Please fill in this application in English and send it to <u>wikimania@wikimedia.de</u> no later than <u>28 January 2018</u>. For more information about the scholarship applications see <u>https://de.wikipedia.org/wiki/Wikipedia:Wikimania_2018/Stipendien</u> (German only).

Real name (only required once awarded with a scholarship)	Joe Average
User name	JAverage
Residence in Germany	No/Yes
Involved with the projects of the WMDE Software Development Department	No/Yes
I commit myself to document my activities	No/Yes
<u>Activities in the Wikimedia projects:</u> What have you contributed to or organized in the Wikimedia projects, in particular in 2017/18? What's your highlight in Wikimedia projects, esp. in 2017/8? What touched you the most? Please provide links to your activities. Bullet points are sufficient.	In general: • 2017/18: •
<u>Activities outside the Wikimedia projects:</u> What activities have you organised for the Wikimedia projects in real life, with a focus on 2017/18? For example, have you worked together with other community members? How did they work out? Are you active in a local group or local space? Have you organised workshops or meet-ups? Please provide links to your activities. Bullet points are sufficient.	In general: • 2017/18: •
<u>How you will share your new experiences:</u> How do you plan to share your impressions from Wikimania in the Wikimedia projects, in local groups, and beyond? How do you usually share your experiences? The question deals with documentation and sharing before, during, and after the conference. <u>In case you have already attended a Wikimania, please tell us you you shared your experiences then and provide links.</u>	free text:
<u>Your expectations for Wikimania:</u> Please answer at least two of the following questions with more details: • What do your expect from attending Wikimania for your own activities in the Wikimedia projects? • What kind of topics do you like to deal with at Wikimania and what experiences do you take into these? If applicable: How do you want to contribute to the Wikimania 2018 theme on "supporting	free text:

underrepresented voices and filling knowledge gaps" or what do you want to learn from this for your own engagement? • Which international projects do you want to learn more about and why are these important for your activities in the Wikimedia projects? • Which ideas or projects do you have that you want to present at Wikimania, e.g. by holding a presentation, or that you want to develop further with other attendees interested in these topics? Do you have any people in mind with whom you would like to swap ideas?
