

Hatokura's evidence

re Yoshizawa. Gen Horjo had important conference with him  
or he was back to Tokyo from Geneva. A - 19003

o Gen Horjo sent an important message to him

L-19004

(1) Propose independence movement in Manchuria

(2) not a political struggle to be used for  
selfish political benefits

(3) improve conditions in rural areas

(4) send a commission to U.S. to

let them know & understand the true situation

19005

Yoshizawa was felt bitter about  
Manchuria than at Geneva & wanted do his  
best in Japan & copy out Gen Horjo's paper & diary

/ 19001

+ Eton

re: Lytton Com

no situation fully explained by  
Kuventing army + Lytton com 19020

Told Lytton com. all that  
was told in his testimony - yet he did not  
testify before Lytton com 19021

re Telegrams Dec. 1641

from chief of staff Nonay  
Minister of War Memorandum

to Kwantung army 9-19-47

summarized

pp 18898, 9

not opposite but rather incident 18901

Substance

Wires obtained from Pusan 18920

Substance: troops should not be  
dispatched to Harbin

18923

Spent Fund 18945

away at a loss because it had  
no money to spare:

Why if I had  
been instructed to take no  
part? as to telephone p. 18,943

South Mountain Ry Co  
personnel assigned R 18,945

re unexpected incident

Katakura p. 18932

no 1 item of the investigation

what was the important proposal of 18933

Did not Hayashi send telegram  
with the two minute sketch  
that had earned word the  
army were having a very  
important incident?

was not

Jatekamura sent by Muroami +  
muchiyo to the R. 2006
