The city manager suggested a re-adjustment of the manner of procedure in granting permits to do street work by private contract. He said ceedings, its name should be changed work by private contract. He said ceedings, its name should be changed that very often urgent work is held to that of Broadway. On motion, that very often urgent work is near to that of Broadway. On motion, up by the necessity of presenting ap-"an ordinance changing the name of Eagle Rock road" was taken up for the first and second readings. The city engineer presented a petiplications for such permits to the board at its regular meeting, where as if they were allowed to be issued by the city engineer forthwith, such delay would be avoided. Small jobs might be allowed to be done and tho permits therefor ratified by the board later. Another feature which he sail requires correction is the permission on motion of Trustee Tower, the city engineer was instructed to prepare intendent verbally to do such work as cutting out a piece of curb for a crases the applicant would omit to ton adopting a map showing imas curring out a piece of curb for a piece of curb for a priet of a transfer driveway or crossing.
