Community Xmas Celebration

BEAUTIFUL NOEL PROGRAM IS GIVEN BEFORE LARGE CROWD.

On the evening of December 24th a number of the instructors and students of the College were either witnesses or participants in the delightful Community Christmas Celebration, which takes place annually in a most appropriate part of town, the East Park. A radiant star crowned the gaily lighted Christmas tree, and looked down upon a realistic manger, a fir-decorated stage, and the joyous expectant faces of a huge crowd of young and old.

At 6 p. m. the festival began with a glad ringing of church bells. At 6:30 a procession of one hundred and fifty school children, and delegations from every organization in town, wearing sprigs of evergreen, and carrying banners and gifts for the little ones of the war desolated countries over the sea, formed at the school house. As the procession neared the tree, a herald announced its approaching. Three Wise Men, Dr. Baker, Mr. H. B. Gibbs and Mr. C. H. Ward, led the way, carrying each an urn of silver and gold. Following the Wise Men, Frieda Siewert, holding a holly wreathed staff tipped with a large silver star, preceded the star crowned school children, and the delegations from the College, churches, and other organizations represented.

The school children sang the glad tidings of the Christ Child's birth, after which the Spirit of Christmas, in the person of Gertrude Hall, appeared amidst the pine boughs exclaiming, "I am the Spirit of Christmas, bringing the love of giving."

The Community Chorus, conducted by Miss Dyer, sang beautiful Christmas carols.

Dr. Vincent told of "this Xmas Eve the world around."

During the carol, "The Three Kings" the Wise Men in their rich Oriental robes, rose from their place at the right of the tree, and, one by one, each brought his gift and placed it by the manger. The chorus sang "Hark! the Herald Angels Sing," while the delegations came forward and reverently laid their gifts in the manger.

Later the dance of the messengers of Peace occurred, in which Isabel and Frances Foley, Vivian and Antoinette Barbour and Elsa Siewert danced with girlish charm and sweetness.

Five little fairies came tripping in.

TAMPA ROLLINS CIRCLE HOLDS AN ENTHUSIASTIC MEETING

ANNUAL DINNER AND ELECTION HELD DEC. 26TH AT HOTEL DE SOTO—PREPARATIONS FOR BASKETBALL TEAM.

The following item from the Tampa Tribune of December 27 will no doubt be of interest to former and present students of Rollins College:

"The annual dinner and election of officers of the Rollins Circle of Tampa was held at the DeSoto Hotel last evening at 7 o'clock.

"In the absence of the former president, Mr. Walter Bettis, Mr. Alfred J. Hanna, President of the Alumni Association of the college, presided. The election of new officers resulted as follows:

President, Mrs. C. W. Greene, '99.
Vice-president, Mr. Leon D. Lewis
Secretary-treasurer, Miss Margaret S. Rogers.

"The only other item of business transacted was the decision to give a dinner in honor of the Varsity basketball team which comes to Tampa to play the local Y. M. C. A. team on January 11. This function will be held Friday evening, preceding the game, in the small dining room of the Tampa Bay Hotel.

"Those present last evening were: Mrs. George Morgan Ward, Mrs. Coleman, Mr. and Mrs. C. W. Greene, Mr. and Mrs. E. R. Dickerson, Miss Cora Sprague, Miss Maud Hill, Miss Margaret Rogers, Miss Helen Hanna, Rev. George B. Waldron, Mr. Alfred J. George.

WORK OF ROLLINS FAR REACHING—HAS BECOME INTERNATIONAL AS WELL AS NATIONAL SINCE WAR.

In a recent number of the Winter Park Post appeared the following editorial—

Not many months ago the Post carried a news item about the Rollins Circle of Boston. In this issue one from Tampa appears. This fact cannot fail to call to mind the far reaching work of Rollins College; its national character, its spirit of broad and well rounded culture. It is the foundation on which the college has existed longer than any other Florida college, on which it will continue to lead.

Despite war conditions Rollins is greatly enlarged this year; enlarged in numbers, in equipment, in serious work, in scope—all the result of Dr. Ward's great labor, of the war conditions themselves, of the administrative efforts of President French, and of the phenomenal work of Professor Harrington.

