

The Campbell Visitor

VOL. 9, No. 50

CAMPBELL, SANTA CLARA CO., CALIFORNIA, MAY 25, 1904

\$1.00 A YEAR

The Sidewalk and the Bicycle.

The other day a young man on a bicycle was speeding along the cement sidewalk near the post-office when a lady stepped out of one of the emporiums which line that way, and, being struck by the wheel, was knocked over. The young man is a gentlemanly fellow, and was sincerely sorry (so was the lady). This sort of thing almost happens so frequently, that, something really must be done about it. I have thought long and deeply upon this subject and the best thing I can suggest is that warnings be posted about the street advising pedestrians that they had better walk in the roadway, and that if they persist in using the sidewalks it must be at their own risk. Of course, the streets are also somewhat dangerous owing to the automobiles, but their great width makes dodging easier. Then there is a little strip between the street and the walk, known as the gutter which is almost entirely safe, as vehicles of all sorts avoid it on account of its general unsuitability for their purpose. There we would recommend foot passengers to amble.

To be sure in prehistoric days, sidewalks were built, as their name indicates, to walk on. But that was so long ago; and now any one with half an eye can see that those lovely smooth stretches were predestined for the rubber tire. Let those take care who talk of invoking the long forgotten statute against riding on walks; the bicycle vote is strong and the result of their action may react on their own heads, by provoking a law forbidding any one to set foot on sidewalks. Then how would they feel?

Of course, I realize that my remedy of walking in the gutter does not help those who wish to enter and leave houses and stores. This feat should be attempted only by the active and strong and none who feels unequal to being run over should undertake it, especially as now, the doubly

deadly motorcycle has taken to the walk.

In the end, if by that time there are enough of the walking classes left still able to perambulate, elevated paths will doubtless be erected for their accommodation. In the perilous meantime, they had better stick to the gutter.

TABBY.

More Railroad News.

At the meeting of the Board of Supervisors last Monday a petition was presented for a franchise from the Seven Mile House directly north over the creek and connecting with the Dunlap franchise (which is supposed to have expired) at the corner of Campbell Avenue and Los Gatos Road, or at the High School corner. Surely Campbell is getting in electric railroad business just now. Let them come. But this looks like a scheme to head off immediate building of a road to Campbell by tying up the road with a franchise, as the Dunlap has. Our people will fight any such a proposition. Here is the official report from the Board of Supervisors:

"The petition of the San Jose and Los Gatos Interurban Railway company is read asking for a franchise for an electric railway over the following route:

"Commencing at the intersection of a line 10 feet easterly from the western line of the San Jose and Los Gatos road with a line 10 feet easterly from the western line of the Santa Clara and Los Gatos road and connecting with the franchise granted G. T. Dunlap, and thence running in a northerly direction along a line 10 feet easterly from the western line of said Santa Clara road 2½ miles more or less to a point at the intersection of a line 10 feet easterly from the western line of said Santa Clara and Los Gatos road with a line running along the center line of Campbell avenue; thence bearing to the right and running along the said center line of said Campbell avenue 20 feet more or less to and connecting with the said franchise granted G. T. Dunlap at the intersection of the center line of the said Santa Clara and Los Gatos road with the said center line of the said Campbell avenue.

"By a resolution unanimously adopted it is ordered that said franchise be offered for sale. Bids to be opened July 6, 1904, at 10 o'clock a. m."

H. W. Brayton, superintendent of the Home Finding society came to town Monday night to give a stereopticon lecture on the work of the organization. Unfortunately, the advertising was insufficient to bring out an audience large enough to make it pay to proceed and the lecture was not given. This society has done a wonderful work in its chosen line, finding good homes for between 700 and 800 children, and caring for others in their home while awaiting adoption. Mr. Brayton has promised to come back at some future time to deliver his lecture. As the Home and the work are supported by voluntary contributions, donations of money, food, fruit or clothing are more than welcome, and may be sent free by Wells, Fargo Express in packages of less than fifty pounds weight.

