DEPARTMENT OF MUNICIPAL AFFAIRS
 HON. A. J. HOOKE
 MINISTER

A. W. MORRISON
 DEPUTY MINISTER

1958

MAP OF ALBERTA AT THE OFFICE OF THE DIRECTOR OF SURVEYS, EDMONTON, ALBERTA

Edmonton, Alberta,
October 28th, 1959.

TO HIS HONOUR,
J. J. BOWLEN,
Lieutenant Governor of the Province of Alberta.

SIR:

I have the honour to transmit herewith the Report of the Department of Municipal Affairs, for the year 1958.

I have the honour to be, Sir,

A. J. HOOKE,
Minister of Municipal Affairs.

HONOURABLE A. J. HOOKE,
Minister of Municipal Affairs,
Edmonton, Alberta.

SIR:

I have the honour to submit herewith the forty-seventh Annual Report of the Department of Municipal Affairs for the year 1958.

LEGISLATION

During the year 1959, the following Acts or Amending Acts were placed upon the Statutes of the Province, all of which have some bearing on the work of municipalities or the Department.

The City Act, Amendment Act.
The County Act, Amendment Act.
The Farm Purchase Credit Act, Amendment Act.
The Health Unit Act, Amendment Act.
The Home for Aged or Infirm Act, Amendment Act.
The Homes for Aged Act.
The Hospitalization Benefits Act, 1959.
The Hospitals Act, Amendment Act.
The Improvement Districts Act, Amendment Act.
The City of Medicine Hat Gas Purchase Act.
The Mobile Equipment Licensing Act.
The Municipal Districts Act, Amendment Act.
The Municipal Hospitals Act, Amendment Act.
The Municipalities Assessment and Equalization Act, Amendment Act.
The New Towns Act, Amendment Act.
The School Act, Amendment Act.
The Special Areas Act, Amendment Act.
The Tax Recovery Act, Amendment Act.
The Town and Village Act, Amendment Act.
The Town and Rural Planning Act, Amendment Act.

STATISTICAL INFORMATION

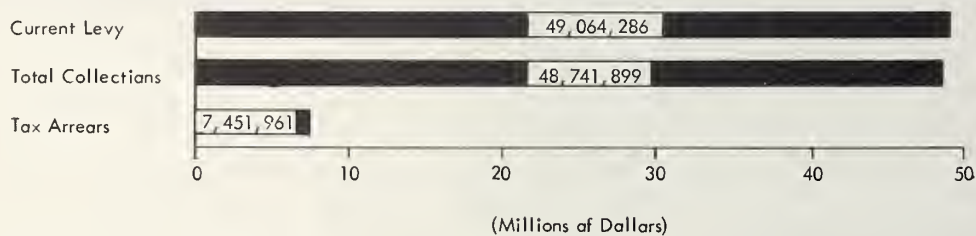

The statistical information contained in this report is compiled from financial statements furnished by each City, Town, Village, County and Municipal District. Information regarding Improvement Districts is taken from Departmental records, and for Special Areas, from the records of the Special Areas Board. All information is for the calendar year ending December 31st, 1958.

The Public Administration Training Division, Department of Extension, University of Alberta are now offering a Certificate Course in Municipal Administration and a Certificate Course in Municipal Assessment which are of particular interest to the Department of Municipal Affairs and everyone engaged in local government administration. Commencing with the 1958 fall term, both courses cover a full three year program of home study lessons with periodic meetings in regional centres conducted by the instructor or a specialist in a particular field of work pertinent to the course. On successful completion of the complete course, a University Certificate will be issued to the student.

CITIES (10)

Effective January 1st, 1958 the Towns of Grande Prairie and Lloydminster were elevated to City status. For administrative reasons, Lloydminster as a Town reported to the Province of Saskatchewan and will continue to do so as a City. Therefore this report covers 9 Cities as compared to 8 last year.

Assessment and Taxation: The total assessment of \$720,220,698.00 is \$63,043,615.00 more than last year's assessment of \$657,177,083.00. This is the eighteenth consecutive year in which an increase has been recorded. The total current tax levy of \$49,064,286.00 is an increase over last year of \$7,167,866.00. Tax collections of \$48,741,899.00 are 99.3% of the current levy as compared to 100.2% last year while outstanding taxes at the end of the year of \$7,451,961.00 are 15.1% of the total levy as compared to 17.7% last year.