The increase in numbers is not due to the male element. Already two Rollins boys—both Phi Alphas—have died for their country in France, and scores are on their way. There are now three girls to every boy enrolled, which also means that the young women are realizing and seizing upon these unusual war duties. With the scholarships given by Dr. Ward many

WILL BE ENTERTAINED AT THE TAMPA BAY HOTEL.

The boys basketball team will leave Wednesday afternoon for a five day tour of the Southern part of Florida. They expect to play St. Petersburg High School Wednesday night, and will be in Tampa Thursday night to play Hillsborough High School.

The Rollins Circle will give the 'varsity a banquet the next evening at the opening of the Tampa Bay Hotel. That night the boys will play their most important game of the trip with Tampa Y. M. C. A. Saturday morning the team will leave for Sutherland to play Southern College and will reach home some time Sunday.

MR. ARTHUR RANOUS WILL GIVE SONG RECITAL JAN. 10TH.

Friends of Mr. Arthur Ranous will be pleased to know that he will sing in Knowles Hall Thursday evening, January 10th. All those who have previously heard his rich baritone voice will avail themselves of the opportunity to listen to his attractive and delightful rendition of the evening's program, in which he will sing "The Star Spangled Banner."

PROFESSOR E. S. PALMER NOW IN NEW HAVEN

Professor Erik S. Palmer who was at one time Dean of the College and who for five years, beginning in 1912, was head of the Mathematics and Natural Science departments, is now associated with the Winchester Repeating Arms Company of New Haven Connecticut, as a Ballistic Engineer. His mastery of mathematics eminently fits him for this position. He states that he thoroughly enjoys the freedom of application that he is allowed. (Editor's note: It is supposed that Professor Palmer has opportunity here to apply in practice all the infinite infinities and hyperbolic hypotheses that he used smilingly to demonstrate with colored chalk upon the board to an awed, incredulous and uncomprehending class.) Professor and Mrs. Palmer are living at 1534 Boulevard, New Haven.

Miss Laura Guiteras, Professor Reinhardt and Messrs. Cleave, Hanawalt, Nogueira, Cunningham, Cazanz, were the dinner guests of Professor Harrington at the Cottage Inn on Christmas Day.

NOTICE TO READERS

Do you enjoy hearing what has become of an old friend or schoolmate, where he is and what he is doing? Certainly, and so do others. Perhaps there is someone at this moment wondering about whom you would like to know. And these are exactly the things that the Sandspur wants to tell its readers. We publish such news of alumnae and former students as we can gather. It is our purpose to be a kind of "Round Robin" among the old students and to link them closer to one another and with the activities of Alma Mater, as well as to record the events of the Campus for the more or less lethargic subscriber. Perhaps, nay, undoubtedly you know an address or an occupation or some event concerning, or indeed, even a bit of a letter from someone who has gone out from Rollins' halls that would be of interest to Sandspur readers. Especially acceptable is any news of our boys who have gone to the colors. Let me urge you, wherever you may be, to send in any such that you have. You will do a kindness to many other readers and the act will be greatly appreciated by—The Editor.

GOOD WISHES FOR 1918.

The Sandspur wishes to express to its readers most sincere good wishes for the New Year.

One of the resolves that The Sandspur is making for 1918 is "to give the readers what they want."

If you do not find in our columns the things that you think should be there and that you think would make The Sandspur more valuable to its subscribers, you are earnestly requested to communicate the fact to the editor. You may be assured that any suggestion will be gladly received and given due consideration.

As the old year rings out and the new rings in, the editorial staff of the Sandspur undergoes a change. It is with regret that we have accepted the resignation of Elizabeth Russell, editor, and James I. Noxon, associate Editor. Both are Seniors this year and will graduate with honors. Miss Russell has been associated with the Sandspur, as has also Mr. Noxon, since its entry into the class of weekly Collegiate publications. And the present estimable position which it enjoys in this realm is due in no small part to their persistent and self-sacrificing efforts. Under the pioneer organization, Miss Russell was one of two Literary Editors while Mr. Noxon was one of the two Business Managers. The next year, 1916-17, Miss Russell occupied the chair of Editor-in-Chief, with Mr. Noxon as Associate Editor.