Mrs. Farley passed away at her home near town Saturday afternoon, after a lingering illness. For many months, she had known that her disease was incurable, yet she bore her suffering with a cheerful patience that was the wonder of all who knew her. She was an earnest Christian, a member of the Methodist church of this place. The funeral was held at the Methodist church Monday at 7:30 a. m., the Rev. J. W. Lewis officiating. The body was taken to Petaluma, her old home, for interment. Mrs. Farley leaves a husband, two sons and a daughter to mourn her loss.

At the Board of Supervisor's meeting Monday we find the following business transacted:

"On motion it is ordered that George Roop be granted permission to lay a four foot pipe on Railroad avenue and across Campbell avenue in road district No. 4."

This is another irrigating ditch which Page Bros. will construct from their present ditch south of the depot through Campbell and to the north of town. The Page Bros. don't propose that any water shall go to waste down the creek.

The Scholars of the High School will give an old fashion School Exhibition on Friday evening, June 3rd. Exercises will consist of music, vocal and instrumental, recitations, tableaux, and to close with a temperance drama, "Seeing the Elephant." Proceeds to be added to High School ground fund.

Get your berries at Downing's.

The third annual roll call meeting of the Methodist church will be held Friday evening June 3rd. A basket supper will be a feature of the evening.

A round feather cushion was lost at the Methodist picnic last Saturday. The owner will be pleased if same is returned to this office.

Found—Lady's hand bag, containing a little money. Apply at this office and prove property.

Berries 20c a box at Downing's.

meets the second and fourth Saturdays of each month at 8:00 p. m. in the I. O. O. F. Hall. Sojourning members are cordially invited to attend.
H. E. BRANDENBURG, President.
MRS. H. E. BRANDENBURG, Secretary.

ORCHARD CITY GRANGE NO. 333.
Meets the second and fourth Tuesday of the month at 8:00 o'clock p. m. in I. O. O. F. Hall. Sojourning members cordially invited.
F. P. MITCHELL, Worthy Master.
MRS. F. O. PUTNAM, Worthy Secretary.

School Money.

County Superintendent Bate-man has just completed the apportionment of school moneys received from the second installment of county taxes for the fiscal year of 1903-04. The amount thus received is \$32,529, and the apportionments based upon the average daily attendance of pupils, which is, for the entire county, 7934, makes the amount per pupil \$4.10. The apportionment to the several districts around Campbell is as follows: Cambrian, \$127.10; Campbell, \$545.10; Doyle \$73.80; Hamilton, \$168.10; Lincoln, \$188.60; Los Gatos \$1373.50; Meridian, \$233.70; Moreland, \$315.70; San Tomas, \$94.30; Saratoga, \$360.80; Union, \$98.40; Valley View, \$180.40; Vineland, \$53.30; \$53.30; Willow Glen, \$684.70. From the above figures it is apparent that Campbell is steadily forging ahead in matter of schools.

Song Recital.

Friday evening, June 3rd, a song recital will be given in the Congregational church for the Guild fund, by Miss Mignon Judson of San Francisco, assisted by Miss Fanny Dana Janes.

Miss Judson is a favorite concert singer, and is also a soloist in the First Presbyterian church of San Francisco. She is a pupil of Mr. Edward Xavier Rolker, the well known singing teacher, and no lover of music should miss the opportunity to hear her beautiful voice. Miss Janes who has not been heard here for some time, besides being the accompanist for the occasion, will play several piano solos. The admission will be twenty-five cents.

Is The Money Safe?

Every once in a while Deputy Sheriff Buffington receives inquiries about Dunham. Here is the latest, addressed to the "Cheaf Polese" at Campbell. It hails from St. Louis and reads as follows:

Winsday.

Cheaf Polese

Dear Sir:—Is Dunham still wanted has he me caught yet. is the money safe.

yours truly

A. D. Ward.

The new famous California Prune Table Syrup can be had at Putnam's.