General Revenue and Expenditure: A total revenue of \$77,091,403.00 and a total expenditure of \$76,644,992.00 resulted in a net surplus for the year of \$446,411.00 as compared to last year's total net surplus of \$457,250.00. Practically all items of revenue and expenditure show a natural increase in keeping with the continuing growth of the Cities.

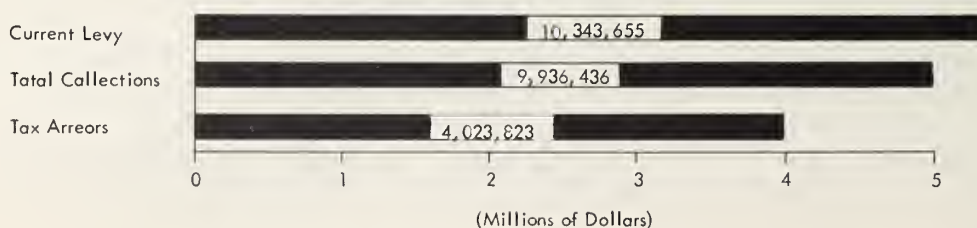

Debenture Debt: The total outstanding debenture debt is \$205,084,233.00. This is \$17,149,066.00 or 9.1% more than last year's total of \$187,935,167.00.

TOWNS (86)

The hamlet of Montgomery gained village status on January 1st, 1958 and was elevated to town status on April 15, 1958. On April 1st, 1958 the Village of Grand Centre became a town. These two new towns less the towns of Lloydminster and Grande Prairie which became Cities, left the total number of towns unchanged from last year's total of 86.

Assessment: Assessments for the year totalling \$189,859,919.00 are \$13,641,008.00 more than the total for the previous year.

Taxation: The total tax levy of \$10,343,655.00 is \$789,506.00 more than the 1957 total levy of \$9,554,149.00. Tax collections of \$9,936,436.00 are 96.0% of the levy as compared to 94.8% in 1957. A gradual improvement is taking place in the percentage of outstanding taxes. At the end of the year they equalled \$4,023,823.00 which is 38.9% of the current levy as compared to 40% last year and 44.4% in 1956.

General Revenue and Expenditure: A total revenue of \$15,894,814.00 which includes \$67,786.00 of surplus money from previous years, was \$24,197.00 short of actual total expenditures of \$15,919,011.00. This small deficit does not signify any trend towards financial difficulties on the part of the towns since in addition to increases in nearly all items of expenditures, the towns financed capital expenditures out of current revenue in the amount of \$1,578,981.00 which is \$500,227.00 more than the amount spent in the previous year for this purpose.

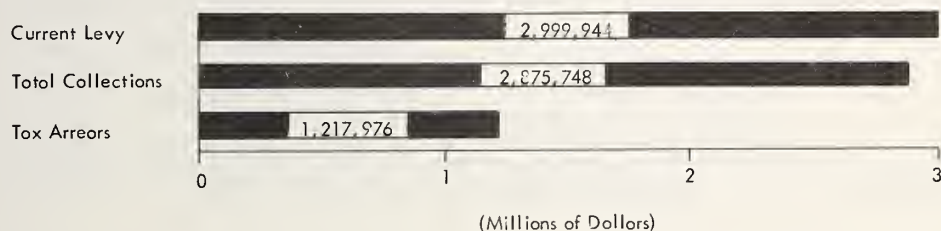

Revenue Fund Assets and Liabilities: A net cash balance at the end of the year of \$1,298,864.00 is \$365,835.00 less than the 1957 net cash balance of \$1,664,699.00. The to-date net surplus is \$4,779,769.00. This is a decrease of \$72,146.00 from last year and is accounted for by the deficit and transfer of surplus monies from previous years transactions as reported in the year's general revenue and expenditure accounts.

Debenture Debt: Outstanding debentures of \$27,162,392.00 are \$1,203,680.00 more than last year. The to-date capital surplus has increased from \$10,056,297.00 to \$11,729,258.00.

VILLAGES (152)

The hamlets of Fort Assiniboine, Nampa, Montgomery and Wanham gained village status in 1958. Bonnyville Beach and Island Lake were incorporated as Summer Villages. The change from village to town status of the villages of Montgomery and Grand Centre left the over all increase in the number of new villages at four, resulting in a total of 152 villages as compared to last year's total of 148.

