NARBERTH, PA., THURSDAY, JUNE 6, 1918

WORK STARTED ON THE NEW POST OFFICE

New Quarters at 207 Haverford Avenue Will Give More Room For the Public and Larger Facilities for the Postmaster

At last Narberth is to have a new post office. Not a brand new building—that will come later when building conditions have improved—but a larger post office, with decisively improved facilities, both for Postmaster Haws and his assistants on the inside and the citizens on the outside.

Work was started this week on the new office which is to be located at 207 Haverford avenue, that is, in the Harris Building, directly across the street from the present post office. The entire first floor of the new location, with some additions, will be remodeled, including a new front, and up-to-date fixtures installed. All the boxes in the new post office will be combination lock boxes, and Postmaster Haws and his staff will endeavor in every way to render that service which they have been prevented from rendering during the past two or three years by lack of space and the proper facilities.

The announcement of the new post office marks the culmination of a four years' campaign for the much-needed new and enlarged postal facilities in Narberth. These activities have been led by Postmaster Haws, individual citizens, members of Council and the civic association. First one thing and then another has interfered until many folks gave up hope. Not so Postmaster Haws. He kept on the job all the time, with one eye on the post office business and the other searching for a possible location for the new quarters.

When the property at 207 Haverford avenue was vacated a short time ago Mr. Haws at once took up the proposition of establishing a new post office at that address with the owner of the property, Mr. William T. Harris. As a result, the plan was laid before the U. S. Postal Inspector for this district, who approved the plan and presented it to the authorities at Washington. Narberth's claim for a new post office has been well established for some time and the federal office at Washington promptly O. K.'d Postmaster Haws' proposition.

Thanks, postmaster, the appreciation and well wishes of the whole town are yours.

GREAT BRITAIN INCREASES POSTAGE RATES

The Postoffice Department at Washington has been advised by the Postal Administration of Great Britain that commencing June 3, 1918, the rate of postage on letters mailed in the United Kingdom and addressed for delivery in the United States will be increased one and one-half pence for the first ounce or fraction thereof and one penny for each additional ounce or fraction thereof.

BUYING WAR SAVINGS STAMPS

The Boy Scouts endeavor to see the people on the streets assigned to each scout by the scoutmaster, but purchasers of War Savings Stamps and Thrift Stamps are advised that if it is not convenient to buy through the scouts the stamps may be purchased at the postoffice. We have a plentiful supply on hand and for those purchasing in quantities checks drawn to the order of Edward S. Haws, postmaster, will be accepted.

THE HUN IS AT THE GATE

WOMEN VOLUNTEERS WANTED FOR RED CROSS WORK

The Atlantic Coast raid must convince every Narberth woman that the time has come when she must make some sacrifice of her time to augment the work of the faithful few who have been giving freely of their time at the Red Cross Work Room, Y. M. C. A. Building.

FLOWER SHOW WAS A BIG SUCCESS; MANY FINE BLOOMS EXHIBITED

Narberth Gardeners Praised by Expert Judges—Children Win Prizes of War Saving and Thrift Stamps—Many Visitors

Narberth flower lovers and Narberth gardens achieved a distinct triumph over a very freakish season and a week of none too good weather last Saturday at the fourth annual Flower Show in the Community-Red Cross room, in the Y. M. C. A. Building.

In a measure it was what might have been very aptly called a "surprise show." The fact that there were so many fine exhibits, in spite of the bad weather of the previous week, was a pleasant surprise to the folks who had charge of the show, to the hundreds who came to see the flowers during the afternoon and evening, and to the judges.

The biggest disappointment was the absence of the usual large display of peonies, due to the heavy rains of week before last. And there were two or three classes in which there were no entries.

But in every other respect—on the whole in fact—the show was a decided success. The roses were particularly fine and won the well deserved praise of the judges and the visitors.

