Files Unit,
Document Division.

From:
A. T. Laverge

Subject: Documents 2570 to 2579.

1. Document 2570 is a file of Foreign Ministry papers dealing with the China Incident. Some of the documents from this file have been taken out and numbered separately as Documents 2571 to 2579.
2. While re-scanning the above documents it was found that one of them entitled "Matters Decided Upon by the Five Ministers' Conferences as of October 31, 1938" had inadvertently been split up in several parts. Part of the document was still in File 2570 while other parts had been numbered separately as Documents 2575, 2576 and 2579. As processing of this document was considered necessary it was put together again and processed as Document 2570B. Consequently there are now no documents for file numbers 2575, 2576 and 2579.

necessary to preserve peace and ensure successful military operations. Other administrative affairs are left to the Chinese Gov't as much as possible, so that the Japanese Army will not have to shoulder the task of military government. A "Peace Maintenance Association" will be established. The establishment of local regions will be accelerated by a "Special Committee to cope with Chinese Problems", which will cooperate with the "Canton Liaison Conference of the Army, Navy and Foreign Ministers". This last will guide local regimes after their organizations. Economic policy will be to support the Japanese army in the field for the present, and to promote future foreign trade and recovery of South China itself. We must win over Chinese residents abroad in order to help our plan for South China and gain materials we need by trade with the Southern regions. In respect to third-power interests: Diplomatic and economic complications will be avoided; we will try not to give third powers an excuse to interfere in the incident. England's existing interests will be recognized. Appropriate steps will be taken to ensure that England discard her policy of aiding the Chiang Kai Shek Gov't and accept the administrative policy of Japan. Chinese economic constructions will be financed by Japanese capital. The management of local administrative affairs in occupied areas of South China will be considered, decided and enforced by Army, Navy and Foreign Ministers at the Canton Liaison Conference.

Section 5. (Translation Attached) Emergency Financial Policy for Middle China, decided at the Five Ministers Conference, 5 July 1938. Since it is essential to adjust relations with third countries in order that they stop aiding CHIANG, Japan is prepared to remove restrictions on trade and financial activities of foreign firms and banks in the occupied areas of Central China. We should get the cooperation of third countries, especially England, aiming at the acceleration of trade in Central China. We should issue new currency in anticipation of the collapse of the present currency. Under certain circumstances it may be well to solicit German and Italian aid also. Japan must have financial leadership in Central China. As well as attracting Chinese financial circles, we must aim at undermining the CHUNGKING government. These negotiations must be kept secret.

Organs on the spot in China will receive orders from the Special Committee for China. Liaison will be maintained between the committee and the Imperial Headquarters by the War and Navy Minister. The committee will be headed by DOIHARA, TSUDA and BANZAI.

Therefore economic cooperation between the three countries should be played down somewhat in order to prevent complications of international relations and to aid Japanese interests in a wide sense.
