11. At the time of your assnmption of office as official, whether or not the arrangement that the previous approval be obtained from the Zaibatsu or the direct Zaibatsu affiliate regarding assumption of the position of official existed between the Zaibatsu company where you served and the Zaibatsu or the direct Zaibatsu affiliates.

a. Whether or not the arrangemeut existed in writing.

As mentioned in my report of personal investigation, our company have no arrangement with the Nissan Co., Ltd. in obtaining previous approva from them regarding election and appointment of officials of our company. I, therefore, have no arrangement existed in writing regarding my assumption of office as officials.

b. Details of circumstances under which you assumed the position of official; particularly whether or not the Zaibatsu or the direct Zaibatsu affiliate was concerned in approving your assumption of office.

I entered the Nihon Accident Insurance Co., Ltd. in 1915 (the antecedent of the Nissan Fire and Marine Insurance Co., Ltd.) where I have served for more than thirty years. During the period of time, as mentioned in my chronological record of profession and employment, I filled the various positions till I got the highest one the employees can fill, and was elected and appointed the office of official. For this reason the Nissan Co., Ltd. was never concerned in approving my assumption of office.

Prime Minister,

NAME OF ORGANIZATION to which I belong:-

The Nissan Fire & Marine Insurance Co., Ltd.

No.2, Itchome, Shiba-Tamura-cho, Minato-ku, Tokyo.

Sir:

Re: Submitting application concerning the Law for Termination of the Zaibatsu Family Control.

In connection with the enforcement of the Law for Termination of the Zaibatsu Family Control, I hereby submit my statement of application and my report of personal investigation under the provisions of clause 1 of article 7 of the same law as per attached papers.

Yours cordially,

T. Kawanabe

Attached papers:

1) Statement of application.
   2 - Japanese copies, 2 - English copies.
2) Report of personal investigation.
   3 - Japanese copies, 3 - English copies.
3) Subordinate papers.
   a) Article of association.
   b) Office regulations.
   c) Copy of census register.

## STATMENT OF APPLICATION

1) I assert that I am not a member of the Zaibatsu (Nissan), nor the spouse of its family members, nor their parent, son, daughter, brother ~~not~~ nor sister, nor their spouse.

2) The controlling power of the Nissan Industrial Corporation (Nissan) was transfered to the Manchuria Industrial Corporation (Mangyo) which had been established in Manchuria in 1937. Consequently the Nissan Co., Ltd. have been operated on the basis of the club system and they have no control over the movements of officials of the Nissan Fire and Marine Insurance Co., Ltd.

Therefore the Nissan Fire & Marine Insurance Co., Ltd. have never got the approval from the Nissan Co., Ltd. regarding the appointment of the staff to be officials, as there is no arrangement between the two companies for doing so. The details of my assumption of the office as official are mentioned correctly in the attached report of my personal investigation.

3) On December 16th, 1942, I was elected and appointed the director of the Nissan Fire and Marine Insurance Co., Ltd. from among the employes and then the managing director on April 25th, 1944, and has held the office to this date. The representative officials of the company during the period of time were the chariman, the president ~~and~~ and/or the senior managing director. While I held the office of director, I only managed the fire insurance business as the manager of the department. After I was appointed the managing director, I only served along the line of the business of the fire and the miscellaneous insurance departments as the immediate director.

The Articles of Association ~~clearly~~ stipulate in the Articles 28 and 30, respectively, as follows:

"The Chairman of the Board of Directors shall convene, and shall preside over the Meeting of the Board of Directors" and

"The President shall execute all the resolutions passed by the Board of Directors, and shall supervise all the affairs of the Company. The Vice-Presidents, the Senior Managing Directors and/or Managing Directors shall assist the President in execution of the Company's business."

And also the office Regulations stipulate in the Articles 2 and 7, respectively, as follows:

> "The management of important matters, not stipulated in the regulations, shall be carried out with the approval of the president and/or the chairman", and
>
> "The managers of departments shall get instructions from the immediate directors for supervising and transacting the business of their respective departments."

For this reason, my power was not equal to that of the chairman, the president ~~and~~ and/or the senior managing directors.

4) I have never held concurrently the office of official of any other company affiliated to the Nissan Zaibatsu.

At the same time I was elected and appointed the director of the Nissan Fire and Marine Insurance Co., Ltd. For this reason the Nissan Co., Ltd. was never concerned in approving my assumption of the office.

The details of my assumption of the office as official are mentioned correctly in the report attached of my personal investigation.

3) Since I was elected and appointed the director of the Nissan Fire & Marine Insurance Co., Ltd. on April 1st, 1944, I have served only along the lines of business under the control of branch offices in the Osaka-Kyoto-Kobe districts to this date. The representative officials of the company during the period of time were the chairman, the president and/or the senior managing directors.

The Articles of Association stipulate in the Articles 28 and 30, respectively, as follows:

> "The Chairman of the Board of Directors shall convene, and shall preside over the Meeting of the Board of Directors," and
>
> "The President shall execute all the resolutions passed by the Board of Directors, and shall supervise all affairs of the Company. The Vice-Presidents, the Senior Managing Directors and/or Managing Directors shall assist the President in execution of the Company's business."

and also the Office Regulations stipulate concerning the above-mentioned in the Articles 2 as follows:

> "The management of important matters, not stipulated in the regulations, shall be carried out with the approval of the president and/or the chairman."