Winners of Honors

The honors were carried off by the exhibits of Mrs. Samuel P. Bowman, Mrs. Fletcher W. Stites, Mr. James F. Donnelly, Miss Miriam Elsie Clark and Miss Maizie Simpson.

The wild flowers collected, arranged and exhibited by the children were also of special interest. This year, instead of having all the children in one class, they were divided into two classes—one for children from 5 to 10 years, and another for children from 10 to 15 years. There was a first prize of one War Savings Stamp, and a second prize of ten Thrift Stamps in each class. In addition to the prize winners in the children's class, special mention is also made of the exhibits of Laura Henderson, Ruth Marra, Mae C. Marra, Buddie Rudolph, Worcester Jones, Gordon Rudolph, Mary Messer and Anna Donnelly, in the 5 to 10 years class, and Grace Houston, Sadie Simpson, John Hillegas, George Stanley and Anna and John Bodansky in the 10 to 15 years class.

Special mention should also be made of the interesting exhibits of Carl B. Metzgar and Arthur A. Chalker, in the class of varieties shown for attractive arrangement.

Judges Praise Exhibits

The judges were: Mr. E. J. Faucourt, of the Pennock Company; Mr. Fred J. Michell, of the Henry F. Michell Company, and S. Mendelson Meehan, of Thomas Meehan & Sons and no judges could have been more careful and conscientious in examining the exhibits and making the awards. And as they went from class to class making the awards, they made many exceedingly complimentary comments on the various flowers.

After they had finished awarding the blue and red ribbons, first and second respectively, the three judges were unstinting in their praise of Narberth's gardens and gardeners. They said frankly that they were surprised, in view of the unfavorable weather that preceded the show, at

the quantity of really very fine blooms exhibited.

The Civic Association, speaking through Mr. Horace R. Hillegas, chairman of the Garden Committee which had charge of the show, and Joseph H. Nash, the president of the association, take this opportunity to publicly acknowledge to Messrs. Faucourt, Michell and Meehan its appreciation of their services in coming to Narberth and assisting in making the Flower Show a success.

A word should also be said in appreciation of the kindness of John Albrecht, of the Albrecht Nurseries, for his display of palms and other tropical plants which furnished a fine background for the brighter colors of the flowers, and added materially to the attractive appearance of the room.

The arrangement of the tables was excellent, and the small cards giving the number of each class and the variety of flowers shown was another good feature.

All and the show was a big success. The list of prize winners follows:

Card Party and Dance Was a Splendid Success

One of the most successful of this season's affairs was the card party and dance given at Elm Hall, on Friday evening, May 24, to raise funds to pay for a Liberty Bond purchased by the above organization. A STAY FOR COMMUTERS

Tickets Bought Up to June 9
Good Until Used

Commutation tickets may be bought up to midnight of June 9 and will be good until used, according to a ruling received by the Pennsylvania Railroad officials Tuesday by telephone from the office of Director General McAdoo in Washington.

The order establishing new passenger and freight rates, effective June 10, was indefinite concerning commutation tickets. It said the price of these tickets would be increased 10 per cent. on June 10, but was silent as to the unused portion of tickets bought under the old rate.

The Pennsylvania and Reading announced they are preparing revised prices for seashore excursion tickets, to comply with the increased fare, and will file tariffs within the next ten days. This assures the continuance of shore excursion rates, but at an advance of probably 20 per cent. for each class of ticket, and the 8-cent war tax, already in effect.

The proposed increase will make the rate for ten-trip tickets from Narberth to Philadelphia \$1.56, sixty-trip ticket, \$5.50, and for fifty-trip ticket, \$5.78.

Invest your Liberty Bond coupons in War Savings Stamps. You could help our Government in no better way.

Narberth "Star" boys will appreciate the size of our contribution to the War Chest.

Assuming the population to be about 3300, it averages \$14 per capita for every man, woman and child in the borough. Can you beat it? Columbus, Ohio, became famous by giving \$11.50 per capita.