Those who remember the start, in

1915, know that during these years the Sandspur has develop from a dingy four-paged chaotic venture into a clean-cut eight-paged organized institution. Miss Russell's forceful pen has scored the student slacker, and set forth campus issues clearly; her executive ability has held together an efficient staff thru trying periods. Thru Mr. Noxon's clean business methods and personal magnetism the Sandspur has the support of a host of Winter Park and Orlando business men. This cannot be overrated. Too often do we fail to appreciate the business end of our student activities. Then too, that he has been willing to burn the midnight oil when others were not willing to burn it, has brot the Sandspur out to an expectant public week after week at the appointed time. Truly we owe a great deal to these loyal pioneer workers, and it is the willing task of the present staff to so prune and cultivate the sturdy tree which they have left us that Rollins may pluck the fruit of their endeavor at its fullest maturity.

Do you remember "Prof." Palmer? Sure you do! Well, "Prof." still finds leisure to exercise his poetic instincts—and right well he does that; just take a look at that Senior Song last year! We received during the Holidays a very attractive Christmas folder from Mr. and Mrs. Erik S. Palmer, with a bit of the former's verse, bringing the season's happy message.

You could hear the Yule-log snapping and see the children peeking around the chimney corner for old Saint Nick! Three times three, "Prof." we wish you all the happiness and success that the New Year can bring!

We see by the Wellesley College News that the student body of that institution has voted by acclamation to circumvent the food shortage by embarking upon a large-scale War Garden venture entailing the planting cultivation and harvesting of a thirty or forty acre tract. All labor and finance to be furnished by the girls of the College. The editor postulates that "blue overalls and red suspenders bid fair to be the vogue with the Wellesley girl this spring * *." We wonder how many Wellesley girls know WHY a farmer wears red suspenders.

Proposals to save coal by closing schools in Northern and Central States during January and February have not been met with favor by the Fuel Administration.

According to new regulations in England, women's shoes must not have uppers of leather exceeding 7 inches, nor of any other material exceeding 8 inches in height.

There has been a heavy slump in the demand for grapefruit since powdered sugar for sweetening is often unobtainable.

**FATHER OF FORMER STUDENTS
DIES SUDDENLY.**

The announcement of the sudden death of F. W. Froemke, at his home in Lake Alfred, came as a shock to the many friends of his three sons who have been students at Rollins. Fayette, the oldest, will be remembered as a prominent member of the Glee Club, the Phi Alpha Fraternity and as a football letter man. Gerald, the second son, was a member of the Alpha Alpha Fraternity and prominent in all forms of athletics, being very versatile and accomplished along these lines. Gerald was a general favorite and prominent socially. Maynard, the youngest, was a member of the Senior Class of the academy last year.

The Tampa Times notes:

Lake Alfred, Fla., Jan. 2.—F. W. Froemke, one of Lake Alfred's most prominent citizens, died at his home from heart failure at 5 o'clock Saturday afternoon. He had just carried a heavy chunk of wood to the fireplace. Mr. Froemke was 50 years of age and was born in Wisconsin, but lived at Sheldon, North Dakota, practically all of his life, where he was president of the Ransom County Trust Company, and interested in a number of banks in that state, as well as one of the most prominent real estate men in that section. He came to Florida six years ago with a number of associates from Fargo, North Dakota, and was one of the original promoters of the Florida Fruitlands Company, of Lake Alfred section.

At the time of his advent here there were only virgin forests for miles in every direction, and these have been transformed to such an extent that there are now growing in this vicinity more than 3,000 acres of citrus trees.

"NICK" CARTER WITH U. S. ENGINEERS IN FRANCE

Thru the kindness of a friend of Corporal G. H. Carter, Jr., we are able to print the following extracts from one of his first letters written after arriving in France some months ago with the U. S. Engineers. It is interesting to note the different views of France and the French people and the varying "first impressions" that our boys receive.

"I hardly know what to write about as we are not allowed to write what we have done or expect to do or where we have been. * * I like France and the French soldiers are very nice to us. I have seen lots of French soldiers and a few German prisoners. The French people live very differently from the Americans; their houses are built of stone and the people and stock live under the same roof. * * *

"I have not had much electrical work to do but find myself very handy with a pick and shovel. * * *

"Have enjoyed being in the service so far, and am well and getting along fine. We are getting plenty to eat, but I do wish I had a nice box of oranges. * * *

Corporal Carter's address is Company B. 15th U. S. Engineers, via New York, A. E. F. He was a very popular student at Rollins during 1908-09, and many friends will wish "Nick," as they called him, Godspeed.

