WELCOME TO YOUR NATIONAL FOREST

U.S. DEPT. OF AGRICULTURE
NATIONAL AGRICULTURAL
4 1991

The San Juan National Forest is located in Southwest Colorado on the western slope of the Continental Divide. The National Forest covers over two million acres stretching north to south from near Silverton, Colorado to the New Mexico border; and from east to west from Wolf Creek Pass to near the Utah border.

The SJNF is an incredible setting for the traditional activities like camping, boating and hunting and for the more isolated opportunities like backpacking, mountaineering and horseback riding. More than 350,000 acres are managed as designated wilderness.

As a visitor to the SJNF, please follow these simple rules to help us protect the diversity of this pristine environment. Your cooperation will not only ensure your safety but also protect the land. Together we can preserve this unspoiled recreational opportunity for future visitors.

REGULATIONS

Please completely extinguish all fires before leaving them.

You may not cut trees, shrubs and other forest products without an authorized permit.

Archeological, paleontological and historic structures are protected. It is illegal to collect arrowheads and other artifacts. Please leave these treasures untouched for others to enjoy. Take only memories home with you.

Firearms may not be discharged in or within 150 yards of campsites, developed recreation areas or near roads.

Dumping of trash is not permitted. In campsites, trash receptacles are provided for your convenience. Please leave your campsite as clean or cleaner than you found it. In the backcountry, please pack out your trash.

Fireworks and other pyrotechnic devices are prohibited.

Chainsaws must be equipped with working spark arresting devices.

Vehicles are allowed off forest roads for 300 feet only.

Please help us protect the delicate environment by keeping vehicles on road as much as possible.

You may camp in one spot for a maximum of 14 days.

You may park no more than two vehicles in your campsite except for motorcycles and bicycles.

WILDERNESS PROHIBITIONS

Motorized equipment is not allowed. This includes vehicles and motorboats.

Hang gliders and bicycles are not permitted. (alternative bicycle routes exist outside of designated areas).

Use of helicopters or aircraft is prohibited.

Fireworks and other pyrotechnic devices are not permitted.

INFORMATION

(Solid line)	Surveyed, Location Reliable
(Dashed line)	Surveyed, Location Doubtful
(Dotted line)	Unsurveyed, BLM Protraction

LEGEND

(Thick solid line)	National Forest Boundary
(Thin solid line)	Altered Land within the National Forest Boundary
(Double solid line)	Heavy Duty Road
(Single solid line)	Medium Duty Road
(Dashed line)	Improved Road
(Dotted line)	Unimproved Road
(Thin solid line)	Trail
(Dashed line)	Locked Gate
(Dotted line)	Fence Line

(315)	U.S. Highway
(20)	State Highway
(11)	County Road
(10)	Forest Road
(10)	Forest Trail