The war, demanding the service and the lives not only of men, but also of horses, mules, dogs, pigeons, emphasizes anew the familiar words of Edward Everett Hale. "We are all in the same boat, animals and men." They suffer for our sins, however, not for their own.

Says a high military authority, "If we had 100 guns for every German gun, and 100 shells for every German shell and our supply of horses gave out, we could not win the war." Motors cannot cross fields soaked with water or travel through ravines and swamps. How shall the world ever pay its debt to the faithful horse?

An osteopathic doctor has immortalized himself by eliminating the bark from the dog. The wag having been amputated out of his tail, and the cock of his ears abbreviated, our faithful friend is now ready for the vivisection table. Mark Twain once said that the better he knew men, the more he liked dogs. Can you blame him?

The food administration has sent out through all State administrators a warning to corn, barley, and oats millers and to wholesale and retail dealers in the products that at the present prices of these grains corn meal and oat meal should be selling at least 20 per cent. below the price of wheat flour and that corn flour and barley flour should be selling at least 10 per cent. below wheat flour.

Women between the ages of 21 and 35 who have had a high school education or its equivalent, will be eligible

for admission to the Army School of Nursing, arrangements for which were recently made by the War Department. It is intended to start several schools in selected military hospitals. Unless otherwise specified, applications should be sent directly to the Army School of Nursing, office of the Surgeon General of the Army, Washington, D. C.

The first Porto Rican laborers to reach the United States under Government auspices will be at work upon Government contracts within a month. The Employment Service of the Department of Labor has already found employment for at least 10,000 of these men as common laborers on construction work at Norfolk, Newport News, Baltimore and vicinity. Arrangements are now being made by the Department of Labor to provide proper housing for these men.

Under a new agreement the army will handle all mail for the expeditionary forces after it leaves United States ports. The Post Office Department will deliver the mail to military authorities at the port of embarkation in this country and receive it from them at a port in France for dispatch to the United States. The domestic money-order service to the troops will, for the present at least, continue under the direction of the Post Office Department in France.

MEMORIAL RESOLUTION

The following resolution was adopted at a recent meeting of the Board of Health of the Borough of Narberth: "Whereas, the late William S. McClellan has served faithfully as health officer of this borough since November, 1910, therefore be it

"Resolved, That this board deeply regrets the inevitable severance of official ties at the end of a long and useful life and desires to extend the sympathy of its members to his family."

From the minutes.

Secretary.

NARBERTH WAR CHEST

Total to Monday Night, \$45,623.00—Average Per Capita, \$14—Great Work Accomplished by Women

Stimulated by the generous offer of Mr. Percival Roberts, county chairman of the Five Counties War Chest, to give \$20,000 if Narberth would give an equal amount, we have again more than risen to the occasion, the total at this writing being \$45,623, including his contribution.

Narberth is to be congratulated on the selection by Mr. Roberts of Mr. Alexander C. Shand as its local chairman. Mr. Shand has a way of inspiring those associated with him with a spirit of confidence that is bound to win. His idea of asking the women of Narberth to take charge of obtaining subscriptions has been fully justified by the great result achieved. Mr. Shand was ably seconded by the committee of ten appointed by him, all of whom rendered valuable assistance. Special mention may be made of the admirable manner in which details were handled by Mr. Henry C. Gara, secretary, and Mr. Charles V. Noel, treasurer, and of the organization of the women solicitors by Mrs. C. P. Fowler, president of the Women's Community Club. Every woman of the staff of solicitors did her duty, nothing being left undone to bring out the largest possible returns. The per capita average of \$14 for every man, woman and child in the borough is an eloquent tribute to their activity.

Mrs. Chas. W. Young, in securing Mr. Roberts' pledge card for \$20,000, received a letter from him, which we take pleasure in subjoining:

"Dear Mrs. Young:
"I am enclosing two pledge cards herewith to add to your list, and at the same time take this opportunity of thanking you for your efforts on behalf of the War Chest. Montgomery county has done exceedingly well, and I am very proud of the results we have obtained.
"Yours very truly,
"Percival Roberts, Jr."

