Request for Entry on Humanitarian Grounds

C-1 C/S 30 June 1947

1. 1. Request has been submitted by Mr. Ahtam, a Russian emigrant (turco-tartar), for entry into Japan from Tientsin (Tab: Rqst).

2. a. The applicant states (1) that he came to Japan in 1930 and resided here until 1942 (2) that he married in Kobe and (3) that he left in 1942 for Tientsin, China, leaving his mother in Kobe.

b. There is no indication in the request that the mother is in need of the financial support of her son.

3. a. This appears to be a case warranting consideration for compassionate reasons. However, such cases of requests for compassionate reasons have in the past received favorably consideration only when the beneficiary of support was to come to Japan to join the benefactor. In this case the benefactor wishes to come to Japan for the purpose of joining the beneficiary.

b. It would appear that in view of the sound financial circumstances of the applicant, the travel of his mother to China for the purpose of joining him there would be more in order, if appropriate Chinese authorities are agreeable.

4. Concluded that entry of Mr. Ahtam into Japan should be denied, but that suggestion should be made that he may submit request for the travel of his mother out of Japan for the purpose of joining him in China.

5. Recommend approval proposed letter to Mr. Ahtam.

July 1947

Mr. Husni Ahtam
14, ex-Rue St. Louis, Apt. 8
Tientsin, China

Dear Mr Ahtam:

Receipt is acknowledged of your letter of 15 May 1947, concerning your entry into Japan to reside with your mother.

Present policy limits the entry of persons into Japan to those who will contribute directly to the mission of the Occupation. In view of this your entry cannot be favorably considered. However, should you desire to have your mother join you at your present residence it is suggested that if appropriate authorities in China have no objection, a request for her exit from Japan may be submitted to this Headquarters for consideration.

Very truly yours,

Clearance for Entry, Technical Aide to
U.S. Reparations & Restitution Delegation

G-1 C/S 30 June 47

1. 1. Washington (JCS) Radio WCL 29006, 26 June 47 (Tab: WCL 29006) requests views of CINCFE in the entry clearance into Japan for James A. Fullam, Vice-president and member of the Board of Directors, International Telephone and Telegraph Company, to become a technical aide to the U.S. Reparations and Restitution Delegation. This radio also requests clearance for Francis Montague to proceed to Okinawa in connection with disposal of surplus property under contract with the Chinese Government. Efforts are being made to obtain additional information concerning Mr Montague and action on his entry is suspended pending receipt of such information. Paragraphs 2 to 5 below concern the clearance of Mr Fullam.

2. Dr Rufus Smith, Chairman of the U.S. Reparations and Restitution Delegation, states that he had been informed that the International Telephone and Telegraph Company would have someone as a technical aide to the U.S. Reparations and Restitution Delegation. Dr. Smith desires that clearance be granted.

3. SCAP policy, as announced in SCAP Memorandum, file AG 387.6 (14 Mar 47)CPC/TL, subject, "Technical Aides to Reparations and Restitution Delegations", dated 14 March 1947, permits each delegation to have a limited number of technical advisors. This request is the first received for the entry of technical aides for the U.S. delegation.

4. Recommend approval of proposed radio granting clearance for Mr Fullam and suspending action on entry of Montague pending receipt of further information.

5. Concurrences:

Entry into Japan, Dependent of War Department Civilian

G-1 C/S 30 June 47

4. 1. Request has been made by Mr. Yee W. Deu, War Department civilian, Ungraded 17, for the entry into Japan of his Chinese wife who is now residing in Shanghai (Tab: Deu Rqst).

2. a. The particulars of SCAP Circular 8 are included in the request.

b. This case was returned from the office of the Chief of Staff on 25 June with instructions to re-examine the case.

3. a. As previously indicated, the wife is now living in Shanghai in destitute circumstances and has no friends or relatives in Shanghai to whom she may turn for support.

b. It has been verified by G-1 that Mr. Deu is (1) an American citizen, (2) a Navy veteran, (3) he possesses a marriage certificate as indicated in his request.

c. The length of stay, 90 days, was considered questionable in the previous submission of the case. It has been determined that Mr. Deu's purpose is to bring his wife here for only such period in Japan as will allow him to accumulate sufficient money to send her to the U.S.

d. In telecon with Amconsul Yokohama (Mr Johnson) he stated that there was reasonable assurance that Mrs. Deu would be permitted to go to the U.S. because of present legislation concerning wives of veterans of the Armed Forces.

e. The request indicates that no housing will be required from Occupation sources.

