Published by **JOHN S. DYE**, Broker,
2 Maiden Lane, NEW YORK, and 45 Third St. CINCINNATI.

NEW-YORK, APRIL 1ST, 1854.

The firm of A. G. BRAGG & CO., is this day dissolved by mutual consent. The name of the late firm will only be used in closing up the business previous to this date. All debts due or accruing to said firm are to be paid to G. W. WESTBROOK, who continues the business and all claims against the said firm are to be paid by the said Westbrook.

ADDISON G. BRAGG,
GEO. W. WESTBROOK

A CARD.

The undersigned having experimented and labored for many years to develop and perfect the

MEXIGAN MUSTANG LINIMENT

as an external remedy—by the assistance, and through the co-operation of Dr. A. G. BRAGG, of St. Louis, Mo., with whom he formed a partnership—was enabled to bring this **Invaluable Liniment** before the American People. It is with no small degree of satisfaction, that, after five years trial, and the sale and use of many millions of bottles, throughout every State and Territory of the Union, and through the British Provinces, West Indies, Mexico, and the Pacific Islands—not a word of dissatisfaction or disappointment in its effects has come back to us from the millions who have used it. For all derangements of the Skin, Tendons, Ligaments, Muscles, Glands, Blood Vessels and Nerves, it has proved almost infallible.—These derangements exhibit themselves under the forms of Tetter, Ring-worm, Salt-rheum, Itch, and other eruptions—Contractions, Hardening and Stiffening of the Limbs and Joints, Rheumatism, Ulcers, Fever sores, Mercurial Sores, Cancers, Mumps, Tumors, Hard Lumps, Sore Breasts or Nipples, Erysipelas, Sore Eyes, Aar Aehe, Pimples, Swollen Joints or Limbs, Inflamed Surfaces, Neuralgia, Nervous Head Aehe, Paralysis or Numb Palsy, &c. And for accidental derangements and injuries, such as Burns, Scalds, Cuts, Sprains and Dislocations, Bunions and Frosted Feet; also, for Corns, Warts, and other unnatural or unhealthy afflictions or excrescences, it has never been equalled.

Dr. Bragg has now retired from the business with an ample fortune, and in assuming all the cares and responsibilities of such an extensive business, I shall look upon all its burthen as light, with the consciousness that every bottle of the MUSTANG LINIMENT that is used, dissipates disease and pains, and brings health and joy to the afflicted.

GENTS:—It gives me pleasure to inform you that your Safe preserved my Books and Papers uninjured in the fire last night, by which everything else on my premises was consumed, and although it was exposed throughout the fire to an intense heat, its contents remained unharmed. The Safe with a little repairing will, I think, answer for another trial.

Respectfully Yours,

NOTE.—It is not uncommon for Doubleloons and parts of Doubleloons to be light—Doubleloons should be as heavy as American dollars. An act of Congress, March 3, 1843, legalized this kind of gold at 89 cents 9 mills per dwt. When light its true value may be got at by weighing it with American silver, allowing 77 cents for the weight of a five cent piece. Portugal and Brazil pieces can be tested by allowing 80 cents for the weight of a five cent piece.

* The Double Ducat, (value \$4,40,) so closely resembles the Sovereign, as to be distinguished only by its weight, being a thinner piece.

The foreign gold circulating in this country, will average 1 to 2 per cent less than the standard; we have therefore made our quotations to correspond with the weight of each piece.

Half-Eagle is equal in weight to*...31¼ cents of silver. Sovereign is equal in weight to...30 cents of silver. Napoleon is a shade lighter than...25 cents of silver.	X-Thaler is a shade lighter than...50 cents of silver. Ten Guilder is equal in weight to...25 cents of silver. Doubloon is equal in weight to...100 cents of silver.
---	--

* An American quarter and a fair Spanish sixpence.

RULES TO BE OBSERVED IN USING THIS COIN CHART.

— 0 —

Those Coins used in Commerce: such as Sovereigns, 20 Franc Pieces, X Thalers, Spanish and Patriot Doubloons and Dollars, &c., will of course fluctuate, with the difference between demand and supply. Their quotation in this book can only correspond with their value in trade, and what they are actually worth in passing from hand to hand.

Other pieces there are among the Silver Coins, (indicated by an asterisk *,) which in many cases fall short in weight or fineness, and are not worth what the full weight and standard pieces are. These we have quoted low, to meet the value of the depreciated pieces.

COINS OF THE ROMAN GOVERNMENT.

In use over 2,000 years ago; obtained expressly for this Manual.

GOLD COINS.

Below are fac similies of the coins used by the Ancient Romans. They have been got with great expense, on account of the distance of bringing and difficulty of obtaining them. The pieces from which the drawings were taken, lay concealed in the coffers of the great Amphitheatre at Pompeii for over 1700 years. They were taken out at the excavation which is now going on, and transferred to the Museum at Naples, from which place we obtained the drawings. Little can be said, as nothing is known relative to their value, at that time. We do not insert them as a matter of utility, but as a relic of antiquity. To the antiquarian, statesman, and philosopher, this will be a great treat.

COINS OF THE ROMAN GOVERNMENT

In use over 2,000 years ago; obtained expressly for this Manual.

SILVER COINS.

Dr. MORSE'S INVIGORATING CORDIAL.

PURE VEGETABLE EXTRACT.

NERVOUS DISEASES ANNihilATED BY PROF. MORSE'S INVIGORATING ELIXIR OR CORDIAL.