This card was signed by Mr. and Mrs. Roberts, and was for the amount pledged, \$20,000. In addition to this, Mrs. Young secured other pledges, totaling \$4500, a great record. A final report will be made next week. Several hundred dollars more are said to be unreported at this time.

CUB'S WEEKLY LETTER

To the Editor of Our Town:

You must hear about the experience I had at Harrisburg the other night. Perhaps you can clear up the mystery. I chanced to be at a vaudeville show and occupied one of the two-bit seats. Having a good view of the house, I was surprised to see below me, in the four-bit pavilion, our famous constable, Fred Walzer, late candidate for Governor and manager of Flick Sites' campaign. I wondered what Fred was doing so far away from home, realizing that he was not a traveling peddler like myself, but a merchant doing a strictly local business in Narberth. But soon the thought came to me that a man of Fred's political experience and acumen, possessing as he does a broad knowledge of State and national affairs, would not be allowed to remain quietly at home while portentous matters were being discussed by the other big men of the Commonwealth. His advice surely would be needed. I figured, and thus was Fred's presence in the capital accounted for.

It seems there was one of those oriental soothsayers and crystal gazers on the bill. He could read any question you had on your mind and give you a correct answer by just looking at the sphere. Fred asked him a question; that is, he asked it without speaking. Whereupon the clairvoyant looked into the ball and then at Fred, saying, "You will be successful in your mission to Harrisburg, but be careful that the great political powers you will antagonize do not unite to dethrone you, as they have many other great statesmen." Fred's face lighted up and he threw his hat in the air yelling, "Hooray! Hooray!" and then rushed from the place. Believe me, Jake, I was proud of Narberth for fair and much more so than on the day that 57 stunt was pulled off, but what was Fred's mission? Aye, that's the burning question. But you can't never tell about them things, that's sure.

Without saying which side of the fence I'm on, I think it only fair to call everybody's attention, and especially those who are opposed to women's suffrage, to a few pertinent facts. Narberth oversubscribed her Third Liberty Loan allotment by 30 per cent, or more, to say nothing of having made a wonderful success of the earlier issues. Her Red Cross campaign was exactly the opposite of a failure. She pledged herself to buy over \$25,000.00 worth of war stamps this year. Along comes the War Chest and everybody feeling flush. I don't think, and we pull off something like \$50,000.00. The figures do the talking and not I. After such a showing for a poor man's town, of course the men feel pretty well pleased with themselves, but how do they get that way? The women made all these drives the successes they were and we should all fully realize that fact. If they'd only leave off their furs at this season, I'd give them the vote, if I could.

I have seen some good, bad and indifferent umpires, some of them hard-working fellows who were simply awful and some easy-going umps who were really capable. But I have never seen an "arbiter of the national game" who was so terribly in earnest nor who labored so diligently on his job and yet made such a mess of things as the man who refereed the game at the school grounds last Saturday. And he got ten bones for it—they say.

Have it on good authority that some of the 57 are ashamed to show their faces in public, also that those who dare venture out look sheepish. But if they promise to behave in the future all will be forgiven.

Narberth had an ice cream famine for a while on Sunday. Somebody torpedoed the supply on its way from the city and many of us had to do without dessert.

Somebody asked Bill Cummer in what respect his hair was like the Wanamaker Building. Bill gave it up. The answer was, "Because it covers a whole block." "No it doesn't either," says Bill, taking off his hat.

Say, did he match the twenty-thousand.

Montgomery Co. Federation of Women's Clubs Meets in Narberth

The Women's Community Club of Narberth acted as hostess to the Montgomery County Federation of Women's Clubs on Wednesday, May 29, at the Presbyterian Church.