4. a. It is concluded that in view of the circumstances cited above entry of Mrs. Deu should be permitted on humanitarian grounds.

b. If approval is granted for entry of Mrs. Deu, 8th Army will be informed of the clearance.

5. Recommend approval of letter to Mr. Deu informing him of the clearance of his wife.

Transfer of Military Permit System for entry Japan from JCS to War Department (WDSCA PT).

G-1 C/S 30 June 1947

1. 1. Information has been received from War Department, Special Civil Affairs Division that effective 1 July the Military Permit System will be transferred from JCS to the War Department. Our comments have been requested concerning procedures which will effect expeditious handling of future applications.

2. a. The JCS Military Permit System as applied to Japan and Korea is laid down in JCS Memorandum for Information #170. This has been implemented by Department of State Foreign Service Serials 137, 552 and 668.

b. Foreign Service Serial 668 contains the only salient change to JCS #170 which has been forthcoming from Washington, namely, that aliens traveling to Japan through the U.S. will no longer be required to obtain a Military Permit for such travel.

c. Suggested changes in procedures for securing and implementing Military Permits have been suggested by this Headquarters in the following radios: Z 39827, which requested clarification of the change contained in Foreign Service Serial 668 (subpara b above), Z 43366, which requested definition of authority of CINCFE to extend or terminate JCS Military Permits, and ZX 49231, which requested that authority be delegated to certain American Consuls to validate passports of American citizens for intransit passage Japan without reference to JCS or to CINCFE.

d. Washington Radio WCL 40394 confirmed facts stated in Foreign Service Serial 668 and extended authority to CINCFE to extend Military Permits of individuals currently in Japan. No reply has been received to date to ZX 49231.

e. Washington Radio WCL 25663 was passed to CG, USAFIK for information, and in order to clarify the Military Permit System further a copy of JCS #170 and a copy of our radio ZX 49231 were forwarded to CG, USAFIK by courier. CG, USAFIK indicates in Radio MGFAF 850 that he concurs in operating procedures outlined in JCS Memorandum #170 and suggests that changes outlined in our Radio ZX 49231 be extended to Korea.

3. a. The Military Permit System as it now stands is considered to be a valuable control measure on the entrance of undesirable individuals into Japan and Korea, inasmuch as it provides a screening of such individuals prior to applications being passed to this Headquarters for our comment.

Declassified E.O. 12065 Section 3-402/NNDG NO. 775009

1. contd. b. It is believed, however, that paragraph 1b of JCS #170 might well be subjected to further scrutiny by the War Department, with a view to redefinition of the individuals exempted from its provisions. This is believed necessary in view of the fact that JCS #170 was written as a war-time measure and many of the reasons which prompted it are no longer valid or necessary.

c. It is believed further that our radio ZX 49231 will be valuable in eliminating wasteful administrative procedures and that its provisions should be applied to the new Military Permit System.

4. It is concluded that:

a. Attention of War Department should be invited to Radio WCL 40394 and a reaffirmation on authority delegated in that radio be requested.

b. War Department should be queried as to reply on our radio ZX 49231 (now extended to Korea).

c. War Department should be requested to redefine exceptions contained in paragraph 1b, JCS #170.

5. Recommend approval draft radio to WAR(WDSCA PT).

FROM: CINCFE

TO: WAR WDSCA PT MPS) . . . . . PRIORITY

INFO: CG USAFIK . . . . . PRIORITY

Reurad WCL 25663, 14 June 47, following are comments concerning procedures which will effect expeditious handling of future applications for Military Permits for entry Japan and Korea:

a. Since JCS 170 was written as war-time measure, suggest paragraph 1b be restudied and exceptions to the system be redefined.

b. Our Radio ZX 49231 suggested certain American Consuls be authorized validate passports of American citizens for transit Japan without reference to CINCFE or WAR. No rpt no reply received to date to this radio. Believed here this would eliminate much unnecessary correspondence. Believed desirable provisions ZX 49231 be extended to include Korea.

c. Attention is invited to urad WCL 40394 which delegates authority to CINCFE to extend Military Permits to individuals currently in Japan. Request reconfirmation of this delegation of authority.

