Fragment of an ancient tablet with inscriptions in a cuneiform script, showing several lines of text.

Fragment of an ancient tablet with inscriptions in a cuneiform script, showing several lines of text.

Fragment of an ancient tablet with inscriptions in a cuneiform script, showing several lines of text.

Fragment of a papyrus scroll with vertical columns of hieroglyphs. The text is arranged in approximately four columns, with characters appearing to be in an ancient Egyptian script. The fragment is dark and shows signs of wear and tear.

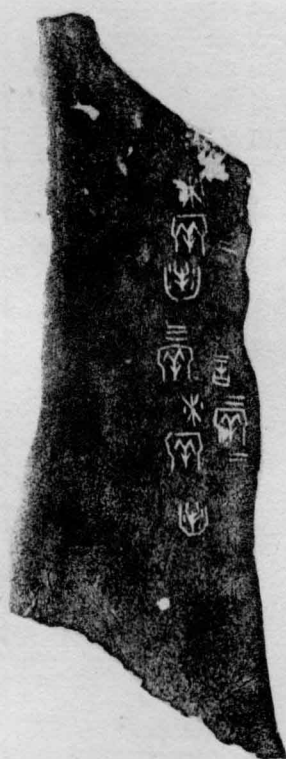

Fragment of a papyrus scroll with vertical columns of hieroglyphs. The text is arranged in approximately two columns. The fragment is dark and shows signs of wear and tear.

Fragment of a papyrus scroll with vertical columns of hieroglyphs. The text is arranged in approximately two columns. The fragment is dark and shows signs of wear and tear.

