ANNIVERSARY WEEK TO BE CELEBRATED

BIG INVESTMENT IN CITY'S BUSINESS SECTION PLAN

SAM SEELIG COMPANY WILL SPEND \$60,000 OPENING PUBLIC MARKET NO. 50

An investment of approximately \$60,000 in the business district of Brand boulevard is announced today by the Sam Seelig company, which has leased the second lot north of the Palace Grand Theatre from the Misses Baldwin where they will install Sam Seelig's Glendale Public Market No. 50.

The building which the Seelig company will construct will be the largest single floor space in the city, 120 by 60 feet in dimension, or a total of about 7000 square feet. The structure, which will be of brick, with cement floors and high ceiling, will cost in the neighborhood of \$18,000.

Investment Nearly \$60,000
The refrigerating plant will cost an additional \$20,000 and other fixtures will bring the investment to nearly \$60,000. This, of course, is exclusive of the vast stocks carried by such a concern which are turned over daily.

In announcing this improvement, Mr. Stewart, speaking for Mr. Seelig, stated that his concern was glad to get a location in Glendale and that their store would be an improvement over the model market in their chain located at Seventh and Alvarado streets in Los Angeles.

New England Supper for Frank Kiefer

Mr. and Mrs. Richard Roberts of 410 West Maple street entertained Saturday night with a New England supper in honor of Frank Kiefer's birthday. During the evening music and games were enjoyed.

This was a big day for a number of the boys, as it was the first time they had been in snow.

BUSINESS BLOCK TO BE ERECTED BY P. W. PARKER

THREE STORE ROOMS WILL BE LOCATED IN STRUCTURE ON WEST SIDE OF BRAND

Displaying the confidence of thirty-six years' building activity in southern California, in which time he has seen Los Angeles grow from a pueblo, Philip W. Parker of 518 North Central avenue announces the immediate construction of one business block and is making plans for a second, both to be located on the west side of Brand boulevard between Wilson and California.

Three Stores Planned

Three store rooms, one-story high, 150 by 150 feet, with all glass fronts, to cost in the neighborhood of \$7000, are included in the plans.

The other building, to be located north of the studio block, will be two stories high, with a 50-foot frontage and depth to be determined. The second floor will be used for apartments.

Five Years' Building Boom

Mr. Parker states that Glendale is due for a building boom of five or more years' duration.

EVENTS OF EIGHT YEARS AGO TO BE RE-TOLD BY EVENING NEWS IN OBSERVANCE OF BIRTHDAY

Many Changes Have Occurred in Business and in Social Life of City and These Will Be Related During Next Five Days

It was on March 1, 1913, that the present publisher of The Glendale Evening News took possession of The Glendale News, then a weekly paper. Shortly afterward the publication was made a daily—the first to be established in the city.

Eight years have passed, therefore, since the present publisher of The Evening News entered the local newspaper field. Eight years ago Glendale was much smaller than now. Eight years ago the business section was different than that of today. Eight years ago it required vision and determination, as well as finances, to establish a daily paper in Glendale.

GLENDALE EIGHT YEARS AGO AND TODAY

Many changes have occurred in the city since eight years ago and so the publisher considers that, as the paper is celebrating its anniversary, it is fitting considerable space should be devoted this week to Glendale of eight years ago and the improvements and changes leading up to the present time.

Therefore, this week will be known as "Anniversary week" and this publication will, in the five days to follow, touch upon events of eight years ago and compare them with today. A search of the paper's files and talks with "pioneer" citizens have shown that many changes have occurred since 1913 and these will be told. Further, it may be that some event of 1913 is overlooked. If so, the publisher asks that the readers inform this office of anything that might be of interest for "Anniversary week."

PIONEERS AND STRANGERS WILL BE INTERESTED

The "old-timers" and the "new-comers" alike will be interested in the review to be presented this week. It will be decidedly novel to read of events of eight years ago, then compare with those of today. The business changes, the social life, the amusements, the churches—these and other things will be reviewed.

Dr. Robert Shuler, pastor of the Trinity Methodist church, south of Los Angeles, will be the speaker at the Chamber of Commerce Forum meeting to be held tomorrow at 12:15 o'clock at the banquet room of the First Methodist church.

It is estimated that more than 100 members of the Chamber of Commerce will be in attendance at the luncheon. W. E. Edmonds is chairman of the Forum committee and he declares that the meeting will be a short and snappy one. Rev. Shuler will speak on "The Booster and His Boost." He is declared to be a whirlwind speaker.

E. W. Hayward of the Chamber of Commerce membership committee today notified sixty members of the organization that they were expected to bring a new member each to the luncheon tomorrow and in this way swell the list just as the organization is entering upon its new work.