The morning session was opened by an address of welcome by Mrs. C. P. Fowler, president of the Women's Community Club, the response being given by Mrs. Jones, president of the Pottstown Club. Then came the usual business and reports of chairmen, followed by a two-minute talk by club presidents as to the greatest problem they had contended with in the past year. At the closing of the morning session Mrs. E. Lynch, of Philadelphia, made a very urgent appeal to the club to lend their assistance in aiding the navy recreations by donations of magazines and music of any kind, as the need is very great. The meeting then adjourned and the delegates and guests were invited to come to luncheon, which was served in a most delightful manner by Mrs. Robert Dothard, chairman of hospitality, and her committee. Mrs. Nichols, of Ardmore, at this time drew attention to a special war bread which was being used in an effort to advertise it sufficiently to warrant the sale of it in the Main Line.

After luncheon the ladies again assembled upstairs when the afternoon program was opened by the singing of the "Star-Spangled Banner," with Mrs. E. Lynch, official organist, to Mr. and Mrs. E. T. Stotesbury, presiding at the organ. Mrs. Howard Hoffman rendered an instrumental solo.

Mrs. Robert E. Ralston, chairman of Montgomery county for the Third Liberty Loan, spoke of the splendid success achieved by the women in the county, thanking them one and all for their excellent co-operation. The next speaker, Mrs. H. S. Prentiss Nichols, needed no introduction and as usual charmed her audience by her delightful manner and earnest message.

Mrs. R. J. Hamilton, president of the Women's Club of Ardmore and president of the Montgomery County Federation of Clubs, then gave the report of her recent trip to the biennial convention at Arkansas, which was greatly enjoyed by all present.

The members were further favored by a talk by Lieutenant Howell, a Canadian officer, and one experienced in the recent warfare, who naturally had many both amusing and yet harrowing incidents to relate.

Mr. William Bittle Levis, who is connected with war relief in France, but who is now in America to raise funds for this organization, imparted much interesting information to the gathering. He had with him many interesting souvenirs of his experiences while in France.

A real iron cross was on exhibition, a belt worn by a German officer, flags and numerous other things of the same character.

A vocal duet by Miss Crist and Mrs. Joseph Barclay, followed by a vocal solo by Miss Gertrude Might concluded the afternoon's program.

The guests parted with many expressions of appreciation at the excellent manner in which they had been entertained, to which the delightful surroundings were so well adapted. It is noteworthy that this gathering represents the initial meeting of the Montgomery County Federation of Women's Clubs in Narberth.

NARBERTH PATRIOTIC LEAGUE OF WOMEN WORKERS

On Thursday evenings the Patriotic League of Women Workers of Narberth are drilled under Lieutenant Crosby, of the Radio School, Thirty-second and Lancaster avenue.

This unit consists of the young women in the town, and the work has not only been interesting but helpful to them all.

They are hoping to increase their numbers. Any one seeing them drill will feel an inspiration "to go and do likewise." They claim they are ready to match the Home Guards at any time now.

For further information regarding this league, call up Miss Augusta Witherow.

WALZER'S TEAM WINS FROM TENNIS PLAYERS

It Was a Hard-fought Contest With the Tennis Nine Leading Up to the Ninth Inning

Well, it was SOME game, and it was SOME GOOD GAME of baseball that was played last Saturday afternoon on the high school grounds, between Fred Walzer's Narberth team and Jim McKell's nine from the Narberth Tennis Association. The Walzer outfit won in the very last lap of the race, that is to say, the last half of the ninth inning. But there was glory enough for both sides, and Manager Walzer very frankly and generously acknowledged that the tennis players put up a rattling good game.

As a matter of fact the tennis nine came within a hair's breadth of winning. When the Walzerites went to the bat in the last half of the ninth, the score stood 8 to 5 in favor of the tennis players. It was then that the tennis nine realized fully what the fellows from Camp Meade mean when they say "it's a great life if you don't weaken." The trouble was that the tennis nine did weaken. Almost before anyone realized it the bases filled and then a young man whose name ought to be Sherwood Magee-Delehanty-Cobb-Baker-Dickey came to the bat and swatted one almost to the General Wayne Inn. The three men on the bases and the batter scored and the game was over.