LOCAL NOTES.

Subscribe for the VISITOR.

Window shades at Blodgett's. W. H. Swope has been at Capitola for a few days.

Mrs. W. H. Swope is home from her San Francisco visit.

Rev. Geo. Atkinson is taking a rest at his parents' home in San Rafael.

Mrs. A. H. Joy and family have arrived home from Berkeley for the summer.

Try some of the California Prune Table Syrup. Very fine. At Putnam's.

Thursday evening May 26th the Prohibition Alliance will meet with Mr. and Mrs. Kennedy. All are most cordially invited.

District Deputy Calvert has good success in securing members for the local lodge of A. O. U. W. and at their next meeting several candidates will be initiated.

The senior class of the high school went to Mt. Hamilton Saturday where they viewed the heavens through the big telescope, camping for the night at Smith's creek.

At the M. E. Church Friday evening May 27th beginning at 8 o'clock, Rev. J. W. Webb will deliver his lecture entitled "Blunders." Mr. Webb comes highly recommended; don't fail to hear him. Admission free.

The U. S. Department weather report for April, as taken at Campbell shows that there was 1.83 of rain for the month. The mean maximum temperature was 67; mean minimum 42; mean 55; maximum 88; minimum 35. Not a bad record.

Choice of All Routes East

Is offered by Southern Pacific. You want the best—the one that suits you best. Don't make any arrangements until you have learned of the magnificent limited trains and personally conducted excursions in new Pullman tourist cars of our different routes. Agent Southern Pacific will sell you a ticket, reserve you a berth, or write to Paul Shoup, D. F. and P. A., 16 South First street, San Jose.

Allen's Boston Brown Bread Flour.

Hurlbert & Kennedy will sell your Real Estate or Insure your property.

Acme Patent Flour

the miller tells us, contains 35 per cent. Gluten. Australian wheat flour contains 12 per cent. Gluten. Housekeepers coming here from the East ask why they cannot obtain flour equal in quality to Pillsbury's Minnesota flour. It has been said that most California flour is made from Australian wheat. Minnesota Patent Flour is made from hard wheat. Acme Patent Flour is also made from hard wheat, and is not excelled in quality. Try a sack.

This Carload

we are going to sell for

SILVER BELLS

Revolution in Bread-Making

We have found the flour that is going to make a revolution in Bread Making.

WHY?

It is made from Blue Stem Wheat and Hard Wheat from Minnesota, and it is blended in such proportions as to produce flour for bread making that has never before been offered in this community.

Silver Bell Flour, the miller tells us, contains 28 per cent gluten.

Housekeepers coming here from the East ask why they can not obtain flour equal in quality to Pillsbury's Minnesota Flour.

The answer is that most California flour is made from Australian Wheat, while Minnesota's best Patent Flour is made from Hard Wheat.

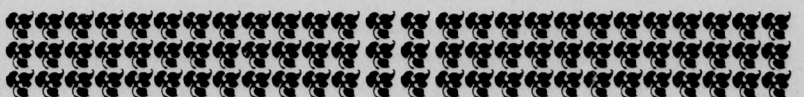

SILVER BELL FLOUR is put on the market with the assurance that it is not excelled in quality by any flour whether made here or in the East. We claim for Silver Bell Flour that it will make from eight to ten more loaves of bread to the barrel than flour made from Australian Wheat and we are going to offer this carload of Silver Bell Flour at the regular prices for our local flour:

Barrel.....	\$5.10
100-pounds.....	\$2.55
50 pounds.....	\$1.30

It is our expectation that every bread maker in Santa Clara county will not rest satisfied with her bread until she has given the Silver Bell Flour a trial.

THE Japanese are giving the world an object lesson in modern warfare. More power to them!

MORGAN HILL is going after a union high school. Nothing will add so much to a locality as a good high school. May our neighbor succeed in this worthy move.

WE can stand it to have all three of the electric roads now desiring to build through Campbell. Surely we have a good chance to get something tangible at last. We have waited patiently.