Mr. Roberto A. Guatelli
10 West 10 Street
New York 11, New York

Dear Sir:

Receipt is acknowledged of your letter dated 16 June 1947 in which you request that you be allowed to re-enter Japan.

In view of your previous residence in Japan, there is no objection to your return to Japan at such time as you may desire to do so.

Since Miss Florence Monna Mirabella has not previously lived in Japan, her entry cannot be favorably considered under current policy.

Very truly yours,

M/R:

1. Guatelli stated verbally in Jan 47 prior to the time he left Japan for the U.S. that he had lived in Japan since 1941 and presented a certificate of residence to that effect from Japanese Home Ministry, a copy of which is attached to his current letter. He further stated that he desired to go to the US on business and return in approximately 10 months.

2. Since he was a resident of fairly long standing in Japan prior to his trip to the US, no cogent reason is seen for denying his request.

3. No provision exists for entry of Miss Mirabella as requested in current ltr.

Repatriation of German Nationals

G-1 C/S 30 June 47

1. 1. References:

a. Washington Radio WAR 99322, 4 June 47.

b. CINCFE Radio CX 53302, 12 June 47.

c. Washington Radio WX 81004, 28 June 47.

2. Washington Radio WAR 99322, 4 June 47, gave a draft directive of property and financial regulations applicable to former German diplomats upon their repatriation. To date this has not been approved by SWNCC, however, by Radio WX 81004, 28 June 47, War Department stated that decision was expected by 1 July.

3. Ourad CX 53302, 12 June 47, gave CINCFE comments on proposed property regulations, and requested 40 days in which to process repatriates after the approved regulations were received. War Department Radio WX 81004, 28 June, stated that ETA Yokohama of the USAT General Black is 10 July.

4. Directives to CG, 8th Army and to the Japanese Government have been drafted, but will not be published until SWNCC has made final decision on the property regulations, in view of the possible political implications if regulations are changed.

5. It is to be noted that CG, 8th Army will require approximately 4 weeks after receipt of our directive in order to properly process the repatriates. Inasmuch as the vessel is due on 10 July, it will be necessary to hold it in port for 20 - 25 days even if the approved regulations are received immediately. Estimated cost to U.S. while vessel is in port is $3,000 per day.

6. Proposed radio informs War Department that CINCFE will not process any repatriates until final, approved regulations are received, in view of possible repercussions if SWNCC changes the proposed regulations.

7. Recommend approval of proposed radio.

Visit of Korean National to Japan

G-1 C/S 28 June 47

1. 1. CG USAFIK has reiterated a request for entry into Japan of a Korean national, Kim Kuk Tae, for the purpose of being fitted with an artificial leg (Tab: ~~Z~~MGFAF 273).

2. a. The request was first made in MGFAF 627 (Tab: MGFAF 627).

b. Our C 53094 of 2 June denied the request for entry (Tab: C 53094).

3. a. The request was originally denied on the grounds that should the request be granted an undesirable precedent would be set which might well be the basis in the future for many such requests from Korean nationals with similar physical disability.

b. It is cited that no facilities exist in Korea for the fitting of artificial legs.

c. The basis for resubmission of the request from USAFIK is that it is considered there that the risk of serious damage to Occupation prestige in Korea could be greater than the risk of setting an undesirable precedent.

4. a. It is concluded that if the issue is considered to be of such importance by CG USAFIK, the request should be granted. PH&W (Col Johnson) concurs.

b. USAFIK Ln Off (Lt Col Kaesser) states that funds will be deposited by Kim Kuk Tae with USAMGIK to cover expenses in Japan and for transportation to Japan. In turn that office will direct USAMGIK Ln Off in Japan to make disbursement to 8th Army Military Government of a comparable sum in Japanese yen for the defrayment of expenses by the Fukuoka Military Government Team. 8th Army Military Government has agreed to designate an officer of the Fukuoka Military Government Team to meet the Korean at Fukuoka and exercise such supervision as is necessary in Japan. Such supervision will consist of guidance for billet and food, escort to the shop which will provide the artificial leg and the equivalent of a parole system in which the Korean will report periodically to the Military Government Team until he is prepared to depart.

