Four F6F-5PT aircraft of VD-5 under Lieut. (jg) RICHARDSON, flight leader, took off from Agana Airfield, Guam, M. I. on 19 April 1945 at 1315 King to photograph enemy installations on Pagan Island. They arrived over the target at 1448 King and took vertical photographs through scattered clouds from 5,000 ft. Lieut. (jg) RICHARDSON then let down and made one photographic run over the island at 1,700 ft. On this run he encountered light, meager, inaccurate antiaircraft fire. All planes returned to base at 1640 King.