He is survived by his wife, Effie May, and five boys, Fayette, the eldest, being a yeoman in the United States navy at Newport, R. I.; Gerald and Maynard, both students at the University of Michigan, and Russel and Harlan, two younger sons, living at Lake Alfred.

OLD ROLLINS MAN, DIRECTOR AT CANTONMENT.

The following article appeared in an Atlanta paper under a cut of Mr. C. A. Boyer, commonly known as "Chauncey," of Winter Park, and one of his fellow athletic directors. This extract will give an idea of some of the work in which Mr. Boyer is engaged:

"Guests at the Rotarian dinner at the Piedmont hotel this evening at 7 o'clock are to see some interesting boxing matches arranged especially for the occasion by Athletic Directors Bob Cubbon and C. A. Boyer, of Camp Gordon, with the scrappers selected from the wide field of fighting men in the Eighty-second division.

"The bouts will consist of four rounds of two minutes' each and they will be staged immediately after the big supper scheduled for the occasion. The boxers will represent the very best fighting material at the camp, and those present are promised lively moments.

"The first bout will be by J. Frank of Philadelphia, who is now a member of Company E, of 326th Infantry regiment, and Jimmie Fryer, also of Philadelphia, and a member of Company A, of the 325th Infantry. Johnny Victor of New York, Company A, of the 325th infantry, and Kid Christy, of Baltimore, of Company G, of the same regiment, will take part in the second bout, and Bill Bradley, of Reading, Pa., Company A., of the 325th, and George Rudolph, Jr., of New York, Company G, of the 325th infantry, will tie up in the third.

"Another feature of the boxing program will be the comedy shadow boxing act by Jimmie Fryer, assisted by

TWO PROMINENT K. E'S NOW MARRIED

Miss Bumby and Miss Wilson Former Rollins Students.

Two prominent Rollins girls who have recently been married are Miss Ada Bumby of Orlando, and Miss Iola Wilson of Tampa, both members, while students in the college, of Kappa Epsilon Sorority.

Miss Bumby is now Mrs. William W. Yothers and will remain in Orlando. She was a member of the Class of 1905 and received the degree of Bachelor of Arts upon graduation. While a student in Rollins she was prominent in all activities, especially the Delphic Society, of which she was an officer for some time. She is very popular in Orlando and has a host of friends who will wish her and Mr. Yothers every happiness.

Miss Wilson is a graduate of the School of Business and was for some time after her graduation connected with the Tampa Electric Company. She is now Mrs. John B. Munson, 242 South Whitney Street, Hartford, Conn.

Richard H. Mallory, a graduate of the Academy Class of 1914, now a Senior at the University of Illinois, spent the Christmas vacation with relatives in Orlando. "Dick" was a popular student and has the best wishes of all who knew him.

Bill Yeazer, of Company A, 325th infantry, which is said to be a treat in itself.

"All the men who will take part in these matches are professionals of several years' experience in the rings of the North and East."

THE CAMPING TRIP AT GOOD SHEPHERD SPRINGS.

A group of the Rollins students enjoyed a most delightful camping trip at Good Shepherd Springs during the Christmas vacation. The members of the party were Mr. and Mrs. Payton Musselwhite, Dorothy Richards, Norma McFadden, William Sherman Smith Fletcher and George Arrants. One of the most enjoyable event of the trip was an all day "paddle" down the Good Shepherd "run" to the Wekiva river. Such a trip could never be forgotten.

This run passes through some of the wildest and most beautiful part of Florida. Although it is rendered almost impassable by the "water lettuce," the trip through the beautiful palm swamps is well worth the hard labor.

An event which caused much excitement was occasioned by William Sherman. When he was swinging by a rope out over the springs Mr. Musselwhite accidentally shot the rope, much to the discomfort and chagrin of "Bill."

Despite the cold weather the trip was greatly enjoyed by all.

The sale of "Smileage" books, presented to men at army camp cantonments, is being arranged by a subcommittee of the War Department commission on training camp life.