5. Recommend approval proposed radio to CG USAFIK.

Hoisting Japanese Flag in Shimoda on 6 July

G-1 C/S 28 June 1947

1. 1. Central Liaison Office No. 4838(PH) requests permission to hoist the Japanese Flag in Shimoda on 6 July 1947.

2. a. It is pointed out that the custom before the war was to display both the American and Japanese Flags in commemoration of the arrival of the American Fleet under Admiral Perry in 1853.

b. Display of American Flag is considered inadvisable. However, arrangements made by local Military Government makes this a "fait accompli". It is not believed advisable to cause these arrangements to be cancelled. Eighth Army MG (Mr Renchard) indicates that the Shizuoka MG Team intends to display the American Flag in four appropriate locations in Shimoda on 6 July in conjunction with the proposed activities. Japanese will not participate in the display of the American Flag.

3. It is believed to be in the best interests of the Occupation to approve the request for display of the Japanese Flag.

4. Recommend approval of attached draft memorandum to Japanese Government and radio to Eighth Army.

5. GS (Mr Tilton) concurs.

The Director
Supreme Command Allies Powers
Tokyo.

Sir,

Re Trading Facilities with Japan.

I have been established in business in Kobe between the years 1937 to 1942. I was registered as an exporter and importer in several Traders Associations.

I am now in a position to buy 2,000,000 yards of Grey Sheetings 36" x 30 yds. for the Kuwait market (Persian Gulf).

I am also in the market to purchase cotton and rayon piece goods for the markets of Iraq and Iran.

I write to ask if you would kindly give me the necessary directions as to how to proceed? Any details which you could furnish me would be much appreciated and given the likelihood to purchase I am sure that business would result.

Terms.

I should like to be acquainted with the method of payment and will be able to meet your requirements. I also desire to know if I may come to Kobe to pick up the threads of my former business which was disturbed by the war. May I come? If so, what is the procedure? I hold an Iraquian Passport.

References in Japan.

Entry Clearance for Mr. Satya Dev Sahay,
Indian Businessman

G-1 DS 26 June 1947

4. Recommend reply be made Indian Liaison Mission in substance as follows:

"Present economic conditions in Japan will permit the resumption of private trade only in a limited degree in the near future. Announcement of the conditions under which private businessmen will be permitted to enter Japan in this connection has been made to the governments of interested nations. It is suggested that Mr Sahay be advised to investigate the method for such application with the appropriate authorities of the Indian Government."

Incls: n/c

W.A.B.

M/R:

1. ESS, Dr Kenney states that if the Indian firm in Japan represented by Mrs Sahay operated during the war it must have done so in such clandestine fashion as to be overlooked by Japanese. Its function as an import-export firm at present would be possible only in laying groundwork for resumption of actual import and export when trade barriers are lowered. Already this firm has gained advantage over other firms of Allied nations by being in a position to lay this groundwork prior to the entry of representatives of other firms.

2. Entry of Mr Sahay should therefore be under same premises as those governing entry of foreign private businessmen. Reply from DS will so indicate.

3. Dr Kenney further states that due to imminence of entry date of businessmen and resumption of trade, and to the limited facilities for investigation by ESS, no investigation by that section of the extent of operation of Mrs Sahay's firm is contemplated.

Clearance for Entry into Japan,
Accredited Correspondents

2. From: G-1 To: C/S Date: 26 June 1947

1. In WCL 27642 the War Department has stated that State Department has reported Army orders have been given by AAG Shanghai to some American citizens for clearance into the Occupation zone. The cable cites specifically the case of Mr Alpheus Jessup (Tab: WCL 27642).

