1. In view of the fact that the MOTC experienced difficulty in receiving payment for the Japanese government share of the cost of circuits between local CIC Headquarters and local Japanese Police, the matter was again referred to G-2. CCS requested information as to what agency in the Japanese Government was responsible. G-2 advised that the circuits are a direct requirement and should be paid from funds appropriated by the Japanese Government for the support of the Occupation Forces (TOW).
2. Plans Div (Capt Plunkett) advised that funds to cover the entire cost are included in the JFY 50 budget.

1. Major commanders in Japan have been instructed to prohibit the placing of personal long distance telephone calls over the Occupation Force Long Distance Telephone System. It is suggested an appropriate news item be run in the Stars and Stripes for the information of all Occupation Force personnel.

2. In addition to the above, the news item should advise all users of the Oversea Telephone Service to book their calls well in advance of the date a call is to be made. Due to the present emergency, individuals must wait several days to have their calls put through. Emergency calls to the United States, of course, will be handled at any time, and on a priority basis.

3. For further information relative the above, the following may be contacted:

a. Lt Col White, Deputy Communications Office, Tel: 26-8626

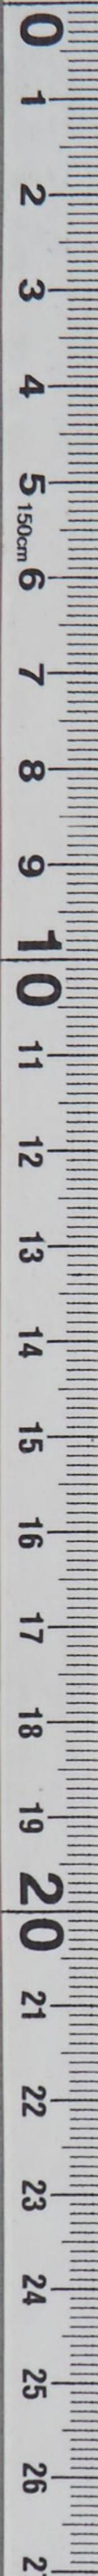

b. Lt Col Kleinknight, Signal Sec, GHQ FEC, Tel: 26-5844

-----G.I.B.-----

Note for Record:

1. Instant C/S to PIO requests announcement in Stars & Stripes of prohibition against personal long distance calls over the OF LD telephone system, and concurrent delay in placing calls to the US.
