RESOLUTION requiring the Secretary of State to compile and print, once in every two years, a Register of all Officers and Agents, civil, military, and naval, in the service of the United States.

Resolved, by the Senate and House of Representatives of the United States of America in Congress assembled, That, once in two years, a Register, containing correct lists of all the officers and agents, civil, military, and naval, in the service of the United States, made up to the last day of September of each year in which a new Congress is to assemble, be compiled and printed, under the direction of the Secretary for the Department of State. And, to enable him to form such Register, he, for his own Department, and the Heads of the other Departments, respectively, shall, in due time, cause such lists as aforesaid, of all officers and agents, by their respective Departments, including clerks, cadets, and midshipmen, to be made and lodged in the Office of the Department of State. And the said lists shall exhibit the amount of compensation, pay, and emoluments, allowed to each officer, agent, clerk, cadet, and midshipman, the State or country in which he was born, and where employed.

2. *Resolved* That the Secretary of the Navy subjoin to the list of the persons employed in his Department, the names, force, and condition, of all the ships and vessels belonging to the United States, and when and where built.

3. *Resolved*, That five hundred copies of the said Register be printed; and that, on the first Monday in January, in each year when a new Congress shall be assembled, there be delivered to the President, the Vice President, each Head of a Department, each member of the Senate and House of Representatives of the United States, one copy of such Register; and to the Secretary of the Senate, and Clerk of the House of Representatives, each ten copies, for the use of the respective Houses; that twenty-five copies shall be deposited in the Library of the United States, at the Seat of Government, to be used like other books in that Library; and that the residue of the said copies be disposed of in such manner as Congress shall, from time to time, direct.

4. *Resolved*, That, for the information of the present Congress, such Register as aforesaid, be prepared and distributed as aforesaid, on the first day of its next session.

APPROVED, April 27, 1816.

RESOLUTION respecting the Biennial Register.

Resolved, by the Senate and House of Representatives of the United States of America in Congress assembled, That, in addition to the matter heretofore contained in the Biennial Register, published by direction of a joint resolution, passed on the twenty-seventh of April, one thousand eight hundred and sixteen, there shall be included a correct list in the next Register of all printers of the laws of the United States, subsequent to the thirtieth of September, one thousand eight hundred and thirty-one, to the thirtieth of September, one thousand eight hundred and thirty-three, with the compensation allowed to each; and of all printers within the period aforesaid, in any way employed by Congress, or by any Department or officer of the Government, with the compensation allowed to each, designating the Department or officer causing the printing to be executed; and that said Register shall contain a correct statement of all allowances made by the Postmaster General, within the period last aforesaid, to each contractor on contracts for carrying the mail, discriminating the sum paid as stipulated by the original contract, and the sum as additional allowance. And to enable the Secretary of State to comply with this resolution, the several Heads of Departments, and officers directing or incurring the expense, or making the allowance mentioned, shall cause the lists, and the matter thereby required to be added, to be lodged in the office of the Department of State, as is directed in other cases, by the resolution of April twenty-seventh, one thousand eight hundred and sixteen.

Resolved, That said Register shall contain a correct list of the Presidents, Cashiers, and Directors of the Bank of the United States and its branches, in office on the thirtieth of September, eighteen hundred and thirty-three; which list shall be transmitted by the President of said Bank to the Secretary of State, by the first Monday of October, one thousand eight hundred and thirty-three.

Henry W. Kinsman, Collector from July 24 to September 30, 1841.....	Newburyport..	Maine	5 42

** Note by the Collector.*—The compensation for a year was requested; but inasmuch as all the officers but one have been appointed only about two months, I can give only the compensation during that time, and have so stated it in the return. The reason why I am unable from the books of the office to ascertain the compensation of our predecessors is, that all the account-books and fee-books being considered private property, have been removed from the office, and the former collector has himself removed from town.

“It is not in my power to forward to you the statement required by your circular of the 2d ultimo. * The accounts of the Marine Hospital Physician have not yet been returned from the Treasury, where they were sent for adjustment, except the 4th quarter for 1840. I have, therefore, put the gross amount of his quarterly accounts as rendered by him. They are, by an order of the Treasury, subject to a deduction, which, I presume, will be made at the Treasury. I have extended only the amount paid the regular clerk, as the compensation is not made up of fees or commissions. The amount paid to others, during sickness and absence of the regular incumbent, was \$144.—*Collector.*

NOTE.—The printing for the office, by contract, under the act of March 3, 1839, for two years from June, 1839, to June, 1841, was done by Messrs. Blair & Rives, but the amount cannot be here stated, as they have not yet rendered their account for payment. There is probably also a small sum due for newspapers, during the same period, not included, for the like reason.

POST OFFICE DEPARTMENT—*Letter to Hon. D. Webster.*

AUDITOR'S OFFICE, POST OFFICE DEPARTMENT,
December 2, 1841.

SIR: The information from this office necessary to enable you to form a Biennial Register, under the joint resolutions of Congress, approved April 27, 1816, and July 14, 1832, is completed, and lodged in the Department of State.

The lists comprise the names and compensation of—

- 1st. Auditor and Clerks.
- 2d. Printers employed by the Postmaster General, and by this office.
- 3d. Post Offices, Postmasters, and Clerks.
- 4th. General Contractors.
- 5th. Special Contractors.
- 6th. Special Mail Agents.
- 7th. Agents travelling with the Mail on important Railroad, and Steamboat routes.

Inserting the counties in the list of Post Offices, was on your own suggestion, and will greatly add to the value and convenience of the Register. Other additions are made with the same object, and will produce the same result.

As far as has been practicable within the time limited to prepare the mass of information furnished by this office, I have embraced the whole period of two years, which seems to me to be required by the resolutions mentioned.

The compensation to Postmasters is given to the 30th of June, 1841; whereas, I perceive by the last Register, that it terminated on the 31st of March, 1839.

Most sincerely yours,
E. WHITTLESEY.

HON. DANIEL WEBSTER,
Secretary of State.