"CALIFORNIA, the Land of Promise," is the title of an attractive pamphlet just issued by the State Board of Trade, being President Chipman's annual report for last year. It is artistically gotten out, with appropriate illustrations.

WE call attention to the necessity for more cottages. Before the fruit season is on all available dwellings are occupied and calls coming for many more. Can't we prevail upon someone to build? And by all means let us have some of really artistic style.

CAMPBELL Board of Trade should have a representative at the Coast Counties Improvement Association Convention at San Miguel to-morrow, but will not in all probability. A good program and matters of importance to every town will be discussed.

FROM present appearances President Roosevelt has already pocketed the presidential nomination. W. R. Hearst seems to have the inside track for the Democratic nomination. With two young and strenuous candidates like these two gentlemen, the country could expect a lively campaign. In California, with a millionaire native son in the race for the highest office in the gift of the people, the state will be considered doubtful ground, while nominally a Republican State. It will be remembered that Cleveland carried the State by a small plurality.

THERE seems to be a contest between two electric road companies as to which will go to Los Gatos by the short line. It would be wiser to build from Santa Clara to San Mateo than to build two lines to Los Gatos.
—Santa Clara Journal.

Your ground is not well taken, Brother Downing. Besides we can't have too many electric roads in this county. You will have your Santa Clara-San Mateo road at a not distant date and it wont be robbing Campbell and Los Gatos of their just due either.

MR. GRANGER should be urged not to build an electric road to Los Gatos that may not be needed, but instead, build roads to Palo Alto, Mount Hamilton, Evergreen and other points in the county where they are needed.
—Santa Clara Journal.

Campbell is going to have a road and that right soon. Keep your eye on this end of the township—we're on the move. These other towns will get electric roads, but not at our expense.

W. H. Brown's barber shop is now managed by E. R. Armstrong of Berkeley. College style of hair cutting a specialty. Give me a call. E. R. ARMSTRONG, Mgr.

CAMPBELL

(THE ORCHARD CITY)

Lies 50 miles south of San Francisco on the Santa Cruz division of the Southern Pacific Railway, 5 miles from San Jose, in the famous Santa Clara Valley, the garden spot of the State.

SCENERY SUPERB

With the Santa Cruz Mountains to the west and south and the Coast Range on the east, a majestic amphitheatre is formed, the beauty of which can not be excelled anywhere. Campbell has an altitude of 195 feet. The cool breezes from San Francisco bay at the north insure an even and comfortable temperature throughout the summer months, while the winters are warm and pleasant. Flowers bloom out of doors the year around.

EDUCATIONAL ADVANTAGES

Campbell has a population of about 600. It maintains a (third class) post-office which distributes mail to 3,000 patrons, covering over 30 square miles of orchard homes. There are two churches—Methodist and Congregational—a first class High School and Graded School, and within a few miles are two Universities, two Colleges, a State Normal School and several Business Colleges and private schools.

The Stanford University with its marvellous architecture is only 20 miles away.

NO SALOONS

Campbell has a complete water system of its own. It has electric lights and power for mechanical purposes, which is distributed throughout the orchard district. A telephone exchange serves over 40,000 people. A prohibitory clause in all deeds to property within the town limits, prevents the saloon from being established.

FINE ROADS AND RESORTS

The Santa Clara Valley boasts of the finest roads to be found in the State. It has over 350 miles of sprinkled rural highways. In attractions for tourists the Santa Clara Valley can not be surpassed. Thirty-two miles eastward over a magnificent mountain road is the famous Lick Observatory on Mt. Hamilton, 4,444 feet above sea level. There are numerous mountain retreats within two hours' drive for those who love the camp and sparkling brook. The sea beach to the southward 27 miles by rail or carriage drive, and through the most beautiful mountain scenery in the world.

A trip to the Big Trees, twenty feet in diameter and two thousand years old, will furnish a delightful day's outing.