PAGOSA JUNCTION S.E. COLO.
N3700 W10700 7.5
1980
DMA 4356 II SE SERIES V777

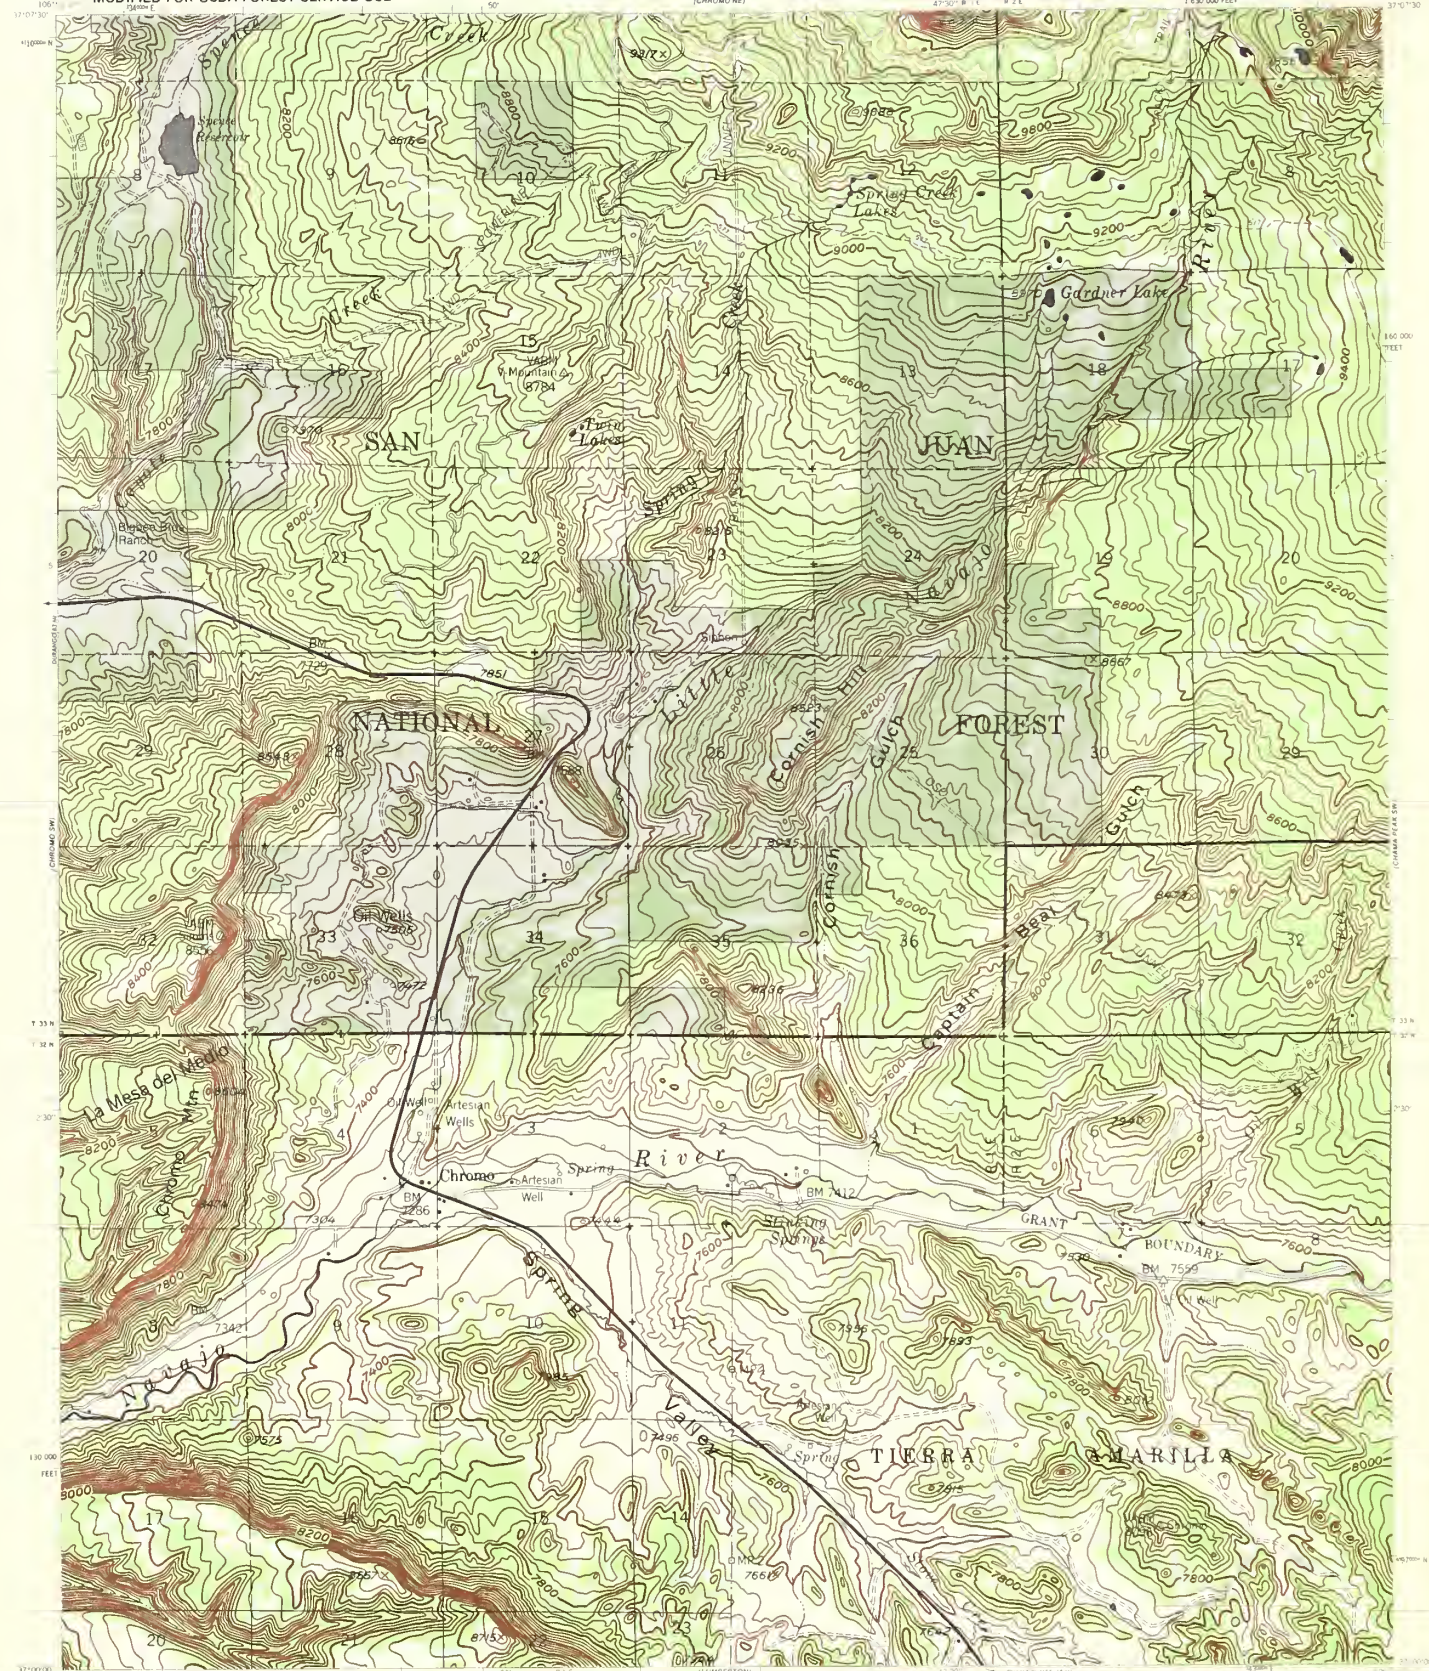

Base Map Prepared by the U.S. Geological Survey
Color in USGS air photo base
Topography by photogrammetric methods from aerial
photographs taken 1952. Field checked 1957.
Polyconic projection, 1927 North American datum
10,000-foot grid based on Colorado coordinate system,
south zone, 1000-meter Universal Transverse Mercator
grid ticks, zone 13.
Modification to USGS base map by the Geomorphics
Service Center from 1975 aerial photography and
1979 correction queries furnished by Rocky Mountain Region.
Landmark revised according to additional Forest Service evidence.
Areas outside the Forest Boundaries were not revised.
INTERMEDIATE EDITION