Klaw, of Klaw & Erlanger, a member of the commission, has arranged for four companies of the brightest theatrical stars to play "Cheating Cheats," "Inside the Lines," "Turn to the Right," and "Here Comes the Band"—all tremendous successes last season in New York. He has also planned to have four companies of the highest grade vaudeville performers play these theaters.

At National Guard camps chautauqua tents, with seating capacity of from 1,500 to 2,000, have been put up, and first class vaudeville being presented.

ATHLETICS

ROLLINS DEFEATS EUSTIS

Friday nights game between Rollins and Eustis was by far the cleanest hardest played, game of the season.

The play was snappy and fast from start to finish and at no time was there any lack of excitement.

Rollins opened up with the first goal but the Eustis team was not to be defeated without a struggle. They straightened out and after ten minutes of play the score stood five all. With a burst of speed they took another goal and the first half ended 7-5 in Eustis' favor.

In the second half the Rollins boys showed the old Rollins spirit. They tore in and by sheer superiority of teamwork, took the lead.

Their passing was of the surest kind. They rushed the ball down the floor for repeated baskets, hardly letting the ball near their opponents' territory. The final score was 28 to 10.

Cleave at center played a wonderful game, his jumping being one of the features of the evening.

Fletcher at forward, played his usual star game. His shots were sure and his brilliant one-hand shots accounted largely for the resulting score.

Ward's floor end team work was very noticeable. His great speed, coupled with his passing made many of Fletcher's shots possible.

Hannawalt at guard played a fast snappy game. He filled his position of back guard in a masterly manner while his teamwork in connection with Vincent's was great to watch.

Vincent at guard also played a fine game. His ability to stick to his man ruined numbers of good shots, attempted by Eustis.

Eustis played splendid basketball, but they were no match for the College team. Their passing while good, was not followed up, and was easily broken. However, they made some stellar shots from the side lines.

The crowd which attended the game was not overly large, but very enthusiastic.

The organized cheering done by the college students was splendid.

The line ups were:

ROLLINS	EUSTIS

- We'll do the rest, boys;
- Fight for the victory.

DID THEY OR DID THEY NOT?

Xmas day was delightfully warm in spite of the gloomy cold forecast of the week before, and so the tradition was not broken.

A feature of the day at Rollins is having one's picture taken diving into Lake Virginia to send back home to the folks snow-bound. The boys hope a new spring board will replace the broken one by spring.

WOMAN'S CLUB MEETING, FRIDAY, THE 28TH.

The Music Study Class of the Woman's Club met in "Rosemary," the studio of Miss Leonard, with Mrs. Charles P. Switzer presiding.

"Women in the Field of Musical Composition, Hythical, Ancient, Mediaeval, Modern, French, English," was the subject of the afternoon. An interesting talk was given by Miss Eva Wilkins, and a charming paper, written by Miss Catherine Brebner, was read by Mrs. Harley Gibbs in her delightful manner.

Gertrude B. Hall delighted the members with her soprano voice by singing "Mother O'Mine" and "My Laddie."

During the past week the last of a total of one thousand baby caps were forwarded by Mrs. Ward to the New York office of the American Girls' Aid in turn to be distributed by this noble enterprise to the cold and helpless babies of France in the stricken districts.

This admirable work has been under the direction of Mrs. Ward, who has knitted tirelessly to supply the need. She has been assisted by the college girls of Rollins and other interested friends.

The American Girls' Aid is a volunteer organization and entirely supported itself. It is headed by the former Miss Holingsworth, now Mrs. Atwood.

otherwise unable, have returned. By the devoted administration of President French, and the new faculty they are heartened in their work.

Without precedent or present equal is the almost amazing advance of the school of business under the direction of Prof. Walter L. Harington. The work of this man would alone give Rollins a star in the nation's service flag for he is training young men and women, by night and by day, to take up that most important and now desperate need, the civil service.

Rollins College is enlarged in its service; enlarged from national to international service.

We are glad that Miss Herrick, daughter of Professor Herrick, is recovering from la grippe.

Robert French, who is in college at Amherst, spent the holidays with his parents, Dr. and Mrs. C. H. French.

Among the Rollinites who attended the New Year's ball at the Rosalind Club were "Tiny" Hanchett and Betty Barr.

The news that Mr. Walter Drennen lies very ill at his home with pneumonia will be learned with great regret by his many friends.