The spectators gave generously to the collection, which was presented to the Narberth Red Cross. It is quite possible that the two teams will play another game later in the season and if they do, and you enjoy a good game of baseball, don't miss the contest. It will be well worth seeing.

Y. M. C. A. HOLDS REGULAR MONTHLY MEETING

Last Monday evening the directors met, nine members of the board being present. After disposing of the routine business, a letter from the U. S. Department of Labor, U. S. Boys' Working Reserve, was read, asking if the Narberth Y. M. C. A. would join in the movement to render service to the "soldiers of the soil," as we are doing to the soldiers under the colors. A large number of boys are now in liberty camps in the five counties surrounding Philadelphia. The various Y. M. C. A. organizations are asked "to look after their recreational, inspiration and instructional activities." Accordingly, they request the services of Mr. Bowen, Narberth secretary, for two days per week, until the work is thoroughly organized. No salaries will be paid by the Department of Labor, but it will assume payment of actual traveling expenses.

A resolution was at once offered and adopted that this request be granted. General Secretary Henry M. R. Bowen submitted his monthly report showing that the average daily attendance during May was 50, exclusive of Red Cross workers. The men assigned for evening duty have responded faithfully, much to the secretary's encouragement. The marine painting, loaned by Mrs. Brooks, is now hanging in the lobby.

The membership reported May 1 was 267. There were 11 expirations, 15 enlisted men reinstated, 2 other renewals, and 2 new members, the total now being 257. A register of entertainments and meetings will be displayed for the convenience of the community, and to prevent conflict of events. The co-operation of all organizations is requested.

The secretary has met the pastors of the Methodist, Baptist and Presbyterian Churches and arranged for the union twilight services, which will begin Sunday, June 30.

The "jumping" standards purchased by the Y. M. C. A. have been taken over by the Narberth public schools.

The secretary last Sunday addressed the Sunday schools of the three churches mentioned, in the interests of a "daily vacation Bible school." He made a number of recommendations to the board, as follows:

(1) That the board offer the use of the gymnasium and boys' game room for a community daily vacation Bible school, to meet every morning for six weeks, beginning July 1, from 9:30 to 11:30 o'clock. A resolution was passed, complying with this suggestion, except that the lobby was designated, instead of the gymnasium.

(2) That we comply with the request of the Department of Labor regarding services of the secretary two days per week. This had already been done by the board.

(3) That a special summer rate be offered to members of the tennis association, namely, 3 months membership, including locker and shower baths, \$2; large locker, 50 cents extra. A resolution was adopted to this effect.

(4) Concerning repairs to building. This suggestion was referred to the House Committee.

(5) That we act on a request of the International Committee of Y. M. C. A. relative to a subscription. The secretary of the board was instructed to reply to this communication.

(6) That to conserve electricity the building be closed on the two evenings of poorest attendance, during the summer months, namely, Wednesday and Saturday. This was referred back to Mr. Bowen with power to close at such an hour on those evenings as would not interfere with those desiring to use it early in the evening.

Rub the nickel on your stove with newspaper every day. It will not need washing so often.

Athletic Meet Prizes

On Tuesday morning, May 28, Mr. Bowen presented the high score medals and place ribbons to the winners of the Y. M. C. A. indoor meet held March 30 at the high school morning assembly. Both Mr. McCarter and Mr. Melchior spoke highly of the Y. M. C. A. and urged the boys and girls to participate in its whole program. High score medals were awarded to Gerald Sperry, Carson Knight and Joseph Barclay. Good work, boys! Keep in training.

Daily Vacation Bible School

Vacation—Those long summer days, boys and girls from 4 to 14 years of age, "What shall we do now?"

School—Not the five-hour kind with lessons to study for tomorrow, but two hours, 9.30 to 11.30 A. M.; no lesson preparation; enjoyable program.