As the discoverer and compounder of this novel and powerful vegetable curative predicted, it has vanquished all prejudice, borne down all opposition, converted doubt into wonder and admiration, and now stands by the admission of science, as well as by the verdict of the public, at the head of all medicines yet invented for the cure of nervous diseases, local and general weakness, and all the various disorders of the head, the stomach, and the vital system, which impede the functions, or impair the powers of the animal machinery. Its basis is a

POWERFUL ORIENTAL HERB,

unknown to the civilized world, until introduced by Dr. Morse, from Arabia, a few years ago. This vegetable production is resorted to by the native tribes on both sides of the Red Sea, and by the *Bedouin Arabs*, (the longest lived and most active of the human race) almost universally. In fact, tobacco is not more generally used in this country, than is this wonderful plant in Arabia Petraea and Arabia Felix. But the barbarians of these regions, having no knowledge of chemistry, are unable to extract and concentrate the juices of the herb, or to give them such modifications as are best adapted to give their properties full effect. This, for more than three years, was the object of unremitting series of experiments performed in the laboratory of Dr. Morse, with the finest apparatus on this side of the Atlantic. The result is a

MIGHTY TRIUMPH IN MEDICINE.

The INVIGORATING ELIXIR OR CORDIAL, not only relieves, but *actually exterminates* all nervous diseases, by removing their causes, and so building up and fortifying the whole physical system, that it becomes absolutely invulnerable to all attacks of this character, and a relapse is therefore impossible. The Elixir combines peculiarities never before associated in any medicine. While it acts specifically upon the circulation and the secretion, purifying and renovating both, and gives tone and regularity of action to the stomach and bowels, it

COMMUNICATES VITAL ENERGY

to every relaxed organ, and imparts a degree of muscular strength, and a capacity to endure fatigue, whether bodily or mental, that is perfectly astonishing. The flaccid flesh and muscles harden by its influence, the nerves are braced, every fibre is re-strung, and any suspended function, either in man or woman, is re-

Dr. MORSE'S INVIGORATING

CORDIAL

stored to full vigor. All other tonics and stimulants produce reaction, but it is the peculiarity of

PROF. MORSE'S INVIGORATING ELIXIR, to "operate unspent;" The influence it exerts is uniform and perpetual; it seems to

INJECT NEW LIFE

into the whole system. The impotence of age; the relaxation produced by indulgence; weakness that seems constitutional; and every known affection of the nerves of sensation and of motion, are relieved or cured by a single course of this rejuvenating preparation.

Among the diseases for which it is an invaluable specific, the following may be enumerated: Nervous weakness in Man; Derangement of the distinguishing

Organs of the two Sexes, and of their Functions; Barrenness; Hysterics; Female Irregularities; Neuralgia, Nervous Headache; Low Spirits; Feelings of Discouragement or Despair; Involuntary Weeping; Mental Confusion; Loss of Memory; Tremulousness; Rush of Blood to the Head; Mental Indolence; Loss of Appetite; Emaciation; Muscular Relaxation; Irritability; Dyspepsia; Torpor after Eating; Nervous Cough; Unpleasant Eructations; Foul Breath; Irregularities of the Bowels; Flour Aches; Sleeplessness; Fannul; Involuntary Sighing; Anxiety; Causeless Fears; Monomania; Religious Melancholy, and every species of complaint connected—whether immediately or remotely—with the functions of the nerves.

TO THE MARRIED AND THE SINGLE

In every delicate physical exigency, this unrivalled, safe and infallible exhilarant, is earnestly recommended. It diffuses a delightful calm through the whole system, and by communicating to a feeble organism, the energy which nature has denied, or indulgence destroyed, it inevitably prolongs life, while it contributes to its enjoyment.

The testimonials of its efficacy now in the possession of the agent in this city, are from clergymen of high standing, leading medical men; and, in fact, embrace every profession, occupation and class.

CAUTION.

Dr. Morse's INVIGORATING CORDIAL has been counterfeited by some unprincipled persons. In future all the genuine Cordials will have the proprietor's face simile pasted over the cork of each bottle, and the following words blown in the glass—

“DR. MORSE'S INVIGORATING CORDIAL,
“C. H. KING, PROPRIETOR, N. Y.”

CAUTION EXTRA.

Also observe a promissory note with the proprietor's written signature on every genuine bottle of Dr. Morse's Invigorating Cordial.

To counterfeits which is forgery.

The Cordial is put up highly concentrated, in pint bottles. Price—\$3.00 per bottle; two for \$5.00; six for \$12.00.

AGENTS.—Cyrus Jenks, Detroit, Mich.; Raymond & Ward, Chicago, Ill.; W. F. Cary, Cleveland, O.; Hewson & Holmes, Cincinnati, O.; A. Eddy, Toledo, O.; H. J. Nazro, Milwaukee, Wis.; J. E. Elder, St. Louis, Mo.; T. D. Harris, Toronto, C. W.; Buchanan, Harris & Co., Hamilton, C. W.

In furnishing to the public a book containing Charts of the various Gold and Silver Coin, and giving their relative Valuation, it may not be amiss to call the attention of our readers to the Fire King Safes manufactured by Messrs. Duryee & Forsyth, of Rochester, N. Y., for the protection of Gold and Silver Coin as well as Books and Papers from the Flames and Theft. In addition to their fire-proof qualities, which have been tested and proven beyond the shadow of a doubt, they are furnished with the best Powder-proof Locks, and are lined with hardened cast steel plates, bidding defiance to the chisel of the Burglar. We speak knowingly of these goods, and can assure our friends that if they purchase of Messrs. D. & F. they will obtain a Safe in every sense of the word. These gentlemen are also extensively engaged in the manufacture of SCALES, and are furnishing almost the entire West with their *balances*. A just and even balance is sought after by every business man as an article indispensable, and of the utmost importance in giving just weights.

In examining and testing their Scales, a person would readily conclude that they bore in mind the written injunction of *Holy Writ* against all dealers in unjust weights, and that no such sin should be charged in their account.