Assessment and Taxation: There has been little increase in the total amount of assessments and taxes in view of the increase in the total number of villages. Total assessments increased from \$54,565,745.00 in 1957 to \$57,911,422.00 in 1958 and total taxes increased from \$2,864,971.00 to \$2,999,944.00. Tax collections of \$2,875,748.00 are the same percentage of the current tax levy as last year, or 95.8%. Outstanding taxes at the end of the year are \$1,217,976.00 or 40.6% of the current levy as compared to 41.8% last year.

General Revenue and Expenditure: There were no significant changes in any of the general revenue or expenditure items. Most items show general increase in keeping with the pattern of the past few years so that the increase from last year's total revenue of \$4,026,428.00 to this year's total of \$4,401,053.00 resulted in a net surplus for the year of \$192,922.00 as compared to \$181,603.00 for the past year.

Revenue Fund Assets and Liabilities: Bank balances, investments and accounts due from the Province less all current liabilities left a net cash balance of \$1,390,093.00 as compared to \$1,209,788.00 a year ago. The net to-date surplus of \$2,333,332.00 is \$215,885.00 more than last year's surplus of \$2,117,447.00.

Loans and Debentures: Total outstanding temporary loans of \$118,405.00 and total gross outstanding debentures of \$7,867,928.00 are both increases from last year. Total loans increased \$78,300.00 and total debentures increased \$320,340.00. Both increases are, however, more than offset by decreases in other liabilities and increased investments in capital assets.

COUNTIES (10)

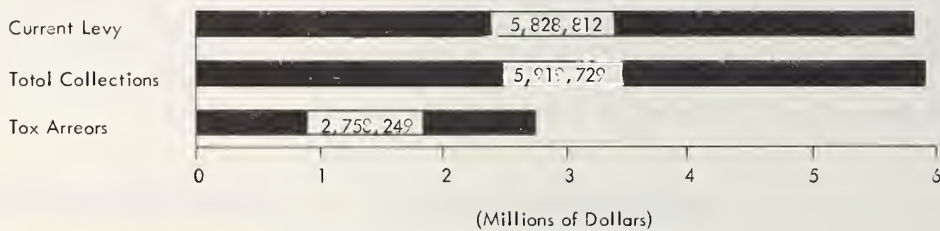

On January 1st, 1958 the Municipal Districts of Forty Mile, No. 2, Beaver, No. 73 and Wetaskiwin, No. 74 became the Counties of Forty Mile, No. 8, Beaver, No. 9 and Wetaskiwin, No. 10, raising the total number of Counties from 7 to 10.

The provisions of The County Act whereby Counties must hold a plebiscite four years after they are formed to gain the ratepayers approval of the continuation of this form of local government has been complied with in the first four counties. The overwhelming support of the county system gained in these plebiscites has led to an amendment to the Act whereby this plebiscite will no longer be required unless petitioned for by ten per-cent or more of the electors.

The addition of three new counties make statistical comparisons with previous years impracticable. Total assessments have increased from \$70,424,321.00 to \$100,963,024.00. The current tax levy has increased from a total of \$4,025,141.00 to \$5,828,812.00. Tax collections remained at a high level being 101.5% of the current levy as compared to 98.7% last year while outstanding taxes at the end of the year of \$2,758,249.00 are 47.3% of the levy which is a slight improvement from last year's 48%.

The ten Counties have a net cash surplus at the end of the year of \$1,850,664.00 as compared to last year's surplus for seven Counties of \$789,100.00.

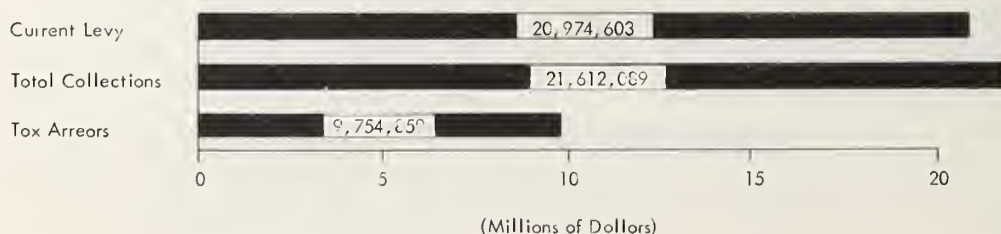

The gross outstanding debenture debt increased from \$3,938,181.00 to \$6,987,575.00. Some \$2,412,722.00 of the increase in debenture debt is due to school debentures assumed by the three new counties at the time of their establishment.

