This work.—The Quachtta American has the following:

We have, during the last week, heard from deflected was a survey of the convenience Locatocomes and Jackson, and from different areas of the convenience Locatocomes and Jackson, and from different areas of each parish.

Moreover. Sanaron. The next Legislature Messespin will exect a United States Senaron with every a United States Senaron with the Meritage of Messespin will exect a United States Senaron with the Messespin with the Messespin will be people of Northern Mississippi are using from for the election of mention and true State. Among others men-

is a fire broke out in the Western New is a fficient, to Rindo'ph street, at Chicago. he swept through to Linke street, thence east I hink a street, destroying the entire blockcon H. P. H. and and H. Peck & Co. satores, power with other buildings. The low is es-mited at 10,000, which is only partially cover-ed by insurance. Said to relate, an infant child was left, in the confusion, in a house in Frank-

street, and was burned to death. Z 2" Among the arrivals at the Astor House,

New York, we notice Judge Chinn, of Louising, charge to Naples, and General Armstrong, the consults Liverpool. Julge China proceeded on his mission as far isposicion, he was induced to return home. Le lite ex-organ deslares that it will never

THE MANCHESTER SPINNERS. | By Magnetic Telegraph. | As a body of men the Manchester spinner.

As a body of men the Manchester spinner were never accused of scaring above medicar were never accused of scaring above medicenty in novider. They are a plodding, stold and avaracious class, whose imagining rarely extend the can be can be about for every TEN lines, the test insertion and lister stream of the their starving operatives. Beyond this they are

perified as to time will be celebrated only for their aucess in accumula, it is necessary to be a second on the celebrated only for their aucess in accumula, it is necessary to be a second clause, by the way, which is Nove, for each larguage makes un tor the lack of more generous and en-A victor A legitisers is nobling quatities. As politicians, they profess to expose the wind the rate of to expose vio cally the liberal side and were strong epigonents of the old Corn Laws, not because of the injustice of the matute, but rathe that us abolition would entail with it ches tood—and that greatest of all luxuries for the aptimer—chesp wages. They waxed very 1a. mone at the time, and got up a vast Anti-Corn taw League, with the auxiliary of a so called Free Trade press, the motto of which being inter, reted according to their meaning, was everything for ourselves and nothing, for any

tody else," Disinterested chaps, those Man-chester spinners! Very.

The Manchester Spinner is an animal sui bound, and he will weave and toil with the greatest diligence from morning till night, paying out with alwarity those wages which harely some which harely those wages which harely characteristic receives its approval. What a doministration receives its approval. What a doministration receives its approval. What a sentent the hungry operative to keep body and sould together. But when a rise in the raw material takes place, the lamb is transformed into the hom. At an advance of a farthing his mane is erect, the growns at a half-penny, roars at three farthings and becomes farinic at a penny. Then it is that he talke valiantly of those d—d. Americans, who are trying to get to windward of him with short crop accounts, and abuses the Yankees for not furnishing him with his daily food at living pinces. He begins to fast, or works short time as it is technically coiled, and finally commits the major of the paper in the blace of constraints and formulated to paper in the blace of constraints and many his same boody who had some honey who has no much idea of the final paper in the blace of constraints and many has a manufin idea of the supplex who had been treated by a young lady who had been treated by a young lady who had been treated by a young lady who had been treated.

The Wing and I have a strong a country. He was a majority of the action of the series of the series

every period in this distinct, Oanchita, Union Morchiuses and Jackson, and from different marked in the properties of the votes of the

than huberto. Further advices have been received by this arrival from the West India colonies. The sugar crop in Barbadoes reaches 36,000 hhds.— to escape detection.

The subject of the fact of the state of the

OFFICIAL PAPER OF GENERAL COUNCIL. NEW-ORLEANS TUI SDAY MORNING, OCTOBER 9, 1849.

[TRANSMITTED TO THE N. O. BEE.] Baltiness, Oct. (th. Santess by the Commide. Lierspool Market.—The advices up to the sailing of the Conada have been received. On the 52d the Conada have been received. On the 52d the committee in Liverpool was much fitner, an util rates were obtained. The sales reached figure bales, of which 2,000 were taken for export and speculation.

and the imports comprise of the A. Annaluca is we, no baler.

New York, Oct. 6th, P. M.—Fair Upland commands 11%; Orleans 11% to 12c. Stocks are dult, and United States Securities have been depressed by the stramet's news. Plour and Pork are in better demand and somewhat firmer. The Corn market has advanced 2c. per bushel under the steamet's actions and is firm. advices, and is firm.