MINERAL SPRINGS

The hot springs of Alum Rock Canyon and Congress Mineral Springs are within two hours' drive, giving a panoramic view of the entire valley.

The Almaden Quicksilver Mines, the largest in the world are within easy access by rail or team.

The largest seed farms in the world only 10 miles distant.

FRUIT CENTER

Campbell's mammoth fruit dryer and packing house is the largest in the world. It has a capacity of over 10,000,000 lbs.

The Campbell Orchard District is noted for the quality of its fruits. For delicacy of flavor and beauty and perfection of color, its cherries, apricots, peaches, apples, plums, grapes and pears, have no equal in their fresh state, and command the highest market price. As cured or dried fruit the Campbell prune, apricot, and peach is shipped to every civilized country on the globe. Nearly one-half of all the prunes grown on the continent are from Campbell orchards. One and a half million cans of fresh fruits are packed in Campbell every season.

The demand for intelligent labor is increasing every year. Families desiring profitable employment in orchards, packing houses and canneries find this an ideal home.

LAND VALUES MODERATE

Land values are very moderate—bare land brings from \$100 to \$300 per acre and when set to trees sells from \$200 to \$1,000 per acre, according to location and age of orchard. Ten to fifteen per cent is an average net income, while many places yield a much higher rate.

In short a Campbell home is one surrounded with HEALTH, WEALTH and PLEASURE.

For literature and particulars, address
HURLBERT & KENNEDY,
Campbell, Cal.

Dr. M. J. Gates
Physician & Surgeon

Telephone No. Red 101.

THERE has been a marked improvement in the appearance of the town since the surplus weeds were removed. Roadmaster Thomas has greatly aided in this. Several business men now make it a business each morning to have the streets in front of their places swept up and all surplus dirt removed. A good idea. And Mr. Buffington will do his part toward keeping the town well sprinkled if the citizens will assist in keeping the fronts of their places clean. Let us work together in this commendable matter.

THE greatest advertisement Campbell has ever had is in the establishment of its high school and a proper housing of the students. The man or woman who would begrudge the little tax necessary to run this school should move to a locality where they are not so singularly blessed. Eighteen cents on each one hundred dollars of assessment wont break any one, except the heart of a miser who isn't in favor of progress in any manner whatever.

CONGREGATIONAL CHURCH.

REV. GEO. E. ATKINSON, Pastor.

We are always glad to see strangers at our services. We should be pleased to welcome you and to have you worship with us. Feel free to make this your church home.

You will find our meetings bright, brief and brotherly.

Services every Sunday morning and evening. Sunday School after morning service and Endeavor just preceding the evening service. Our midweek service is Wednesday evening.

"Come thou with us and we will do thee good."

METHODIST CHURCH.

REV. J. F. JENNESS, Pastor.

The following services will be held next Sunday:
10:15 a. m. Class meeting.
11:00 a. m. Morning worship.
12:15 p. m. Sunday-school.
6:30 p. m. Senior and Intermediate Leagues.
7:30 p. m. Evening worship.
A cordial welcome will be extended to all these services.

The annual memorial service will be held in the Methodist church next Sunday morning, both congregations uniting. The sermon will be delivered by the Rev. George Atkinson and special music will be given. Old soldiers are especially invited to be present.

INDIGESTION

"I was troubled with stomach trouble. Thedford's Black-Draught did me more good in one week than all the doctor's medicine I took in a year!"—MRS. SARAH E. SHIPLEY, Ellettsville, Ind.

Thedford's Black Draught quickly invigorates the action of the stomach and cures even chronic cases of indigestion. If you will take a small dose of Thedford's Black Draught occasionally you will keep your stomach and liver in perfect condition.

THEDFORD'S BLACK-DRAUGHT

More sickness is caused by constipation than by any other disease. Thedford's Black-Draught not only relieves constipation but cures diarrhea and dysentery and keeps the bowels regular.

All druggists sell 25-cent packages.