For this reason, my power was not equal to that of the chairman, the president and/or the senior managing directors.

4) I have never held concurrently the office of official of any other company affiliated to the Nissan Zaibatsu.

## STATEMENT OF APPLICATION

1) I assert that I am not a member of the Zaibatsu (Nissan), nor the spouse of its family members, nor their parent, son, daughter, brother *nor* sister, nor their spouse.

PETITION FOR APPROVAL OF NON-ZAIBATSU OFFICIAL

Misao Ueda

3 February, 1948

Applicant

Takashi Sado

The Mitsui Trust Co., Ltd.,
Managing director
8 of 22 Shinano-machi
Shinjuku-ku, Tokyo

To: Mr. Tetsu Katayama
Prime Minister

I. Substance of petition

I hereby request your approval owing to the following reason that I am an official who has nothing to do with Zaibatsu although I was appointed Managing Director of The Mitsui Trust Co., Ltd. which was designated a direct Zaibatsu affiliate by the Law for Termination of the Zaibatsu Family Control on April 26, 1945.

II. Reasons

1. (A) It is shown in the Zaibatsu Family Members Questionnaire submitted to Mitsui Honsha Ltd. that I am not a spouse, parent, child, brother or sister including a spouse of such person of persons belonging to the Zaibatsu or their family members.

(B) At the time of the assumption of office as director of the Mitsui Trust Co., Ltd. on April 26, 1946 there was no arrangement that the previous approval should be obtained from Mitsui Zaibatsu or Mitsui Honsha Ltd. regarding the assumption of the position and I did not get their approval.

Refer to the attached documents:

Certificate of Mr. Takakimi Mitsui (separate sheet)

" Mitsui Foundation ( " )

" Mitsui Honsha Co., Ltd. ( " )

Affidavit of Mr. Morio Shimada, Former President & Managing Director of The Mitsui Trust Co., Ltd. ( " )

(C) It is shown in Para. 10 of my Questionnaire that I have held concurrently the positions of officials neither in any company nor Mitsui Zaibatsu companies exceeding four positions in one time except that of The Mitsui Trust Co., Ltd.

As above mentioned, I am applicable to each item of Article 7 and consequently I am not an official connected with Zaibatsu.

2. (A) It is shown in Para. 11 Item 2 of my Questionnaire that the reason why I assumed the position of director is due to an earnest desire of the employees of The Mitsui Trust Co., Ltd. after the enforcement of the Directive concerning the dissolution of Mitsui Zaibatsu and also my more than fifteen years' business experience and career as the employee of the said company.

(B) After the assumption of the post of official, I devoted myself in the front line of the business as a manager of Osaka Branch.

As above, I am applicable to Article 6, Para. 1 Item 2 and consequently I am not an official connected with the Zaibatsu.

III. I herewith beg your approval as above according to Article 6 and 7 of the law.

Attached documents:

# AFFIDAVIT OF MORIO SHIMADA

3 February, 1948

1. The circumstance that Mr. Takashi Sado was elected to the director at the general meeting of shareholders of The Mitsui Trust Co., Ltd. on April 26, 1946 is as follows:

i. Since the termination of the war, dissolution of Zaibatsu has been inevitable and also democracy has sprang up vigorously among the employees, consequently it has been actually essential to respect employees' opinion.

ii. The directive concerning the dissolution of Mitsui Zaibatsu was enforced on Nov. 6, 1945 and Mitsui Honsha Ltd. stopped its function entirely.

iii. Under these circumstances a new managing directors elected on Nov. 26, 1945 have endevoured themselves to wipe out Zaibatsu color and democratize the trust business.

iv. In selecting officials at the general meeting of shareholders in April 1946, I recommended him to the post who was senior manager and had wealthy experience and career, believing that he was able to tide over the difficult management of trust business after the termination of the war and without sending any report nor requesting approval previously to Mitsui Honsha Ltd.

As above mentioned, I herewith certify that Mr. Takashi Sado's appointment of director of The Mitsui Trust Co., Ltd. has nothing to do with Zaibatsu and he is not an official connected with Zaibatsu.

## Additional Statement Concerning the Reason of Petition for Recognition of Non-Zaibatsu Official

February 5, 1948

To: Mr. KATAYAMA Tetsu
Prime Minister

While the reason of petition required in Article 7 of the Law for the Termination of the Zaibatsu Family Control is clear in the corresponding item in my petition, I would further testify fully regarding the circumstances under which I was appointed, the item required in Article 6 of the said Law, so as to make the proof more certain that I have no relation whatsoever with the Zaibatsu stating (1) The circumstances of my entering The Mitsui Trust Co., Ltd. and my assumption of the position as an official. and (2) My conviction.

(1) The circumstances of my entering The Mitsui Trust Co., Ltd. and my assumption of the position as an official.