MUNICIPAL DISTRICTS (38)

The change in status to Counties of the Municipal Districts of Forty Mile, No. 2, Beaver, No. 73 and Wetaskiwin, No. 74 reduced the total number from 41 to 38.

Assessment and Taxation: The loss of three Municipal Districts brought about a large reduction in the total amount of assessments and taxes. Total assessments of \$404,976,720.00 at the end of 1957 were reduced to \$371,966,884.00 at the end of 1958. Last year's total tax levy of \$22,928,610.00 was reduced to \$20,974,603.00 at the end of the current year. Tax collections of \$21,612,089.00 remained at a high level being 103% of the levy as compared to 98.7% last year and outstanding taxes at the end of the year of \$9,754,859.00 are 46.5% of the levy as compared to 52.1% in 1957.

General Revenue and Expenditures: In total the Municipal Districts had a very successful year. The reduction in total taxes was nearly offset by increased revenues for Contributions, Grants and Subsidies so that the 38 Districts had a total revenue of \$31,023,189.00 as compared to \$31,763,902.00 for last year's 41 Districts. Expenditures were reduced in proportion to the reduction in the number of Municipal Districts with the result that they completed the year with a net surplus of \$1,052,541.00 as compared to a net surplus for last year of \$694,794.00 for 41 Districts.

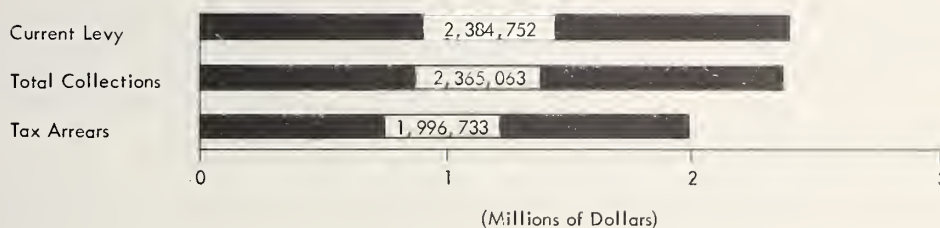

Revenue Fund Assets and Liabilities: A substantial increase in the financial standing of the remaining Municipal Districts is reflected in their Revenue Fund Balance Sheets. A total net cash balance of \$2,594,084.00 at the end of 1957 has been increased to \$4,209,647.00 at the end of the current year. All liabilities subtracted from the total of bank balances, investments and monies due from the Province left a net cash surplus of \$5,008,200.00 which is an increase from last year of \$1,240,045.00.

Debenture Debt: The total outstanding debenture debt at the end of 1958 is \$1,094,149.00. This is \$200,299.00 less than last year's total debenture debt of \$1,294,448.00.

IMPROVEMENT DISTRICTS (49)

The boundaries of Improvement District, No. 46 and the new Village of Montgomery were almost co-terminous. The Improvement District was dissolved upon formation of the Village. The area not incorporated in the village was annexed to the Municipal District of Rocky View, No. 44 thus reducing the total number of Improvement Districts from 50 to 49.

Assessment and Taxation: The total assessment was reduced from \$56,899,725.00 in 1957 to \$54,072,709.00 at the end of this year. Total taxes were also reduced from \$2,430,880.00 to \$2,384,752.00. The dissolution of Improvement District, No. 46 accounts for these reductions. Tax collections of \$2,365,063.00 for the year are 99.1% of the levy and outstanding taxes at the end of the year of \$1,996,733.00 are 83.7% of the levy as compared to 88.2% last year.

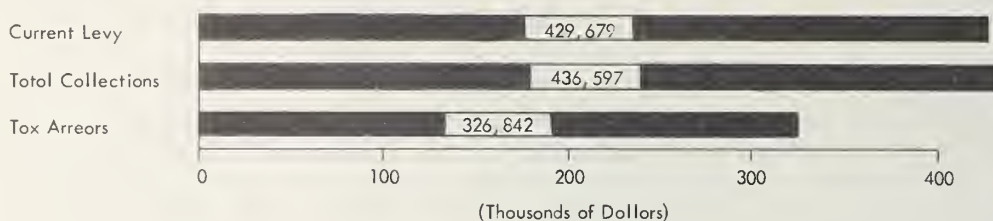

Assets and Liabilities: A balance of \$2,220,312.00 in the Improvement Districts trust account plus outstanding taxes of \$1,996,733.00 equal total assets at the end of the year of \$4,217,045.00. Total liabilities equal \$207,284.00 leaving a net to-date surplus of \$4,009,761.00.