Daily—Except Saturday and Sunday, July 1 to August 9.

Bible—Interesting stories from "The Book" told each day (30-minute period) by one who "knows how."

Not in the Name—But of great attraction. Music 20 minutes each day; great hymns, folk songs, patriotic songs; nothing repeated that is not liked by boys and girls. Two department idea divides younger from older boys and girls. Handwork period of one hour each day; rope hammocks, baskets of all shapes and sizes, wire coat hangers made by individual boys and girls and given to them for mere

cost of material. Four trained teachers. Red Cross has assigned many articles for these schools to make for boys "over there." Knitting, etc.

Boys and Girls—How would you like to attend such a school? No cost to you. Speak to your minister or Y. M. C. A. secretary, who are only waiting for you to say the word to establish a school in Narberth.

Parents and Friends of Boys and Girls—Forty-five five dollar bills will pay the school expenses. You also speak to your pastor or the Y. M. C. A. secretary, if interested.

Our Ladies' Auxiliary

Our Ladies' Auxiliary held an enthusiastic meeting Tuesday afternoon, May 28. If you were not there, you missed two fine treats—Rev. Frank M. Gray's inspiring address and a treat for your palate. Ask the secretary—he knows.

Union Twilight Services

As in former years, the Baptist, Methodist and Presbyterian churches will combine in open air union twilight services for the nine summer Sundays, commencing June 30. These services will again be under the auspices of the Y. M. C. A. A fine movement that should receive the heartiest support of our townfolk. Watch for further announcements. Union prayer meetings will also be held.

Boys' Camp

Motion pictures illustrating the State Y. M. C. A. camp, "Inglenook," were enjoyed by all present at the high school union benefit on the evening of Decoration Day. This camp, located about seventeen miles above Harrisburg on the Susquehanna, will enroll boys from all parts of the State. If ten Narberth boys go, an adult leader will accompany them. Camp opens June 21 and runs for two weeks. Board of \$7 per week plus carfare and incidentals, total about \$20 for two weeks, or \$13 for one week. Get a pamphlet and other information at Y. M. C. A. office.

Swimming For Women and Girls

West Branch Y. M. C. A. of Philadelphia, Fifty-second and Sansom streets, with its fine swimming pool and showers, etc., has set aside Tuesdays and Fridays as women and girls' days. Their special swimming pool rates are offered to Narberth Y. M. C. A. Auxiliary and regular members. Ask for a folder at the Y. M. C. A. office. A letter is going out this week to the men and boy members, telling of the swimming conveniences and rates to Narberth members at the Central branch, 1421 Arch street. Your secretary is getting this information to you for your convenience and comfort on these hot summer days.

A Week or Week-end

A week or week-end spent at Dwight Farms (owned by Philadelphia Y. M. C. A.) will tune you up for these arduous war time duties. Farms open June 22; close September 9. Two weeks, July 8 to 22, reserved for women and girls. Further announcements in a later issue. If interested, ask Mr. Bowen for details.

General Secretary of State College

Mr. Bowen attended a conference of national, State and district directors of the boys' working reserve at State College Monday and Tuesday of this week.

NARBERTH HIGH SCHOOL GETS FIRST DEFEAT

Narberth High School lost its first game of the season, Monday, June 3, Haverford High School winning out in the thirteenth inning by the score of 3-2. Two of Haverford's three runs were due to errors, the chief offenders being Walton and Nolan. J. Beadle featured for Haverford, getting four hits and two runs. Q. Yowell pitched a good game for Narberth, but errors and inability to produce hits in the pinches spelled defeat.

Take five cents' worth of gum arabic and add just enough boiling water to dissolve it. When melted turn in alcohol enough to make a thin fluid. Put this on the hair at night, after it is done up in pins or paper, and it will keep in crimp the hottest days and will not injure the hair.

- The above department should be of the greatest use to the community, the list contains the name of every professional man tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsman, and who is progressive enough to add his name to list of Register. As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