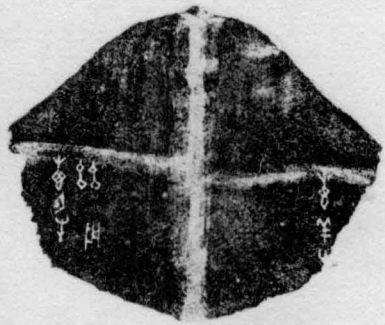

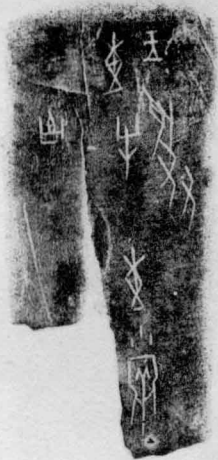

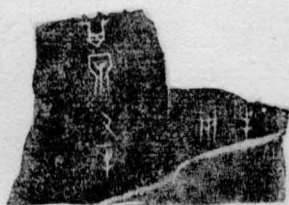

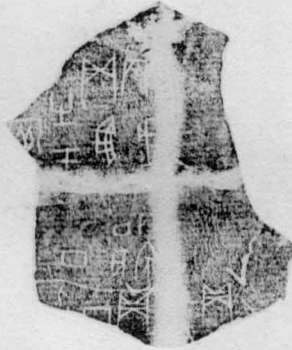

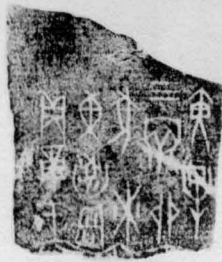

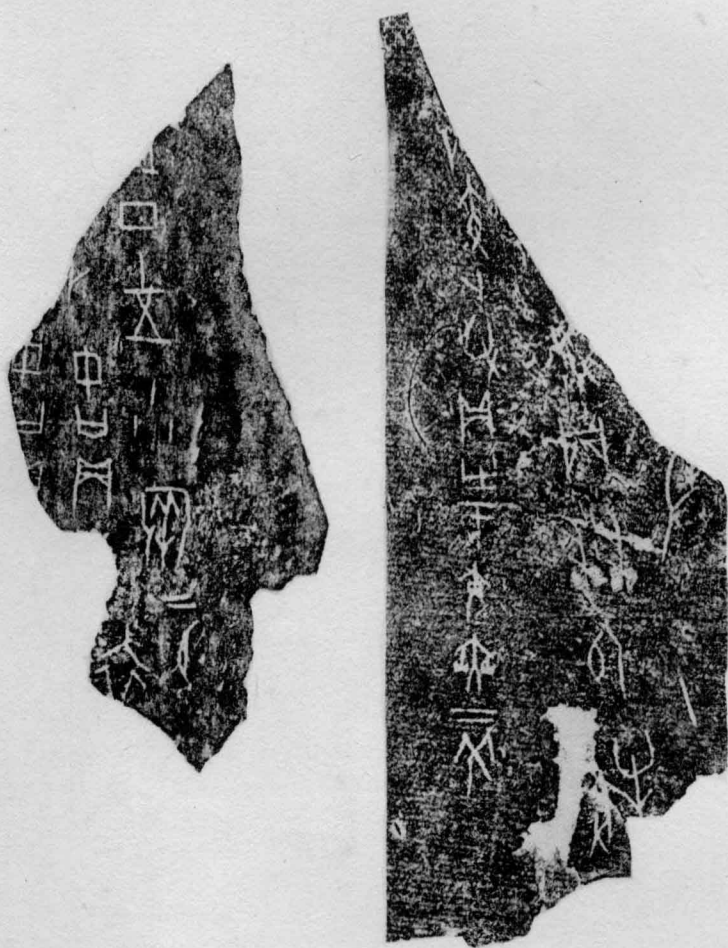

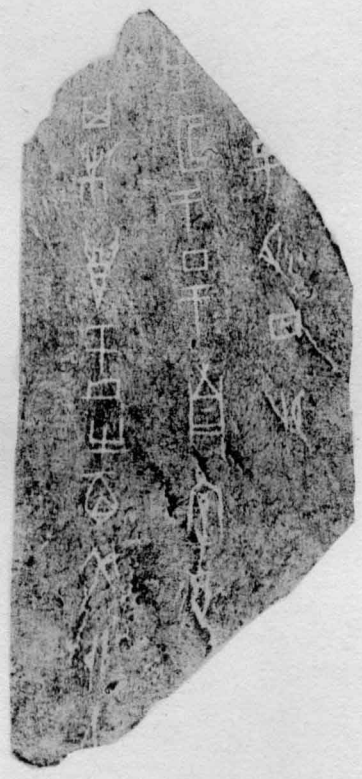

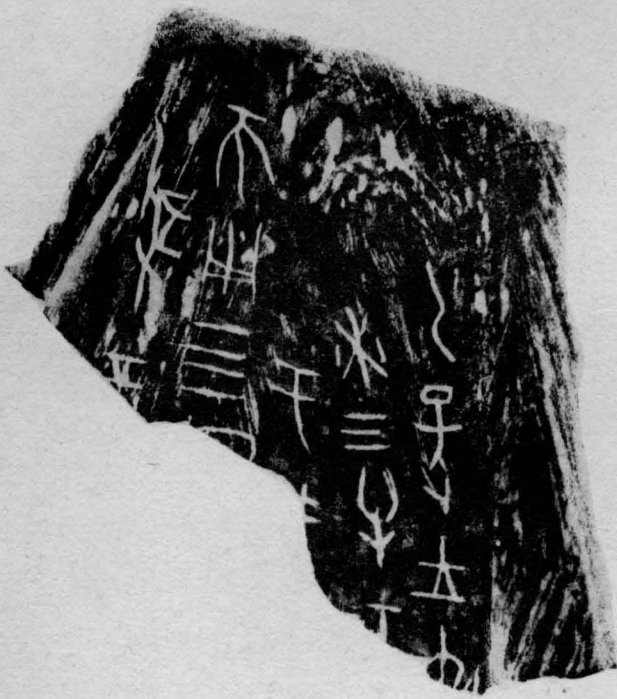