SPECIAL AREAS (2)

The Special Areas under the jurisdiction of the Department of Municipal Affairs are administered by the Special Areas Board with offices at Consort, Hanna and Oyen.

The total tax levy for the year equalled \$429,679.00 as compared to \$393,786.00 in 1957. Tax collections for the year of \$436,597.00 equalled 101.6% of the levy and outstanding taxes at the end of the year of \$326,842.00 are 76% of the levy as compared to 98.1% at the end of 1957.

A total revenue of \$1,190,609.00 and a total expenditure of \$1,217,905.00 resulted in a deficit for the year of \$27,296.00. Last year's to-date surplus of \$1,413,354.00 has been reduced to \$1,400,503.00.

REPORT OF THE SPECIAL AREAS BOARD

The Special Areas entered the year 1958 with a fairly satisfactory outlook. Feed was rather short but due to a moderate winter most ranchers and farmers were able to carry their stock through the winter months without having to purchase feed from outside points. Spring was early and very dry but an abundance of subsoil moisture produced nearly 100% germination of grain planted early in the season whereas later plantings proved quite spotty. Due to one of the driest summers on record, the average yield over the entire Special Areas was well below the average of any of the past seven years and P.F.A.A. bonuses were paid in most townships.

Livestock raising has become a major industry in the Special Areas and the Board feels that this should be encouraged and more attention should be given to raising feed rather than grain. The average number of cattle carried from year to year now stands at about 167,000 and cattle sales are held regularly throughout the Area with the result that better prices are obtained than would be possible if shipment had to be made to outside markets. Community pastures were filled to capacity mostly by farmers with small grazing acreages.

The development of small irrigation projects continues to be one of major interest to the Board. An Irrigation Committee was established to assist the Department of Agriculture in fostering and developing suitable projects. A number of dams and dugouts were surveyed by the P.F.R.A. and developed by the rancher or farmer who receives assistance in the amount of \$125.00 per dugout and \$150.00 per dam when the project is completed to specifications.

The dry weather and a reorganization of our public works department led to considerable road development. School-van routes and local roads were given priority. Market roads received a great deal of gravel as a protective measure and considerable work was done in improving the road between Atlee and Jenner and the road north of Richdale.

The Norway rat situation on our eastern boundary appears to be under control but will bear constant watch. Grasshoppers were no problem except in the Bindloss-Empress district where they may become quite active in the coming year.

Our regrassing policy was carried on during the spring and fall months and is becoming more popular each year. A seed consisting of a mixture of Crested Wheat Grass, Brome and Alfalfa is now being used as we believe it will prove more satisfactory than the use of one variety.

Pleasant View Home continues to have around an average of fifty guests and although regrettable it was found necessary to raise the rates to \$50.00 per month for residents of the Special Areas and \$60.00 per month to non-residents.

REPORT OF THE PROVINCIAL PLANNING ADVISORY BOARD

The membership of The Provincial Planning Advisory Board was further increased in 1958 by the addition of representatives from the Department of Lands and Forests and the Department of Education. Present Board membership includes the following: Chairman, J. H. Holloway, Chairman of the Public Service Commission; A. W. Morrison, Deputy Minister of Municipal Affairs; R. M. Putnam, Deputy Minister of Agriculture, C. W. Lester, Director of Surveys, Department of Highways; H. L. Hogge, Provincial Sanitary Engineer, Department of Health; V. A. Wood, Director of Lands, Department of Lands and Forests; J. W. Chalmers, Director of School Administration, Department of Education; and R. M. Rookwood, Director of Town and Rural Planning, Department of Municipal Affairs.

Co-ordination between various branches of the Provincial Government on planning matters has been extended by the broadening of Board membership. The Town and Rural Planning Branch continues to work closely with the Lands Branch, Department of Lands and Forests, on the subdivision of Crown Lands, the location of parks and the development of summer resorts on lakes and rivers. Representation of the Department of Education on the district planning commissions has been under active consideration. The development of a proposed new town in the Swan Hills area, north of Whitecourt, is now the subject of detailed discussion among the various departments concerned.