2. a. Request for entry of Jessup was first made in WCL 44197 (Tab: WCL 44197).

b. Inquiry was made as to the specific purpose for which Jessup would enter in radio to the War Department, Z 46259 (Tab: Z 46259). In reply the War Department stated that Jessup would enter the theater on strictly a correspondent basis which would not involve any business angle (Tab: WCL 21985).

c. Upon basis of information in WCL 21985, clearance was granted for entry of Mr Jessup by our Z 49448 to CO, Shanghai Det. (Tab: Z 49448)

3. a. Paragraph 1b(2) of JCS Directive 170 states that JCS military permits are not required in the case of "duly accredited war correspondents". (Tab: JCS 170)

b. PIO (Lt Col Harvey) states that the only American correspondents who have been permitted to enter the theater are those which are designated as accredited and are understood to be so designated by the War Department and this Headquarters. Correspondents of other nations are cleared into the theater by authority of this Headquarters and under the provisions of SCAP Circular 8.

c. It is the understanding of PIO that clearance of American correspondents is still governed by the provisions of

Declassified E.O. 12065 Section 3-402/NNDG NO. 775009

2. cont'd. paragraph 1b(2) of JCS Directive 170, despite the fact that they are no longer called War Correspondents.

4. It is concluded that the intent of WCL 27642 is in error, or that a different interpretation is placed upon paragraph 1b(2) of JCS Directive 170 by the War Department than has been assumed by PIO of this Headquarters.

5. Recommend approval of proposed radio to War Department.

OUTGOING MESSAGE Date: June 1947

FROM: CINCFE

TO: WAR (PID)

See your WCL 27642. As far as is known here, JCS directive 170 governs travel of civilians in Far East. Paragraph 1b(2) of above directive exempts duly accredited war correspondents from State Department clearance into Japan because as such they do not require JCS Military Permits to proceed into Occupation zone. Understanding here is that although such individuals are not now termed "War Correspondents" they come under purview of paragraph 1b(2) of JCS Directive 170 if accredited by PID, War Department. Reur WCL 44197 and WCL 21985, cable was sent to Shanghai as stated in WCL 27642 upon assumption that substance of WCL 21985 indicated that Jessup was under JCS control as accredited correspondent. Request comment or correction this assumption.

Jessup is now here. Recommend he remain in present status and, if State Department indorsement of his stay is required, Amconsul Yokohama be authorized to issue him necessary clearance.

Request to Form Japanese Special Guard

G-1 C/S 25 Jun 47

7. 1. Commanding General, Eighth Army, in attached letter requests authority to form and equip special guard companies composed of Japanese civilians to guard military installations under the supervision of Occupation Forces.

2. Comments of interested staff sections in C/N's 1 through 6 are summarized as follows:

a. Provost Marshal - Concurs in Eighth Army request.

b. G-2 - Prefers solution of continuing use of Japanese civil police; however, concurs in Eighth Army request in the event the Japanese civil police cannot be augmented sufficiently to permit this activity.

c. Government Section - Non-concurs in Eighth Army request; however, recommends Eighth Army be advised that there is no objection to procurement by Eighth Army of qualified Japanese to serve as civilian guards (not armed with rifles).

d. G-3 - Recommends that:

(1) Occupation Force installations requiring <u>armed</u> guards to be protected by Occupation Force personnel and/or Japanese civil police (presumably without increase in currently authorized strengths of either).

(2) Occupation Force installations requiring watchmen (unarmed) to be protected by "Special Japanese Watchman Organizations."

3. A conference was held on this subject on 25 June, attended by representatives of G-1, G-2, G-3, Government Section and Provost Marshal, in an attempt to reconcile the differences of opinion outlined in Paragraph 2 above. At this conference the following developed.

a. G-2 and Provost Marshal representatives adhered to recommendation that Eighth Army request be approved.

P&P

WAB:SFH:dr

166

Declassified E.O. 12065 Section 3-402/NNDG NO. 775009

b. G-3 and Government Section representatives recommended that Japanese watchmen not be armed, and concurred in principle in proposed 1st Indorsement to Eighth Army.

4. Recommend approval of proposed 1st Indorsement to Eighth Army and return to G-1 for necessary action.

5. Concurrences:

G-3 (
Government Section (

6. G-2 ( ) and PM ( ) non-concur in proposed 1st Indorsement, but recommend Eighth Army request be approved on the basis that armed watchmen are necessary to performance of mission assigned to Eighth Army.

D R A F T

1st Ind.
CINCFE to CG, EIGHTH ARMY

1. In view of political implications and complications inherent in authorizing formation of Japanese armed organizations other than civil police, request to equip Japanese guards with firearms is not favorably considered.