The Union vs. The Administration The carping of the Washington Union, the Administration, is admirably hit off in a generic. Feed him with Cotion at 4 to 6c a pound, and he will weave and toil with the lie. It has, perhaps, not escaped the attention

See all personnel for the present of a big beginning of the personnel of t

A curious cucumstance occurred during this tire. But made the following the strong with the following the followin Another evidence of the MUTAB explanation is easy: the paragraph was penned on Friday, for Saturday morning, was crowded out along with much other matter, and inad-vertently published on Monday. The fact of the rulden and starting change which occurred

min for a Canal Commissioner, and members of the U. States.

PENNSYLVANIA.—The election in Pennsylvania for a Canal Commissioner, and members of the Legislature takes place to-day. The content is of intel intrinsic importance, as the Legislature has no United States Phantor to the United States of Automose. It is very possible that the Legislature has no United States Senator to the State of Arkansas, at the periods hereinatir issue; goes may succeed, as Pennsylvania rarely goes may succeed as Pennsylvania rarely goes of the Scho

and which properly unites, all the members of or a political party. "It was equally from the pride of independence and the delicacy of triendship that Mr. Clayton has always be entreated in this paper with more reserve and distance than any other leading White in the whole country, more especially since his connexion with the Administration, and it has never done him one title of the justice which his public services demand."

FURREST, the actor, is about to start a ggs FORKEST, the actor, is about to start as new democratic paper in New York. It is to help to conciliate the two wings of the party. Chevalier Wikoff and another skilful person are to have a hand in it.

The Philadelphia Bulletin cautions the sembly. It is rumored that a special session will be held at the close of the present session will be held at the close of the present session.

State Among others mention.

A project is on font to conduct the whale fisher of Brundas on a more extensive scale of the banks without derection. A circle fisher of Brundas on a more extensive scale of xinc, or other base metal, is surrounded with gold scarcely thicker than writing paper, and upon this the impressions are made, so exactly

train from the West India colonies. The gar crop in Barbadces reaches 35,000 hbds.
he small-pox has made great ravages in St. incent. Drought prevailed in Amigua.
ome £8,000 or £9,000 have been purloined leverage from the treasury in St. Lucia, by the treasurer, of the treasurer in Hauley, who has field. Very heavy rains have laiten in Demarara.

New salt rakings have been recently opened on the island Liaqua, one of the Bahamas which promise to be very productive.

The great first on Supar broat.—We have been the lines of the first classified in the country. The stockholder are men the hard of the desired in the first class line is probably the bear but little to add to our previous account of the destructive fire at the Steamboat Landing on Sunday night. American says:

On the 8th October, a through night train will be arranged between New York and Boston, via the New Haven rouse. It will leave New York at 2 o'clock, P. M., and reach Boston at 11 o'clock. Passengers by the morning train from Philadelphia can thos sleep in Boston samingth. It is also proposed to change the starting time of the Pilot Line for Philadelphia to 5 o'clock, so that the morning passengers from Boston via New Haven, can reach Philadelphia so o'clock, so that the morning passengers from Boston via New Haven, can reach Philadelphia amen night. This will be a very great advantage.

Under this arrangement, passengers who leave Baltimore in the train for Philadelphia at leave Baltimore in the train for Philadelphia at Bo'clock, r. m., will reach Boston at 11 o'clock on the following night—or in fifteen hours. MEN WITH TAILS -A French scientific com-

mission has discovered a race of men in Africa with tails, and no mistake. A report was lately made to the Academy of Sciences thereon

De undermentioned township, 19 set.

South of the base line, and West of the fifth principal merudum.

Township sit, of range fourteen.

Lands appropriated by law for the use of Schools,
military, and other purposes, will be excluded from
the sales.

Lands appropriated by law tor the use of schools, shillings, and other purposes, with be excluded from the asles.

The offering of the above mentioned lands will be commenced on the days appointed and proceed in the order in which they are advertised, with all convenient despatch, until the whole shall have been offered, and the sains this cincide, but no asle shall be kept open longer than two weeks, and no private entry of any of the lands with the admitted until after the expiration of the two steeks.

Gives under my hand at the City of Washington, this fifecasts day of September, Anno Dottino one thousand equit husbarde and forty-nine.

By the Fresident:

Z. TAYLOR.

J. BUTENSTEIL,

Commissioner of the General Land Office.

Notice to Pre-Emption Claimants Restice to Pro-Emption Claiments. Every person entitled to the right of pre emption of the land within the townships and parts of town ships above connersated, is required to establish the same to the swinfaction of the Register and Receiver of the proper Land Office, and make payment therefor as soon as practicable after seeing this softice, and before the day appointed for the commencement of the public sale of the hands embracing the fact claimed, otherwise such claim will be forfeited.

J. BUTTERFIELD, Commissioner of the General Land Office.