Professor and Mrs. Herrick and daughter spent part of Christmas Day on the lakes with Professor and Mrs. Harris and Miss Wilkins.

A party composed of Geraldine, Vivian and Antoinette Barbour, Isabel Foley and Annie and Florence Stone canoed over to the Seminole picnic

grounds and enjoyed a dainty meal around the campfire. After a canoe ride on the lakes in the evening they went to the Barbour house and enjoyed a marshmallow roast.

Clarence Vincent, who is attending college at Oberlin, spent the Christmas vacation with his parents, Dr. and Mrs. Vincent.

Thursday afternoon Margaret Gladys and Florence Smith, Edna Schweigel, Bessie Brown and Edna Greene canoed over to "Stonehenge" and enjoyed the afternoon with Annie and Florence Stone.

Dr. and Mrs. C. H. French had their Christmas guests Dr. and Mrs. Vincent and their three sons, Clarence, Donald and Howard, and the Misses Smith, Schweigel, Greene and Callahan and Messrs. Miskowsky and Waddell. After dinner the party enjoyed a canoe ride, returning in the evening for supper and a social evening.

A number of the campus and by students of the college gave a canoe ride and picnic last Wednesday in honor of Misses Ada, Martha and Alice McKnight and Marion Phillips. Misses Smith acting as hostess. Delicious eats were served at the picnic grounds near the Seminole and a delightful hour was spent singing around the campfire.

Alumni and Former Students

Mr. J. Sherwood Foley, brother of Miss Isabel Foley and Mr. James Foley who are enrolled in the Academy, enjoyed the holidays with his parents at the Seminole Hotel. "Sherwood" visited the Campus and reports that everything and everybody is new to him now. He was a very popular student here in the Academy graduating in the class of 1915. He was not a baseball player, yet a great enthusiast, being during his last two years at Rollins; manager of the Varsity, during which time they held the state championship. Mrs. Foley was also vice-president of his class. He was official Rollins scorer and attracted or contracted all the nicknames from "Umps" down. It was very difficult for this young sportsman to write a theme on any subject but baseball—not that he was not versatile, but what does practice make?

Mr. Foley is now a Junior at the University of Pennsylvania, and has done some creditable crew work.

Vance Ervin, who was a student at Rollins for a number of years, is now living with his mother at Maitland, Fla. "Vance" always was a specialist in citrus fruits, really an epicure, and won distinction while at Rollins, via the "pillow-case route" by always having a plentiful supply of these delicacies in his pocket. He is now employed with the Pilgrim Packing Company, of Maitland, and we have no doubt but that he is making good there, owing partly to his thoro training in the business while here.

Miss Margaret S. Rogers, who is connected with the Cuban Mission of West Tampa and is Secretary-treasurer of the Rollins Circle of Tampa, arrived in Winter Park Wednesday afternoon and will be the guest of Mrs. A. Payton Musselwhite, Interlachen Avenue, for the remainder of the week.

Mr. Erwin Holmes, who was at one time a prominent student in the Rollins Academy, is now Quartermaster in the Navy. Mr. Holmes has been on duty with a patrol in the Detroit river for sometime past, having enlisted at the Great Lakes Naval Station. At present he is en route to the British Channel where he will be in the patrol service.

Miss Anna Funk, Secretary-treasurer of last year's Senior Class surprised her Rollins friends last Thursday morning by a visit to the campus. She has been teaching in Bowling Green, Fla., and returned that afternoon, to resume her duties there.

Carl Prange, for several years a student in the Academy, has recently closed out the garage which he has been operating on East Church Street in Orlando, and has enlisted in the Aviation Corps. He is now stationed on Long Island.

Leonard Fletcher, who was a student in the Academy last year, is now at the head of the Willard Service Station at Huppel Brothers' Garage in Orlando. Mr. Fletcher will be remembered by many friends as one of the most successful Commodores that the Canoe Club ever had. He was an expert with the paddle and a past master in the art of out-door cookery and camp life. No steak-roast or pileau could be a complete success without "Fletch." And too, his excellent work as Stage Manager for the "Midsummer Night's Dream," last year, was of inestimable value to the achievement of two successful performances. Since leaving Rollins, Mr. Fletcher has traveled extensively thru the West in company with Carl Prange who was also at one time a student here. Their principle objectives were California and Arizona. In the latter state, Mr. Fletcher was profitably engaged in the automobile business following a graduate course at the Sweeney Automobile School.