2. In order to provide proper security of Occupation Force installations without extensive use of Japanese civil police and at the same time economize on the use of Occupation Force personnel for guard duty, suggest the following:

a. Occupation Force installations requiring armed guards to be protected by Occupation Force personnel and/or Japanese civil police, kept to the minimum number essential to proper security.

b. Occupation Force installations requiring watchmen to be protected by Japanese civilians organized, trained and equipped (except for firearms) as recommended in basic letter and inclosures thereto. Personnel so employed should be kept to the minimum number essential to proper security.

Declassified E.O. 12065 Section 3-402/NNDG NO. 775009

3. Japanese watchmen should be recruited and employed locally, after security check.

4. In view of fact that personnel referred to in sub-paragraph 2b above will be performing purely civil duties, suggest use of term "watchman" and that use of military terms be avoided in connection with this project.

Entry Clearance for Mr R. H. Dick, A Swiss National, to enter Japan as Missionary.

G-1 C/S 24 Jun 47

3. 1. A note has been received from the Swiss Diplomatic Mission which requests entry Japan as a missionary for Mr R. H. Dick, a Swiss National.

2. a. Mr Dick indicates in his letter of request that he is not affiliated with any mission board or society but is to work on his own under the auspices of a local church in Switzerland.

b. In addition, Mr Dick inclosed a letter addressed to a Miss E. Stransfeld, a German Christian worker in Japan which he requests be transmitted to her by this Headquarters. Miss Stransfeld is a German National who has not been cleared by this Headquarters to enter Japan as a missionary but has remained here throughout the war. Miss Stransfeld is listed as a non-objectionable German who will not be repatriated.

3. a. The Missionary Policy contemplates that only those missionaries who are sponsored by a recognized organized mission board which carried on missionary activities in Japan prior to the war will be allowed to return to or enter Japan. This is clearly necessary due to the acute housing situation and lack of essential foods needed by occidentals in Japan.

b. It is indicated from the tenor of Mr Dick's letter, particularly his special request concerning vaccination, that he is the inordinately ardent type missionary who might prove to be a liability to the constructive missionary effort.

c. With reference to his request to have a letter forwarded to Miss Stransfeld, it is believed impracticable for this Headquarters or any of its subordinate echelons to undertake to deliver personal communications to individuals not an integral part of the Occupation Forces. International mails are available for this purpose.

4. It is concluded that Diplomatic Section should be advised to inform the Swiss Mission that Rev Dick's entry into Japan is not favorably considered and his request to forward a letter to Miss Stransfeld is not favorably considered.

Entry Clearance for Mr. R. H. Dick, A Swiss National, to enter Japan as Missionary.

G-1 C/S 23 June 1947

3. 1. Request has been received via Swiss Diplomatic Mission which requests entry Japan as a missionary for Mr. R. H. Dick, a Swiss National.

2. a. Mr. Dick indicates in his letter of request that he is not affiliated with any mission board or society but is to work on his own under the auspices of a local church in Switzerland.

b. In addition, Mr. Dick composed a letter addressed to a Miss E. Stransfeld, a German christian worker in Japan which he requests be transmitted to her by this Headquarters. Miss Stransfeld is a German National who has not been cleared by this Headquarters to enter Japan as a missionary but has remained here throughout the war. Miss Stransfeld is listed on the repatriation list as a non-objectionable German.

P&P

3. a. The Missionary Policy has contemplated that only those missionaries who are sponsored financially and morally by a recognized organized mission board which carried on missionary activities in Japan prior to the war would be allowed to return to or enter Japan. This is clearly necessary due to the acute housing situation and lack of essential foods needed by occidentals in Japan.

WAB:WLK:dr

b. It is further evident from the tenor of Mr. Dick's letter, particularly with reference to his special request concerning vaccination, that he is the fanatical type missionary who would not hesitate to use any means whatever to subsist in Japan providing such logistic support as his local church might send him would be terminated.

c. With reference to his request to have a letter forwarded to Miss Stransfeld, it is believed impracticable for this Headquarters or any of its subordinate echelons to undertake to deliver extraneous personal communications to individuals not an integral part of the Occupation Forces.