In spring of 1930, the late Mr. Umekichi Yoneyama, the then president of The Mitsui Trust Co., Ltd. said to me, "The Company has come to stand on a firm foundation, but another ten years' efforts and men of ability will be necessary so as to be compared favourably with the trust companies of U. S. A., England and other leading countries, which is my ideal. The Company has many Mitsui type employees, but what I want is such persons with the experience of serving in some companies other than the Mitsui Interests and the knowledge of foreign affairs. As you have experiences in foreign trades and manufacturing industry, I have been wanting to have your service for the Company." After 6 months deliberate consideration I finally decided to enter the Company in Nov., 1930.

Since then for fifteen years, I, under the guidance of Mr. Yoneyama, the president, and other Seniors, have got many experiences in the whole trust business, serving as Manager of Safe Deposit Dept., Trust Dept., and Osaka Br. successively.

In April 1946, when I was the Manager of Osaka Branch, Mr. Morio Shimada, the former president said to me "In the coming general meeting of stockholders, I will recommend you as director for I believe your ability in dealing with them is highly expected in case any difficulties may arise in the Mitsui Trust Co., Ltd. in future and I wish you would accept my offer."

With the conviction that the time had come to make the most of my experience and strive for the rehabilitation of the Company and development of the trust business, I accepted this recommendation and believed that my recommendation had nothing to do with the Mitsui Honsha Ltd. and all the employees keenly desired my appointment.

(2) <u>My conviction</u>

All the members of my family are Christians influenced by my grand father-in-law, the late Soroku Ebara. According to his will, I had exerted my utmost for the cause of peace and to keep the friendly retations between America and Japan.

Holding my faith firmly in view, I will strive to realize the cooperation between the two countries through the trust business.

The perfect development of the trust business in Japan on the American line was the ultimate aim of the late Mr. Yoneyama and it is exactly my imposed work for life.

a. Whether or not the arrangemeut existed in writing.

I, therefore, have no arrangement existed in writing regarding my assumption of office as official.

b. Details of circumstances under whicn you assumed the position of official; particularly whether or not the Zaibatsu or the direct Zaibatsu affiliate was concerned in approving your assumption of office.

As mentioned in chronological record of profession and employment, I entered the Taiheiyo Marine & Fire Insurance Co., Ltd. in 1924. Hon. Tetsu Katayama,

Prime Minister,
Japanese Government,

NAME OF ORGANIZATION to which I belong:-

The Nissan Fire & Marine Insurance Co., Ltd.
No.2, Itchome, Shiba-Tamura-cho, Minato-ku, Tokyo.

Sir:

Re: Submitting application concerning the Law for Termination of the Zaibatsu Family Control

In connection with the enforcement of the Law for Termination of the Zaibatsu Family Control, I hereby submit my statement of application and my report of personal investigation under the provisions of clause 1 or article 7 of the same law as per attached papers.

Yours cordially,

M. Tanaka

Attached papers:

1) Statement of application.
   2 - Japanese copies, 2 - English copies.
2) Report of personal investigation.
   3 - Japanese copies, 3 - English copies.
3) Subordinate papers.
   a) Article of association.
   b) Office regulations.
   c) Copy of census register.

## STATEMENT OF APPLICATION

1) I assert that I am not a member of the Zaibatsu (Nissan), nor the spouse of its family members, nor their parent, son, daughter, brother nor sister, nor their spouse.

2) The controlling power of the Nissan Industrial Corporation (Nissan) was transfered to the Manchuria Industrial Corporation (Mangyo) which had been established in Manchuria in 1937. Consequently the Nissan Co., Ltd. have been operated on the basis of the club system and they have no control over the movements of officials of the Nissan Fire and Marine Insurance Co., Ltd.

Therefore the Nissan Fire & Marine Insurance Co., Ltd. have never got the approval from the Nissan Co., Ltd. regarding the appointme of the staff to be officials, as there is no arrangement between the two companies for doing so. The details of my assumption of the office as official are mentioned correctly in the attached report of my personal investigation.

3) Since I was elected and appointed the managing director of the Nissan Fire and Marine Insurance Co., Ltd. on April 1st, 1944, I have served only along the lines of business under the control of branch offices in the Osaka-Kyoto-Kobe districts to this date. The representative officials of the company during the peroid of time were the chairman, the president and/or the senior managing directors.

The Articles of Association stipulate in the Articles 28 and 30, respectively, as follows.

> "The Chairman of the Board of Directors shall convene, and shall preside over the Meeting of the Board of Directors," and
>
> "The President shall execute all the resolutions passed by the Board of Directors, and shall supervise all affairs of the Company. The Vice-Presidents, the Senior Managing Directors and/or Managing Directors shall assist the President in execution of the Company's business,"

and also the Office Regulations stipulate concerning the above-mentioned in the Articles 2 as follows:

> "The management of important matters, not stipulated in the regulations, shall be carried out with the approval of the president and/or the chairman."

For this reason, my power was not equal to that of the chairman, the president and/or the senior managing directors.

4) I have never held concurrently the office of official of any o other company affiliated to the Nissan Zaibatsu.