Recommendations were made on the status of the new towns of St. Albert and Hinton, with the result that the latter was established as an ordinary town with its own council effective January 1st, 1959.

A recommendation was made to the Board of Public Utility Commissioners on the definition of the Edmonton Metropolitan Area under Part X of the Public Utilities Act, and the definition of the Calgary Metropolitan Area is now under consideration.

The Board held a total of 36 meetings, considering a total of 311 items and issuing 136 Board Orders.

The sixth district planning commission in Alberta was established in the Peace River Area by Order-in-Council in July, 1958 with an initial membership consisting of representatives from the City of Grande Prairie, County of Grande Prairie, five towns, six villages, three municipal districts and seven improvement districts. The commission was appointed as an approving authority under the Subdivision Regulations, effective January 1st, 1959.

Several new members were added to the other district planning commissions during the year, including the Town of Montgomery, which joined the Calgary District Planning Commission and the Villages of Bowden and Blackfalds, which joined the Red Deer District Planning Commission.

With rare exceptions, the commissions continue to be popular with their member municipalities and increasingly valuable as a means of reducing the volume of work performed by the Town and Rural Planning Branch. Together with the Technical Planning Boards of Edmonton and Calgary, the commissions are now responsible for subdivision approvals and technical advice on local planning to 64 percent of the population of the Province. In 1956 approximately 55 per cent of the population of the Province was included within the district planning areas. Sixty-nine municipalities are now commission members and contributed \$110,000.00 in the past year towards the operating costs of the commissions, an equal amount being contributed by the Provincial Government.

During the year the staff of the branch completed general planning studies for the Pembina oil field area. The report will be published in the near future and will be used by the local authorities and the Pembina Planning Advisory Commission as the basis for planning future development in the area.

Also completed during the year was a pilot survey of lakeshore development at Pigeon Lake, in association with the Provincial Parks Board. The survey will be used as a model for conducting similar surveys at other lakes and the results will be used in determining suitable locations for parks for use by the general public, as well as the location and designing of subdivisions for summer cottages.

The expanded program of planning surveys is now well underway and survey work is proceeding in the Cities of Wetaskiwin and Drumheller, and the Towns of Lacombe, Taber and Cardston. The surveys are being conducted in close association with local councils and planning advisory commissions representing the major citizen groups and interests in each of the centres. In this way, the local inhabitants take an active part in all stages of plan preparation, thus helping to insure that the plans which result are actually put into effect.

The staff of the Town and Rural Planning Branch continues to advise municipalities and other areas, where technical assistance is not available locally, on zoning by-laws and other matters concerning the planning of development. Seven new zoning by-laws were enacted and an additional seven by-laws were prepared by the branch on behalf of various towns, villages and municipal districts.

The number of subdivision plans submitted for approval continues to increase. 912 plans were approved for registration during the year ending March 31st, 1959 as compared with 841 for the year ending March 31, 1958. It is interesting to note that five years ago the corresponding figure was 696 and that ten years ago the figure was only 282. The number of proposed subdivisions and transfers inspected on the ground was larger than in the previous year, although with the available staff it was still only possible to inspect 137.

Following a number of enquiries from oil companies actively engaged in the development of the Swan Hills Oil Field concerning a proposed town in this area, a meeting was held in January to which were invited representatives of all the companies known to be operating in the area together with representatives of the Government Departments concerned with the location and development of the new town. The various factors affecting the location, size and servicing of the town were discussed and arrangements were made for the branch to undertake the necessary investigations to determine a suitable location. These investigations are now proceeding under the general direction of the Provincial Planning Advisory Board and with the participation of many of the Board members.

A preliminary ground inspection has been carried out by the staff of the Town and Rural Planning Branch and all available information has been mapped. The question of water supply has proved an important one and an exploratory drilling contract has been let. A questionnaire has been circulated to all oil companies as a basis for estimating the size of the core of permanent population for the proposed new town.

The Department of Lands and Forests (Lands Branch, Forestry Branch and Technical Division), Health (Sanitary Engineering Branch), Agriculture (Water Resources Branch) and the Research Council (Groundwater Section) are all working together with the Town and Rural Planning Branch on this project, and the Departments of Education (School Administration Branch) and Highways (Locations Branch) are being kept informed of developments. These arrangements again indicate the advantages of the broadening of Board membership which has been accomplished during the past few years.

Respectfully submitted,

A. W. MORRISON,

Deputy Minister.