Bolton Mallory, who graduated from the Rollins Academy in 1915 paid a short visit to friends and relatives in Winter Park and Orlando during the holidays, after which he left for an Aero Camp in Texas where he will enlist as a Ground Student. Mr. Mallory was a Junior at the University of Illinois this year and had won some distinction as a journalist. Like many other college men, he found the call of his country too strong and has gone to do his bit.

Alfred Furitt, a graduate of the Rollins Business School last year, is now occupying a responsible position on the clerical staff of the San Juan Hotel in Orlando.

COMMUNITY XMAS CELEBRATION

carrying Red Cross flags, and joined the circle with the five peace messengers, and, holding a silver cord, formed a star in front of the tree. This living star formed a circle and knelt while Eleanor Backus, as "Miss Columbia," marched slowly in to the strains of the "Marseillaise," bearing the Stars and Stripes, and followed by boys carrying the flags of the Allies.

Then, to the joy of the children, Santa Claus appeared. A glad cry went up from the little ones, as they swarmed about Santa and were each given a French flag and cornucopia of candy.

The Community Christmas Celebration has become an institution in Winter Park. Much praise is due to Miss Grace Edwards, the secretary of the Woman's Club, under whose management the celebration was held, and to her able assistants.

Miss Roberts of Orlando, has registered in the Conservatory for Voice and Piano.

The many Rollins friends of Messrs. Fayette, Gerald, and Maynard Froemke will regret to learn of the sudden death of their father which occurred in Lake Alfred last Sunday.

LETTERS AND PARCELS FOR LONESOME SOLDIER COME IN HUNDREDS.

The Postoffice Department is telling of a man at a cantonment regarding whom that story was circulated that he was lonesome and had never received a letter since arrival in camp. Then came the deluge.

In one mail he received 1,200 letters, 19 special delivery letters and parcels, and 54 ordinary parcels. Investigation showed he could neither read nor write. He was found surrounded by several other soldiers who were helping him with his mail.

Mr. and Mrs. A. A. Appleby and daughter, Madeline, spent last Friday, Saturday and Sunday touring from Winter Park to West Palm Beach and return. A very enjoyable trip is reported, despite the cold weather which prevailed.

Franklin H. Hutchinson, who has been attending Junior High School in Arlington, Mass., entered the Sub-Preparatory Department of Rollins last Thursday morning. He will live with his mother in Maitland during the remainder of the winter, coming back and forth by car.

Miss Ferne Gross, a former student in St. Joseph's Academy, Orlando, entered the School of Business at the opening of the winter session.

Milliard Futch of Lakeland has returned to Rollins to take up studies in the School of Business. He arrived Wednesday afternoon.

TAMPA ROLLINS CIRCLE HOLD ENTHUSIASTIC MEETING

(Continued From Page One)

Hanna, and Mr. Leon D. Lewies. Mr. Karl Tompkins of Peekskill, N. Y., and Mr. Bert Cleave of Trenton, N. J., students of Rollins this year, were also present.

The Rollins Circle of Tampa is composed of former students and faculty members of the college and is one of the oldest organizations of the kind having been founded about fourteen years ago. The new president, Mrs. C. W. Greene (formerly Miss Carrie Ashmead Price) received her A. B. from Rollins in the Class of 1899 and is prominent in club circles throughout the state. She attended the Commencement exercises of the college last June and was one of the speakers at that time. She is also president of the Tampa Music Club.

The new Vice-president, Mr. Leon D. Lewis, was graduated from the Academy last year, having been president of his class and Business Manager of The Tomokan. During his time at Rollins he was a star member of the football team and has a great many friends in this section.

Miss Margaret Rogers, the Secretary-treasurer of the Circle attended Rollins in 1915-16, and took special courses in Sociology and Art. She is now doing social settlement work in the West Tampa Mission which was founded by Rev. F. P. Ensminger, (B. S. '97).

The Tampa Circle is to be highly congratulated on these splendid new officers and it is expected that great things will come from Tampa during the next year.

Within twelve hours after receiving news of the Halifax disaster the woman's committee of the Council of National Defense had equipped a relief steamer and started it to the scene of the disaster.
