Whereas, Section 301 (d) of the Sugar Act of 1937, approved September 1, 1937, provides, as one of the conditions for payment to producers of sugar beets and sugarcane as follows:

That the producer on the farm who is also, directly or indirectly, a processor of sugar beets or sugarcane, as may be determined by the Secretary, shall have paid, or contracted to pay under either purchase or toll agreements, for any sugar beets or sugarcane grown by other producers and processed by him at rates not less than those that may be determined by the Secretary to be fair and reasonable after investigation and due notice and opportunity for public hearing.