4. It is concluded that Diplomatic Section should be advised to inform the Swiss Mission that Rev Dick's entry into Japan is not favorably considered and his request to forward a letter to Miss Stransfeld is not favorably considered.

Exemption from Repatriation,
Kurt Meissner

G-1 C/S 24 June 1947

1. 1. References:

a. C/N, D C/S to G-1, 28 May 47 (Tab: C/N 28 May)

b. C/N, G-2 to G-1, 16 May 47 (Tab: C/N 16 May).

c. Translation, Official German Document (Tab: German Document).

2. By C/N, D C/S FEC to G-1, 28 May 47, Meissner, Kurt, a German national, was exempted from repatriation because of advanced age, long residence in Japan and because he did not constitute a security threat.

3. Additional information has been received concerning the business activities of Meissner, and his standing in the Nazi Party. In view of the additional information, the case of Meissner is submitted to the Chief of Staff for further consideration.

4. Information from CPC indicates that the firm Leybold K.K, of which Meissner was director, was one of the four biggest German firms in Japan, and by various financial means controlled many other businesses in Japan. Meissner, as the director of this firm, was the most influential German business man and the wealthiest in Japan.

5. After the collapse of Germany, Mr Stahmer, German Ambassador to Japan, appointed a committee to preserve order among the German residents in Japan. This group, known as the "Committee of Nine" consisted of the most influential Germans in Japan. Meissner was included in the group. It is to be noted that all members of the committee, with the exception of Meissner, were repatriated aboard the first German repatriation vessel. In addition, two of the committee, Wastmeier and Loy, were imprisoned in Sugamo from the beginning of the Occupation until their repatriation, as security risks. Meissner was exempted from repatriation initially on account of his wife's illness.

6. G-1 has consistently made recommendations based upon old age and humanitarian considerations; however, G-1 feels that the influence and activities of Meissner were such that to exempt him

102

Declassified E.O. 12065 Section 3-402/NNDG NO. 775009

1. cont'd. from repatriation would cast an unfavorable light upon the entire repatriation program. G-1, therefore, recommends that Kurt Meissner be classified as objectionable and that he be repatriated aboard the next repatriation vessel.

Personnel Control Regulations and Private Traders.

G-1 ESS 24 Jun 47

2.

1. It is the opinion of G-1 that those regulations applying to foreign private businessmen as outlined in the paper to which reference is made in Paragraph 2, C/N No. 1, are the minimum requirements for initial control of these individuals.

2. Paragraph 3 of C/N No. 1 would indicate the crux of the problem is that these businessmen may be placed in embarrassing positions by reason of their being inadvertently included in the enforcement of the more stringent regulations currently applying to Occupation personnel. Such contention is believed to be sound, but would apply no matter how regulations applying to these individuals were minimized.

3. It is understood from Mr. March that in coordination with the Provost Marshall, he is preparing a special identification card for the subject individuals and is preparing plans for wide dissemination through the CG, Eighth Army, of this identification and of the special regulations which will be applicable to foreign private businessmen.

4. It is believed that implementation of this plan will obviate the embarrassment referred to in C/N No. 1 above.

5. Relaxation of personnel control regulations is believed to be premature.

MEMORANDUM FOR: Secretary, General Staff

SUBJECT: Visit of George Milnor, American Mail Lines

1. Reference is made to telephone conversation between the Chief of Staff and General Beiderlinden on action required by G-1 on JCS Radio WCL 41653, 26 April 1947.

2. Summary of this radio is as follows:

a. The American Mail Lines, which is party to a 12 year contract with the U. S. Government through the Maritime Commission, desires representative George Milnor to have landing privilege at any Japanese ports a ship of this line may make during inspection tour during the summer. Milnor will live on board ship, depart with ship and only visit ports at which ship may call.

3. G-1 on 27 April submitted to the Chief of Staff proposed radio granting clearance for this visit, and requesting name of ship and ETA at ports of call. This radio was approved by the Chief of Staff and dispatched on 30 April 1947 to JCS, info to 8th Army and U. S. Maritcom, Yokohama.

4. The only contemplated additional action on this subject is to inform 8th Army and U. S. Maritcom, Yokohama of ETA of ship and ports of call when this information is received from JCS.