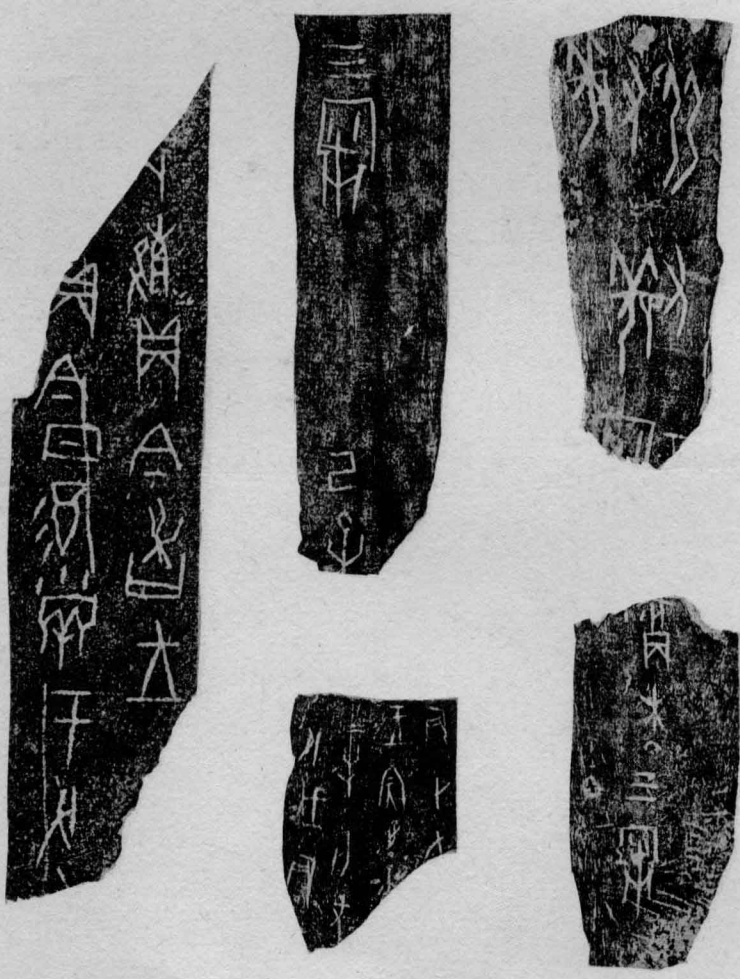

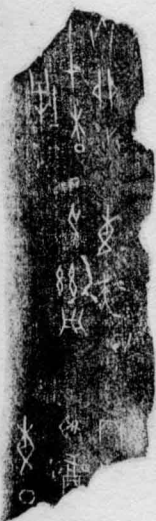

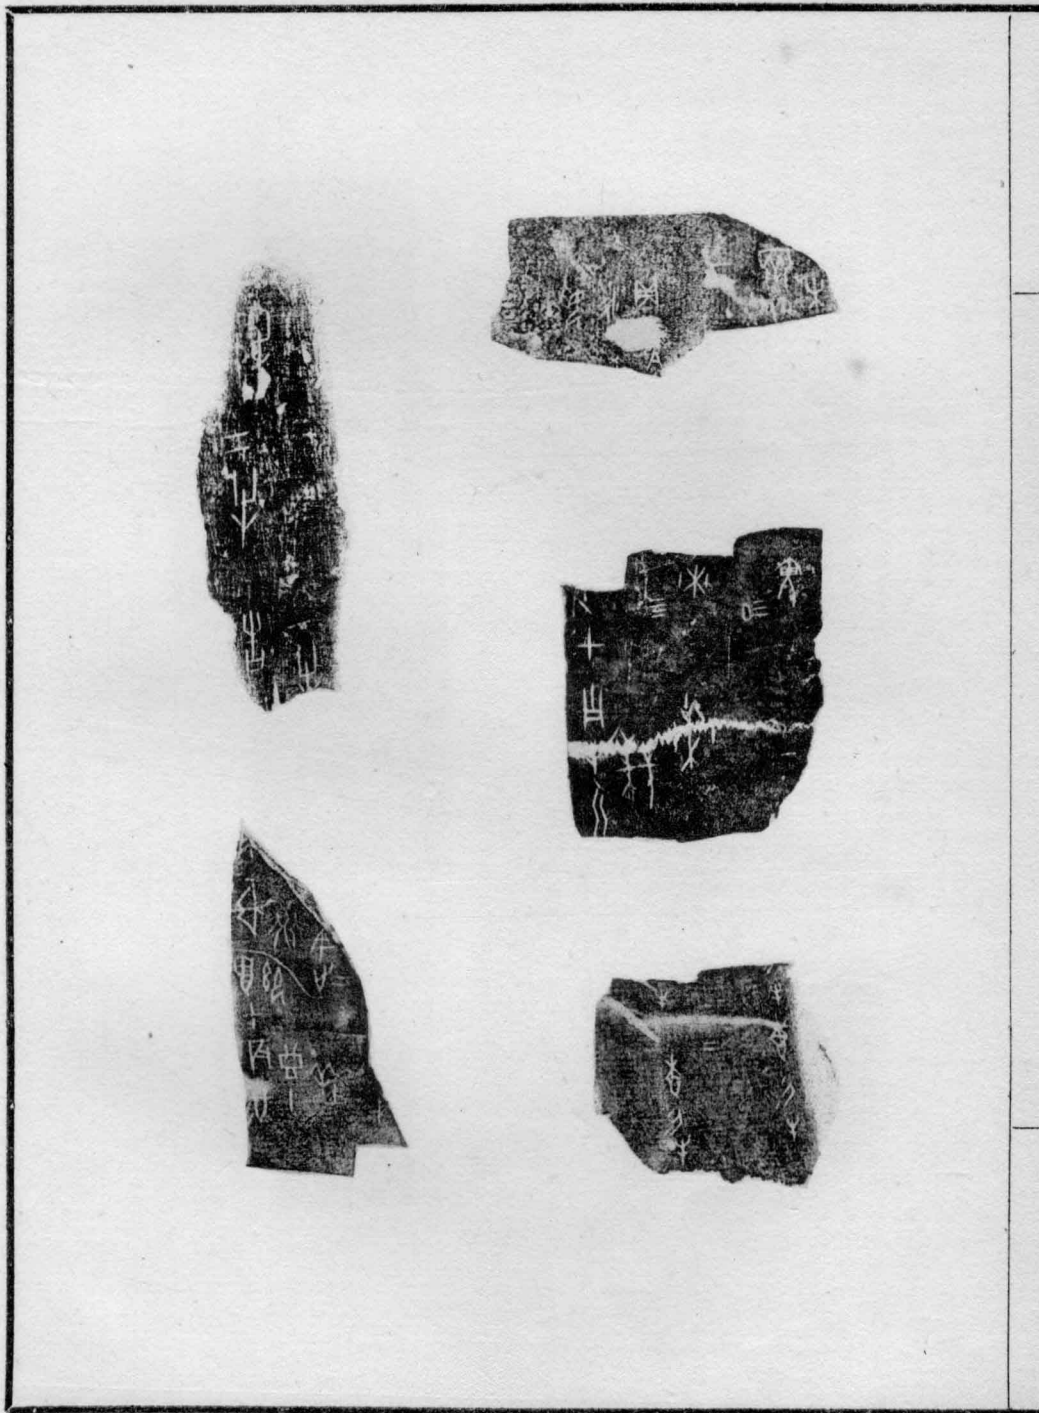

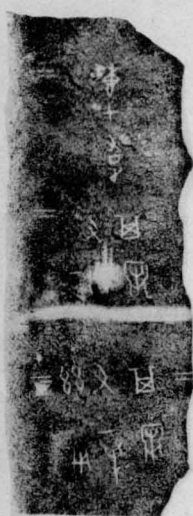

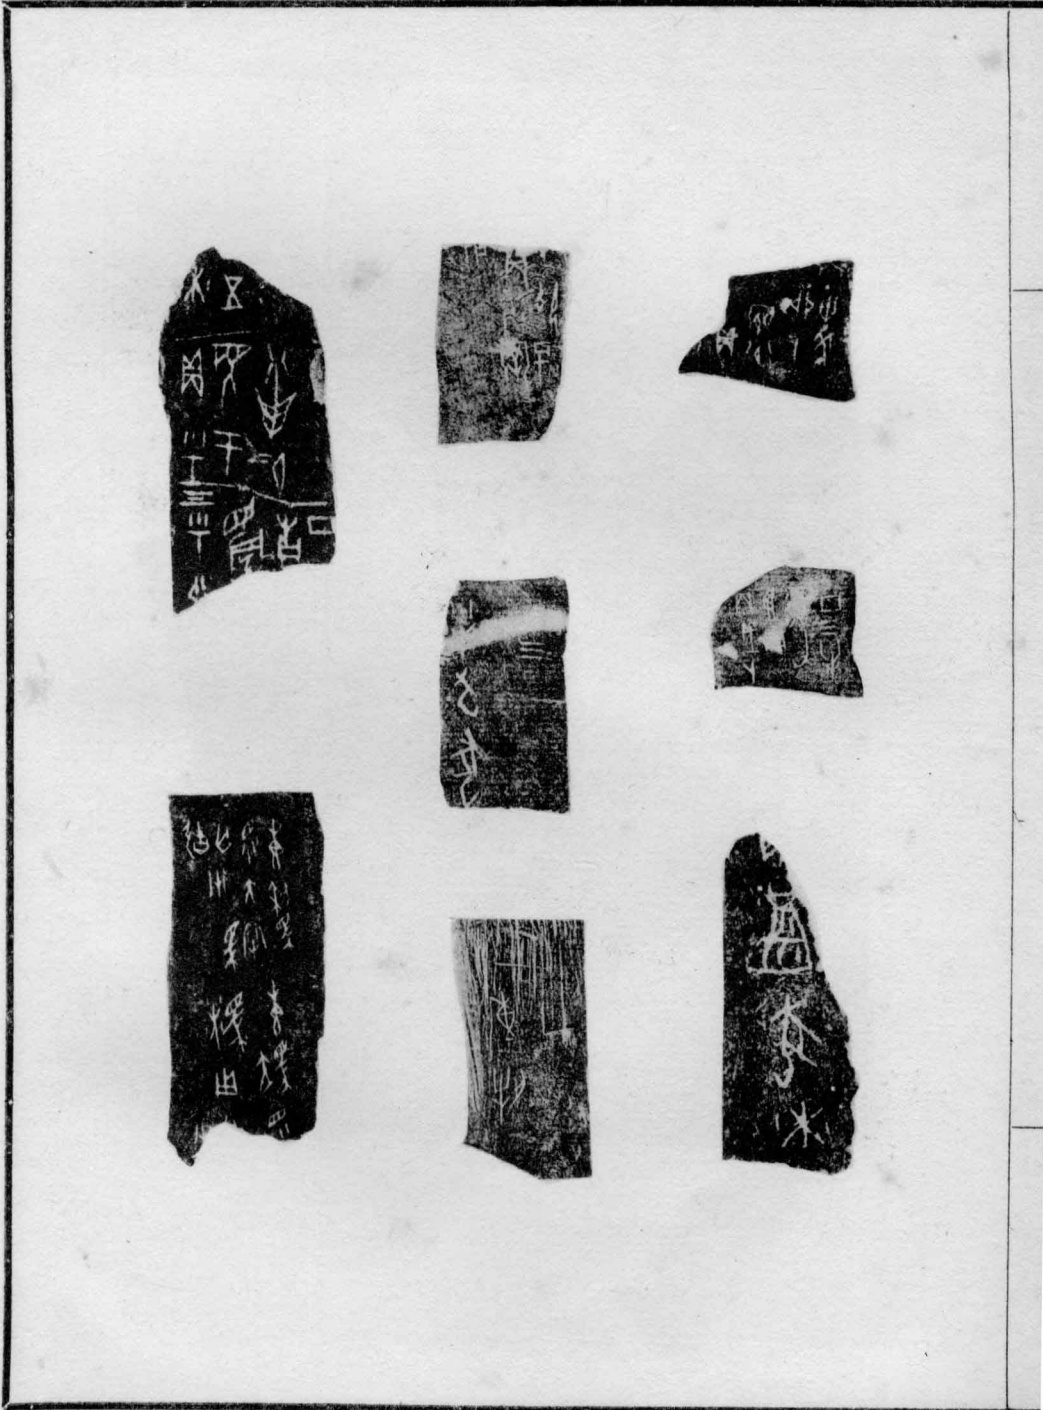

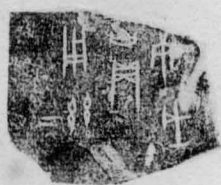

Fragment of an ancient inscription, likely in a cuneiform or similar script, showing several lines of text. The characters are arranged in vertical columns, with some characters appearing to be variations of a base form.

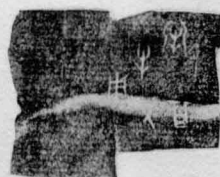

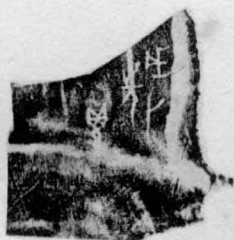

Fragment of an ancient inscription, likely in a cuneiform or similar script, showing several lines of text. The characters are arranged in vertical columns, with some characters appearing to be variations of a base form.

Fragment of an ancient inscription, likely in a cuneiform or similar script, showing several lines of text. The characters are arranged in vertical columns, with some characters appearing to be variations of a base form.
