accordingly, it is necessary to effectuate said revisions immediately in order to apprise the radiotelegraph carriers of the changes made, and in order to supply them with copies of the Revised Form R in ample time for completion thereof, in accordance with the foregoing statutory requirements.
