

Beyond Libraries

Digitisation and contribution to Wikimedia projects by various organisations beyond libraries

Research Institute :

Maharaja Sayajirao Gaekwad Research and Training Organisation
Relicensing and digitising Sayajirao Gaekwad archive

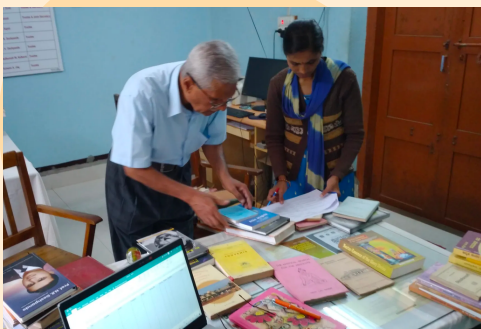

Social organisation:

Lek Ladki Abhiyan, a gender focused social organisation worked in Content creation on gender issues and digitisation of books

Rural Skill Development organisation:

Vigyan Ashram, which works with innovative pedagogic approaches to upskill rural youth, incorporated digitization and Wikisource skills into their training module.

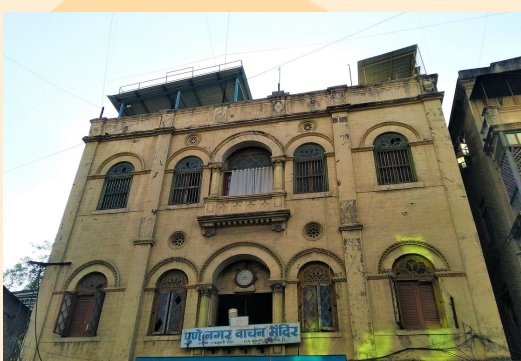

Philosophical academy:

Academy of Comparative Philosophy and Religion (ACPR) is involved in relicensing their works and digitising them to Wikimedia Commons and Wikisource

Archive of cultural texts

Jeeban Roy Memorial Trust located in Remote North East part of India, which is an archive of texts related to local history and heritage, is working in digitisation of its archives in Wikimedia Commons.

And also.. Libraries:

Libraries like Pune Nagar Vachan Mandir are scanning public domain works that their libraries host and released in Wikimedia Commons

CIS-A2K worked with these organizations to build the partnerships