"Thedford's Black-Draught is the best medicine to regulate the bowels I have ever used."—MRS. A. M. GRANT, Sneads Ferry, N. C.

Iowa College Reunion.

Thursday afternoon, May 19, many Iowa College friends gathered at the pleasant home of Dr. and Mrs. C. N. Cooper to extend their congratulations to Dr. John and Dr. William Windsor.

Fifty years ago this spring the Drs. Windsor were in the first class to graduate from Iowa College. Dr. John Windsor is visiting his brother, Dr. William Windsor, at his beautiful home in Union district.

The house was prettily decorated in scarlet and black, the college colors, and light refreshments were served. C. W. Janes read letters of regret and congratulations from Iowa College graduates in California who were unable to be present. Among these were letters from President Gates of Pomona, former president of Iowa College; Professor Bruce Hill of Berkeley, Misses Caroline Sheldon, Jennie Rew, Orpha Pettit of Mills College, Mrs. Edna Snell Poulson, of Berkeley, Miss Alice Ludlow of Berkeley, E. H. Osterman and J. E. Greer of San Rafael.

Following the reading of the letters the Drs. Windsor entertained the company very pleasantly with reminiscences of their college days. Professor Ephraim Adams, of Stanford University, who is the son of Rev. Mr. Ephraim Adams, one of the surviving founders of Iowa College, spoke of his college experiences. Many other interesting anecdotes were given. The occasion will long be remembered by those present as one of the most delightful of their Iowa College memories.

Those present were: Dr. and Mrs. John Windsor of Chicago, Ill.; Dr. and Mrs. William Windsor, Dr. and Mrs. C. N. Cooper, Col. S. F. Cooper, Professor E. Adams of Stanford University, Mr. and Mrs. C. W. Janes of San Jose, Prof. and Mrs. J. Fred Smith, Mrs. Greer of Los Gatos, Miss Snell of Berkeley, Mrs. E. Schuyler, Mrs. M. White, Mrs. M. E. Luther, Rev. E. S. Williams and friends of Saratoga, Rev. Mr. Atkinson, Misses May Cooper, Gertrude M. Smith, Mary Schuyler and Mr. H. F. Smith.

World's Fair Stamps In.

The supply of the new series of postage stamps commemorative of the Louisiana Purchase exposition has been placed on sale at

the Campbell postoffice.

The new stamps are attracting considerable attention and from present indications there will be a large sale. The department notifies the postmasters that the stamps will be on sale to December 1. The denominations and subjects of these stamps are:

One-cent—Green; Robert E. Livingsten, United States minister to France, who conducted the negotiations for the Louisiana purchase.

Two-cent—Red; subject, Thomas Jefferson, president of the United States at the time of the purchase.

Three-cent—Purple; subject, James Monroe, special ambassador to France in the matter of the purchase, who, with Livingsten, closed the negotiations.

Five-cent—Blue; subject William McKinley who as president of the United States approved the acts of congress officially connecting the United States government with the commemorative exposition.

Ten-cent—Brown; subject United States map showing the territory of the purchase.

The department announces that this series of stamps will not be issued in book form, and also that there will be no commemorative issue of stamped envelopes, newspaper wrappers, postal cards special delivery or due stamps.

Y. M. C. A. Union Meeting.

The union meeting held in the Congregational church Sunday evening in the interest of the Y. M. C. A. was attended by an interested audience, largely composed of young people. The meeting was in charge of Secretary C. W. Janes of San Jose, who spoke briefly of his pleasure in being at work among old friends again, and introduced Rudolph Kocher, who spoke on the physical aspect of Y. M. C. A. work. C. Sheldon spoke of the educational work planned for the coming winter and Dr. Pratt of the spiritual work of the organization. The talks were all bright and full of characteristic vim. Many pledges of financial help to the work were secured and several scholarships were taken. Campbell people were more than pleased to meet Mr. Janes again, having a grateful remembrance of his work among the young men here ten years ago.
